## 1. DESCRIPTION OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revlon, Inc. ("Revlon" and together with its subsidiaries, the "Company") conducts its business exclusively through its direct wholly-owned operating subsidiary, Revlon Consumer Products Corporation ("Products Corporation") and its subsidiaries. Revlon is an indirect majority-owned subsidiary of MacAndrews & Forbes Incorporated (together with certain of its affiliates other than the Company, "MacAndrews & Forbes"), a corporation beneficially owned by Ronald O. Perelman. Mr. Perelman is Chairman of Revlon's and Products Corporation's Board of Directors.

The Company is a leading global beauty company with an iconic portfolio of brands that develops, manufactures, markets, distributes and sells an extensive array of color cosmetics; hair color, hair care and hair treatments; fragrances; skin care; beauty tools; men’s grooming products; anti-perspirant deodorants; and other beauty care products across a variety of distribution channels.

The Company operates in four brand-centric reporting units that are aligned with its organizational structure based on four global brand teams: Revlon; Elizabeth Arden; Portfolio; and Fragrances, which represent the Company's four reporting segments. For further information, refer to Note 14, "Segment Data and Related Information."

The accompanying Consolidated Financial Statements are unaudited. In management's opinion, all adjustments necessary for a fair presentation of the Company's financial information have been made. The Unaudited Consolidated Financial Statements include the Company's accounts after the elimination of all material intercompany balances and transactions.

Certain prior year amounts have been reclassified to conform to the current year presentation.

The preparation of the Company's Unaudited Consolidated Financial Statements in conformity with U.S. generally accepted accounting principles ("U.S. GAAP") requires management to make estimates and assumptions that affect amounts of assets and liabilities and disclosures of contingent assets and liabilities as of the date of the financial statements and reported amounts of revenues and expenses during the periods presented. Actual results could differ from these estimates. Estimates and assumptions are reviewed periodically and the effects of revisions are reflected in the Unaudited Consolidated Financial Statements in the period they are determined to be necessary. Significant estimates made in the accompanying Unaudited Consolidated Financial Statements include, but are not limited to: expected sales returns; certain assumptions related to the valuation of acquired intangible and long-lived assets and the recoverability of goodwill, intangible and long-lived assets; income taxes, including deferred tax valuation allowances and reserves for estimated tax liabilities; and certain estimates and assumptions used in the calculation of the net periodic benefit (income) costs and the projected benefit obligations for the Company’s pension and other post-retirement plans, including the expected long-term return on pension plan assets and the discount rate used to value the Company’s pension benefit obligations. The Unaudited Consolidated Financial Statements should be read in conjunction with the audited consolidated financial statements and related notes contained in Revlon's Annual Report on Form 10-K for the fiscal year ended December 31, 2019 (the "2019 Form 10-K").

The Company's results of operations and financial position for interim periods are not necessarily indicative of those to be expected for the full year.

***Recently Evaluated and/or Adopted Accounting Pronouncements***

In August 2018, the FASB issued Accounting Standard Update ("ASU") No. 2018-15, "Internal Use Software (Subtopic 350-40) - Customer's Accounting for Implementation Costs Incurred in a Cloud Computing Arrangement that is a Service Contract," which requires a customer in a cloud computing hosting arrangement that is a service contract to follow the existing guidance in ASC 350-40 on internal-use software to determine which implementation costs are to be deferred and recognized as an asset and which costs are to be expensed as incurred. This guidance is effective for annual periods beginning after December 15, 2019, with early adoption permitted, and may be applied either retrospectively or prospectively to all software implementation costs incurred after adoption. The Company adopted ASU No. 2018-15 prospectively, beginning as of January 1, 2020. The Company completed its assessment and determined that this new guidance does not have a material impact on the Company’s results of operations, financial condition and/or financial statement disclosures.

***Recently Issued Accounting Pronouncements***

In March 2020, the FASB issued ASU 2020-04, "Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting." The new guidance under ASU 2020-04 provides optional expedients and exceptions for applying U.S. GAAP to contracts, hedging relationships and other transactions affected by reference rate reform if certain criteria are met. The amendments apply only to contracts and hedging relationships that reference LIBOR or another reference rate expected to be discontinued due to reference rate reform. These amendments are effective immediately and may be applied prospectively to contract modifications made and hedging relationships entered into or evaluated on or before December 31, 2022. The Company is in the process of assessing the impact, if any, that ASU No. 2020-04 is expected to have on the Company's results of operations, financial condition and/or financial statement disclosures.

In December 2019, the FASB issued ASU No. 2019-12, "Income Taxes (Topic 740) - Simplifying the Accounting for Income Taxes," which removes certain exceptions for recognizing deferred taxes for investments, performing intra-period allocations and calculating income taxes in interim periods. This ASU also adds guidance to reduce complexity in certain areas, including recognizing deferred taxes for tax goodwill and allocating taxes to members of a consolidated group. This guidance is effective for annual periods beginning after December 15, 2020, with early adoption permitted, including adoption in any interim period. An entity that elects to early adopt the amendments in an interim period should reflect any adjustments as of the beginning of the annual period that includes that interim period. Additionally, an entity that elects early adoption must adopt all the amendments in the same period. The amendments in this ASU that are related to separate financial statements of legal entities that are not subject to tax should be applied on a retrospective basis for all periods presented. The amendments in this ASU that are related to changes in ownership of foreign equity method investments or foreign subsidiaries should be applied on a modified retrospective basis through a cumulative-effect adjustment to retained earnings as of the beginning of the fiscal year of adoption. The amendments in this ASU that are related to franchise taxes that are partially based on income should be applied on either a retrospective basis for all periods presented or a modified retrospective basis through a cumulative-effect adjustment to retained earnings as of the beginning of the fiscal year of adoption. All other amendments under this ASU should be applied on a prospective basis. After reviewing this ASU, the Company decided that it will adopt this guidance beginning as of January 1, 2021. The Company is in the process of assessing the impact, if any, that this ASU is expected to have on the Company's results of operations, financial condition and/or financial statement disclosures.

In August 2018, the FASB issued ASU No. 2018-14, "Compensation-Retirement Benefits-Defined Benefit Plans-General (Subtopic 715): Disclosure Framework-Changes to the Disclosure Requirements for Defined Benefit Plans." This new guidance removes certain disclosures that are not considered cost beneficial, clarifies certain required disclosures and requires certain additional disclosures. This guidance is effective for annual periods beginning after December 15, 2020, with early adoption permitted. The Company will adopt this guidance (on a retrospective basis for certain new additional disclosures), beginning as of January 1, 2021. This new pronouncement only affects disclosure items and it is not expected to have a material impact on the Company's results of operations, financial condition and/or financial statement disclosures.

In June 2016, the FASB issued ASU No. 2016-13, "Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments," which was subsequently amended in November 2018 through ASU No. 2018-19, "Codification Improvements to Topic 326, Financial Instruments - Credit Losses." ASU No. 2016-13 will require entities to estimate lifetime expected credit losses for trade and other receivables, net investments in leases, financing receivables, debt securities and other instruments, which will result in earlier recognition of credit losses. Further, the new credit loss model will affect how entities in all industries estimate their allowance for losses for receivables that are current with respect to their payment terms. ASU No. 2018-19 further clarifies that receivables arising from operating leases are not within the scope of Topic 326. Instead, impairment from receivables of operating leases should be accounted for in accordance with Topic 842, Leases. In November 2019, the FASB issued ASU No. 2019-10, which, among other things, deferred the application of the new guidance on credit losses for smaller reporting companies ("SRC") to fiscal years beginning after December 15, 2022, including interim periods within those fiscal years. This guidance will be applied through a cumulative-effect adjustment to retained earnings as of the beginning of the first reporting period in which the guidance is effective (i.e., a modified-retrospective approach). Under the above-mentioned deferral, the Company expects to adopt ASU No. 2016-03, and the related ASU No. 2018-19 amendments, beginning as of January 1, 2023 and is in the process of assessing the impact, if any, that this new guidance is expected to have on the Company's results of operations, financial condition and/or financial statement disclosures.

## 2. RESTRUCTURING CHARGES

***Revlon 2020 Restructuring Program***

Building upon its previously-announced 2018 Optimization Program, in March 2020 the Company announced that it is implementing a worldwide organizational restructuring (the "Revlon 2020 Restructuring Program") designed to reduce the Company's selling, general and administrative expenses, as well as cost of goods sold, improve the Company's gross profit and Adjusted EBITDA and maximize productivity, cash flow and liquidity. The Revlon 2020 Restructuring Program includes rightsizing the organization and operating with more efficient workflows and processes. The leaner organizational structure is also expected to improve communication flow and cross-functional collaboration, leveraging the more efficient business processes.

As a result of the Revlon 2020 Restructuring Program, the Company expects to eliminate approximately 1,000 positions worldwide, including approximately 650 current employees and approximately 350 open positions of which approximately 700 were eliminated by June 30, 2020. In March 2020, the Company began informing certain employees that were affected by the Revlon 2020 Restructuring Program. While certain aspects of the Revlon 2020 Restructuring Program may be subject to consultations with employees, works councils, unions and/or governmental authorities, the Company currently expects to substantially complete the employee-related actions by the end of 2020 and the other consolidation and outsourcing actions during 2021 and 2022.

In connection with implementing the Revlon 2020 Restructuring Program, the Company expects to recognize during 2020 approximately $60 million to $70 million of total pre-tax restructuring and related charges (the "2020 Restructuring Charges"), consisting primarily of employee-related costs, such as severance, retention and other contractual termination benefits. In addition, the Company expects restructuring charges in the range of $75 million to $85 million to be charged and paid during 2021 and 2022. The Company expects that substantially all of these restructuring charges will be paid in cash, with approximately $55 million to $65 million of the total charges expected to be paid in 2020, approximately $40 million to $45 million expected to be paid in 2021, with the balance expected to be paid in 2022.

A summary of the 2020 Restructuring Charges incurred since its inception in March 2020 and through June 30, 2020 is presented in the following table:

| | Restructuring Charges and Other, Net | | | | | |
|---|---|---|---|---|---|---|
| | Employee Severance and Other Personnel Benefits | Other Costs | Total Restructuring Charges | Leases (a) | Other Related Charges(b) | Total Restructuring and Related Charges |
| Cumulative charges incurred through June 30, 2020 | $ 46.3 | $ 0.3 | $ 46.6 | $ 9.8 | $ 0.7 | $ 57.1 |

(a) Lease-related charges are recorded within SG&A in the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss. These lease-related charges include: (i) $3.5 million for accelerated recognition of rent expense related to certain abandoned leases; (ii) $3.0 million for the disposal of leasehold improvements and other equipment in connection with certain leases; (iii) $2.4 million of rent expense related to the Revlon 2020 Restructuring Program; and (iv) $0.9 million of disposal of leasehold improvements and other equipment in connection with the abandoned leases identified in clause (i) of this footnote (a).

(b) Other related charges are recorded within SG&A in the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss.

A summary of the 2020 Restructuring Charges incurred since its inception in March 2020 and through June 30, 2020 by reportable segment is presented in the following table:

***2018 Optimization Restructuring Program***

In November 2018, the Company announced that it was implementing the 2018 Optimization Restructuring Program (the "2018 Optimization Program") designed to streamline the Company's operations, reporting structures and business processes, with the objective of maximizing productivity and improving profitability, cash flows and liquidity. The 2018 Optimization Program was substantially completed by December 31, 2019.

As of June 30, 2020, restructuring and related charges under the 2018 Optimization Program expected to be paid in cash are approximately $32 million of the total $39.5 million of recorded charges, of which $29.8 million were already paid through June 30, 2020, with any residual balance expected to be paid during the remainder of 2020.

A summary of the 2018 Optimization Restructuring Charges incurred since its inception in November 2018 and through June 30, 2020 is presented in the following table:

## 3. INVENTORIES

As of June 30, 2020 and December 31, 2019, the Company's inventory balances consisted of the following:

| | June 30, 2020 | December 31, 2019 |
|---|---|---|
| Finished goods | $ 384.9 | $ 326.5 |
| Raw materials and supplies | 109.8 | 110.4 |
| Work-in-process | 16.5 | 11.5 |
| | $ 511.2 | $ 448.4 |

## 4. LEASES AND PROPERTY, PLANT AND EQUIPMENT

The Company leases facilities for executive offices, warehousing, research and development and sales operations and leases various types of equipment under operating and finance lease agreements. The majority of the Company’s real estate leases, in terms of total undiscounted payments, are located in the U.S.

At the effective date of January 1, 2019, the Company adopted ASU No. 2016-02 using a modified retrospective approach applying the standard’s transition provisions provided by such ASU. Refer to Note 1, "Description of Business and Summary of Significant Accounting Policies," in the 2019 Form 10-K for additional information regarding the Company's adoption of ASU No. 2016-02.

During the first and second quarter of 2020, as a result of COVID-19’s impact on the Company’s operations, the Company considered whether indicators of impairment existed for its Property, Plant and Equipment ("PP&E"), including its Right-of-Use ("ROU") assets consisting of the Company's leases as described above. In accordance with ASC Topic 360, "Property, Plant and Equipment," for purposes of recognition and measurement of an impairment loss, long-lived assets are grouped with other assets and liabilities at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets and liabilities. An impairment loss is recognized only if the carrying amount of a long-lived asset and/or asset group is not recoverable and exceeds its fair value. The carrying amount of a long-lived asset and/or asset group is not recoverable if it exceeds the sum of the undiscounted cash flows expected to result from the use and eventual disposition of the long-lived asset

and/or asset group and the impairment loss is measured as the amount by which the carrying amount of a long-lived asset and/or asset group exceeds its fair value. In performing such review, the Company considers several indicators of impairment, including, among other factors, the following: (i) whether there exists any significant adverse change in the extent or manner in which a long-lived asset and/or asset group is being used; (ii) whether there exists any projection or forecast demonstrating losses associated with the use of a long-lived asset and/or asset group; and (iii) whether there exists a current expectation that, more likely than not, a long-lived asset and/or asset group will be sold or otherwise disposed of significantly before the end of its previously-estimated useful life. Following these interim assessments, the Company concluded that the carrying amounts of its PP&E, including its lease ROU assets, were not impaired during the six months ended June 30, 2020.

## 5. GOODWILL AND INTANGIBLE ASSETS, NET

***Goodwill***

In accordance with ASC Topic 350, “Intangibles – Goodwill and Other,” the Company performs its annual impairment test during the fourth quarter of each year. The Company also reviews goodwill for impairment whenever events or changes in circumstances indicate that the carrying value of its goodwill may not be recoverable. After the close of each interim quarter, management assesses whether there exists any indicators of impairment requiring the Company to perform an interim goodwill impairment analysis.

During the first quarter of 2020, as a result of COVID-19’s impact on the Company’s operations, the Company determined that indicators of potential impairment existed requiring the Company to perform an interim goodwill impairment analysis. These indicators included a deterioration in the general economic conditions, adverse developments in equity and credit markets, deterioration in some of the economic channels in which the Company's operates (especially in the mass retail channel), the recent trading values of the Company's capital stock and the corresponding decline in the Company’s market capitalization and the revision of the Company's internal forecasts as a result of COVID-19.

As a result, for the first quarter of 2020 the Company examined and performed quantitative interim goodwill impairment assessments for all its reporting units, namely: (i) Revlon; (ii) Elizabeth Arden Skin and Color; (iii) Elizabeth Arden Fragrances; (iv) Fragrances; (v) Mass Portfolio; and (vi) Professional Portfolio. In performing these assessments the Company used the simplified approach allowed under ASU No. 2017-04, "Simplifying the Test for Goodwill Impairment."

Based upon such assessments, the Company determined that it was more likely than not that the fair values of each of its Revlon, Elizabeth Arden Skin and Color and Fragrances reporting units exceeded their respective carrying amounts for the first quarter of 2020. As of March 31, 2020, prior to the recording of any impairment charges, the Revlon, Elizabeth Arden Skin and Color and Fragrances reporting units had goodwill balances of $264.7 million, $67.4 million and $120.8 million, respectively.

Additionally, based on its first quarter of 2020 quantitative interim assessment, the Company determined that indicators of impairment existed for the (i) Elizabeth Arden Fragrances; (ii) Mass Portfolio; and (iii) Professional Portfolio reporting units. Following the results of such assessments, the Company recorded non-cash impairment charges in the amount by which the carrying value of each reporting unit exceeded its respective fair value, limited to the amount of each reporting unit's goodwill. For the three months ended March 31, 2020, the Company recognized a total of $99.8 million of non-cash goodwill impairment charges consisting of: $54.3 million and $19.6 million for the Mass Portfolio and Professional Portfolio reporting units, respectively, within the Company's Portfolio segment and $25.9 million for the Elizabeth Arden Fragrances reporting unit within the Company's Elizabeth Arden segment. These impairment charges were included as a separate component of operating income within the "Impairment charges" caption on the face of the Company's Unaudited Consolidated Statement of Operations

and Comprehensive Loss for the six months ended June 30, 2020. Following the recognition of these non-cash goodwill impairment charges, as of March 31, 2020, the Elizabeth Arden Fragrances, Mass Portfolio and Professional Portfolio reporting units had approximately $23.5 million, nil and $97.2 million, respectively, in remaining goodwill.

Primarily as a result of COVID-19 still affecting multiple countries around the world, the Company considered whether newer and/or additional indicators of impairment existed during the second quarter of 2020 that would warrant another interim assessment of goodwill for impairment purposes. The Company concluded that additional indicators of impairment existed as of June 30, 2020, primarily in connection with further revisions to the Company's expected future cash flows as a result of COVID-19.

Based upon such assessments for its second quarter of 2020, the Company determined that it was more likely than not that the fair values of each of its Revlon, Elizabeth Arden Skin and Color and Fragrances reporting units exceeded their respective carrying amounts for the second quarter of 2020. As of June 30, 2020, prior to the recording of any impairment charges, the Revlon, Elizabeth Arden Skin and Color and Fragrances reporting units had goodwill balances of $264.9 million, $67.4 million and $120.8 million, respectively.

Additionally, based on its second quarter of 2020 quantitative interim assessment, the Company determined that indicators of impairment existed for the (i) Elizabeth Arden Fragrances; and (ii) Professional Portfolio reporting units. Following the results of such assessments, the Company recorded non-cash impairment charges in the amount by which the carrying value of each reporting unit exceeded its respective fair value, limited to the amount of each reporting unit's goodwill. For the three months ended June 30, 2020, the Company recognized a total of $11.2 million of non-cash goodwill impairment charges consisting of: $9.6 million for the Professional Portfolio reporting unit within the Company's Portfolio segment and $1.6 million for the Elizabeth Arden Fragrances reporting unit within the Company's Elizabeth Arden segment. These impairment charges were included as a separate component of operating income within the "Impairment charges" caption on the face of the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss for the three and six months ended June 30, 2020. Following the recognition of these non-cash goodwill impairment charges, as of June 30, 2020, the Elizabeth Arden Fragrances and Professional Portfolio reporting units had approximately $22.0 million and $87.6 million, respectively, in remaining goodwill.

The above-mentioned fair values for the two quarterly interim assessments were primarily determined using a weighted average market and income approach. The income approach requires several assumptions including those regarding future sales growth, EBITDA (earnings before interest, taxes, depreciation and amortization) margins, and capital expenditures, which are the basis for the information used in the discounted cash flow model. The weighted-average cost of capital used in the income approach for the two quarterly interim assessments ranged from 10.5% to 12.0%, with a perpetual growth rate of 2%. For the market approach, the Company considered the market comparable method based upon total enterprise value multiples of other comparable publicly-traded companies.

The key assumptions used to determine the estimated fair value of the reporting units for the two quarterly interim assessments included the expected success of the Company's future new product launches, the Company's achievement of its expansion plans, the Company's realization of its cost reduction initiatives and other efficiency efforts, as well as certain assumptions regarding COVID-19's expected impact on the Company. If such plans and assumptions do not materialize as anticipated, or if there are further challenges in the business environment in which the Company's reporting units operate, a resulting change in actual results from the Company's key assumptions could have a negative impact on the estimated fair values of the reporting units, which could require the Company to recognize additional impairment charges in future reporting periods.

The inputs and assumptions utilized in the two quarterly interim impairment analyses are classified as Level 3 inputs in the fair value hierarchy as defined in ASC Topic 820, “Fair Value Measurements.”

(except where otherwise noted, all tabular amounts in millions, except share and per share amounts)

The following table presents the changes in goodwill by segment for the six months ended June 30, 2020:

| | Revlon | Portfolio | Elizabeth Arden | Fragrances | Total |
|---|---|---|---|---|---|
| Balance at January 1, 2020 | $ 264.9 | $ 171.1 | $ 116.9 | $ 120.8 | $ 673.7 |
| Foreign currency translation adjustment | — | — | — | — | — |
| Goodwill impairment charge | — | (83.5) | (27.5) | — | (111.0) |
| Balance at June 30, 2020 | $ 264.9 | $ 87.6 | $ 89.4 | $ 120.8 | $ 562.7 |
| | | | | | |
| Cumulative goodwill impairment charges[(a)] | | | | | $ (166.2) |

[(a)] Amount refers to cumulative goodwill impairment charges related to impairments recognized in 2015, 2017, 2018 and 2020; $11.2 million and $111.0 million of such impairment charges were recognized during the three and six months ended June 30, 2020, respectively.

In connection with recognizing these goodwill impairment charges for the three and six months ended June 30, 2020, the Company recognized a tax benefit of approximately nil and $8.3 million, respectively, during such periods.

***Intangible Assets, Net***

In accordance with ASC Topic 360, and in conjunction with the Company's performance of its interim impairment testing of goodwill for the first and second quarters of 2020, the Company reviewed its finite-lived intangible assets for impairment. In performing such review, the Company makes judgments about the recoverability of its purchased finite-lived intangible assets whenever events or changes in circumstances indicate that an impairment to its finite-lived intangible assets may exist. The Company also considers several indicators of impairment, including, among other factors, the following: (i) whether there exists any significant adverse change in the extent or manner in which a long-lived asset and/or asset group is being used; (ii) whether there exists any projection or forecast demonstrating losses associated with the use of a long-lived asset and/or asset group; and (iii) whether there exists a current expectation that, more likely than not, a long-lived asset and/or asset group will be sold or otherwise disposed of significantly before the end of its previously-estimated useful life. The carrying amount of a finite-lived intangible asset is not recoverable if it exceeds the sum of the undiscounted cash flows expected to result from the use and eventual disposition of the finite-lived intangible asset and/or asset group and the impairment loss is measured as the amount by which the carrying amount of the finite-lived intangible asset exceeds its fair value.

In connection with the interim impairment assessment for the first and second quarters of 2020, the Company also reviewed indefinite-lived intangible assets, consisting of certain trade names, using March 31, 2020 and June 30, 2020 carrying values, respectively, similar to goodwill, in accordance with ASC Topic 350.

As a result of COVID-19’s impact on the Company’s operations and on the expected future cash flows of certain asset groups, in connection with the Company's first quarter of 2020 interim assessment of finite-lived and indefinite-lived intangible assets, as of March 31, 2020 the Company recognized $24.5 million of total non-cash impairment charges related to certain indefinite-lived intangible assets within the Company's Mass Portfolio, Elizabeth Arden Fragrances and Elizabeth Arden Skin and Color reporting units.

As a result of COVID-19’s continued and additional impact on the Company’s operations and on the expected future cash flows of certain asset groups, in connection with the Company's interim assessment of indefinite-lived intangible assets for the second quarter of 2020, as of June 30, 2020 the Company recognized $8.6 million of total non-cash impairment charges related to certain indefinite-lived intangible assets within the Company's Elizabeth Arden Fragrances and Elizabeth Arden Skin and Color reporting units.

The fair values of the Company's intangible assets for the two quarterly interim assessments were determined based on the undiscounted cash flows method for its finite-lived intangibles and based on the relief from royalty method for its indefinite-lived intangibles, respectively. The inputs and assumptions utilized in the impairment analyses are classified as Level 3 inputs in the fair value hierarchy as defined in ASC Topic 820, “Fair Value Measurements.” These impairment charges were included as a separate component of operating income within the "Impairment charges" caption on the face of the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss for the three and six months ended June 30, 2020. A summary of such impairment charges by segments is included in the following table:

Amortization expense for finite-lived intangible assets was $8.2 million and $8.8 million for the three months ended June 30, 2020 and 2019, respectively, and $16.7 million and $23.6 million for the six months ended June 30, 2020 and 2019, respectively. The variance with the previous comparable six-month period was attributable primarily to the accelerated amortization of the **Pure Ice** intangible assets during the quarter ended March 31, 2019 as a result of the revision of the brand's intangible assets useful lives following the termination of a business relationship with the brand's principal customer.

The following table reflects the estimated future amortization expense for each period presented, a portion of which is subject to exchange rate fluctuations, for the Company's finite-lived intangible assets as of June 30, 2020:

| Long-term debt | $ 2,975.8 | $ 2,906.2 |
| | | |
| Short-term borrowings (see (h) below) | $ 2.6 | $ 2.2 |

(*) At June 30, 2020, the Company classified $648.3 million as its current portion of long-term debt, comprised primarily of $387.2 million of Products Corporation's 5.75% Senior Notes due February 15, 2021 (the "5.75% Senior Notes"), net of debt issuance costs, $247.2 million of net borrowings under the Amended 2016 Revolving Credit Facility, net of debt issuance costs, $9.6 million of amortization payments on the 2016 Term Loan Facility scheduled to be paid over the next four calendar quarters, and $4.2 million of amortization payments under the 2020 BrandCo Term Loan Facility due within one year. At December 31, 2019, the Company classified $288.0 million as its current portion of long-term debt, comprised primarily of $269.9 million of net borrowings under the Amended 2016 Revolving Credit Facility, net of debt issuance costs, and $18.0 million of amortization payments on the 2016 Term Loan Facility. See below in this Note 7, "Debt," and Note 19, "Subsequent Events," for details regarding the Company's recent debt-related transactions.

(a) The aggregate principal amount outstanding under the 2020 BrandCo Term Loan Facility at June 30, 2020 was $1,720.4 million, including $809.8 million of principal rolled-up from the 2016 Term Loan Facility to the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility. See further details below, within this Note 7, "Debt."

(b) On May 7, 2020, in connection with closing the 2020 BrandCo Facilities, the Company fully repaid the 2019 Term Loan Facility pursuant to that Term Credit Agreement, dated as of August 6, 2019 (the “2019 Term Loan Facility”). See Note 9, "Long-Term Debt," to the Consolidated Financial Statements in the Company's 2019 Form 10-K for certain details regarding the 2019 Term Loan Facility, which prior to its repayment was scheduled to mature on the earliest of: (x) August 6, 2023; (y) the 180th day prior to the stated maturity of Products Corporation’s existing 2016 Term Loan Facility, if any loans under the 2016 Term Loan Facility remained outstanding and had not been replaced or refinanced by such date; and (z) the date of any springing maturity of the 2016 Term Loan Facility (i.e., the 91st day prior to the maturity of the 5.75% Senior Notes due February 15, 2021 if any 5.75% Senior Notes remained outstanding by such date and certain liquidity thresholds were not met). The lenders under the 2019 Term Loan Facility participated in the 2020 BrandCo Term Loan Facility and, as a result, the Company determined that the full repayment of the 2019 Term Loan Facility represented a debt modification under U.S. GAAP. Accordingly, the Company recorded approximately $33.5 million in connection with fees paid to the lenders for the prepayment of the 2019 Term Loan Facility, as well as approximately $10.3 million in other lenders' fees, which were capitalized as part of the total debt issuance costs for the 2020 BrandCo Term Loan Facility. See further details below, within this Note 7, "Debt."

(c) The aggregate principal amount outstanding under the 2018 Foreign Asset-Based Term Facility at June 30, 2020 was U.S. Dollar equivalent $54.5 million. In connection with the amendment described below, the Company repaid €5 million of the original aggregate principal amount of €77 million. See Note 9, "Long-Term Debt," to the Consolidated Financial Statements in the Company's 2019 Form 10-K for certain details regarding the euro-denominated senior secured asset-based term loan facility that various foreign subsidiaries of Products Corporation entered into on July 9, 2018 and which is scheduled to mature on July 9, 2021, subject to a springing maturity on November 16, 2020 if any of the 5.75% Senior Notes remain outstanding on such date (the “2018 Foreign Asset-Based Term Facility”). In May, 2020 the Company entered into an amendment to the 2018 Foreign Asset Based Term Facility to, among other things, increase the margin applicable to the interest rate from EURIBOR (with a floor of 0.50%) plus a margin of 6.50% to EURIBOR (with a floor 0.50%) plus a margin of 7.00%. See further details below, within this Note 7, "Debt."

(d) Total borrowings at face amount under Tranche A of the Amended 2016 Revolving Credit Facility at June 30, 2020 were $249.5 million (excluding $7.7 million of outstanding undrawn letters of credit). See Note 9, "Long-Term Debt," to the Consolidated Financial Statements in the Company's 2019 Form 10-K for certain details regarding Products Corporation's Amended 2016 Revolving Credit Facility. In April 2018, Products Corporation amended the Amended 2016 Revolving Credit Facility Agreement, as detailed below, to, among other things, add a new $41.5 million senior secured first in, last out "Tranche B," while the original $400 million tranche under such facility became a senior secured last in, first out "Tranche A." Tranche A matures on the earlier of: (x) September 7, 2021; and (y) the 91st day prior to the maturity of Products Corporation’s 5.75% Senior Notes, if, on that date (and solely for so long as), (i) any of Products Corporation’s 5.75% Senior Notes remain outstanding and (ii) Products Corporation’s available liquidity does not exceed the aggregate principal amount of the then outstanding 5.75% Senior Notes by at least $200 million. On April 17, 2020, the maturity date of Tranche B was extended from April 17, 2020 to May 17, 2020 and was fully repaid on such extended maturity date.

(e) The aggregate principal amount outstanding under the 2016 Term Loan Facility at June 30, 2020 was $924.8 million. See Note 9, "Long-Term Debt," to the Consolidated Financial Statements in the Company's 2019 Form 10-K for certain details regarding Products Corporation's 2016 Term Loan that was originally scheduled to mature on the earlier of: (x) September 7, 2023; and (y) the 91st day prior to the maturity of Products Corporation’s 5.75% Senior Notes due 2021 if, on that date (and solely for so long as), (i) any of Products Corporation's 5.75% Senior Notes remain outstanding and (ii) Products

Corporation's available liquidity does not exceed the aggregate principal amount of the then outstanding 5.75% Senior Notes by at least $200 million (the "Original Maturity Date"). On May 7, 2020, in connection with closing the 2020 BrandCo Facilities, the Company amended the 2016 Term Loan Facility to, among other things, extend the maturity of a portion of the 2016 Term Loan Facility to June 30, 2025, subject to certain springing maturities the "Extended Maturity Date"). See further details below within this Note 7, "Debt." As a result of such transaction, as of June 30, 2020, $894.0 million of the 2016 Term Loan is scheduled to mature on the Original Maturity Date and $30.8 million is scheduled to mature on the Extended Maturity Date.

(f) The aggregate principal amount outstanding under the 5.75% Senior Notes at June 30, 2020 was $387.2 million. During the three months ended June 30, 2020, the Company repurchased $112.8 million in aggregate principal face amount of the 5.75% Senior Notes, recording a net gain on extinguishment of debt of approximately $11.9 million, which is included in "(Gain) loss on early extinguishment of debt, net" on the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss for the three and six months ended June 30, 2020. ## Current Year Debt Transactions

### *Consummation of 2020 BrandCo Refinancing Transactions*

On May 7, 2020 (the "BrandCo 2020 Facilities Closing Date"), the Company, entered into a term credit agreement (the "2020 BrandCo Credit Agreement") with Jefferies Finance LLC, as administrative agent and collateral agent, and certain financial institutions (the "2020 Facilities Lenders") that are lenders or the affiliates of lenders under Products Corporation's Term Loan Credit Agreement, dated as of September 7, 2016 and amended on April 30, 2020 and as amended on the BrandCo 2020 Facilities Closing Date, as further described below (as amended to date, the "2016 Term Loan Facility"). Pursuant to the 2020 BrandCo Credit Agreement, the 2020 Facilities Lenders provided the Company with new and roll-up senior secured term loan facilities (the "2020 BrandCo Facilities" and, collectively, the "2020 BrandCo Term Loan Facility" and, together with the use of proceeds thereof and the Extension Amendment (as defined below), the "2020 Refinancing Transactions").

*Principal and Maturity:* The 2020 BrandCo Facilities consist of: (i) a senior secured term loan facility in an aggregate principal amount outstanding on the BrandCo 2020 Facilities Closing Date of $815 million, plus the amount of certain fees and accrued interest that have been capitalized (the "2020 BrandCo Facility"); (ii) commitments in respect of a senior secured term loan facility in an aggregate principal amount of $950 million (the "Roll-up BrandCo Facility"); and (iii) a senior secured term loan facility in an aggregate principal amount outstanding on the BrandCo 2020 Facilities Closing Date of $3 million (the "Junior Roll-up BrandCo Facility"). Additionally, on May 28, 2020, Products Corporation borrowed from the 2020 Facilities Lenders an additional $65 million of term loans under the 2020 BrandCo Facility to repay in full the 2020 Incremental Facility (as defined below) under the 2016 Term Loan Facility, as a result of which the 2020 BrandCo Facility at June 30, 2020 had an aggregate principal amount outstanding of $910.6 million (including paid-in-kind closing fees of $29.1 million and paid-in-kind interest of $1.5 million that have been capitalized). Additionally, during the three months ended June 30, 2020, certain lenders under the 2016 Term Loan Facility due June 2023, representing $809.8 million in aggregate principal outstanding, rolled-up to the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility due June 2025, as a result of which the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility at June 30, 2020 have an aggregate principal amount outstanding of $809.8 million. The Company determined that the roll-up of such 2016 Term Loan Facility lenders into the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility represented a debt modification under U.S. GAAP, as the cash flow effect between the amount that Products Corporation owed to the participating lenders under the old debt instrument (i.e., the 2016 Term Loan Facility) and the amount that Products Corporation owed to such lenders after the consummation of the roll-up into the new debt instrument (i.e., the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility) on a present value basis was less than 10% and, thus, the debt instruments were not considered to be substantially different within the meaning of ASC 470, Debt, under U.S. GAAP.

The proceeds of the 2020 BrandCo Facility were used: (i) to repay in full approximately $200 million of indebtedness outstanding under Products Corporation's 2019 Term Loan Facility; (ii) to repay in full and terminate commitments under the 2020 Incremental Facility; and (iii) to pay fees and expenses in connection with the 2020 BrandCo Facilities and the 2020 Refinancing Transactions. The Company will use the remaining net proceeds for general corporate purposes, including repurchasing, repaying or refinancing Products Corporation's outstanding 5.75% Senior Notes. The proceeds of the Roll-up BrandCo Facility are available prior to the third anniversary of the BrandCo 2020 Facilities Closing Date to purchase at par an equivalent amount of any remaining term loans under the 2016 Term Loan Facility held by the lenders participating in the 2020 BrandCo Facility or their transferees. During the three months ended June 30, 2020, certain lenders under the 2016 Term Loan Facility due June 2023, representing $809.8 million in aggregate principal outstanding, rolled-up to the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility due June 2025, as a result of which the Roll-up BrandCo Facility and the

Junior Roll-up BrandCo Facility at June 30, 2020 have an aggregate principal amount outstanding of $809.8 million, with a remaining capacity for the roll-up of loans under the 2016 Term Loan Facility of $143.2 million.

The 2020 BrandCo Facilities will mature on June 30, 2025, subject to a springing maturity 91 days prior to the August 1, 2024 maturity date of Products Corporation's 6.25% Senior Notes if, on such date, $100 million or more in aggregate principal amount of the 6.25% Senior Notes remain outstanding.

The Company incurred approximately $116.7 million of new debt issuance costs in connection with closing the 2020 BrandCo Facility, which include paid-in kind amounts that are recorded as an adjustment to the carrying amount of the related liability and amortized to interest expense in accordance with the effective interest method over the term of the 2020 BrandCo Facilities.

*Borrower, Guarantees and Security:* Products Corporation is the borrower under the 2020 BrandCo Facilities and the 2020 BrandCo Facilities are guaranteed by certain of Products Corporation's indirect subsidiaries (the "BrandCos") that hold certain intellectual property assets related to the Elizabeth Arden and American Crew brands, certain other Portfolio segment brands and certain owned Fragrance segment brands (the "Specified Brand Assets"). While the BrandCos do not guarantee the 2016 Term Loan Facility, all guarantors of the 2016 Term Loan Facility guarantee the 2020 BrandCo Facilities. All of the assets of the BrandCos (including all capital stock issued by the BrandCos) have been pledged to secure the 2020 BrandCo Facility on a first-priority basis, the Roll-up BrandCo Facility on a second-priority basis and the Junior Roll-up BrandCo Facility on a third-priority basis and while such assets do not secure the 2016 Term Loan Facility, the 2020 BrandCo Facilities are secured on a pari passu basis by the assets securing the 2016 Term Loan Facility.

*Contribution and License Agreements:* In connection with the pledge of the Specified Brand Assets, Products Corporation and certain of its subsidiaries contributed the Specified Brand Assets to the BrandCos. Products Corporation entered into license and royalty arrangements on arm's length terms with the relevant BrandCos to provide for the continued use of the Specified Brand Assets by Products Corporation and its subsidiaries during the term of the 2020 BrandCo Facilities.

*Interest and Fees:* Loans under the 2020 BrandCo Facility bear interest at a rate equal to LIBOR (with a LIBOR floor of 1.50%) plus (x) 10.50% per annum, payable not less than quarterly in arrears in cash and (y) 2.00% per annum payable not less than quarterly in-kind by adding such amount to the principal amount of outstanding loans under the 2020 BrandCo Facility. Loans under the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility bear interest at a rate equal to LIBOR (with a LIBOR floor of 0.75%) plus 3.50% per annum, payable not less than quarterly in arrears in cash.

*Affirmative and Negative Covenants*: The 2020 BrandCo Facilities contain certain affirmative and negative covenants that, among other things, limit Products Corporation's and its restricted subsidiaries' ability to: (i) incur additional debt; (ii) incur liens; (iii) sell, transfer or dispose of assets; (iv) make investments; (v) make dividends and distributions on, or repurchases of, equity; (vi) make prepayments of contractually subordinated, unsecured or junior lien debt; (vii) enter into certain transactions with their affiliates; (viii) enter into sale-leaseback transactions; (ix) change their lines of business; (x) restrict dividends from their subsidiaries or restrict liens; (xi) change their fiscal year; and (xii) modify the terms of certain debt. The 2020 BrandCo Facilities also restrict distributions and other payments from the BrandCos based on certain minimum thresholds of net sales with respect to the Specified Brand Assets. The 2020 BrandCo Facilities also contain certain customary representations, warranties and events of default, including a cross default provision making it an event of default under the 2020 BrandCo Credit Agreement if there is an event of default under Products Corporation's existing 2016 Credit Agreements, the 2018 Foreign Asset-Based Term Agreement or the Senior Notes Indentures. The lenders under the 2020 BrandCo Credit Agreement may declare all outstanding loans under the 2020 BrandCo Facilities to be due and payable immediately upon an event of default. Under such circumstances, the lenders under the 2016 Credit Agreements, the 2018 Foreign Asset-Based Term Agreement, and the holders under the Senior Notes Indentures may also declare all outstanding amounts under such instruments to be due and payable immediately as a result of similar cross default or cross acceleration provisions, subject to certain exceptions and limitations described in the relevant instruments.

*Prepayments*: The 2020 BrandCo Facilities are subject to certain mandatory prepayments, including from the net proceeds from the issuance of certain additional debt and asset sale proceeds of certain non-ordinary course asset sales or other dispositions of property, subject to certain exceptions. The 2020 BrandCo Facilities may be repaid at any time, subject to customary prepayment premiums.

*2016 Term Loan Facility Extension Amendment:* Term loan lenders under the 2016 Term Loan Facility were offered the opportunity to participate at par in the 2020 BrandCo Facilities based on their holdings of term loans under the 2016 Term Loan Facility. Lenders participating in the 2020 BrandCo Facilities, as well as other consenting lenders representing, in the aggregate, a majority of the loans and commitments under the 2016 Term Loan Facility, consented to an amendment to the 2016 Term

Loan Facility (the “Extension Amendment”) that, among other things, made certain modifications to the covenants thereof and extended the maturity date of their term loans (“Extended Term Loans”) to June 30, 2025, subject to (i) the same September 7, 2023 springing maturity date of the non-extended term loans under the 2016 Term Loan Facility if, on such date, $75 million or more in aggregate principal amount of the non-extended term loans under the 2016 Term Loan Facility remains outstanding, and (ii) a springing maturity of 91 days prior to the August 1, 2024 maturity date of the 6.25% Senior Notes if, on such date, $100 million or more in aggregate principal amount of the 6.25% Senior Notes remains outstanding. The Extension Amendment became effective on the BrandCo 2020 Facilities Closing Date. As of June 30, 2020, approximately $30.8 million in aggregate principal amount of Extended Term Loans were outstanding after giving effect to the 2020 Refinancing Transactions. The Extended Term Loans bear interest at a rate of LIBOR (with a LIBOR floor of 0.75%) plus 3.50% per annum, payable not less than quarterly in arrears in cash, consistent with the interest rate applicable to the non-extended term loans. Approximately $17.0 million of accrued interest outstanding on the 2016 Term Loan Facility was paid on the BrandCo 2020 Facilities Closing Date. The aggregate principal amount of non-extended term loans under the 2016 Term Loan Facility as of June 30, 2020 was $894.0 million.

***Repurchases of 5.75% Senior Notes due 2021***

On May 7, 2020, the Company used a portion of the proceeds from the 2020 BrandCo Facility to repurchase and subsequently cancel $50 million in aggregate principal face amount of its 5.75% Senior Notes. Products Corporation also paid approximately $0.7 million of accrued interest outstanding on the 5.75% Senior Notes on May 7, 2020. After the BrandCo 2020 Facilities Closing Date, the Company repurchased and subsequently canceled in July 2020 a further $62.8 million in aggregate principal face amount of its 5.75% Senior Notes. Accordingly, as of June 30, 2020, the Company had repurchased and subsequently cancelled a total of approximately $112.8 million in aggregate principal face amount of its 5.75% Senior Notes, resulting in a net gain on extinguishment of debt of approximately $11.9 million, which was recorded within "(Gain) loss on early extinguishment of debt, net" on the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss for the three and six months ended June 30, 2020. See Note 19, "Subsequent Events," for more information regarding the Exchange Offer that the Company commenced in July 2020 with respect to the 5.75% Senior Notes.

***Prepayment of the 2019 Term Loan Facility due 2023***

On the BrandCo 2020 Facilities Closing Date, the Company used a portion of the proceeds from the 2020 BrandCo Facility to fully prepay the entire principal amount outstanding under its 2019 Term Loan Facility, totaling $200 million, plus approximately $1.3 million of accrued interest outstanding thereon, as well as approximately $33.5 million in prepayment premiums, $10.3 million in lenders' fees, $0.3 million in legal fees and approximately $2.0 million in other third party fees. As the lenders under the 2019 Term Loan Facility participated in the 2020 BrandCo Term Loan Facility, the Company determined that the full repayment of the 2019 Term Loan Facility represented a debt modification under U.S. GAAP as the cash flow effect between the old debt instrument (i.e., the 2019 Term Loan Facility) and the new debt instrument (i.e., the 2020 BrandCo Facility) on a present value basis was less than 10% and, thus, the debt instruments were not considered to be substantially different within the meaning of ASC 470, Debt, under U.S. GAAP. Accordingly, the $33.5 million of prepayment premiums, as well as the $10.3 million in other lenders' fees were capitalized as part of the aforementioned $116.7 million of total new debt issuance costs for the 2020 BrandCo Term Loan Facility, while the aforementioned $0.3 million of legal fees and $2.0 million in other third party fees were expensed as incurred in the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss for the three and six months ended June 30, 2020.

***Amendment to the 2018 Foreign Asset-Based Term Facility***

On May 4, 2020, the Company entered into an amendment to the 2018 Foreign Asset Based Term Facility, which had an original outstanding principal amount of €77 million. Such amendment provided for the following:

- increasing the interest rate on the loan from EURIBOR (with a floor 0.50%) plus a margin of 6.50% to EURIBOR (with a floor 0.50%) plus a margin of 7.00%;
- adding a springing maturity date of 91 days prior to the February 15, 2021 maturity of the 5.75% Senior Notes if any of the 5.75% Senior Notes remain outstanding on such date;
- requiring a mandatory prepayment of €5.0 million; and
- clarifying certain terms and waiving certain provisions in connection with the 2020 Refinancing Transactions.

Approximately $0.4 million of amendment fees paid to the lenders under 2018 Foreign Asset-Based Term Facility were capitalized and are amortized to interest expense, together with any unamortized debt issuance costs outstanding prior to the amendment. As of June 30, 2020, there was €48.5 million outstanding under the 2018 Foreign Asset-Based Term Facility, reflecting a repayment of €28.5 million made during the quarter ended June 30, 2020.

(except where otherwise noted, all tabular amounts in millions, except share and per share amounts)

***Incremental Revolving Credit Facility under the 2016 Term Loan Agreement***

On April 30, 2020, Products Corporation entered into a Joinder Agreement (the "2020 Joinder Agreement"), with Revlon, certain of their subsidiaries and certain existing lenders (the "Incremental Lenders") under Products Corporation's 2016 Term Loan Agreement to provide for a $65 million incremental revolving credit facility (the "2020 Incremental Facility"). On the closing of the 2020 Incremental Facility, Products Corporation borrowed $63.5 million of revolving loans for working capital purposes and subsequently on May 11, 2020 Products Corporation also borrowed the additional $1.5 million of delayed funding. After the BrandCo 2020 Facilities Closing Date, Products Corporation borrowed the remaining $1.5 million of revolving loans for working capital purposes. The commitments in respect of the 2020 Incremental Facility would have terminated on September 7, 2021, subject to a springing maturity date of 91 days prior to the February 15, 2021 maturity date of Products Corporation's 5.75% Senior Notes if any such notes remain outstanding on such date, and certain liquidity requirements are not satisfied. Prior to its full repayment on May 28, 2020, amounts outstanding under the 2020 Incremental Facility bore interest at a rate of (x) LIBOR plus 16% or (y) an Alternate Base Rate plus 15%, at Products Corporation's option. Except as to pricing, maturity and differences due to its revolving nature, the terms of the 2020 Incremental Facility were otherwise substantially consistent with the existing term loans under the 2016 Term Loan Facility. The 2020 Incremental Facility was repaid in full, and the commitments thereunder terminated, on May 28, 2020. Upon such repayment, approximately $2.9 million of upfront commitment fees that the Company incurred in connection with consummating the 2020 Incremental Facility were entirely expensed within "Miscellaneous, net" on the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss for the three and six months ended June 30, 2020.

***Amendments to 2016 Revolving Credit Agreement***

On May 7, 2020, in connection with consummating the 2020 Refinancing Transactions, the Company entered into Amendment No. 4 to Products Corporation's Asset-Based Revolving Credit Agreement, dated as of September 7, 2016, as amended (the "2016 Revolving Credit Facility"). Amendment No. 4, among other things, made certain amendments and provided for certain waivers relating to the 2020 Refinancing Transactions under the 2016 Revolving Credit Facility. In exchange for such amendments and waivers, the interest rate margin applicable to loans under Tranche A of the 2016 Revolving Credit Facility increased by 0.75%. In connection with the amendments to Tranche B of the 2016 Revolving Credit Facility (which was fully repaid on its May 17, 2020 extended maturity date), the Company incurred approximately $1.1 million in lender's fees that upon its full repayment were entirely expensed within "Miscellaneous, net" on the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss as of June 30, 2020.

Previously, on April 17, 2020 (the "FILO Closing Date"), the Company entered into Amendment No. 3 to the 2016 Revolving Credit Facility ("Amendment No. 3"), pursuant to which, the maturity date applicable to $36.3 million of loans under the $41.5 million senior secured first in, last out Tranche B under the 2016 Revolving Credit Facility (the "FILO Tranche") was extended from April 17, 2020 to May 17, 2020 (the "Extended Maturity Date"). The Company repaid the remaining approximately $5.2 million of FILO Tranche loans as of the FILO Closing Date. In addition, Amendment No. 3 increased the applicable interest margin for the FILO Tranche by 0.75%, subject to a LIBOR floor of 0.75%. The FILO Tranche was fully repaid on the Extended Maturity Date.

***Covenants***

Products Corporation was in compliance with all applicable covenants under the 2020 BrandCo Credit Agreement, 2016 Credit Agreements, the 2018 Foreign Asset-Based Term Agreement, the Amended 2019 Senior Line of Credit Agreement, as well as with all applicable covenants under its Senior Notes Indentures, in each case as of June 30, 2020. At June 30, 2020, the aggregate principal amounts outstanding and availability under Products Corporation's various revolving credit facilities were as follows:

| | Commitment | Borrowing Base | Aggregate principal amount outstanding at June 30, 2020 | Availability at June 30, 2020 [a] |
|---|---|---|---|---|
| Amended 2016 Revolving Credit Facility | $ 400.0 | $ 307.9 | $ 249.5 | $ 50.7 |
| Amended 2019 Senior Line of Credit Facility | $ 30.0 | N/A | $ — | $ 30.0 |

[a] Availability as of June 30, 2020 is based upon the borrowing base then in effect under the Amended 2016 Revolving Credit Facility of $307.9 million, less $7.7 million of outstanding undrawn letters of credit and $249.5 million then drawn. As Products Corporation's consolidated fixed charge coverage ratio was greater than 1.0 to 1.0 as of June 30, 2020, all of the $50.7 million of availability under the

(except where otherwise noted, all tabular amounts in millions, except share and per share amounts)

Amended 2016 Revolving Credit Facility was available as of such date. Tranche B under the Amended 2016 Revolving Credit Facility was fully repaid in May 2020.

The Company's foreign subsidiaries held $62.1 million out of the Company's total $338.5 million in cash and cash equivalents as of June 30, 2020. While the cash held by the Company's foreign subsidiaries is primarily used to fund their operations, the Company regularly assesses its global cash needs and the available sources of cash to fund these needs, which regularly includes repatriating foreign-held cash to settle historical intercompany loans and other intercompany payables. The Company believes that it has and will have sufficient liquidity to meet its cash needs for at least the next 12 months based upon the cash generated by its operations, cash on hand (which as of June 30, 2020 included approximately $276.4 million of proceeds remaining from the 2020 Refinancing Transactions), availability under the Amended 2016 Revolving Credit Facility, the Amended 2019 Senior Line of Credit Facility, as well as other permissible borrowings, along with the option to further settle historical intercompany loans and payables with certain foreign subsidiaries. The Company also expects to generate additional liquidity from cost reductions resulting from the implementation of the Revlon 2020 Restructuring Program, which was initiated during the first quarter of 2020, the 2018 Optimization Program and cost reductions generated from other cost control initiatives, including, without limitation, new interim measures to reduce costs in response to COVID-19 (such as: (i) switching to a reduced work week and reducing executive and employee compensation in the range of 20% to 40%; (ii) furloughing approximately 40% of the Company's U.S.-based employees and those in certain other locations; (iii) suspending the Company's 2020 merit base salary increases, discretionary profit sharing contributions and matching contributions to the Company's 401(k) plan; (iv) reducing Board and committee compensation by 50% and eliminating Board and committee meeting fees; and (v) suspending or terminating services and payments under consulting agreements with certain directors), as well as funds provided by selling certain assets (such as the Natural Honey and Floid brands that were sold in December 2019) in connection with the Company's ongoing Strategic Review. For information regarding certain risks related to the Company's indebtedness, see Item 1A. "Risk Factors" in the Company's 2019 Form 10-K.

## 8. FAIR VALUE MEASUREMENTS

Assets and liabilities are required to be categorized into three levels of fair value based upon the assumptions used to value the assets or liabilities. Level 1 provides the most reliable measure of fair value, whereas Level 3, if applicable, generally would require significant management judgment. The three levels for categorizing the fair value measurement of assets and liabilities are as follows:

- Level 1: Fair valuing the asset or liability using observable inputs, such as quoted prices in active markets for identical assets or liabilities;
- Level 2: Fair valuing the asset or liability using inputs other than quoted prices that are observable for the applicable asset or liability, either directly or indirectly, such as quoted prices for similar (as opposed to identical) assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in markets that are not active; and
- Level 3: Fair valuing the asset or liability using unobservable inputs that reflect the Company's own assumptions regarding the applicable asset or liability.

As of both June 30, 2020 and December 31, 2019, the Company did not have any financial assets and liabilities that were required to be measured at fair value.

As of June 30, 2020, the fair value and carrying value of the Company's long-term debt, including the current portion of long-term debt, are categorized in the table below:

| | June 30, 2020 | | | | |
|---|---|---|---|---|---|
| | Fair Value | | | | |
| | Level 1 | Level 2 | Level 3 | Total | Carrying Value |
| **Liabilities:** | | | | | |
| Long-term debt, including current portion[(a)] | $ — | $ 2,250.2 | $ — | $ 2,250.2 | $ 3,624.1 |

(except where otherwise noted, all tabular amounts in millions, except share and per share amounts)

As of December 31, 2019, the fair value and carrying value of the Company's long-term debt, including the current portion of long-term debt, are categorized in the table below:

| | December 31, 2019 | | | | |
|---|---|---|---|---|---|
| | Fair Value | | | | |
| | Level 1 | Level 2 | Level 3 | Total | Carrying Value |
| **Liabilities:** | | | | | |
| Long-term debt, including current portion[(a)] | $ — | $ 2,522.2 | $ — | $ 2,522.2 | $ 3,194.2 |

[(a)] The fair value of the Company's long-term debt, including the current portion of long-term debt, is based on quoted market prices for similar issuances and maturities.

The carrying amounts of the Company's cash and cash equivalents, trade receivables, notes receivable, accounts payable and short-term borrowings approximate their respective fair values.

## 9. FINANCIAL INSTRUMENTS

***Letters of Credit***

Products Corporation maintains standby and trade letters of credit for various corporate purposes under which Products Corporation is obligated, of which $7.7 million and $11.4 million (including amounts available under credit agreements in effect at that time) were maintained as of June 30, 2020 and December 31, 2019, respectively. Included in these amounts are approximately $5.3 million and $8.3 million in standby letters of credit that primarily support Products Corporation's workers compensation, general liability and automobile insurance programs, in each case as outstanding as of June 30, 2020 and December 31, 2019, respectively. The estimated liability under such programs is accrued by Products Corporation.

## 10. PENSION AND POST-RETIREMENT BENEFITS

*Net Periodic Benefit Cost*

The components of net periodic benefit costs for the Company's pension and the other post-retirement benefit plans for the three months ended June 30, 2020 and 2019, respectively, were as follows:

| | Pension Plans | | Other Post-Retirement Benefit Plans | |
|---|---|---|---|---|
| | Three Months Ended June 30, | | | |
| | 2020 | 2019 | 2020 | 2019 |
| Net periodic benefit costs: | | | | |
| Service cost | $ 0.4 | $ 0.5 | $ — | $ — |
| Interest cost | 3.7 | 5.0 | 0.1 | 0.1 |
| Expected return on plan assets | (5.6) | (6.0) | — | — |
| Amortization of actuarial loss | 2.9 | 2.6 | 0.1 | — |
| Total net periodic benefit costs prior to allocation | $ 1.4 | $ 2.1 | $ 0.2 | $ 0.1 |
| Portion allocated to Revlon Holdings | (0.1) | (0.1) | — | — |
| Total net periodic benefit costs | $ 1.3 | $ 2.0 | $ 0.2 | $ 0.1 |

In the three months ended June 30, 2020, the Company recognized net periodic benefit cost of $1.5 million, compared to net periodic benefit cost of $2.1 million in the three months ended June 30, 2019, primarily due to lower interest costs partially offset by lower expected return on plan assets and higher amortization of actuarial loss.

(except where otherwise noted, all tabular amounts in millions, except share and per share amounts)

The components of net periodic benefit costs for the Company's pension and the other post-retirement benefit plans for the six months ended June 30, 2020 and 2019, respectively, were as follows:

| | Pension Plans | | Other Post-Retirement Benefit Plans | |
|---|---|---|---|---|
| | Six Months Ended June 30, | | | |
| | 2020 | 2019 | 2020 | 2019 |
| Net periodic benefit costs: | | | | |
| Service cost | $ 0.8 | $ 1.0 | $ — | $ — |
| Interest cost | 7.4 | 9.9 | 0.2 | 0.2 |
| Expected return on plan assets | (11.4) | (12.0) | — | — |
| Amortization of actuarial loss | 5.6 | 5.0 | 0.2 | 0.1 |
| Total net periodic benefit costs prior to allocation | $ 2.4 | $ 3.9 | $ 0.4 | $ 0.3 |
| Portion allocated to Revlon Holdings | (0.1) | (0.1) | — | — |
| Total net periodic benefit costs | $ 2.3 | $ 3.8 | $ 0.4 | $ 0.3 |

In the six months ended June 30, 2020, the Company recognized net periodic benefit cost of $2.7 million, compared to net periodic benefit cost of $4.1 million in the six months ended June 30, 2019, primarily due to lower interest costs partially offset by lower expected return on plan assets and higher amortization of actuarial loss.

Net periodic benefit costs are reflected in the Company's Unaudited Consolidated Financial Statements as follows for the periods presented:

| | Three Months Ended June 30, | | Six Months Ended June 30, | |
|---|---|---|---|---|
| | 2020 | 2019 | 2020 | 2019 |
| Net periodic benefit costs: | | | | |
| Selling, general and administrative expense | $ 0.4 | $ 0.4 | $ 0.8 | $ 0.9 |
| Miscellaneous, net | 1.1 | 1.7 | 1.9 | 3.2 |
| Total net periodic benefit costs | $ 1.5 | $ 2.1 | $ 2.7 | $ 4.1 |

The Company expects that it will have net periodic benefit cost of approximately $5.5 million for its pension and other post-retirement benefit plans for all of 2020, compared with net periodic benefit cost of $7.2 million in 2019.

*Contributions:*

The Company’s intent is to fund at least the minimum contributions required to meet applicable federal employee benefit laws and local laws, or to directly pay benefit payments where appropriate. During the three months ended June 30, 2020, $1.8 million and $0.1 million were contributed to the Company’s pension plans and other post-retirement benefit plans, respectively. During the six months ended June 30, 2020, $5.2 million and $0.3 million were contributed to the Company’s pension plans and other post-retirement benefit plans, respectively. During 2020, the Company expects to contribute approximately $19 million in the aggregate to its pension and other post-retirement benefit plans.

As a result of the CARES Act passed by the U.S. Congress in March 2020 to address the economic environment resulting from COVID-19, and in accordance with the Limited Relief for Pension Funding and Retirement Plan Distributions provision of such act, the Company expects to defer approximately $9.4 million of contributions that were otherwise scheduled to be paid to its two qualified pension plans during 2020. The first quarterly contributions for the two qualified plans were originally due by April 15, 2020. The Company had already made $1.6 million in contributions to its qualified pension plans during the first quarter of 2020, prior to adopting the aforementioned provision of the CARES Act. The deferral is in effect only for 2020 and under the CARES relief provisions the Company will be required to pay the contributions by no later than January 1, 2021, including interest at the plans’ 2020 effective interest rate ("EIR") from the original due date to the actual payment date.

Relevant aspects of the qualified defined benefit pension plans, non-qualified pension plans and other post-retirement benefit plans sponsored by Products Corporation are disclosed in Note 12, "Pension and Post-Retirement Benefits," to the Consolidated Financial Statements in the Company's 2019 Form 10-K.

## 11. STOCK COMPENSATION PLAN

Revlon maintains the Fourth Amended and Restated Revlon, Inc. Stock Plan (as amended, the "Stock Plan"), which provides for awards of stock options, stock appreciation rights, restricted or unrestricted stock and restricted stock units ("RSUs") to eligible employees and directors of Revlon and its affiliates, including Products Corporation. An aggregate of 6,565,000 shares were reserved for issuance as Awards under the Stock Plan, of which there remained approximately 1.1 million shares available for grant as of June 30, 2020. In July 2014, the Stock Plan was amended to renew the Stock Plan for a 7-year renewal term expiring on April 14, 2021. In September 2019 the Stock Plan was amended in connection with the 2019 TIP, described below, to: (1) allow the Compensation Committee to delegate to Revlon's Chief Executive Officer the authority to grant RSUs to the Company's employees, other than its officers who are subject to Section 16 of the Securities Exchange Act of 1934, as amended (i.e., the Company's Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer & Controller); (2) allow for accelerated vesting of equity awards upon a termination without cause; (3) change the minimum vesting period for specified equity awards from 3 years to 2 years; and (4) to increase by 250,000 shares the number of shares of Revlon common stock that are not subject to the Stock Plan's minimum vesting requirements.

***Revlon 2019 Transaction Incentive Program***

In August 2019, it was disclosed that MacAndrews & Forbes and Revlon determined to explore strategic transactions involving Revlon and third parties (the "Strategic Review"). In light of this, the Compensation Committee of Revlon's Board of Directors approved a Revlon 2019 Transaction Incentive Program (the "2019 TIP") that enables the Company to award cash-based and RSU-based retention grants and transaction bonus awards, as well as providing for the accelerated vesting of time-based RSUs and restricted shares following a termination without cause or due to death or disability.

Each Tier 1 participant's 2019 TIP award is payable two-thirds in cash and one-third in RSUs vesting in 50% tranches on each of December 31, 2020 and December 31, 2021, while Tier 2 awards are payable 100% in cash in one lump-sum on December 31, 2020, in each case subject to certain earlier vesting for a change of control or termination of employment without cause, as described below. As of September 5, 2019, the Company approved a total of 206,812 time-based RSUs under Tier 1 of the 2019 TIP, which are scheduled to vest in equivalent amounts on each of December 31, 2020 and December 31, 2021, subject to continued employment (the "2019 TIP RSUs"). As of June 30, 2020, a total of 153,739 time-based RSUs under Tier 1 of the 2019 TIP had been granted and are outstanding. The Company's President and Chief Executive Officer declined an award under the retention program and will receive a transaction bonus only if the Company completes a transaction.

The 2019 TIP RSUs vest in full upon an involuntary termination, other than if due to cause; provided that if a change of control occurs or a brand or business segment is sold and (i) the impacted grantee accepts an offer of employment from the buyer, then: (A) if the buyer assumes the 2019 TIP RSUs, the grantee will continue to vest in the assumed awards (with the grantee having the continued right to accelerated vesting upon an involuntary termination, other than if due to cause); and (B) if the buyer does not assume the 2019 TIP RSUs, the grantee's 2019 TIP RSUs will vest upon closing the change of control; and (ii) the impacted grantee declines an offer of employment from the buyer for substantially comparable total compensation and benefits, the grantee will forfeit their unvested 2019 TIP RSUs (collectively, the "Special Vesting Rules").

The 2019 TIP also provides for the following cash-based awards payable to certain employees, subject to continued employment through the respective vesting dates: (i) Tier 1 - $6.8 million payable in two equal installments as of December 31, 2020 and December 31, 2021; and (ii) Tier 2 - $2.5 million payable in one installment as of December 31, 2020. Such cash-based awards follow the Special Vesting Rules following a termination without cause or due to death or disability. During 2019 and through June 30, 2020, the Company granted $4.9 million and $2.4 million cash-based awards, net of forfeitures, under Tier 1 and Tier 2 of the 2019 TIP, respectively, which are being amortized over the period from the grant dates to December 31, 2021 and December 31, 2020, respectively. The total amount amortized for these cash-based awards since the program's inception and through June 30, 2020 is approximately $3.8 million, of which $1.1 million and $2.6 million were recorded during the three and six months ended June 30, 2020, respectively, within "Acquisition, integration and divestiture costs" in the Company's Unaudited Consolidated Statements of Operations and Comprehensive Loss.

***Long-Term Incentive Program***

The Company's LTIP RSUs consist of time-based RSUs and performance-based RSUs. Time-based RSUs are generally scheduled to vest ratably over a 3-year service period, while performance-based RSUs are scheduled to vest based on the achievement of certain Company performance metrics and cliff-vest at the completion of a 3-year performance period.

The fair value of the LTIP and TIP RSUs is determined based on the NYSE closing share price on the grant date.

In connection with the announcement of the 2019 TIP, in August 2019 the Company also approved applying the Special Vesting Rules to outstanding, pre-existing LTIP RSUs, except that accelerated vesting in the case of termination of employment

without cause will apply only to any tranche of outstanding, pre-existing LTIP RSUs scheduled to vest in the 12-month period following termination, with any future tranches being forfeited. Prior to the approval of these Special Vesting Rules, while the outstanding, pre-existing LTIP RSUs would generally have accelerated vesting upon a change of control, they did not feature accelerated vesting for termination and, in such cases, they were entirely forfeited upon termination.

During the first quarter of 2020, the Company granted approximately 1.3 million time-based and performance-based RSU awards under the Stock Plan (the "2020 LTIP RSUs"). During the second quarter of 2020, there were no grants under the 2020 LTIP RSUs. See the roll-forward table in the following sections of this Note 11 for activity related to the six months ended June 30, 2020.

***Acceleration of Vesting***

Under the aforementioned provisions for acceleration of vesting, as of June 30, 2020 and since the time these provisions became effective in September 2019, 30,781 LTIP RSUs and 22,798 2019 TIP Tier 1 RSUs were vested on an accelerated basis due to involuntary terminations, resulting in accelerated amortization of approximately $1.0 million. In addition, for the three and six months ended June 30, 2020 and under the same accelerated vesting provisions, the Company also recorded approximately $0.1 million and $0.8 million of accelerated amortization in connection with the cash portion of the 2019 TIP Tier 1 and Tier 2 awards that were vested on an accelerated basis due to involuntary terminations. See the roll-forward table in the following sections of this Note 11 for activity related to the six months ended June 30, 2020.

(except where otherwise noted, all tabular amounts in millions, except share and per share amounts)

During the six months ended June 30, 2020, the activity related to time-based and performance-based RSUs previously granted to eligible employees and the grant date fair value per share related to these RSUs were as follows under the LTIP and 2019 TIP programs, respectively:

[a] The 2017 time-based and performance-based LTIP RSUs were recognized over a 2-year service and performance period (i.e., 2018 and 2019).
[b] The 2019 TIP provides for RSU awards that are only time-based.
[c] Includes acceleration of vesting upon involuntary terminations for the six months ended June 30, 2020 of 25,321 RSUs under the 2019, 2018 and 2017 LTIPs and of 22,798 RSUs under the 2019 TIP Tier I awards.

*Time-Based LTIP and TIP RSUs*

The Company recognized $2.1 million and $3.8 million of net compensation expense related to the time-based LTIP and TIP RSUs for the three and six months ended June 30, 2020, respectively. As of June 30, 2020, the Company had $15.5 million of total deferred compensation expense related to non-vested, time-based LTIP and TIP RSUs. The cost is recognized over the vesting period of the awards, as described above.

*Performance-based LTIP RSUs*

The Company recognized $1.5 million and $1.2 million of net adjustments to compensation expense related to the performance-based LTIP RSUs for the three and six months ended June 30, 2020, respectively. The amount of net compensation expense recognized during 2020 was affected by adjustments to the awards' expected achievement rates made primarily as a result of the ongoing adverse impact of COVID-19 on the Company's results of operations. As of June 30, 2020, the Company had $21.9 million of total deferred compensation expense related to non-vested, performance-based LTIP RSUs. The cost is recognized over the service period of the awards, as described above.

## 12. INCOME TAXES

The Company's provision for income taxes represents federal, foreign, state and local income taxes. The Company’s tax provision changes quarterly based on various factors including, but not limited to, the geographical level and mix of earnings; enacted tax legislation; foreign, state and local income taxes; tax audit settlements; and the interaction of various global tax strategies.

For the three and six months ended June 30, 2020, the Company concluded that the use of the cut-off tax rate method was more appropriate than the annual effective tax rate method, because the annual effective tax rate method would not be reliable due to its sensitivity to minimal changes in forecasted annual pre-tax earnings.

The Company recorded a benefit from income taxes of $9.9 million (Products Corporation - benefit from income taxes of $9.6 million) for the three months ended June 30, 2020 and a benefit from income taxes of $1.2 million (Products Corporation - benefit from income taxes of $0.9 million) for the three months ended June 30, 2019, respectively. The $8.7 million increase (Products Corporation - $8.7 million) in the benefit from income taxes in the three months ended June 30, 2020 compared to the three months ended June 30, 2019, was primarily due to: (i) the increased loss from continuing operations before income taxes on which the tax benefit is recognized; (ii) the mix and level of earnings; and (iii) a reduction in the U.S. tax on the Company's foreign earnings, offset by an increase in tax expense related to uncertain tax positions and by the net change in valuation allowances recorded related to increased net losses in certain state jurisdictions.

The Company recorded a benefit from income taxes of $47.1 million (Products Corporation - benefit from income taxes of $46.5 million) for the six months ended June 30, 2020 and a benefit from income taxes of $1.1 million (Products Corporation - benefit from income taxes of $0.6 million) for the six months ended June 30, 2019, respectively. The $46.0 million increase (Products Corporation - $45.9 million) in the benefit from income taxes in the six months ended June 30, 2020 compared to the six months ended June 30, 2019, was primarily due to: (i) the increased loss from continuing operations before income taxes on which the tax benefit is recognized; (ii) the mix and level of earnings; and (iii) a reduction in the U.S. tax on the Company's foreign earnings, net of the impact of non-deductible impairment charges, partially offset by the net change in valuation allowances recorded related to the limitation on the deductibility of interest.

The Company's effective tax rate for the three and six months ended June 30, 2020 was lower than the federal statutory rate of 21% primarily due to the impact of non-deductible impairment charges and the valuation allowance related to the limitation on the deductibility of interest, partially offset by the impact of the "Coronavirus Aid, Relief and Economic Security Act" (the "CARES Act"), signed into law on March 27, 2020 by President Trump, which resulted in a partial release of a valuation allowance on the Company's 2019 federal tax attributes associated with the limitation on the deductibility of interest.

The Company's effective tax rate for the three and six months ended June 30, 2019 was lower than the federal statutory rate of 21%, primarily due to the valuation allowance related to the limitation on the deductibility of interest and the U.S. tax on the Company's foreign earnings.

The CARES Act, among other things, includes provisions providing for refundable payroll tax credits, the deferral of employer social security tax payments, acceleration of alternative minimum tax credit refunds and the increase of the net interest deduction limitation from 30% to 50%. The Company continues to examine the impact that the CARES Act may have on its results of operations, financial condition and/or financial statement disclosures.

(except where otherwise noted, all tabular amounts in millions, except share and per share amounts)

The Company expects that its tax provision and effective tax rate in any individual quarter and year-to-date period will vary and may not be indicative of the Company's tax provision and effective tax rate for the full year.

In assessing the recoverability of its deferred tax assets, the Company continually evaluates the available positive and negative evidence to assess the amount of deferred tax assets for which it is more likely than not to realize a benefit. For any deferred tax asset in excess of the amount for which it is more likely than not that the Company will realize a benefit, the Company establishes a valuation allowance. A valuation allowance is a non-cash charge, and it in no way limits the Company's ability to utilize its deferred tax assets, including its ability to utilize tax loss and credit carryforward amounts.

As of June 30, 2020, the Company concluded that, based on its evaluation of objectively verifiable evidence, it does not require a valuation allowance on its federal deferred tax assets, other than those associated with the limitation on the deductibility of interest. The Company does have a valuation allowance on deferred tax assets associated with its activity in certain U.S. states and foreign jurisdictions. These conclusions regarding the establishment of valuation allowances on the Company's deferred tax assets as of the end of the second quarter of 2020 are consistent with the Company's conclusions on such matters as compared to prior quarters. The key assumptions used to determine positive and negative evidence included the Company’s cumulative taxable loss for the past three years, future reversals of existing taxable temporary differences, the Company's cost reduction initiatives and other efficiency efforts, as well as certain assumptions regarding COVID-19's expected impact on the Company. Potential negative evidence, including, among other things, any further worsening of the economies in the jurisdictions in which the Company operates and any future reduced profitability in such jurisdictions could result in additional valuation allowances which would reduce the Company's future deferred tax assets. In such event, the Company's tax expense would likely materially increase in the period the valuation allowance is recognized and adversely impact the Company's results of operations and statement of financial condition in such period. The Company will continue to monitor the circumstances that would require it to establish an additional valuation allowance on its deferred tax assets. Accordingly, depending on future evidence that may become available, the Company's assessments regarding its valuation allowance position may change.

For further information, see Note 14, "Income Taxes," to the Consolidated Financial Statements in the Company's 2019 Form 10-K and Item 1A. “Risk Factors-Uncertainties in the interpretation and application of the U.S. income tax provisions could have a material impact on the Company's financial condition, results of operations and/or cash flows” in the Company's 2019 Form 10-K.

## 13. ACCUMULATED OTHER COMPREHENSIVE LOSS

A roll-forward of the Company's accumulated other comprehensive loss as of June 30, 2020 is as follows:

| | Foreign Currency Translation | Actuarial (Loss) Gain on Post-retirement Benefits | Other | Accumulated Other Comprehensive Loss |
|---|---|---|---|---|
| Balance at January 1, 2020 | $ (27.3) | $ (219.8) | $ (0.3) | $ (247.4) |

| Other comprehensive (loss) gain | $ 5.1 | $ 6.5 | $ — | $ 11.6 |
| Balance at June 30, 2020 | $ (22.2) | $ (213.3) | $ (0.3) | $ (235.8) |

[(a)] Amounts represent the change in accumulated other comprehensive loss as a result of the amortization of actuarial losses (gains) arising during each year related to the Company’s pension and other post-retirement plans. See Note 10, "Pension and Post-retirement Benefits," for further information on the Company’s pension and other post-retirement plans.

For the three and six months ended June 30, 2020 and 2019, the Company did not have any activity related to financial instruments.

## 14. SEGMENT DATA AND RELATED INFORMATION

***Operating Segments***

Operating segments include components of an enterprise about which separate financial information is available that is evaluated regularly by the chief operating decision maker (the Company's "Chief Executive Officer") in deciding how to allocate resources and in assessing the Company's performance. As a result of the similarities in the procurement,

manufacturing and distribution processes for the Company's products, much of the information provided in the Unaudited Consolidated Financial Statements and provided in the segment table below is similar to, or the same as, that reviewed on a regular basis by the Company's Chief Executive Officer.

As of June 30, 2020, the Company's operations are organized into the following reportable segments:

- ***Revlon*** - The Revlon segment is comprised of the Company's flagship Revlon brands. Revlon segment products are primarily marketed, distributed and sold in the mass retail channel, large volume retailers, chain drug and food stores, chemist shops, hypermarkets, general merchandise stores, e-commerce sites, television shopping, department stores, professional hair and nail salons, one-stop shopping beauty retailers and specialty cosmetic stores in the U.S. and internationally under brands such as **Revlon** in color cosmetics; **Revlon ColorSilk** and **Revlon Professional** in hair color; and **Revlon** in beauty tools.
- ***Elizabeth Arden*** - The Elizabeth Arden segment is comprised of the Company's Elizabeth Arden branded products. The Elizabeth Arden segment markets, distributes and sells fragrances, skin care and color cosmetics primarily to prestige retailers, department and specialty stores, perfumeries, boutiques, e-commerce sites, the mass retail channel, travel retailers and distributors, as well as direct sales to consumers via its Elizabeth Arden branded retail stores and elizabetharden.com e-commerce website, in the U.S. and internationally, under brands such as **Elizabeth Arden Ceramide, Prevage, Eight Hour, SUPERSTART, Visible Difference** and **Skin Illuminating** in the Elizabeth Arden skin care brands; and **Elizabeth Arden White Tea, Elizabeth Arden Red Door, Elizabeth Arden 5th Avenue** and **Elizabeth Arden Green Tea** in Elizabeth Arden fragrances.
- ***Portfolio*** - The Company's Portfolio segment markets, distributes and sells a comprehensive line of premium, specialty and mass products primarily to the mass retail channel, hair and nail salons and professional salon distributors in the U.S. and internationally and large volume retailers, specialty and department stores under brands such as **Almay** and **SinfulColors** in color cosmetics; **American Crew** in men's grooming products (which are also sold direct-to-consumer on its americancrew.com website); **CND** in nail polishes, gel nail color and nail enhancements; **Cutex** nail care products; and **Mitchum** in anti-perspirant deodorants. The Portfolio segment also includes a multi-cultural hair care line consisting of **Creme of Nature** hair care products, which are sold in both professional salons and in large volume retailers and other retailers, primarily in the U.S.; and a hair color line under the **Llongueras** brand (licensed from a third party) that is sold in the mass retail channel, large volume retailers and other retailers, primarily in Spain.
- ***Fragrances*** - The Fragrances segment includes the development, marketing and distribution of certain owned and licensed fragrances as well as the distribution of prestige fragrance brands owned by third parties. These products are typically sold to retailers in the U.S. and internationally, including prestige retailers, specialty stores, e-commerce sites, the mass retail channel, travel retailers and other international retailers. The owned and licensed fragrances include brands such as: (i) **Juicy Couture** (which are also sold direct-to-consumer on its juicycouturebeauty.com website), **John Varvatos** and **AllSaints** in prestige fragrances; (ii) **Britney Spears**, **Elizabeth Taylor**, **Christina Aguilera**, **Jennifer Aniston** and **Mariah Carey** in celebrity fragrances; and (iii) **Curve**, **Giorgio Beverly Hills**, **Ed Hardy**, **Charlie**, **Lucky Brand**, **‹PS›** (logo of former Paul Sebastian brand), **Alfred Sung**, **Halston**, **Geoffrey Beene** and **White Diamonds** in mass fragrances.

The Company's management evaluates segment profit for each of the Company's reportable segments. The Company allocates corporate expenses to each reportable segment to arrive at segment profit, and these expenses are included in the internal measure of segment operating performance. The Company defines segment profit as income from continuing operations before interest, taxes, depreciation, amortization, stock-based compensation expense, gains/losses on foreign currency fluctuations, gains/losses on the early extinguishment of debt and miscellaneous expenses. Segment profit also excludes the impact of certain items that are not directly attributable to the reportable segments' underlying operating performance. Such items are shown below in the table reconciling segment profit to consolidated income from continuing operations before income taxes. The Company does not have any material inter-segment sales.

The accounting policies for each of the reportable segments are the same as those described in Note 1, "Description of Business and Summary of Significant Accounting Policies." The Company's assets and liabilities are managed centrally and are reported internally in the same manner as the Unaudited Consolidated Financial Statements; thus, no additional information regarding assets and liabilities of the Company's reportable segments is produced for the Company's Chief Executive Officer or included in these Unaudited Consolidated Financial Statements.

The following table is a comparative summary of the Company's net sales and segment profit for Revlon and Products Corporation by reportable segment for the periods presented.

## 15. REVLON, INC. BASIC AND DILUTED EARNINGS (LOSS) PER COMMON SHARE

Shares used in calculating Revlon's basic loss per share are computed using the weighted-average number of Revlon's shares of Class A Common Stock outstanding during each period. Shares used in diluted loss per share include the dilutive effect of unvested restricted stock, LTIP RSUs and TIP RSUs under the Company's Stock Plan using the treasury stock method. For the respective periods ended June 30, 2020 and 2019, Revlon's diluted loss per share equals basic loss per share, as the assumed vesting of restricted stock, LTIP RSUs and TIP RSUs would have an anti-dilutive effect. As of June 30, 2020 and 2019, there were no outstanding stock options under the Company's Stock Plan. See Note 11, "Stock Compensation Plan," for information on the LTIP and TIP RSUs.

Following are the components of Revlon's basic and diluted loss per common share for the periods presented:

## 16. CONTINGENCIES

The Company is involved in various routine legal proceedings incidental to the ordinary course of its business. The Company believes that the outcome of all pending legal proceedings in the aggregate is not reasonably likely to have a material adverse effect on the Company's business, prospects, results of operations, financial condition and/or cash flows. However, in light of the uncertainties involved in legal proceedings generally, the ultimate outcome of a particular matter could be material to the Company's operating results for a particular period depending on, among other things, the size of the loss or the nature of the liability imposed and the level of the Company's income for that particular period.

## 17. RELATED PARTY TRANSACTIONS

### Reimbursement Agreements

Revlon, Products Corporation and MacAndrews & Forbes have entered into reimbursement agreements (the "Reimbursement Agreements") pursuant to which: (i) MacAndrews & Forbes is obligated to provide (directly or through its affiliates) certain professional and administrative services, including, without limitation, employees, to the Company, and to purchase services from third-party providers, such as insurance, legal, accounting and air transportation services, on behalf of the Company, to the extent requested by Products Corporation; and (ii) Products Corporation is obligated to provide certain professional and administrative services, including, without limitation, employees, to MacAndrews & Forbes and to purchase services from third-party providers, such as insurance, legal and accounting services, on behalf of MacAndrews & Forbes, to the extent requested by MacAndrews & Forbes, provided that in each case the performance of such services does not cause an unreasonable burden to MacAndrews & Forbes or Products Corporation, as the case may be.

The Company reimburses MacAndrews & Forbes for the allocable costs of the services that MacAndrews & Forbes purchases for or provides to the Company and for the reasonable out-of-pocket expenses that MacAndrews & Forbes incurs in connection with the provision of such services. MacAndrews & Forbes reimburses Products Corporation for the allocable costs of the services that Products Corporation purchases for or provides to MacAndrews & Forbes and for the reasonable out-of-pocket expenses incurred by Products Corporation in connection with the purchase or provision of such services. Each of the Company, on the one hand, and MacAndrews & Forbes, on the other, has agreed to indemnify the other party for losses arising out of the services provided by it under the Reimbursement Agreements, other than losses resulting from its willful misconduct or gross negligence.

The Reimbursement Agreements may be terminated by either party on 90 days' notice. The Company does not intend to request services under the Reimbursement Agreements unless their costs would be at least as favorable to the Company as could be obtained from unaffiliated third parties.

The Company participates in MacAndrews & Forbes' directors and officers liability insurance program (the "D&O Insurance Program"), as well as its other insurance coverages, such as property damage, business interruption, liability and other coverages, which cover the Company, as well as MacAndrews & Forbes and its subsidiaries. The limits of coverage for certain of the policies are available on an aggregate basis for losses to any or all of the participating companies and their respective directors and officers. The Company reimburses MacAndrews & Forbes from time-to-time for their allocable portion of the premiums for such coverage or the Company pays the insurers directly, which premiums the Company believes are more favorable than the premiums that the Company would pay were it to secure stand-alone coverage. Any amounts paid by the Company directly to MacAndrews & Forbes in respect of premiums are included in the amounts paid under the Reimbursement Agreements. To ensure the availability of directors and officers liability insurance coverage through January 2023, the Company and MacAndrews & Forbes agreed to collectively make payments under MacAndrews & Forbes' D&O Insurance Program. In furtherance of such arrangement, on July 28, 2020, the Company made a payment of approximately $3.86 million to MacAndrews & Forbes under the Reimbursement Agreements. The Company expects to make a further payment of approximately $1.4 million in July 2021 in respect of its participation in the D&O Insurance Program.

The net activity related to services purchased under the Reimbursement Agreements during the six months ended June 30, 2020 and 2019 was $0.3 million income and $0.3 million expense, respectively. As of June 30, 2020 and December 31, 2019, a payable balance of $16,000 and $0.2 million, respectively, to MacAndrews & Forbes were included in the Company's Unaudited Consolidated Balance Sheet for transactions subject to the Reimbursement Agreements.

### Amended 2019 Senior Line of Credit Facility

See Note 9, "Debt," in the Company's 2019 Form 10-K regarding the Amended 2019 Senior Line of Credit Agreement between Products Corporation and MacAndrews & Forbes Group, LLC.

### Other

During the six months ended June 30, 2020 and 2019, the Company engaged several companies in which MacAndrews & Forbes had a controlling interest to provide the Company with various ordinary course business services. These services included processing approximately $14.2 million and $11.0 million of coupon redemptions for the Company's retail customers for the six months ended June 30, 2020 and 2019, respectively, for which the Company incurred fees of approximately $0.4 million and $0.2 million for the six months ended June 30, 2020 and 2019, respectively, and other similar advertising, coupon redemption and raw material supply services, for which the Company had net payables aggregating to approximately $0.3 million and $0.4 million for the six months ended June 30, 2020 and 2019, respectively. As of June 30, 2020 and December 31, 2019, a payable balance of approximately $4.3 million and $5.5 million, respectively, were included in the Company's

Consolidated Balance Sheet for the aforementioned coupon redemption services. The Company believes that its engagement of each of these affiliates was on arm's length terms, taking into account each firm's expertise in its respective field, and that the fees paid or received were at least as favorable as those available from unaffiliated parties.

In April 2020, in connection with the organizational measures taken by the Company in response to COVID-19, the Company and Ms. Debbie Perelman, the Company's President and Chief Executive Officer and a member of Revlon's and Products Corporation's Boards of Directors, agreed in writing that, effective on or about April 11, 2020, Ms. Perelman's base salary would be reduced by 40% to $675,000, less all applicable withholdings and deductions, during the span of COVID-19. The Chairman of the Compensation Committee has the authority to reinstate Ms. Perelman's base salary in effect immediately prior to such amendment at any time he deems appropriate, in his sole discretion, exercised reasonably. In July 2020, the Chairman of the Compensation Committee, acting pursuant to his delegated authority, partially reinstated Ms. Perelman's base salary to the same 25% reduction as is currently applicable to the other members of the Company's Executive Leadership Team. Also in connection with such COVID-19 measures, in March 2020, the Company agreed in writing with each of Ms. Mitra Hormozi and Mr. E. Scott Beattie that, effective April 1, 2020, their provision of advisory services to the Company was suspended, and payment of their consulting fees was also suspended. In connection with Ms. Hormozi's resignation from the Board in July 2020, the Company and Ms. Hormozi terminated her Consulting Agreement, dated as of November 7, 2019, as amended, which Consulting Agreement had previously been suspended as part of the organizational cost-reduction measures taken by the Company in response to the ongoing COVID-19 pandemic. The Company's CEO may reinstate Mr. Beattie's advisory services and payment of his consulting fees at the appropriate time, in her sole discretion, exercised reasonably.

As previously disclosed in the Company's 2019 Form 10-K, prior to this suspension of services and payments, in March 2020, the Company and Mr. Beattie entered into an Amended and Restated Consulting Agreement (the "2020 Consulting Agreement"), pursuant to which he was scheduled to serve as Senior Advisor to the Company's CEO for an additional year, subject to automatic 1-year renewals, unless either party elects not to renew, and subject to certain standard termination rights, in consideration for which, the Company would pay Mr. Beattie a fee of $250,000 per year, supplemental to the Board's compensation program for non-employee directors. The foregoing description of the 2020 Consulting Agreement is qualified in its entirety by reference to the full text of such agreement, a copy of which was filed with the SEC on March 12, 2020 together with the Company's 2019 Form 10-K.

The following Condensed Consolidating Financial Statements present the financial information as of June 30, 2020 and December 31, 2019, and for each of the three and six months June 30, 2020 and 2019 for (i) Products Corporation on a stand-alone basis; (ii) the Guarantor Subsidiaries on a stand-alone basis; (iii) the subsidiaries of Products Corporation that do not guarantee Products Corporation's 5.75% Senior Notes and 6.25% Senior Notes (the "Non-Guarantor Subsidiaries") on a stand-alone basis; and (iv) Products Corporation, the Guarantor Subsidiaries and the Non-Guarantor Subsidiaries on a consolidated basis. The Condensed Consolidating Financial Statements are presented on the equity method, under which the investments in subsidiaries are recorded at cost and adjusted to the applicable share of the subsidiary's cumulative results of operations, capital contributions, distributions and other equity changes. The principal elimination entries eliminate investments in subsidiaries and intercompany balances and transactions.

## 19. SUBSEQUENT EVENTS

On July 27, 2020, Products Corporation commenced an offer to exchange (the "Exchange Offer") any and all of its $387.2 million aggregate principal amount of outstanding 5.75% Senior Notes due 2021 (the "Existing Notes") for a combination of 5.75% Senior Notes due February 15, 2024 (the "New Notes") and an Early Tender/Consent Fee, payable in cash, upon the terms and conditions set forth in the confidential Offering Memorandum and Consent Solicitation Statement (the "Offering Memorandum") dated July 27, 2020. The New Notes will be senior unsecured notes with terms substantially the same as those of the Existing Notes, with certain adjustments specified in the Offering Memorandum. Concurrently with the Exchange Offer, the Company is soliciting consents (the "Consent Solicitation") to eliminate substantially all of the restrictive covenants and certain events of default with respect to the Existing Notes.

Unless earlier terminated or extended, the Exchange Offer will expire at 11:59 p.m. E.D.T. on August 21, 2020. For each $1,000 principal amount of Existing Notes tendered into the Exchange Offer and Consent Solicitation prior to the early tender deadline of 5:00 p.m. E.D.T. on August 7, 2020, holders of Existing Notes will receive $750 principal amount of New Notes and $50 of cash as an early tender/consent fee. Holders who tender their Existing Notes after the early tender deadline will receive only $750 principal amount of New Notes for each $1,000 principal amount of Existing Notes tendered.

The Exchange Offer and Consent Solicitation are subject to the following conditions precedent: (i) the valid tender without valid withdrawal of not less than 95% of the aggregate outstanding principal amount of Existing Notes (and the provision of the related Consents for such tendered Existing Notes); (ii) the receipt of all necessary consents from the lenders under the Company's term and revolving credit agreements required in order to consummate the Exchange Offer and Consent Solicitation; (iii) the receipt of requisite consents in the Consent Solicitation; and (iv) various other customary conditions precedent. The conditions precedent are for the sole benefit of the Company and may be amended or waived, in whole or in part, at any time, in the sole and absolute discretion of the Company, subject to applicable law.

## Item 2. Combined Management's Discussion and Analysis of Financial Condition and Results of Operations

### Overview

***Overview of the Business***

Revlon, Inc. ("Revlon" and together with its subsidiaries, the "Company") conducts its business exclusively through its direct wholly-owned operating subsidiary, Revlon Consumer Products Corporation ("Products Corporation"), and its subsidiaries. Revlon is an indirect majority-owned subsidiary of MacAndrews & Forbes Incorporated (together with certain of its affiliates other than the Company, "MacAndrews & Forbes"), a corporation beneficially owned by Ronald O. Perelman.

The Company operates in four brand-centric reporting segments that are aligned with its organizational structure based on four global brand teams: Revlon; Elizabeth Arden; Portfolio; and Fragrances. The Company manufactures, markets and sells an extensive array of beauty and personal care products worldwide, including color cosmetics; fragrances; skin care; hair color, hair care and hair treatments; beauty tools; men's grooming products; anti-perspirant deodorants; and other beauty care products.

***Business Strategy***

The Company remains focused on its 3 key strategic pillars to drive its future success and growth. First, strengthening its iconic brands through innovation and relevant product portfolios; second, building its capabilities to better communicate and connect with its consumers through media channels where they spend the most time; and third, ensuring availability of its products where consumers shop, both in-store and increasingly online.

***Strategic Review***

In August 2019, it was disclosed that MacAndrews & Forbes and the Company determined to explore strategic transactions involving the Company and third parties. This review is ongoing and remains focused on exploring potential options for the Company's portfolio and regional brands (the "Strategic Review").

***COVID-19 Impact on the Company's Business***

While the Company continues to execute its business strategy, the COVID-19 pandemic has adversely impacted net sales in all major commercial regions around the globe that are important to the Company's business. COVID-19's adverse impact on the global economy has contributed to significant and extended quarantines, stay-at-home orders and other social distancing measures; closures and bankruptcies of retailers, beauty salons, spas, offices and manufacturing facilities; increased levels of unemployment; travel and transportation restrictions leading to declines in consumer traffic in key shopping and tourist areas around the globe; and import and export restrictions. These adverse economic conditions have resulted in the general slowdown of the global economy, in turn contributing to a significant decline in net sales within each of the Company's reporting segments and regions. As the Company currently expects that the COVID-19 pandemic will continue to impact its business going forward, the Company will continue to closely monitor the associated impacts and take appropriate actions in an effort to mitigate COVID-19's negative effects on the Company's operations and financial results.

COVID-19 contributed an estimated $214 million ($217 million "XFX," as hereinafter defined), to the Company's $222.6 million decline in net sales for the three months ended June 30, 2020, compared to the prior year quarter, and an estimated $268 million ($272 million XFX) to the Company's $322.8 million decline in net sales for the six months ended June 30, 2020, compared to the prior year period. These declines were partially offset by increased net sales of Revlon beauty tools, Revlon hair color products and Elizabeth Arden skincare and fragrances in certain markets, as well as continued strong growth in the Company's e-commerce net sales.

For the second quarter of 2020, Revlon segment net sales declined $116.5 million ($113.5 million XFX) versus the prior year quarter, with COVID-19 contributing an estimated $115 million ($116 million XFX) to such decline. This net sales decline was partially offset by increased net sales of **Revlon-branded** beauty tools and **Revlon** hair color products in North America. COVID-19 had a similar negative impact on the Company's other reporting segments over such period, with COVID-19 contributing (i) an estimated $34 million ($35 million XFX) to a $36.5 million ($34.7 million XFX) decline in the Elizabeth Arden segment, (ii) an estimated $30 million ($31 million XFX) to a $30.2 million ($27.9 million XFX) decline in the Portfolio segment and (iii) an estimated $34 million ($35 million XFX) to a $39.4 million ($38.5 million XFX) decline in the Fragrances segment. Within the Company's Portfolio Segment, during the second quarter of 2020 both the **Cutex** and **Creme of Natur**e

brands experienced double digit net sales growth versus the second quarter of 2019, driven by increased demand due to a shift in consumer buying preferences.

On a regional basis, COVID-19 had a similar negative impact on the Company's North America and International regions during the second quarter of 2020. Of a $109.6 million ($109.1 million XFX) decline in the Company's net sales in its North America region during the second quarter of 2020 compared to the second quarter of 2019, COVID-19 contributed an estimated $104 million ($104 million XFX) to such decline. Similarly, of a $113.0 million ($105.5 million XFX) decline in the Company's net sales in its International region over such period, COVID-19 contributed an estimated $110 million ($113 million XFX) to such decline. This net sales decline was partially offset by increased net sales of certain Elizabeth Arden skincare products, predominantly in China, as well as growth in **Cutex** and **CND** nail care products in various markets.

For the six months ended June 30, 2020, Revlon segment net sales declined $182.0 million ($175.5 million XFX) versus the prior year period, with COVID-19 contributing an estimated $135 million ($137 million XFX) to such decline. This net sales decline was partially offset by increased net sales of **Revlon-branded** beauty tools and **Revlon** hair color products in North America. COVID-19 had a similar negative impact on the Company's other reporting segments over such period, with COVID-19 contributing: (i) an estimated $56 million ($57 million XFX) to a $52.7 million ($48.4 million XFX) decline in the Elizabeth Arden segment, partially offset by higher net sales of **Ceramide** skin care products internationally; (ii) an estimated $37 million ($37 million XFX) to a $37.4 million ($33.1 million XFX) decline in the Portfolio segment; and (iii) an estimated $40 million ($41 million XFX) to a $50.7 million ($48.9 million XFX) decline in the Fragrances segment.

On a regional basis, COVID-19 had a similar negative impact on the Company's North America and International regions during the six months ended June 30, 2020. Of a $154.8 million ($154.2 million XFX) decline in the Company's net sales in its North America region during the six months ended June 30, 2020, compared to the prior year period, COVID-19 contributed an estimated $116 million ($116 million XFX) to such decline. Similarly, of a $168.0 million ($151.8 million XFX) decline in the Company's net sales in its International region over such period, COVID-19 contributed an estimated $152 million ($156 million XFX) to such decline. This net sales decline was partially offset by increased net sales of certain Elizabeth Arden skincare products, predominantly in China, as well as growth in **Cutex** nail care products, as well as **Creme of Nature** products among local and regional brands, in certain markets.

In April 2020, the Company took several cost reduction measures designed to mitigate the adverse impact of COVID-19 on the Company's net sales, including, without limitation: (i) reducing brand support, as a result of the abrupt decline in retail store traffic; (ii) continuing to monitor the Company's sales and order flow and periodically scaling down operations and cancelling promotional programs; and (iii) closely managing cash flow and liquidity and prioritizing cash to minimize COVID-19's impact on the Company's production capabilities. In April 2020, the Company also implemented various organizational interim measures designed to reduce costs in response to COVID-19, including, without limitation: (i) switching to a reduced work week in the U.S. and in the Company's international locations and reducing executive and employee compensation in the range of 20% to 40%; (ii) furloughing approximately 40% of the Company's U.S.-based office-based employees and 30% factory-based employees, as well as employees in a majority of the Company's other locations; (iii) suspending the Company's 2020 merit base salary increases, discretionary profit sharing contributions and matching contributions to the Company's 401(k) plan; (iv) reducing Board and committee compensation by 50% and eliminating Board and committee meeting fees; and (v) suspending or terminating services and payments under consulting agreements with certain directors. With these measures, including the Revlon 2020 Restructuring Program, the Company achieved cost reductions of approximately $105 million and $153 million during the three and six months ended June 30, 2020, respectively, that have substantially offset the impact of the decline in the Company's net sales over such period. However, with the ongoing COVID-19 pandemic, these mitigation actions may not prove to be effective in insulating the Company from any further damaging economic impact of this pandemic.

***Overview of Net Sales and Earnings Results***

Consolidated net sales in the second quarter of 2020 were $347.6 million, a $222.6 million decrease, or 39.0%, compared to $570.2 million in the second quarter of 2019. Excluding the $8.0 million unfavorable impact of foreign currency fluctuations (referred to herein as "FX," "XFX" or on an "XFX basis"), consolidated net sales decreased by $214.6 million, or 37.6%, during the second quarter of 2020. COVID-19 contributed an estimated $214 million ($217 million XFX), to the Company's $222.6 million decline in net sales in the three months ended June 30, 2020, compared to the three months ended June 30, 2019. The XFX net sales decrease of $214.6 million in the second quarter of 2020 was due to: a $113.5 million, or 45.1%, decrease in

Revlon segment net sales; a $38.5 million, or 46.6%, decrease in Fragrances segment net sales; a $34.7 million, or 29.6%, decrease in Elizabeth Arden segment net sales; and a $27.9 million, or 23.5%, decrease in Portfolio segment net sales.

Consolidated net sales in the six months ended June 30, 2020 were $800.6 million, a $322.8 million decrease, or 28.7%, compared to $1,123.4 million in the six months ended June 30, 2019. Excluding the $16.9 million unfavorable FX impact, consolidated net sales decreased by $305.9 million, or 27.2%, during the six months ended June 30, 2020. COVID-19 contributed an estimated $268 million ($272 million XFX), to the Company's $322.8 million decline in net sales in the six months ended June 30, 2020, compared to the prior year period. The XFX net sales decrease of $305.9 million in the six months ended June 30, 2020 was due to: a $175.5 million, or 35.2%, decrease in Revlon segment net sales; a $48.9 million, or 30.6%, decrease in Fragrances segment net sales; a $48.4 million, or 21.2%, decrease in Elizabeth Arden segment net sales; and a $33.1 million, or 14.0%, decrease in Portfolio segment net sales.

Consolidated loss from continuing operations, net of taxes, in the second quarter of 2020 was $126.8 million, compared to $65.3 million in the second quarter of 2019. The $61.5 million increase in consolidated loss from continuing operations, net of taxes, in the second quarter of 2020 was primarily due to:

- $147.3 million of lower gross profit, primarily due to the lower net sales in the second quarter of 2020, primarily as a result of the effects of COVID-19, compared the second quarter of 2019;
- a $19.8 million increase in non-cash impairment charges recorded for the second quarter of 2020, primarily attributable to the effects of COVID-19, compared to having had no impairment charges for the second quarter of 2019. This increase is attributable to non-cash impairment charges of $11.2 million recorded on the Company's goodwill and to $8.6 million of non-cash impairment charges recorded on certain of the Company's indefinite-lived intangible assets following the Company's interim impairment assessments for the second quarter of 2020;
- a $17.5 million increase in restructuring charges, primarily related to higher expenditures under the Revlon 2020 Restructuring Program in the second quarter of 2020, compared to the expenditures incurred primarily under the 2018 Optimization Program in the second quarter of 2019;
- a $16.0 million net increase in other miscellaneous expenses, net, in the second quarter of 2020 compared to the second quarter of 2019, primarily due to financing fees expensed in connection with the 2020 Refinancing Transactions (as hereinafter defined);
- a $13.1 million increase in interest expense in the second quarter of 2020 compared to the second quarter of 2019, primarily due to higher weighted average borrowings and higher weighted average interest rates driven primarily by the 2020 BrandCo Term Loan Facility and the 2019 Term Loan Facility (the latter of which was fully repaid in May 2020 using proceeds from the 2020 BrandCo Term Loan Facility);
- a $2.5 million increase in amortization of debt issuance costs in the second quarter of 2020 compared to the second quarter of 2019, primarily due to the additional debt issuance costs recorded and amortized in connection with the 2020 Refinancing Transactions;
- $1.2 million of higher acquisition, integration and divestiture costs in the second quarter of 2020 compared to the second quarter of 2019, relating to the amortization of the cash-based awards under Tier 1 and Tier 2 of the Revlon 2019 Transaction Incentive Program (the "2019 TIP"; see Note 11, "Stock Compensation Plan," to the Company's Unaudited Consolidated Financial Statements in this Form 10-Q for additional details on the 2019 TIP); and
- $1.1 million of unfavorable variance in foreign currency, resulting from $2.3 million in foreign currency losses during the second quarter of 2020, compared to $1.2 million in foreign currency losses during the second quarter of 2019;

with the foregoing partially offset by:

- $136.2 million of lower SG&A expenses in the second quarter of 2020 compared to the second quarter of 2019, primarily driven by cost reductions achieved through the Company's initiatives designed to mitigate the adverse impact of COVID-19 on the Company's operations, as well as from the Revlon 2020 Restructuring Program;
- an $11.9 million increase in net gain on the early extinguishment of debt in the second quarter of 2020, compared to having had no gain in the second quarter of 2019, recorded upon the repurchase and cancellation of approximately $112.8 million in aggregate principal face amount of Products Corporation's 5.75% Senior Notes during the second quarter of 2020; and

- a $8.7 million increase in the benefit from income taxes in the second quarter of 2020 compared to the second quarter of 2019, primarily due to: (i) the increased loss from continuing operations before income taxes on which the tax benefit is recognized; (ii) the mix and level of earnings; and (iii) a reduction in the U.S. tax on the Company's foreign earnings, offset by an increase in tax expense related to uncertain tax positions and by the net change in valuation allowances recorded related to increased net losses in certain state jurisdictions.

Consolidated loss from continuing operations, net of taxes, in the six months ended June 30, 2020 was $340.7 million, compared to consolidated loss from continuing operations, net of taxes, of $141.1 million in the six months ended June 30, 2019. The $199.6 million increase in consolidated loss from continuing operations, net of taxes, in the six months ended June 30, 2020, compared to six months ended June 30, 2019, was primarily due to:

- $207.5 million of lower gross profit, primarily due to the COVID-19 related lower net sales in the six months ended June 30, 2020;
- a $144.1 million increase in non-cash impairment charges recorded for the six months ended June 30, 2020, primarily attributable to the effects of COVID-19, compared to having had no impairment charges for the six months ended June 30, 2019. This increase is attributable to non-cash impairment charges of $111.0 million recorded on the Company's goodwill and to $33.1 million of non-cash impairment charges recorded on certain of the Company's indefinite-lived intangible assets following the Company's interim impairment assessments during the first and second quarters of 2020, all of which are primarily attributable to the effects of COVID-19;
- a $36.8 million increase in restructuring charges, primarily related to higher expenditures under the Revlon 2020 Restructuring Program in the six months ended June 30, 2020, compared to the expenditures incurred primarily under the 2018 Optimization Program in the six months ended June 30, 2019;
- $17.5 million of unfavorable variance in foreign currency, resulting from $18.9 million in foreign currency losses during the six months ended June 30, 2020, compared to $1.4 million in foreign currency losses during the six months ended June 30, 2019;
- a $13.8 million increase in interest expense in the six months ended June 30, 2020 compared to the prior year period, primarily due to higher weighted average borrowings and higher weighted average interest rates driven primarily by the 2020 BrandCo Term Loan Facility and the 2019 Term Loan Facility (the latter of which was fully repaid in May 2020 using proceeds from the 2020 BrandCo Term Loan Facility);
- a $10.6 million net increase in other miscellaneous expenses, net, in the six months ended June 30, 2020 compared to the prior year period, primarily due to financing fees expensed in connection with the 2020 Refinancing Transactions;
- a $3.3 million increase in amortization of debt issuance costs in the six months ended June 30, 2020 compared to the prior year period, primarily due to the additional debt issuance costs recorded and amortized in connection with the 2020 Refinancing Transactions; and
- $2.7 million of higher acquisition, integration and divestiture costs in the six months ended June 30, 2020 compared to the prior year period, including $0.7 million in professional fees incurred in connection with the exploration of strategic transactions involving the Company and third parties pursuant to the Strategic Review and approximately $2.6 million relating to the amortization of the cash-based awards under Tier 1 and Tier 2 of the Revlon 2019 TIP (see Note 11, "Stock Compensation Plan," to the Company's Unaudited Consolidated Financial Statements in this Form 10-Q for additional details on the 2019 TIP);

with the foregoing partially offset by:

- $179.4 million of lower SG&A expenses in the six months ended June 30, 2020 compared to the prior year period, primarily driven by cost reductions achieved through the Company's initiatives designed to mitigate the adverse impact of COVID-19 on the Company's operations, as well as from the Revlon 2020 Restructuring Program;
- a $46.0 million increase in the benefit from income taxes in the six months ended June 30, 2020 compared to the prior year period, primarily due to: (i) the increased loss from continuing operations before income taxes on which the tax benefit is recognized; (ii) the mix and level of earnings; and (iii) a reduction in the U.S. tax on the Company's foreign earnings, net of the impact of non-deductible impairment charges, partially offset by the net change in valuation allowances recorded related to the limitation on the deductibility of interest; and

- a $11.9 million increase in net gain on the early extinguishment of debt in the six months ended June 30, 2020, compared to having had no gain in the prior year period, recorded during the second quarter of 2020 upon the repurchase and cancellation of approximately $112.8 million in aggregate principal face amount of Products Corporation's 5.75% Senior Notes.

***Exchange Offer***

On July 27, 2020, Products Corporation commenced an offer to exchange (the "Exchange Offer") any and all of its $387.2 million aggregate principal amount of outstanding 5.75% Senior Notes due 2021 (the "Existing Notes") for a combination of 5.75% Senior Notes due February 15, 2024 (the "New Notes") and an Early Tender/Consent Fee, payable in cash, upon the terms and conditions set forth in the confidential Offering Memorandum and Consent Solicitation Statement (the "Offering Memorandum") dated July 27, 2020. The New Notes will be senior unsecured notes with terms substantially the same as those of the Existing Notes, with certain adjustments specified in the Offering Memorandum. Concurrently with the Exchange Offer, the Company is soliciting consents (the "Consent Solicitation") to eliminate substantially all of the restrictive covenants and certain events of default with respect to the Existing Notes.

Unless earlier terminated or extended, the Exchange Offer will expire at 11:59 p.m. E.D.T. on August 21, 2020. For each $1,000 principal amount of Existing Notes tendered into the Exchange Offer and Consent Solicitation prior to the early tender deadline of 5:00 p.m. E.D.T. on August 7, 2020, holders of Existing Notes will receive $750 principal amount of New Notes and $50 of cash as an early tender/consent fee. Holders who tender their Existing Notes after the early tender deadline will receive only $750 principal amount of New Notes for each $1,000 principal amount of Existing Notes tendered.

The Exchange Offer and Consent Solicitation are subject to the following conditions precedent: (i) the valid tender without valid withdrawal of not less than 95% of the aggregate outstanding principal amount of Existing Notes (and the provision of the related Consents for such tendered Existing Notes); (ii) the receipt of all necessary consents from the lenders under the Company's term and revolving credit agreements required in order to consummate the Exchange Offer and Consent Solicitation; (iii) the receipt of requisite consents in the Consent Solicitation; and (iv) various other customary conditions precedent. The conditions precedent are for the sole benefit of the Company and may be amended or waived, in whole or in part, at any time, in the sole and absolute discretion of the Company, subject to applicable law.

***Consummation of 2020 BrandCo Refinancing Transactions***

On May 7, 2020 (the "BrandCo 2020 Facilities Closing Date"), the Company, entered into a term credit agreement (the "2020 BrandCo Credit Agreement") with Jefferies Finance LLC, as administrative agent and collateral agent, and certain financial institutions (the "2020 Facilities Lenders") that are lenders or the affiliates of lenders under Products Corporation's Term Loan Credit Agreement, dated as of September 7, 2016 and amended on April 30, 2020 and as amended on the BrandCo 2020 Facilities Closing Date, as further described below (as amended to date, the "2016 Term Loan Facility"). Pursuant to the 2020 BrandCo Credit Agreement, the 2020 Facilities Lenders provided the Company with new and roll-up senior secured term loan facilities (the "2020 BrandCo Facilities" and, collectively, the "2020 BrandCo Term Loan Facility" and, together with the use of proceeds thereof and the Extension Amendment (as defined below), the "2020 Refinancing Transactions").

*Principal and Maturity:* The 2020 BrandCo Facilities consist of: (i) a senior secured term loan facility in an aggregate principal amount outstanding on the BrandCo 2020 Facilities Closing Date of $815 million, plus the amount of certain fees and accrued interest that have been capitalized (the "2020 BrandCo Facility"); (ii) commitments in respect of a senior secured term loan facility in an aggregate principal amount of $950 million (the "Roll-up BrandCo Facility"); and (iii) a senior secured term loan facility in an aggregate principal amount outstanding on the BrandCo 2020 Facilities Closing Date of $3 million (the "Junior Roll-up BrandCo Facility"). Additionally, on May 28, 2020, Products Corporation borrowed from the 2020 Facilities Lenders an additional $65 million of term loans under the 2020 BrandCo Facility to repay in full the 2020 Incremental Facility (as defined below) under the 2016 Term Loan Facility, as a result of which the 2020 BrandCo Facility at June 30, 2020 had an aggregate principal amount outstanding of $910.6 million (including paid-in-kind closing fees of $29.1 million and paid-in-kind interest of $1.5 million that have been capitalized). Additionally, during the three months ended June 30, 2020, certain lenders under the 2016 Term Loan Facility due June 2023, representing $809.8 million in aggregate principal outstanding, rolled-up to the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility due June 2025, as a result of which the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility at June 30, 2020 have an aggregate principal amount outstanding of $809.8

million. The Company determined that the roll-up of such 2016 Term Loan Facility lenders into the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility represented a debt modification under U.S. GAAP, as the cash flow effect between the amount that Products Corporation owed to the participating lenders under the old debt instrument (i.e., the 2016 Term Loan Facility) and the amount that Products Corporation owed to such lenders after the consummation of the roll-up into the new debt instrument (i.e., the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility) on a present value basis was less than 10% and, thus, the debt instruments were not considered to be substantially different within the meaning of ASC 470, Debt, under U.S. GAAP.

The proceeds of the 2020 BrandCo Facility were used: (i) to repay in full approximately $200 million of indebtedness outstanding under Products Corporation's 2019 Term Loan Facility; (ii) to repay in full and terminate commitments under the 2020 Incremental Facility; and (iii) to pay fees and expenses in connection with the 2020 BrandCo Facilities and the 2020 Refinancing Transactions. The Company will use the remaining net proceeds for general corporate purposes, including repurchasing, repaying or refinancing Products Corporation's outstanding 5.75% Senior Notes. The proceeds of the Roll-up BrandCo Facility are available prior to the third anniversary of the BrandCo 2020 Facilities Closing Date to purchase at par an equivalent amount of any remaining term loans under the 2016 Term Loan Facility held by the lenders participating in the 2020 BrandCo Facility or their transferees. During the three months ended June 30, 2020, certain lenders under the 2016 Term Loan Facility due June 2023, representing $809.8 million in aggregate principal outstanding, rolled-up to the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility due June 2025, as a result of which the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility at June 30, 2020 have an aggregate principal amount outstanding of $809.8 million, with a remaining capacity for the roll-up of loans under the 2016 Term Loan Facility of $143.2 million.

The 2020 BrandCo Facilities will mature on June 30, 2025, subject to a springing maturity 91 days prior to the August 1, 2024 maturity date of Products Corporation's 6.25% Senior Notes if, on such date, $100 million or more in aggregate principal amount of the 6.25% Senior Notes remain outstanding.

The Company incurred approximately $116.7 million of new debt issuance costs in connection with closing the 2020 BrandCo Facility, which include paid-in kind amounts that are recorded as an adjustment to the carrying amount of the related liability and amortized to interest expense in accordance with the effective interest method over the term of the 2020 BrandCo Facilities.

*Borrower, Guarantees and Security:* Products Corporation is the borrower under the 2020 BrandCo Facilities and the 2020 BrandCo Facilities are guaranteed by certain of Products Corporation's indirect subsidiaries (the "BrandCos") that hold certain intellectual property assets related to the Elizabeth Arden and American Crew brands, certain other Portfolio segment brands and certain owned Fragrance segment brands (the "Specified Brand Assets"). While the BrandCos do not guarantee the 2016 Term Loan Facility, all guarantors of the 2016 Term Loan Facility guarantee the 2020 BrandCo Facilities. All of the assets of the BrandCos (including all capital stock issued by the BrandCos) have been pledged to secure the 2020 BrandCo Facility on a first-priority basis, the Roll-up BrandCo Facility on a second-priority basis and the Junior Roll-up BrandCo Facility on a third-priority basis and while such assets do not secure the 2016 Term Loan Facility, the 2020 BrandCo Facilities are secured on a pari passu basis by the assets securing the 2016 Term Loan Facility.

*Contribution and License Agreements:* In connection with the pledge of the Specified Brand Assets, Products Corporation and certain of its subsidiaries contributed the Specified Brand Assets to the BrandCos. Products Corporation entered into license and royalty arrangements on arm's length terms with the relevant BrandCos to provide for the continued use of the Specified Brand Assets by Products Corporation and its subsidiaries during the term of the 2020 BrandCo Facilities.

*Interest and Fees:* Loans under the 2020 BrandCo Facility bear interest at a rate equal to LIBOR (with a LIBOR floor of 1.50%) plus (x) 10.50% per annum, payable not less than quarterly in arrears in cash and (y) 2.00% per annum payable not less than quarterly in-kind by adding such amount to the principal amount of outstanding loans under the 2020 BrandCo Facility. Loans under the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility bear interest at a rate equal to LIBOR (with a LIBOR floor of 0.75%) plus 3.50% per annum, payable not less than quarterly in arrears in cash.

*Affirmative and Negative Covenants*: The 2020 BrandCo Facilities contain certain affirmative and negative covenants that, among other things, limit Products Corporation's and its restricted subsidiaries' ability to: (i) incur additional debt; (ii) incur liens; (iii) sell, transfer or dispose of assets; (iv) make investments; (v) make dividends and distributions on, or repurchases of, equity; (vi) make prepayments of contractually subordinated, unsecured or junior lien debt; (vii) enter into certain transactions with their affiliates; (viii) enter into sale-leaseback transactions; (ix) change their lines of business; (x) restrict dividends from

their subsidiaries or restrict liens; (xi) change their fiscal year; and (xii) modify the terms of certain debt. The 2020 BrandCo Facilities also restrict distributions and other payments from the BrandCos based on certain minimum thresholds of net sales with respect to the Specified Brand Assets. The 2020 BrandCo Facilities also contain certain customary representations, warranties and events of default, including a cross default provision making it an event of default under the 2020 BrandCo Credit Agreement if there is an event of default under Products Corporation's existing 2016 Credit Agreements, the 2018 Foreign Asset-Based Term Agreement or the Senior Notes Indentures. The lenders under the 2020 BrandCo Credit Agreement may declare all outstanding loans under the 2020 BrandCo Facilities to be due and payable immediately upon an event of default. Under such circumstances, the lenders under the 2016 Credit Agreements, the 2018 Foreign Asset-Based Term Agreement, and the holders under the Senior Notes Indentures may also declare all outstanding amounts under such instruments to be due and payable immediately as a result of similar cross default or cross acceleration provisions, subject to certain exceptions and limitations described in the relevant instruments.

*Prepayments*: The 2020 BrandCo Facilities are subject to certain mandatory prepayments, including from the net proceeds from the issuance of certain additional debt and asset sale proceeds of certain non-ordinary course asset sales or other dispositions of property, subject to certain exceptions. The 2020 BrandCo Facilities may be repaid at any time, subject to customary prepayment premiums.

*2016 Term Loan Facility Extension Amendment:* Term loan lenders under the 2016 Term Loan Facility were offered the opportunity to participate at par in the 2020 BrandCo Facilities based on their holdings of term loans under the 2016 Term Loan Facility. Lenders participating in the 2020 BrandCo Facilities, as well as other consenting lenders representing, in the aggregate, a majority of the loans and commitments under the 2016 Term Loan Facility, consented to an amendment to the 2016 Term Loan Facility (the "Extension Amendment") that, among other things, made certain modifications to the covenants thereof and extended the maturity date of their term loans ("Extended Term Loans") to June 30, 2025, subject to (i) the same September 7, 2023 springing maturity date of the non-extended term loans under the 2016 Term Loan Facility if, on such date, $75 million or more in aggregate principal amount of the non-extended term loans under the 2016 Term Loan Facility remains outstanding, and (ii) a springing maturity of 91 days prior to the August 1, 2024 maturity date of the 6.25% Senior Notes if, on such date, $100 million or more in aggregate principal amount of the 6.25% Senior Notes remains outstanding. The Extension Amendment became effective on the BrandCo 2020 Facilities Closing Date. As of June 30, 2020, approximately $30.8 million in aggregate principal amount of Extended Term Loans were outstanding after giving effect to the 2020 Refinancing Transactions. The Extended Term Loans bear interest at a rate of LIBOR (with a LIBOR floor of 0.75%) plus 3.50% per annum, payable not less than quarterly in arrears in cash, consistent with the interest rate applicable to the non-extended term loans. Approximately $17.0 million of accrued interest outstanding on the 2016 Term Loan Facility was paid on the BrandCo 2020 Facilities Closing Date. The aggregate principal amount of non-extended term loans under the 2016 Term Loan Facility as of June 30, 2020 was $894.0 million.

***Repurchases of 5.75% Senior Notes due 2021***

On May 7, 2020, the Company used a portion of the proceeds from the 2020 BrandCo Facility to repurchase and subsequently cancel $50 million in aggregate principal face amount of its 5.75% Senior Notes. Products Corporation also paid approximately $0.7 million of accrued interest outstanding on the 5.75% Senior Notes on May 7, 2020. After the BrandCo 2020 Facilities Closing Date, the Company repurchased and subsequently canceled in July 2020 a further $62.8 million in aggregate principal face amount of its 5.75% Senior Notes. Accordingly, as of June 30, 2020, the Company had repurchased and subsequently cancelled a total of approximately $112.8 million in aggregate principal face amount of its 5.75% Senior Notes, resulting in a net gain on extinguishment of debt of approximately $11.9 million, which was recorded within "(Gain) loss on early extinguishment of debt, net" on the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss for the three and six months ended June 30, 2020.

***Prepayment of the 2019 Term Loan Facility due 2023***

On the BrandCo 2020 Facilities Closing Date, the Company used a portion of the proceeds from the 2020 BrandCo Facility to fully prepay the entire principal amount outstanding under its 2019 Term Loan Facility, totaling $200 million, plus approximately $1.3 million of accrued interest outstanding thereon, as well as approximately $33.5 million in prepayment premiums, $10.3 million in lenders' fees, $0.3 million in legal fees and approximately $2.0 million in other third party fees. As the lenders under the 2019 Term Loan Facility participated in the 2020 BrandCo Term Loan Facility, the Company determined that the full repayment of the 2019 Term Loan Facility represented a debt modification under U.S. GAAP as the cash flow effect between the old debt instrument (i.e., the 2019 Term Loan Facility) and the new debt instrument (i.e., the 2020 BrandCo

Facility) on a present value basis was less than 10% and, thus, the debt instruments were not considered to be substantially different within the meaning of ASC 470, Debt, under U.S. GAAP. Accordingly, the $33.5 million of prepayment premiums, as well as the $10.3 million in other lenders' fees were capitalized as part of the aforementioned $116.7 million of total new debt issuance costs for the 2020 BrandCo Term Loan Facility, while the aforementioned $0.3 million of legal fees and $2.0 million in other third party fees were expensed as incurred in the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss for the three and six months ended June 30, 2020.

***Amendment to the 2018 Foreign Asset-Based Term Facility***

On May 4, 2020, the Company entered into an amendment to the 2018 Foreign Asset Based Term Facility, which had an original outstanding principal amount of €77 million. Such amendment provided for the following:

- increasing the interest rate on the loan from EURIBOR (with a floor 0.50%) plus a margin of 6.50% to EURIBOR (with a floor 0.50%) plus a margin of 7.00%;
- adding a springing maturity date of 91 days prior to the February 15, 2021 maturity of the 5.75% Senior Notes if any of the 5.75% Senior Notes remain outstanding on such date;
- requiring a mandatory prepayment of €5.0 million; and
- clarifying certain terms and waiving certain provisions in connection with the 2020 Refinancing Transactions.

Approximately $0.4 million of amendment fees paid to the lenders under 2018 Foreign Asset-Based Term Facility were capitalized and are amortized to interest expense, together with any unamortized debt issuance costs outstanding prior to the amendment. As of June 30, 2020, there was €48.5 million outstanding under the 2018 Foreign Asset-Based Term Facility, reflecting a repayment of €28.5 million made during the quarter ended June 30, 2020.

***Incremental Revolving Credit Facility under the 2016 Term Loan Agreement***

On April 30, 2020, Products Corporation entered into a Joinder Agreement (the "2020 Joinder Agreement"), with Revlon, certain of their subsidiaries and certain existing lenders (the "Incremental Lenders") under Products Corporation's 2016 Term Loan Agreement to provide for a $65 million incremental revolving credit facility (the "2020 Incremental Facility"). On the closing of the 2020 Incremental Facility, Products Corporation borrowed $63.5 million of revolving loans for working capital purposes and subsequently on May 11, 2020 Products Corporation also borrowed the additional $1.5 million of delayed funding. After the BrandCo 2020 Facilities Closing Date, Products Corporation borrowed the remaining $1.5 million of revolving loans for working capital purposes. The commitments in respect of the 2020 Incremental Facility would have terminated on September 7, 2021, subject to a springing maturity date of 91 days prior to the February 15, 2021 maturity date of Products Corporation's 5.75% Senior Notes if any such notes remain outstanding on such date, and certain liquidity requirements are not satisfied. Prior to its full repayment on May 28, 2020, amounts outstanding under the 2020 Incremental Facility bore interest at a rate of (x) LIBOR plus 16% or (y) an Alternate Base Rate plus 15%, at Products Corporation's option. Except as to pricing, maturity and differences due to its revolving nature, the terms of the 2020 Incremental Facility were otherwise substantially consistent with the existing term loans under the 2016 Term Loan Facility. The 2020 Incremental Facility was repaid in full, and the commitments thereunder terminated, on May 28, 2020. Upon such repayment, approximately $2.9 million of upfront commitment fees that the Company incurred in connection with consummating the 2020 Incremental Facility were entirely expensed within "Miscellaneous, net" on the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss for the three and six months ended June 30, 2020.

***Amendments to 2016 Revolving Credit Agreement***

On May 7, 2020, in connection with consummating the 2020 Refinancing Transactions, the Company entered into Amendment No. 4 to Products Corporation's Asset-Based Revolving Credit Agreement, dated as of September 7, 2016, as amended (the "2016 Revolving Credit Facility"). Amendment No. 4, among other things, made certain amendments and provided for certain waivers relating to the 2020 Refinancing Transactions under the 2016 Revolving Credit Facility. In exchange for such amendments and waivers, the interest rate margin applicable to loans under Tranche A of the 2016 Revolving Credit Facility increased by 0.75%. In connection with the amendments to Tranche B of the 2016 Revolving Credit Facility (which was fully repaid on its May 17, 2020 extended maturity date), the Company incurred approximately $1.1 million in lender's fees that upon its full repayment were entirely expensed within "Miscellaneous, net" on the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss as of June 30, 2020.

Previously, on April 17, 2020 (the "FILO Closing Date"), the Company entered into Amendment No. 3 to the 2016 Revolving Credit Facility ("Amendment No. 3"), pursuant to which, the maturity date applicable to $36.3 million of loans

under the $41.5 million senior secured first in, last out Tranche B under the 2016 Revolving Credit Facility (the "FILO Tranche") was extended from April 17, 2020 to May 17, 2020 (the "Extended Maturity Date"). The Company repaid the remaining approximately $5.2 million of FILO Tranche loans as of the FILO Closing Date. In addition, Amendment No. 3 increased the applicable interest margin for the FILO Tranche by 0.75%, subject to a LIBOR floor of 0.75%. The FILO Tranche was fully repaid on the Extended Maturity Date.

Revlon segment profit in the second quarter of 2020 was $12.3 million, a $13.3 million, or 52.0%, decrease, compared to $25.6 million in the second quarter of 2019. Excluding the $0.1 million favorable FX impact, Revlon segment profit in the second quarter of 2020 decreased by $13.4 million, or 52.3%, compared to the second quarter of 2019. This decrease was driven primarily by the Revlon segment's lower net sales, primarily due to COVID-19 as described above, and lower gross profit margin, partially offset primarily by lower brand support and other SG&A expenses, primarily driven by cost reductions achieved through the Company's initiatives designed to mitigate the adverse impact of COVID-19 on the Company's operations, as well as the Revlon 2020 Restructuring Program.

***Restructuring charges and other, net:***

The table below shows the Company's restructuring charges and other, net for the periods presented:

| | Three Months Ended June 30, | | | Six Months Ended June 30, | | |
|---|---|---|---|---|---|---|
| | 2020 | 2019 | Change | 2020 | 2019 | Change |
| Restructuring charges and other, net | $ 20.7 | $ 3.2 | $ 17.5 | $ 45.5 | $ 8.7 | $ 36.8 |

Restructuring charges and other, net increased $17.5 million and $36.8 million during the three and six months ended June 30, 2020, respectively, compared to the three and six months ended June 30, 2019, primarily due to higher charges in connection with the Revlon 2020 Restructuring Program. Further information on the Company's restructuring charges in relation to its restructuring initiatives follows.

*Revlon 2020 Restructuring Program*

Building upon its previously-announced 2018 Optimization Program, in March 2020 the Company announced that it is implementing a worldwide organizational restructuring (the "Revlon 2020 Restructuring Program") designed to reduce the Company's SG&A expenses, as well as cost of goods sold, improve the Company's gross profit and Adjusted EBITDA and maximize productivity, cash flow and liquidity. The Revlon 2020 Restructuring Program includes rightsizing the organization and operating with more efficient workflows and processes. The leaner organizational structure is also expected to improve communication flow and cross-functional collaboration, leveraging the more efficient business processes.

As a result of the Revlon 2020 Restructuring Program, the Company expects to eliminate approximately 1,000 positions worldwide, including approximately 650 current employees and approximately 350 open positions of which approximately 700 were eliminated by June 30, 2020.

In March 2020, the Company began informing certain employees that were affected by the Revlon 2020 Restructuring Program. While certain aspects of the Revlon 2020 Restructuring Program may be subject to consultations with employees, works councils, unions and/or governmental authorities, the Company currently expects to substantially complete the employee-related actions by the end of 2020 and the other consolidation and outsourcing actions during 2021 and 2022.

In connection with implementing the Revlon 2020 Restructuring Program, the Company expects to recognize during 2020 approximately $60 million to $70 million of total pre-tax restructuring and related charges (the "2020 Restructuring Charges"), consisting primarily of employee-related costs, such as severance, retention and other contractual termination benefits. In addition, the Company expects restructuring charges in the range of $75 million to $85 million to be charged and paid during 2021 and 2022. The Company expects that substantially all of these restructuring charges will be paid in cash, with approximately $55 million to $65 million of the total charges expected to be paid in 2020, approximately $40 million to $45 million expected to be paid in 2021, with the balance expected to be paid in 2022. During the second quarter of 2020, the Company recorded $22.7 million of restructuring and related charges under the 2020 Restructuring Program consisting of: (i) $21.0 million of severance and other personnel costs; and (ii) $1.7 million of lease and other restructuring-related charges that

(all tabular amounts in millions, except share and per share amounts)

were recorded within SG&A. Since commencing the Revlon 2020 Restructuring Program and through June 30, 2020, the Company recorded $57.1 million of restructuring and related charges under the 2020 Restructuring Program consisting of: (i) $46.6 million of severance and other personnel costs; and (ii) $10.5 million of lease and other restructuring-related charges that were recorded within SG&A. Of these charges, approximately $9.3 million were paid through June 30, 2020.

As a result of the Revlon 2020 Restructuring Program, the Company expects to deliver in the range of $200 million to $230 million of annualized cost reductions by the end of 2022, with approximately 50% of these annualized cost reductions to be realized from the headcount reductions occurring in 2020. During 2020, the Company expects to realize approximately $105 million to $115 million of in-year cost reductions, of which approximately $38 million and $65 million had been achieved during the three and six months June 30, 2020, respectively.

*2018 Optimization Program*

During 2018, the Company announced its 2018 Optimization Program designed to streamline the Company's operations, reporting structures and business processes, with the objective of maximizing productivity and improving profitability, cash flows and liquidity. During the second quarter of 2020, the Company recorded a reversal of previously accrued severance and personnel benefits of $0.3 million under the 2018 Optimization Program. During the six months ended June 30, 2020, the Company recorded, under the 2018 Optimization Program, $0.7 million due to the reversal of previously accrued severance, personnel benefits and other restructuring costs, offset by $0.7 million of other restructuring-related charges that were recorded within SG&A and cost of sales. The Company recognized approximately $39.5 million of cumulative total pre-tax restructuring and related charges under the 2018 Optimization Program since its inception in November 2018, consisting of employee-related costs, such as severance, pension and other termination costs, as well as other related charges within SG&A and cost of sales and approximately $6.5 million of additional capital expenditures. As of June 30, 2020, restructuring and related charges to be paid in cash are approximately $32 million of the total charges, of which $29.8 million were already paid through June 30, 2020, with any residual balance expected to be paid during the remainder of 2020.

During the three and six months ended June 30, 2019, the Company recorded $3.2 million and $8.7 million, respectively, of restructuring charges primarily related to the 2018 Optimization Program.

For further information on the Revlon 2020 Restructuring Program, the 2018 Optimization Program and on the Company's other restructuring initiatives, see Note 2, "Restructuring Charges," to the Company's Unaudited Consolidated Financial Statements in this Form 10-Q.

***Impairment Charges:***

The table below shows the Company's impairment charges for the periods presented:

| | Three Months Ended June 30, | | | Six Months Ended June 30, | | |
|---|---|---|---|---|---|---|
| | 2020 | 2019 | Change | 2020 | 2019 | Change |
| Impairment charges | $ 19.8 | $ — | $ 19.8 | $ 144.1 | $ — | $ 144.1 |

During the first quarter of 2020, as a result of COVID-19's impact on the Company's operations, the Company determined that indicators of potential impairment existed requiring the Company to perform interim impairment analyses. These indicators included a deterioration in the general economic conditions, developments in equity and credit markets, deterioration in some of the economic channels in which the Company's operates (especially in the mass retail channel), the recent trading values of the Company's capital stock and the corresponding decline in the Company's market capitalization and the revision of the Company's internal forecasts as a result of COVID-19. Based on the first quarter of 2020 interim impairment analyses, the Company recorded $124.3 million of total non-cash impairment charges for the first quarter of 2020.

Primarily as a result of COVID-19 still affecting multiple countries around the world, the Company considered whether newer and/or additional indicators of impairment existed during the second quarter of 2020 that would warrant another interim assessment of goodwill for impairment purposes. The Company concluded that additional indicators of impairment existed as of June 30, 2020, primarily in connection with further revisions to the Company's expected future cash flows as a result of COVID-19. Based on the second quarter of 2020 interim impairment analyses, the Company recorded $19.8 million of total non-cash impairment charges for the second quarter of 2020.

(all tabular amounts in millions, except share and per share amounts)

For further information on these non-cash impairment charges, see Note 5, "Goodwill and Intangible Assets, Net," to the Company's Unaudited Consolidated Financial Statements in this Form 10-Q.

***Interest expense:***

The table below shows the Company's interest expense for the periods presented:

| | Three Months Ended June 30, | | | Six Months Ended June 30, | | |
|---|---|---|---|---|---|---|
| | 2020 | 2019 | Change | 2020 | 2019 | Change |
| Interest expense | $ 60.9 | $ 47.8 | $ 13.1 | $ 109.3 | $ 95.5 | $ 13.8 |

The $13.1 million increase in interest expense in the second quarter of 2020, as compared to the second quarter of 2019, was primarily due to higher weighted average borrowings and higher weighted average interest rates driven primarily by the 2020 BrandCo Term Loan Facility and the 2019 Term Loan Facility (the latter of which was fully repaid in May 2020 using proceeds from the 2020 BrandCo Term Loan Facility).

The $13.8 million increase in interest expense during the six months ended June 30, 2020, as compared to the six months ended June 30, 2019, was primarily due to higher weighted average borrowings and higher weighted average interest rates driven primarily by the 2020 BrandCo Term Loan Facility and the 2019 Term Loan Facility (the latter of which was fully repaid in May 2020 using proceeds from the 2020 BrandCo Term Loan Facility).

***(Gain) loss on early extinguishment of debt, net:***

| (Gain) loss on early extinguishment of debt, net | $ (11.9) | $ — | $ (11.9) | $ (11.9) | $ — | $ (11.9) |

For information on the terms and conditions of these debt instruments, see Note 7, "Debt" to the Company's Unaudited Consolidated Financial Statements in this Form 10-Q and Note 9, "Debt," in the Audited Consolidated Financial Statements in the Company's 2019 Form 10-K. ***Foreign currency losses, net:***

The table below shows the Company's foreign currency losses, net for the periods presented:

| | Three Months Ended June 30, | | | Six Months Ended June 30, | | |
|---|---|---|---|---|---|---|
| | 2020 | 2019 | Change | 2020 | 2019 | Change |
| Foreign currency losses, net | $ 2.3 | $ 1.2 | $ 1.1 | $ 18.9 | $ 1.4 | $ 17.5 |

The $1.1 million increase in foreign currency losses, net, during the second quarter of 2020, compared to the second quarter of 2019, was primarily driven by the net unfavorable impact of foreign currency fluctuations on certain U.S. Dollar denominated intercompany payables and foreign currency denominated receivables compared to the prior year's quarter.

The $17.5 million increase in foreign currency losses, net, during the six months ended June 30, 2020, compared to the six months ended June 30, 2019, was primarily driven by the net unfavorable impact of foreign currency fluctuations on certain U.S. Dollar denominated intercompany payables and foreign currency denominated receivables compared to the prior year's period.

***Benefit from income taxes:***

The table below shows the Company's (benefit from) provision for income taxes for the periods presented:

| | Three Months Ended June 30, | | | Six Months Ended June 30, | | |
|---|---|---|---|---|---|---|
| | 2020 | 2019 | Change | 2020 | 2019 | Change |
| Benefit from income taxes | $ (9.9) | $ (1.2) | $ (8.7) | $ (47.1) | $ (1.1) | $ (46.0) |

The Company recorded a benefit from income taxes of $9.9 million for the second quarter of 2020, compared to a benefit from income taxes of $1.2 million for the second quarter of 2019. The $8.7 million increase in the benefit from income taxes for the second quarter of 2020, compared to the same quarter in 2019, was primarily due to: (i) the increased loss from continuing operations before income taxes on which the tax benefit is recognized; (ii) the mix and level of earnings; and (iii) a reduction in the U.S. tax on the Company's foreign earnings, offset by an increase in tax expense related to uncertain tax positions and by the net change in valuation allowances recorded related to increased net losses in certain state jurisdictions.

The Company recorded a benefit from income taxes of $47.1 million for the six months ended June 30, 2020, compared to a benefit from income taxes of $1.1 million for the six months ended June 30, 2019. The $46.0 million increase in the benefit from income taxes for the six months ended June 30, 2020, compared to same period in 2019, was primarily due to: (i) the increased loss from continuing operations before income taxes on which the tax benefit is recognized; (ii) the mix and level of earnings; and (iii) a reduction in the U.S. tax on the Company's foreign earnings, net of the impact of non-deductible impairment charges, partially offset by the net change in valuation allowances recorded related to the limitation on the deductibility of interest.

The Company's effective tax rate for the three and six months ended June 30, 2020 was lower than the federal statutory rate of 21% primarily due to the impact of non-deductible impairment charges and the valuation allowance related to the limitation on the deductibility of interest, partially offset by the impact of the "Coronavirus Aid, Relief and Economic Security Act" (the "CARES Act"), signed into law on March 27, 2020 by President Trump, which resulted in a partial release of a valuation allowance on the Company's 2019 federal tax attributes associated with the limitation on the deductibility of interest.

The Company's effective tax rate for the three and six months ended June 30, 2019 was lower than the federal statutory rate of 21%, primarily due to the valuation allowance related to the limitation on the deductibility of interest and the U.S. tax on the Company's foreign earnings.

The CARES Act, among other things, includes provisions providing for refundable payroll tax credits, the deferral of employer social security tax payments, acceleration of alternative minimum tax credit refunds and the increase of the net interest deduction limitation from 30% to 50%. The Company continues to examine the impact that the CARES Act may have on its results of operations, financial condition and/or financial statement disclosures.

The Company expects that its tax provision and effective tax rate in any individual quarter and year-to-date period will vary and may not be indicative of the Company's tax provision and effective tax rate for the full year.

As of June 30, 2020, the Company concluded that, based on its evaluation of objectively verifiable evidence, it does not require a valuation allowance on its federal deferred tax assets, other than those associated with the limitation on the deductibility of interest. The Company does have a valuation allowance on deferred tax assets associated with its activity in certain U.S. states and foreign jurisdictions. These conclusions regarding the establishment of valuation allowances on the Company's deferred tax assets as of the end of the second quarter of 2020 are consistent with the Company's conclusions on such matters as compared to prior quarters. The key assumptions used to determine positive and negative evidence included the Company's cumulative taxable loss for the past three years, future reversals of existing taxable temporary differences, the Company's cost reduction initiatives and other efficiency efforts, as well as certain assumptions regarding COVID-19's expected impact on the Company. Potential negative evidence, including, among other things, any further worsening of the economies in the jurisdictions in which the Company operates and any future reduced profitability in such jurisdictions could result in additional valuation allowances which would reduce the Company's future deferred tax assets. In such event, the Company's tax expense would likely materially increase in the period the valuation allowance is recognized and adversely impact the Company's results of operations and statement of financial condition in such period. The Company will continue to monitor the circumstances that would require it to establish an additional valuation allowance on its deferred tax assets. Accordingly, depending on future evidence that may become available, the Company's assessments regarding its valuation allowance position may change.

***Consummation of 2020 BrandCo Refinancing Transactions***

On May 7, 2020 (the "BrandCo 2020 Facilities Closing Date"), the Company, entered into a term credit agreement (the "2020 BrandCo Credit Agreement") with Jefferies Finance LLC, as administrative agent and collateral agent, and certain financial institutions (the "2020 Facilities Lenders") that are lenders or the affiliates of lenders under Products Corporation's Term Loan Credit Agreement, dated as of September 7, 2016 and amended on April 30, 2020 and as amended on the BrandCo 2020 Facilities Closing Date, as further described below (as amended to date, the "2016 Term Loan Facility"). Pursuant to the 2020 BrandCo Credit Agreement, the 2020 Facilities Lenders provided the Company with new and roll-up senior secured term loan facilities (the "2020 BrandCo Facilities" and, collectively, the "2020 BrandCo Term Loan Facility" and, together with the use of proceeds thereof and the Extension Amendment (as defined below), the "2020 Refinancing Transactions").

*Principal and Maturity:* The 2020 BrandCo Facilities consist of: (i) a senior secured term loan facility in an aggregate principal amount outstanding on the BrandCo 2020 Facilities Closing Date of $815 million, plus the amount of certain fees and accrued interest that have been capitalized (the "2020 BrandCo Facility"); (ii) commitments in respect of a senior secured term loan facility in an aggregate principal amount of $950 million (the "Roll-up BrandCo Facility"); and (iii) a senior secured term loan facility in an aggregate principal amount outstanding on the BrandCo 2020 Facilities Closing Date of $3 million (the "Junior Roll-up BrandCo Facility"). Additionally, on May 28, 2020, Products Corporation borrowed from the 2020 Facilities Lenders an additional $65 million of term loans under the 2020 BrandCo Facility to repay in full the 2020 Incremental Facility (as defined below) under the 2016 Term Loan Facility, as a result of which the 2020 BrandCo Facility at June 30, 2020 had an aggregate principal amount outstanding of $910.6 million (including paid-in-kind closing fees of $29.1 million and paid-in-kind interest of $1.5 million that have been capitalized). Additionally, during the three months ended June 30, 2020, certain lenders under the 2016 Term Loan Facility due June 2023, representing $809.8 million in aggregate principal outstanding, rolled-up to the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility due June 2025, as a result of which the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility at June 30, 2020 have an aggregate principal amount outstanding of $809.8 million. The Company determined that the roll-up of such 2016 Term Loan Facility lenders into the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility represented a debt modification under U.S. GAAP, as the cash flow effect between the amount that Products Corporation owed to the participating lenders under the old debt instrument (i.e., the 2016 Term Loan Facility) and the amount that Products Corporation owed to such lenders after the consummation of the roll-up into the new debt

instrument (i.e., the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility) on a present value basis was less than 10% and, thus, the debt instruments were not considered to be substantially different within the meaning of ASC 470, Debt, under U.S. GAAP.

The proceeds of the 2020 BrandCo Facility were used: (i) to repay in full approximately $200 million of indebtedness outstanding under Products Corporation's 2019 Term Loan Facility; (ii) to repay in full and terminate commitments under the 2020 Incremental Facility; and (iii) to pay fees and expenses in connection with the 2020 BrandCo Facilities and the 2020 Refinancing Transactions. The Company will use the remaining net proceeds for general corporate purposes, including repurchasing, repaying or refinancing Products Corporation's outstanding 5.75% Senior Notes. The proceeds of the Roll-up BrandCo Facility are available prior to the third anniversary of the BrandCo 2020 Facilities Closing Date to purchase at par an equivalent amount of any remaining term loans under the 2016 Term Loan Facility held by the lenders participating in the 2020 BrandCo Facility or their transferees. During the three months ended June 30, 2020, certain lenders under the 2016 Term Loan Facility due June 2023, representing $809.8 million in aggregate principal outstanding, rolled-up to the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility due June 2025, as a result of which the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility at June 30, 2020 have an aggregate principal amount outstanding of $809.8 million, with a remaining capacity for the roll-up of loans under the 2016 Term Loan Facility of $143.2 million.

The 2020 BrandCo Facilities will mature on June 30, 2025, subject to a springing maturity 91 days prior to the August 1, 2024 maturity date of Products Corporation's 6.25% Senior Notes if, on such date, $100 million or more in aggregate principal amount of the 6.25% Senior Notes remain outstanding.

The Company incurred approximately $116.7 million of new debt issuance costs in connection with closing the 2020 BrandCo Facility, which include paid-in kind amounts that are recorded as an adjustment to the carrying amount of the related liability and amortized to interest expense in accordance with the effective interest method over the term of the 2020 BrandCo Facilities.

*Borrower, Guarantees and Security:* Products Corporation is the borrower under the 2020 BrandCo Facilities and the 2020 BrandCo Facilities are guaranteed by certain of Products Corporation's indirect subsidiaries (the "BrandCos") that hold certain intellectual property assets related to the Elizabeth Arden and American Crew brands, certain other Portfolio segment brands and certain owned Fragrance segment brands (the "Specified Brand Assets"). While the BrandCos do not guarantee the 2016 Term Loan Facility, all guarantors of the 2016 Term Loan Facility guarantee the 2020 BrandCo Facilities. All of the assets of the BrandCos (including all capital stock issued by the BrandCos) have been pledged to secure the 2020 BrandCo Facility on a first-priority basis, the Roll-up BrandCo Facility on a second-priority basis and the Junior Roll-up BrandCo Facility on a third-priority basis and while such assets do not secure the 2016 Term Loan Facility, the 2020 BrandCo Facilities are secured on a pari passu basis by the assets securing the 2016 Term Loan Facility.

*Contribution and License Agreements:* In connection with the pledge of the Specified Brand Assets, Products Corporation and certain of its subsidiaries contributed the Specified Brand Assets to the BrandCos. Products Corporation entered into license and royalty arrangements on arm's length terms with the relevant BrandCos to provide for the continued use of the Specified Brand Assets by Products Corporation and its subsidiaries during the term of the 2020 BrandCo Facilities.

*Interest and Fees:* Loans under the 2020 BrandCo Facility bear interest at a rate equal to LIBOR (with a LIBOR floor of 1.50%) plus (x) 10.50% per annum, payable not less than quarterly in arrears in cash and (y) 2.00% per annum payable not less than quarterly in-kind by adding such amount to the principal amount of outstanding loans under the 2020 BrandCo Facility. Loans under the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility bear interest at a rate equal to LIBOR (with a LIBOR floor of 0.75%) plus 3.50% per annum, payable not less than quarterly in arrears in cash.

*Affirmative and Negative Covenants*: The 2020 BrandCo Facilities contain certain affirmative and negative covenants that, among other things, limit Products Corporation's and its restricted subsidiaries' ability to: (i) incur additional debt; (ii) incur liens; (iii) sell, transfer or dispose of assets; (iv) make investments; (v) make dividends and distributions on, or repurchases of, equity; (vi) make prepayments of contractually subordinated, unsecured or junior lien debt; (vii) enter into certain transactions with their affiliates; (viii) enter into sale-leaseback transactions; (ix) change their lines of business; (x) restrict dividends from their subsidiaries or restrict liens; (xi) change their fiscal year; and (xii) modify the terms of certain debt. The 2020 BrandCo Facilities also restrict distributions and other payments from the BrandCos based on certain minimum thresholds of net sales with respect to the Specified Brand Assets. The 2020 BrandCo Facilities also contain certain customary representations, warranties and events of default, including a cross default provision making it an event of default under the 2020 BrandCo Credit Agreement if there is an event of default under Products Corporation's existing 2016 Credit Agreements, the 2018 Foreign Asset-Based Term Agreement or the Senior Notes Indentures. The lenders under the 2020 BrandCo Credit Agreement may declare all outstanding loans under the 2020 BrandCo Facilities to be due and payable immediately upon an event of default. Under such circumstances, the lenders under the 2016 Credit Agreements, the 2018 Foreign Asset-Based Term Agreement, and the holders under the Senior Notes Indentures may also declare all outstanding amounts under such instruments to be due and payable immediately as a result of similar cross default or cross acceleration provisions, subject to certain exceptions and limitations described in the relevant instruments.

*Prepayments*: The 2020 BrandCo Facilities are subject to certain mandatory prepayments, including from the net proceeds from the issuance of certain additional debt and asset sale proceeds of certain non-ordinary course asset sales or other dispositions of property, subject to certain exceptions. The 2020 BrandCo Facilities may be repaid at any time, subject to customary prepayment premiums.

*2016 Term Loan Facility Extension Amendment:* Term loan lenders under the 2016 Term Loan Facility were offered the opportunity to participate at par in the 2020 BrandCo Facilities based on their holdings of term loans under the 2016 Term Loan Facility. Lenders participating in the 2020 BrandCo Facilities, as well as other consenting lenders representing, in the aggregate, a majority of the loans and commitments under the 2016 Term Loan Facility, consented to an amendment to the 2016 Term Loan Facility (the "Extension Amendment") that, among other things, made certain modifications to the covenants thereof and extended the maturity date of their term loans ("Extended Term Loans") to June 30, 2025, subject to (i) the same September 7, 2023 springing maturity date of the non-extended term loans under the 2016 Term Loan Facility if, on such date, $75 million or more in aggregate principal amount of the non-extended term loans under the 2016 Term Loan Facility remains outstanding, and (ii) a springing maturity of 91 days prior to the August 1, 2024 maturity date of the 6.25% Senior Notes if, on such date, $100 million or more in aggregate principal amount of the 6.25% Senior Notes remains outstanding. The Extension Amendment became effective on the BrandCo 2020 Facilities Closing Date. As of June 30, 2020, approximately $30.8 million in aggregate principal amount of Extended Term Loans were outstanding after giving effect to the 2020 Refinancing Transactions. The Extended Term Loans bear interest at a rate of LIBOR (with a LIBOR floor of 0.75%) plus 3.50% per annum, payable not less than quarterly in arrears in cash, consistent with the interest rate applicable to the non-extended term loans. Approximately $17.0 million of accrued interest outstanding on the 2016 Term Loan Facility was paid on the BrandCo 2020 Facilities Closing Date. The aggregate principal amount of non-extended term loans under the 2016 Term Loan Facility as of June 30, 2020 was $894.0 million.

***Repurchases of 5.75% Senior Notes due 2021***

On May 7, 2020, the Company used a portion of the proceeds from the 2020 BrandCo Facility to repurchase and subsequently cancel $50 million in aggregate principal face amount of its 5.75% Senior Notes. Products Corporation also paid approximately$0.7 million of accrued interest outstanding on the 5.75% Senior Notes on May 7, 2020. After the BrandCo 2020 Facilities Closing Date, the Company repurchased and subsequently canceled in July

2020 a further $62.8 million in aggregate principal face amount of its 5.75% Senior Notes. Accordingly, as of June 30, 2020, the Company had repurchased and
subsequently cancelled a total of approximately $112.8 million in aggregate principal face amount of its 5.75% Senior Notes, resulting in a net gain on extinguishment of debt of approximately $11.9 million which was recorded within "(Gain) loss on early extinguishment of debt, net" on the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss for the three and six months ended June 30, 2020. See “Recent Debt Transactions—Exchange Offer” in this Item 7. "Combined Management's Discussion and Analysis of Financial Condition and Results of Operations" for more information regarding the Exchange Offer that the Company commenced in July 2020 with respect to the 5.75% Senior Notes.

***Prepayment of the 2019 Term Loan Facility due 2023***

On the BrandCo 2020 Facilities Closing Date, the Company used a portion of the proceeds from the 2020 BrandCo Facility to fully prepay the entire principal amount outstanding under its 2019 Term Loan Facility, totaling $200 million, plus approximately $1.3 million of accrued interest outstanding thereon, as well as approximately $33.5 million in prepayment premiums, $10.3 million in lenders' fees, $0.3 million in legal fees and approximately $2.0 million in other third party fees. As the lenders under the 2019 Term Loan Facility participated in the 2020 BrandCo Term Loan Facility, the Company determined that the full repayment of the 2019 Term Loan Facility represented a debt modification under U.S. GAAP as the cash flow effect between the old debt instrument (i.e., the 2019 Term Loan Facility) and the new debt instrument (i.e., the 2020 BrandCo Facility) on a present value basis was less than 10% and, thus, the debt instruments were not considered to be substantially different within the meaning of ASC 470, Debt, under U.S. GAAP. Accordingly, the $33.5 million of prepayment premiums, as well as the $10.3 million in other lenders' fees were capitalized as part of the aforementioned $116.7 million of total new debt issuance costs for the 2020 BrandCo Term Loan Facility, while the aforementioned $0.3 million of legal fees and $2.0 million in other third party fees were expensed as incurred in the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss for the three and six months ended June 30, 2020.

***Amendment to the 2018 Foreign Asset-Based Term Facility***

On May 4, 2020, the Company entered into an amendment to the 2018 Foreign Asset Based Term Facility, which had an original outstanding principal amount of €77 million. Such amendment provided for the following:

- increasing the interest rate on the loan from EURIBOR (with a floor 0.50%) plus a margin of 6.50% to EURIBOR (with a floor 0.50%) plus a margin of 7.00%;
- adding a springing maturity date of 91 days prior to the February 15, 2021 maturity of the 5.75% Senior Notes if any of the 5.75% Senior Notes remain outstanding on such date;
- requiring a mandatory prepayment of €5.0 million; and
- clarifying certain terms and waiving certain provisions in connection with the 2020 Refinancing Transactions.

Approximately $0.4 million of amendment fees paid to the lenders under 2018 Foreign Asset-Based Term Facility were capitalized and are amortized to interest expense, together with any unamortized debt issuance costs outstanding prior to the amendment. As of June 30, 2020, there was €48.5 million outstanding under the 2018 Foreign Asset-Based Term Facility, reflecting a repayment of €28.5 million made during the quarter ended June 30, 2020.

***Incremental Revolving Credit Facility under the 2016 Term Loan Agreement***

On April 30, 2020, Products Corporation entered into a Joinder Agreement (the “2020 Joinder Agreement”), with Revlon, certain of their subsidiaries and certain existing lenders (the “Incremental Lenders”) under Products Corporation’s 2016 Term Loan Agreement to provide for a $65 million incremental revolving credit facility (the “2020 Incremental Facility”). On the closing of the 2020 Incremental Facility, Products Corporation borrowed $63.5 million of revolving loans for working capital purposes and subsequently on May 11, 2020 Products Corporation also borrowed the additional $1.5 million of delayed funding. After the BrandCo 2020 Facilities Closing Date, Products Corporation borrowed the remaining $1.5 million of revolving loans for working capital purposes. The commitments in respect of the 2020 Incremental Facility would have terminated on September 7, 2021, subject to a springing maturity date of 91 days prior to the February 15, 2021 maturity date of Products Corporation's 5.75% Senior Notes if any such notes remain outstanding on such date, and certain liquidity requirements are not satisfied. Prior to its full repayment on May 28, 2020, amounts outstanding under the 2020 Incremental Facility bore interest at a rate of (x) LIBOR plus 16% or (y) an Alternate Base Rate plus 15%, at Products Corporation’s option. Except as to pricing, maturity and differences due to its revolving nature, the terms of the 2020 Incremental Facility were otherwise substantially consistent with the existing term loans under the 2016 Term Loan Facility. The 2020 Incremental Facility was repaid in full, and the commitments thereunder terminated, on May 28, 2020. Upon such repayment, approximately $2.9 million of upfront commitment fees that the Company incurred in connection with consummating the 2020 Incremental
Facility were entirely expensed within "Miscellaneous, net" on the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss for the three and six months ended June 30, 2020.

***Amendments to 2016 Revolving Credit Agreement***

On May 7, 2020, in connection with consummating the 2020 Refinancing Transactions, the Company entered into Amendment No. 4 to Products Corporation’s Asset-Based Revolving Credit Agreement, dated as of September 7, 2016, as amended (the “2016 Revolving Credit Facility”). Amendment No. 4, among other things, made certain amendments and provided for certain waivers relating to the 2020 Refinancing Transactions under the 2016 Revolving Credit Facility. In exchange for such amendments and waivers, the interest rate margin applicable to loans under Tranche A of the 2016 Revolving Credit Facility increased by 0.75%. In connection with the amendments to Tranche B of the 2016 Revolving Credit Facility (which was fully repaid on its May 17, 2020 extended maturity date), the Company incurred approximately $1.1 million in lender's fees that upon its full repayment were entirely expensed within “Miscellaneous, net” on the Company's Unaudited Consolidated Statement of Operations and Comprehensive Loss as of June 30, 2020.

Previously, on April 17, 2020 (the “FILO Closing Date”), the Company entered into Amendment No. 3 to the 2016 Revolving Credit Facility (“Amendment No. 3”), pursuant to which, the maturity date applicable to $36.3 million of loans under the $41.5 million senior secured first in, last out Tranche B under the 2016 Revolving Credit Facility (the “FILO Tranche”) was extended from April 17, 2020 to May 17, 2020 (the “Extended Maturity Date”). The Company repaid the remaining approximately $5.2 million of FILO Tranche loans as of the FILO Closing Date. In addition, Amendment No. 3 increased the applicable interest margin for the FILO Tranche by 0.75%, subject to a LIBOR floor of 0.75%. The FILO Tranche was fully repaid on the Extended Maturity Date.

***Changes in Cash Flows***

As of June 30, 2020, the Company had cash, cash equivalents and restricted cash of $343.9 million (which as of June 30, 2020 included approximately $276.4 million of proceeds remaining from the 2020 Refinancing Transactions), compared with $104.5 million at December 31, 2019. The following table

summarizes the Company's cash flows from operating, investing and financing activities for the periods presented:

| | Six Months Ended June 30, | |
|---|---|---|
| | 2020 | 2019 |
| Net cash used in operating activities | $ (164.2) | $ (41.2) |
| Net cash used in investing activities | (2.7) | (12.2) |
| Net cash provided by financing activities | 408.4 | 28.6 |
| Effect of exchange rate changes on cash and cash equivalents | (2.1) | 0.5 |
| Net increase (decrease) in cash, cash equivalents and restricted cash | 239.4 | (24.3) |
| Cash, cash equivalents and restricted cash at beginning of period | 104.5 | 87.5 |
| Cash, cash equivalents and restricted cash at end of period | $ 343.9 | $ 63.2 |

*Operating Activities*

Net cash used in operating activities was $164.2 million and $41.2 million for the six months ended June 30, 2020 and 2019, respectively. The increase in cash used in operating activities for the six months ended June 30, 2020, compared to the six months ended June 30, 2019, was primarily driven by lower net sales, primarily due to the COVID-19 impacts described above, and unfavorable working capital changes, partially offset by cost reductions achieved through the Company's initiatives designed to mitigate the adverse impact of COVID-19 on the Company's operations, including the Revlon 2020 Restructuring Program.

*Investing Activities*

Net cash used in investing activities was $2.7 million for the six months ended June 30, 2020, compared to $12.2 million of net cash used in investing activities for the six months ended June 30, 2019. The decrease in cash used in investing activities was related to lower capital expenditures in the six months ended June 30, 2020 compared to the prior year period.

*Financing Activities*

Net cash provided by financing activities was $408.4 million and $28.6 million for the six months ended June 30, 2020 and 2019, respectively.

Net cash provided by financing activities for the six months ended June 30, 2020 primarily included:

- $880.0 of borrowings under the 2020 BrandCo Term Loan Facility;

with the foregoing partially offset by:

- $200.0 million used to fully repay the 2019 Term Loan Facility;
- $101.2 million used to pay financing costs incurred in connection with the 2020 BrandCo Refinancing Transactions;
- $99.6 million used to repurchase approximately $112.8 million in aggregate principal face amount of Products Corporation's 5.75% Senior Notes;
- $31.4 million used to partially repay the 2018 Foreign Asset-Based Term Loan;
- $22.9 million used to partially repay the Amended 2016 Revolving Credit Agreement;
- $6.9 million used to partially repay the 2016 Term Loan Facility; and
- $7.0 million of decreases in short-term borrowings and overdraft;

Net cash provided by financing activities for the six months ended June 30, 2019 primarily included:

- $59.9 million of borrowings under the Amended 2016 Revolving Credit Facility; and

with the foregoing partially offset by:

- $9.0 million of repayments under the 2016 Term Loan Facility;
- $18.8 million of decreases in short-term borrowings and overdraft; and
- $1.4 million of payment of financing costs incurred in connection with the Amendment No. 2 to the Amended 2016 Revolving Credit Facility.

***Long-Term Debt Instruments***

For detailed information on the terms and conditions of Products Corporation's various outstanding debt instruments, including, without limitation, the 2020 BrandCo Facilities, 2016 Term Loan Facility, Amended 2016 Revolving Credit Facility, 2019 Term Loan Facility (which was fully repaid as part of consummating the 2020 Refinancing Transactions), 2018 Foreign Asset-Based Term Facility, Amended 2019 Senior Line of Credit Facility, 5.75% Senior Notes and 6.25% Senior Notes, see the aforementioned discussion in this Form 10-Q under "Financial Condition, Liquidity and Capital Resources - Consummation of 2020 BrandCo Refinancing Transactions" and Note 9, "Debt," to the Consolidated Financial Statements in Revlon's 2019 Form 10-K, as well as "Management's Discussion and Analysis of Financial Condition and Results of Operations - Financial Condition, Liquidity and Capital Resources," in Revlon's 2019 Form 10-K. For information regarding certain risks related to the Company's indebtedness, see Item 1A. "Risk Factors" in the Company's 2019 Form 10-K, as updated by Part II, Item 1A. "Risk Factors" in this Form 10-Q.

***Covenants***

Products Corporation was in compliance with all applicable covenants under the 2020 BrandCo Credit Agreement, 2016 Credit Agreements, the 2018 Foreign Asset-Based Term Agreement, the Amended 2019 Senior Line of Credit Agreement, as well as with all applicable covenants under its Senior Notes Indentures, in each case as of June 30, 2020. As of June 30, 2020, the aggregate principal amounts outstanding and availability under Products Corporation's various revolving credit facilities were as follows:

| | Commitment | Borrowing Base | Aggregate principal amount outstanding at June 30, 2020 | Availability at June 30, 2020 (a) |
|---|---|---|---|---|
| Amended 2016 Revolving Credit Facility | $ 400.0 | $ 307.9 | $ 249.5 | $ 50.7 |
| Amended 2019 Senior Line of Credit Facility | $ 30.0 | N/A | $ — | $ 30.0 |

[(a)] Availability as of June 30, 2020 is based upon the borrowing base then in effect under the Amended 2016 Revolving Credit Facility of $307.9 million, less $7.7 million of outstanding undrawn letters of credit and $249.5 million then drawn. As Products Corporation's consolidated fixed charge coverage ratio was greater than 1.0 to 1.0 as of June 30, 2020, all of the $50.7 million of availability under the Amended 2016 Revolving Credit Facility was available as of such date. Tranche B under the Amended 2016 Revolving Credit Facility was fully repaid in May 2020.

***Sources and Uses***

The Company's principal sources of funds are expected to be operating revenues, cash on hand (which as of June 30, 2020 included approximately $276.4 million of proceeds remaining from the 2020 Refinancing Transactions) and funds that may be available from time to time for borrowing under the Amended 2016 Revolving Credit Facility, the Amended 2019 Senior Line of Credit Facility and other permissible borrowings. The 2016 Credit Agreements, the Senior Notes Indentures and the 2018 Foreign Asset-Based Term Agreement contain certain provisions that by their terms limit Products Corporation's and its subsidiaries' ability to, among other things, incur additional debt, subject to certain exceptions.

The Company's principal uses of funds are expected to be the payment of operating expenses, including payments in connection with the purchase of permanent wall displays; capital expenditure requirements; debt service payments and costs; cash tax payments; pension and other post-retirement benefit plan contributions; payments in connection with the Company's restructuring programs, such as the 2018 Optimization Program and the Revlon 2020 Restructuring Program; severance not otherwise included in the Company's restructuring programs; business and/or brand acquisitions (including, without limitation, through licensing transactions), if any; additional debt and/or equity repurchases, if any; costs related to litigation; and payments in connection with discontinuing non-core business lines and/or exiting and/or entering certain territories and/or channels of trade. For information regarding certain risks related to the Company's indebtedness and cash flows, see Item 1A. "Risk Factors" in the Company's 2019 Form 10-K, as updated by Part II, Item 1A. "Risk Factors" in this Form 10-Q.

The Company's cash contributions to its pension and post-retirement benefit plans in the six months ended June 30, 2020 were $5.5 million. The Company expects that cash contributions to its pension and post-retirement benefit plans will be approximately $19 million in the aggregate for 2020. The Company's cash taxes paid in the six months ended June 30, 2020 were $8.0 million. The Company expects to pay cash taxes totaling approximately $5 million to $10 million in the aggregate during 2020. For a further discussion, see Note 10, "Pension and Post-Retirement Benefits," and Note 12, "Income Taxes," to the Company's Unaudited Consolidated Financial Statements in this Form 10-Q.

The Company's purchases of permanent wall displays and capital expenditures in the six months ended June 30, 2020 were $12.7 million and $2.7 million, respectively. The Company expects that purchases of permanent wall displays will total approximately $35 million to $45 million in the aggregate during 2020 and expects that capital expenditures will total approximately $10 million to $20 million in the aggregate during 2020.

The Company has undertaken, and continues to assess, refine and implement, a number of programs to efficiently manage its working capital, including, among other things, initiatives intended to optimize inventory levels over time; centralized procurement to secure discounts and efficiencies; prudent management of trade receivables and accounts payable; and controls on general and administrative spending. In the ordinary course of business, the Company's source or use of cash from operating activities may vary on a quarterly basis as a result of a number of factors, including the timing of working capital flows. For certain of the Company's other recent cost reduction initiatives, see "COVID-19 Impact on the Company's Business" under the Overview section of this "Management Discussion and Analysis of Financial Condition and Results of Operations".

Continuing to execute the Company's business initiatives could include taking advantage of additional opportunities to reposition, repackage or reformulate one or more brands or product lines, launching additional new products, acquiring businesses or brands (including, without limitation, through licensing transactions), divesting or discontinuing non-core business lines (which may include exiting certain territories), further refining the Company's approach to retail merchandising and/or taking further actions to optimize its manufacturing, sourcing and organizational size and structure. Any of these actions, the intended purpose of which would be to create value through improving the Company's financial performance, could result in the Company making investments and/or recognizing charges related to executing against such opportunities. Any such activities may be funded with operating revenues, cash on hand (which as of June 30, 2020 included approximately $276.4 million of proceeds remaining from the 2020 Refinancing Transactions), funds that may be available from time to time under the Amended 2016 Revolving Credit Facility, the Amended 2019 Senior Line of Credit Facility, other permissible borrowings and/or other permitted additional sources of capital, which actions could increase the Company's total debt.

The Company may also, from time-to-time, seek to retire or purchase its outstanding debt obligations and/or equity in open market purchases, block trades, privately negotiated purchase transactions or otherwise and may seek to refinance some or all of its indebtedness based upon market conditions, including pursuant to the Exchange Offer. Any such retirement or purchase of debt and/or equity may be funded with operating cash flows of the business or other sources and will depend upon prevailing market conditions, liquidity requirements, contractual restrictions and other factors, and the amounts involved may be material. (See "Financial Condition, Liquidity and Capital Resources - Consummation of 2020 BrandCo Refinancing Transactions" regarding the Company's repurchase of certain 5.75% Senior Notes during the second quarter of 2020).

The Company expects that operating revenues, cash on hand (which as of June 30, 2020 included approximately $276.4 million of proceeds remaining from the 2020 Refinancing Transactions) and funds that may be available from time-to-time for borrowing under the Amended 2016 Revolving Credit Facility, the Amended 2019 Senior Line of Credit Facility and other permissible borrowings will be sufficient to enable the Company to pay its operating expenses for 2020, including payments in connection with the purchase of permanent wall displays, capital expenditures, debt service payments and costs, cash tax payments, pension and other post-retirement plan contributions, payments in connection with the Company's restructuring programs, such as the 2018 Optimization Program and the Revlon 2020 Restructuring Program, severance not otherwise included in the Company's restructuring programs, business and/or brand acquisitions (including, without limitation, through licensing transactions), if any, debt and/or equity repurchases, if any, costs related to litigation, discontinuing non-core business lines and/or entering and/or exiting certain territories and/or channels of trade. The Company also expects to generate additional liquidity from cost reductions resulting from the implementation of the Revlon 2020 Restructuring Program and the 2018 Optimization Program, and cost reductions generated from other cost control initiatives, including, without limitation, the Company's interim measures to reduce costs in response to the COVID-19 pandemic (such as: (i) switching to a reduced work week and reducing executive and employee compensation in the range of 20% to 40%; (ii) furloughing approximately 40% of the Company's U.S.-based employees and those in certain other locations; (iii) suspending the Company's 2020 merit base salary increases, discretionary profit sharing contributions and matching contributions to the Company's 401(k) plan; (iv) reducing Board and committee compensation by 50% and eliminating Board and committee meeting fees; and (v) suspending or terminating services and payments under consulting agreements with certain directors), as well as funds provided by selling certain assets (such as the Natural Honey and Floid brands that were sold in December 2019) in connection with the Company's ongoing Strategic Review.

There can be no assurance that available funds will be sufficient to meet the Company's cash requirements on a consolidated basis, as, among other things, the Company's liquidity can be impacted by a number of factors, including its level of sales, costs and expenditures, as well as accounts receivable and inventory, which serve as the principal variables impacting the amount of liquidity available under Products Corporation's Amended 2016 Revolving Credit Facility and the 2018 Foreign Asset-Based Term Facility. For example, subject to certain exceptions, loans under the 2018 Foreign Asset-Based Term Facility must be prepaid to the extent that outstanding loans exceed the borrowing base, consisting of accounts receivable and inventory. For information regarding certain risks related to the Company's indebtedness and cash flows, see Item 1A. "Risk Factors" in the Company's 2019 Form 10-K, as updated by Part II, Item 1A. "Risk Factors" in this Form 10-Q.

If the Company's anticipated level of revenues is not achieved because of, among other things, decreased consumer spending in response to weak economic conditions or weakness in the consumption of beauty products in one or more of the Company's segments, whether attributable to the COVID-19 pandemic or otherwise; adverse changes in tariffs, foreign currency exchange rates, foreign currency controls and/or government-mandated pricing controls; decreased sales of the Company's products as a result of increased competitive activities by the Company's competitors and/or decreased performance by third-party suppliers, whether due to shortages of raw materials or otherwise; changes in consumer purchasing habits, including with respect to retailer preferences and/or sales channels, such as due to any further consumption declines that the
Company has experienced; inventory management by the Company's customers; space reconfigurations or reductions in display space by the Company's customers; retail store closures in the brick-and-mortar channels where the Company sells its products, as consumers continue to shift purchases to online and e-commerce channels; changes in pricing, marketing, advertising and/or promotional strategies by the Company's customers; or less than anticipated results from the Company's existing or new products or from its advertising, promotional, pricing and/or marketing plans; or if the Company's expenses, including, without limitation, for the purchase of permanent displays, capital expenditures, debt service payments and costs, cash tax payments, pension and other post-retirement plan contributions, payments in connection with the Company's restructuring programs (such as the 2018 Optimization Program and the Revlon 2020 Restructuring Program), severance not otherwise included in the Company's restructuring programs, business and/or brand acquisitions (including, without limitation, through licensing transactions), if any, additional debt and/or equity repurchases, if any, costs related to litigation, discontinuing non-core business lines and/or entering and/or exiting certain territories and/or channels of trade, advertising, promotional and marketing activities or for sales returns related to any reduction of space by the Company's customers, product discontinuances or otherwise, exceed the anticipated level of expenses, the Company's current sources of funds may be insufficient to meet the Company's cash requirements.

Any such developments, if significant, could reduce the Company's revenues and operating income and could adversely affect Products Corporation's ability to comply with certain financial and/or other covenants under the 2020 BrandCo Credit Agreement, 2016 Credit Agreements, the Senior Notes Indentures and/or the 2018 Foreign Asset-Based Term Agreement and in such event the Company could be required to take measures, including, among other things, reducing discretionary spending. For further discussion of certain risks associated with the Company's business and indebtedness, see Item 1A. "Risk Factors" in the Company's 2019 Form 10-K, as updated by Part II, Item 1A. "Risk Factors" in this Form 10-Q.

**Off-Balance Sheet Transactions**

The Company does not maintain any off-balance sheet transactions, arrangements, obligations or other relationships with unconsolidated entities or others that are reasonably likely to have a material current or future effect on the Company's financial condition, changes in financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources.

**Discussion of Critical Accounting Policies**

For a discussion of the Company's critical accounting policies, see the Company's 2019 Form 10-K.

**Recently Issued Accounting Pronouncements**

See discussion of recent accounting pronouncements in Note 1, "Description of Business and Summary of Significant Accounting Policies," to the Unaudited Consolidated Financial Statements in this Form 10-Q.

**Item 3. Quantitative and Qualitative Disclosures about Market Risk**

Not applicable as a smaller reporting company.

**Item 4. Controls and Procedures**

**(a) Evaluation of Disclosure Controls and Procedures**. The Company maintains disclosure controls and procedures that are designed to ensure that information required to be disclosed in the Company's reports under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and that such information is accumulated and communicated to management, including the Company's Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. In March 2020, the Company announced the Revlon 2020 Restructuring Program and in April 2020 the Company took several financial measures, such as implementing a reduced work week and furloughing a significant number of employees, designed to mitigate the adverse financial impacts of COVID-19 (the “COVID-19 Organizational Actions”). In response, the Company implemented mitigating actions to address the potential for any impact from these measures on the Company’s disclosure controls and procedures and its internal control over financial reporting, such as transferring responsibilities for the eliminated positions and furloughed employees and enhancing employee training and internal controls monitoring. The Company's management, with the participation of the Company's Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of the Company's disclosure controls and procedures as of the end of the fiscal period covered by this Form 10-Q. Based upon such evaluation, the Company's Chief Executive Officer and Chief Financial Officer have concluded that the Company's disclosure controls and procedures were effective as of June 30, 2020.

**(b) Changes in Internal Control Over Financial Reporting ("ICFR").** There have not been any changes in the Company’s internal control over financial reporting during the quarter ended June 30, 2020 that have materially affected, or are reasonably likely to materially affect, the Company’s internal control over financial reporting. As described in Item 4(a) above, the Revlon 2020 Restructuring Program and the Company’s COVID-19 Organizational Actions did not materially affect, nor are they reasonably likely to materially affect, the Company's ICFR for the quarter ended June 30, 2020.

**Forward-Looking Statements**

The Company's actual results may differ materially from those discussed in such forward-looking statements. Such statements include, without limitation, the Company's expectations, plans and estimates (whether qualitative or quantitative) as to:

(i) the Company's future financial performance and/or sales growth;

(ii) the effect on sales of decreased consumer spending in response to weak economic conditions or weakness in the consumption of beauty products in one or more of the Company's segments, whether due to COVID-19 or otherwise; adverse changes in tariffs, foreign currency exchange rates, foreign currency controls and/or government-mandated pricing controls; decreased sales of the Company's products as a result of increased competitive activities by the Company's competitors and/or decreased performance by third-party suppliers, whether due to shortages of raw materials or otherwise, changes in consumer purchasing habits, including with respect to retailer preferences and/or among sales channels, such as due to the continuing consumption declines in core beauty categories in the mass retail channel in North America; inventory management by the Company's customers; inventory de-stocking by certain retail customers; space reconfigurations or reductions in display space by the Company's customers; retail store closures in the brick-and-mortar channels where the Company sells its products, as consumers continue to shift purchases to online and e-commerce channels; changes in pricing, marketing, advertising and/or promotional strategies by the Company's customers; less than anticipated results from the Company's existing or new products or from its advertising, promotional, pricing and/or marketing plans; or if the Company's expenses, including, without limitation, for the purchase of permanent displays, capital expenditures, debt service payments and costs, cash tax payments, pension and other post-retirement plan contributions, payments in connection with the Company's restructuring programs (such as the 2018 Optimization Program and the Revlon 2020 Restructuring Program), severance not otherwise included in the Company's restructuring programs, business and/or brand acquisitions (including, without limitation, through licensing transactions), if any, additional debt and/or equity repurchases, if any, costs related to litigation, discontinuing non-core business lines and/or entering and/or exiting certain territories and/or channels of trade, advertising, promotional and marketing activities or for sales returns related to any reduction of space by the Company's customers, product discontinuances or otherwise, exceed the anticipated level of expenses;

(iii) the Company's belief that continuing to execute its business initiatives could include taking advantage of additional opportunities to reposition, repackage or reformulate one or more brands or product lines, launching additional new products, acquiring businesses or brands (including through licensing transactions, if any), divesting or discontinuing non-core business lines (which may include exiting certain territories), further refining its approach to retail merchandising and/or taking further actions to optimize its manufacturing, sourcing and organizational size and structure, any of which, the intended purpose would be to create value through improving the Company's financial performance, could result in the Company making investments and/or recognizing charges related to executing against such opportunities, which activities may be funded with operating revenues, cash on hand which as of June 30, 2020 included approximately $276.4 million of proceeds remaining from the 2020 Refinancing Transactions, funds available under the Amended 2016 Revolving Credit Facility, the Amended 2019 Senior Line of Credit Facility, other permissible borrowings and/or other permitted additional sources of capital, which actions could increase the Company's total debt;

(iv) the Company's plans to remain focused on its 3 key strategic pillars to drive its future success and growth, including (1) strengthening its iconic brands through innovation and relevant product portfolios; (2) building its capabilities to better communicate and connect with its consumers through media channels where they spend the most time; and (3) ensuring availability of its products where consumers shop, both in-store and increasingly online;

(v) the effect of restructuring activities, restructuring costs and charges, the timing of restructuring payments and the benefits from such activities, including, without limitation: (1) the Company's plans to implement the Revlon 2020 Restructuring Program; including its expectation and belief that the Revlon 2020 Restructuring Program will reduce the Company's selling, general and administrative expenses, as well as cost of goods sold, improve the Company's gross profit and Adjusted EBITDA and maximize productivity, cash flow and liquidity, as well as rightsizing the organization and operating with more efficient workflows and processes and that the leaner organizational structure will improve communication flow and cross-functional collaboration, leveraging the more efficient business processes; (2) the Company's expectation that the Revlon 2020 Restructuring Program will result in the elimination of approximately 1,000 positions worldwide including approximately 650 current employees and approximately 350 open positions; (3) the Company's expectation that it will substantially complete the employee-related actions by the end of 2020 and the other consolidation and outsourcing actions during 2021 and 2022; (4) the Company's expectations regarding the amount and timing of the 2020 Restructuring Charges and payments related to the Revlon 2020 Restructuring Program, including that: (a) it will recognize during 2020 approximately $60 million to $70 million of total pre-tax restructuring and related charges and in addition restructuring charges in the range of $75 million to $85 million to be charged and paid during 2021 and 2022; and (b) substantially all of the 2020 Restructuring Charges will be paid in cash, with approximately $55 million to $65 million of the total charges expected to be paid in 2020, approximately $40 million to $45 million expected to be paid in 2021, with the balance expected to be paid in 2022; and (5) the Company's expectations that as a result of the Revlon 2020 Restructuring Program, the Company will deliver in the range of $200 million to $230 million of annualized cost reductions by the end of 2022, with approximately 50% of these annualized cost reductions to be realized from the headcount reductions occurring in 2020, including the Company's expectations that during 2020, the Company will realize approximately $105 million to $115 million of in-year cost reductions;

(vi) the Company's expectation that operating revenues, cash on hand (which as of June 30, 2020 included approximately $276.4 million of proceeds remaining from the 2020 Refinancing Transactions) and funds that may be available from time to time for borrowing under Products Corporation's Amended 2016 Revolving Credit Facility, the Amended 2019 Senior Line of Credit Facility, and other permissible borrowings will be sufficient to enable the Company to cover its operating expenses for 2020, including the cash requirements referred to in item (viii) below, and the Company's belief that (a) it has and will have sufficient liquidity to meet its cash needs for at least the next 12 months based upon the cash generated by its operations, cash on hand (which as of June 30, 2020 included approximately $276.4 million of proceeds remaining from the 2020 Refinancing Transactions), availability under the Amended 2016 Revolving Credit Facility, the Amended 2019 Senior Line of Credit Facility, and other permissible borrowings, along with the option to further settle intercompany loans and payables with certain foreign subsidiaries, and that such cash resources will be further enhanced as the Company implements its 2018 Optimization Program and its Revlon 2020 Restructuring Program and cost reductions generated from other cost control initiatives, including, without limitation, the

Company's interim measures to reduce costs in response to the COVID-19 pandemic (such as: (i) switching to a reduced work week and reducing executive and employee compensation in the range of 20% to 40%; (ii) furloughing approximately 40% of the Company's U.S.-based employees and those in certain other locations; (iii) suspending the Company's 2020 merit base salary increases, discretionary profit sharing contributions and matching contributions to the Company's 401(k) plan; (iv) reducing Board and committee compensation by 50% and eliminating Board and committee meeting fees; and (v) suspending or terminating services and payments under consulting agreements with certain directors), as well as funds provided by selling certain assets (such as the Natural Honey and Floid brands that were sold in December 2019) in connection with the Company's ongoing Strategic Review, and (b) restrictions and/or taxes on repatriation of foreign earnings will not have a material effect on the Company's liquidity during such period;

(vii) the Company's expected principal sources of funds, including operating revenues, cash on hand (which as of June 30, 2020 included approximately $276.4 million of proceeds remaining from the 2020 Refinancing Transactions) and funds available for borrowing under Products Corporation's Amended 2016 Revolving Credit Facility, the Amended 2019 Senior Line of Credit Facility and other permissible borrowings, as well as the availability of funds from the Company taking certain measures, including, among other things, reducing discretionary spending and the Company's expectation to generate additional liquidity from cost reductions resulting from the implementation of the 2018 Optimization Program and the Revlon 2020 Restructuring Program and from other cost reduction initiatives, including, without limitation, the Company's interim measures to reduce costs in response to the COVID-19 pandemic (such as: (i) switching to a reduced work week and reducing executive and employee compensation in the range of 20% to 40%; (ii) furloughing approximately 40% of the Company's U.S.-based employees and those in certain other locations; (iii) suspending the Company's 2020 merit base salary increases, discretionary profit sharing contributions and matching contributions to the Company's 401(k) plan; (iv) reducing Board and committee compensation by 50% and eliminating Board and committee meeting fees; and (v) suspending or terminating services and payments under consulting agreements with certain directors), as well as funds provided by selling certain assets (such as the Natural Honey and Floid brands that were sold in December 2019) in connection with the Company's ongoing Strategic Review;

(ix) matters concerning the impact on the Company from changes in interest rates and foreign exchange rates;

(x) the Company's expectation to efficiently manage its working capital, including, among other things, initiatives intended to optimize inventory levels over time; centralized procurement to secure discounts and efficiencies; prudent management of trade receivables, accounts payable and controls on general and administrative spending; and the Company's belief that in the ordinary course of business, its source or use of cash from operating activities may vary on a quarterly basis as a result of a number of factors, including the timing of working capital flows;

(xi) the Company's expectations regarding its future net periodic benefit cost for its U.S. and international defined benefit plans;

(xii) the Company's expectation that its tax provision and effective tax rate in any individual quarter and year-to-date period will vary and may not be indicative of the Company's tax provision and effective tax rate for the full year and the Company's expectations regarding whether it will be required to establish additional valuation allowances on its deferred tax assets;

(xiii) the Company's belief that the outcome of all pending legal proceedings in the aggregate is not reasonably likely to have a material adverse effect on the Company's business, prospects, results of operations, financial condition and/or cash flows, but that in light of the uncertainties involved in legal proceedings generally, the ultimate outcome of a particular matter could be material to the Company's operating results for a particular period depending on, among other things, the size of the loss or the nature of the liability imposed and the level of the Company's income for that particular period;

(xiv) the Company's plans to explore certain strategic transactions pursuant to the Strategic Review; and

(xv) the Company's plans to consummate the Exchange Offer and refinance the 5.75% Senior Notes.

Except as expressly set forth in this Form 10-Q, the information available from time-to-time on such websites shall not be deemed incorporated by reference into this Form 10-Q. In addition to factors that may be described in the Company's filings with the SEC, including this filing, the following factors, among others, could cause the Company's actual results to differ materially from those expressed in any forward-looking statements made by the Company:

(i) unanticipated circumstances or results affecting the Company's financial performance and or sales growth, including: greater than anticipated levels of consumers choosing to purchase their beauty products through e-commerce and other social media channels and/or greater than anticipated declines in the brick-and-mortar retail channel, or either of those conditions occurring at a rate faster than anticipated; the Company's inability to address the pace and impact of the new commercial landscape, such as its inability to enhance its e-commerce and social media capabilities and/or increase its penetration of e-commerce and social media channels; the Company's inability to drive a successful long-term omni-channel strategy and significantly increase its e-commerce penetration; difficulties, delays and/or the Company's inability to (in whole or in part) develop and implement effective content to enhance its online retail position, improve its consumer engagement across social media platforms and/or transform its technology and data to support efficient management of its digital infrastructure; the Company incurring greater than anticipated levels of expenses and/or debt to facilitate the foregoing objectives, which

could result in, among other things, less than anticipated revenues and/or profitability; decreased consumer spending in response to weak economic conditions or weakness in the consumption of beauty products in one or more of the Company's segments, whether attributable to COVID-19 or otherwise; adverse changes in tariffs, foreign currency exchange rates, foreign currency controls and/or government-mandated pricing controls; decreased sales of the Company's products as a result of increased competitive activities by the Company's competitors; decreased performance by third-party suppliers, whether due to COVID-19, shortages of raw materials or otherwise; and/or supply disruptions at the Company's manufacturing facilities, whether attributable to COVID-19 or otherwise; changes in consumer preferences, such as reduced consumer demand for the Company's color cosmetics and other current products, including new product launches; changes in consumer purchasing habits, including with respect to retailer preferences and/or among sales channels, such as due to the continuing consumption declines in core beauty categories in the mass retail channel in North America, whether attributable to COVID-19 or otherwise; lower than expected customer acceptance or consumer acceptance of, or less than anticipated results from, the Company's existing or new products, whether attributable to COVID-19 or otherwise; higher than expected retail store closures in the brick-and-mortar channels where the Company sells its products, as consumers continue to shift purchases to online and e-commerce channels, whether attributable to COVID-19 or otherwise; higher than expected purchases of permanent displays, capital expenditures, debt service payments and costs, cash tax payments, pension and other post-retirement plan contributions, payments in connection with the Company's restructuring programs (such as the 2018 Optimization Program and the Revlon 2020 Restructuring Program), severance not otherwise included in the Company's restructuring programs, business and/or brand acquisitions (including, without limitation, through licensing transactions), if any, debt and/or equity repurchases, if any, costs related to litigation, discontinuing non-core business lines and/or entering and/or exiting certain territories and/or channels of trade, advertising, promotional and marketing activities or for sales returns related to any reduction of space by the Company's customers, product discontinuances or otherwise or lower than expected results from the Company's advertising, promotional, pricing and/or marketing plans, whether attributable to COVID-19 or otherwise; decreased sales of the Company’s existing or new products, whether attributable to COVID-19 or otherwise; actions by the Company's customers, such as greater than expected inventory management and/or de-stocking, and greater than anticipated space reconfigurations or reductions in display space and/or product discontinuances or a greater than expected impact from pricing, marketing, advertising and/or promotional strategies by the Company's customers, whether attributable to COVID-19 or otherwise; and changes in the competitive environment and actions by the Company's competitors, including, among other things, business combinations, technological breakthroughs, implementation of new pricing strategies, new product offerings, increased advertising, promotional and marketing spending and advertising, promotional and/or marketing successes by competitors;

(ii) in addition to the items discussed in (i) above, the effects of and changes in economic conditions (such as volatility in the financial markets, whether attributable to COVID-19 or otherwise, inflation, increasing interest rates, monetary conditions and foreign currency fluctuations, tariffs, foreign currency controls and/or government-mandated pricing controls, as well as in trade, monetary, fiscal and tax policies in international markets), political conditions (such as military actions and terrorist activities) and natural disasters, such as the devastating fires in Australia and the earthquakes in Puerto Rico;

(iii) unanticipated costs or difficulties or delays in completing projects associated with continuing to execute the Company's business initiatives or lower than expected revenues or the inability to create value through improving the Company's financial performance as a result of such initiatives, including lower than expected sales, or higher than expected costs, including as may arise from any additional repositioning, repackaging or reformulating of one or more brands or product lines, launching of new product lines, including higher than expected expenses, including for sales returns, for launching its new products, acquiring businesses or brands (including through licensing transactions, if any), divesting or discontinuing non-core business lines (which may include exiting certain territories or converting the Company's go-to-trade structure in certain countries to other business models), further refining its approach to retail merchandising and/or difficulties, delays or increased costs in connection with taking further actions to optimize the Company's manufacturing, sourcing, supply chain or organizational size and structure (including difficulties or delays in and/or the Company's inability to optimally implement the 2018 Optimization Program and/or the Revlon 2020 Restructuring Program and/or less than expected benefits from such programs and/or more than expected costs in implementing such programs, which could cause the Company not to realize the projected cost reductions), as well as the unavailability of cash generated by operations, cash on hand and/or funds under the Amended 2016 Revolving Credit Facility, the Amended 2019 Senior Line of Credit Facility and/or other permissible borrowings and/or from other permissible additional sources of capital to fund such potential activities, as well as the unavailability of funds due to potential mandatory repayment obligations under the 2018 Foreign Asset-Based Term Facility;

(iv) difficulties, delays in or less than expected results from the Company's efforts to execute on its 3 key strategic pillars to drive its future success and growth, including, without limitation: (1) less than effective new product development and innovation, less than expected acceptance of its new products and innovations by the Company's consumers and/or customers in one or more of its segments and/or less than expected levels of execution vis-à-vis its new product launches with its customers in one or more of its segments or regions, in each case whether attributable to COVID-19 or otherwise; (2) less than expected levels of advertising, promotional and/or marketing activities for its new product launches, less than expected acceptance of its advertising, promotional, pricing and/or marketing plans and/or brand communication by consumers and/or customers in one or more of its segments, less than expected investment in advertising, promotional and/or marketing activities or greater than expected competitive investment, in each case whether attributable to COVID-19 or otherwise; and/or (3) difficulties or disruptions impacting the Company's ability to ensure availability of its products where consumers shop, both in-store and increasingly online, including, without limitation, difficulties with, delays in or the inability to achieve the Company’s expected results, such as due to, among other things, the Company’s business experiencing greater than anticipated disruptions due to COVID-19 related uncertainty or other related factors making it more difficult to maintain relationships with employees, business partners or governmental entities and/or other unanticipated circumstances, trends or events affecting the Company’s financial performance, including decreased consumer spending in response to the COVID-19 pandemic and related conditions and restrictions, weaker than expected economic conditions due to the COVID-19 pandemic and its related restrictions and conditions continuing for periods longer than currently estimated or COVID-19 expanding into more territories than currently anticipated, or other weakness in the consumption of beauty-related products, lower than expected acceptance of the Company’s new products, adverse changes in foreign currency exchange rates, decreased sales of the Company’s products as a result of increased competitive activities by the Company’s competitors, the unavailability of one or more forms of additional credit in the current capital markets and/or decreased performance by third party suppliers;

(v) difficulties, delays or unanticipated costs or charges or less than expected cost reductions and other benefits resulting from the Company's restructuring activities, such as in connection with the 2018 Optimization Program and/or the Revlon 2020 Restructuring Program, higher than anticipated restructuring charges and/or payments and/or changes in the expected timing of such charges and/or payments; and/or less than expected additional sources of liquidity from such initiatives;

(vi) lower than expected operating revenues, cash on hand and/or funds available under the Amended 2016 Revolving Credit Facility, the Amended 2019 Senior Line of Credit Facility and/or other permissible borrowings or generated from cost reductions resulting from the implementation of the Revlon 2020 Restructuring Program and the 2018 Optimization Program and/or other cost control initiatives, including, without limitation, the Company’s interim measures to reduce costs in response to the COVID-19 pandemic (such as: (i) switching to a reduced work week and reducing executive and employee compensation in the range of 20% to 40%; (ii) furloughing approximately 40% of the Company’s U.S.-based employees and those in certain other locations; (iii) suspending the Company's 2020 merit base salary

increases, discretionary profit sharing contributions and matching contributions to the Company's 401(k) plan; (iv) reducing Board and committee compensation by 50% and eliminating Board and committee meeting fees; and (v) suspending or terminating services and payments under consulting agreements with certain directors), and/or from selling certain assets (such as the Natural Honey and Floid brands that were sold in December 2019) in connection with the Company's ongoing Strategic Review; higher than anticipated operating expenses, such as referred to in clause (viii) below; and/or less than anticipated cash generated by the Company's operations or unanticipated restrictions or taxes on repatriation of foreign earnings;

(xii) unexpected significant variances in the Company's tax provision, effective tax rate and/or unrecognized tax benefits, whether due to the enactment of the Tax Act or otherwise, such as due to the issuance of unfavorable guidance, interpretations, technical clarifications and/or technical corrections legislation by the U.S. Congress, the U.S. Treasury Department or the IRS, unexpected changes in foreign, state or local tax regimes in response to the Tax Act, and/or changes in estimates that may impact the calculation of the Company's tax provisions, as well as changes in circumstances that could adversely impact the Company's expectations regarding the establishment of additional valuation allowances on its deferred tax assets;

## PART II - OTHER INFORMATION

### Item 1. Legal Proceedings

The Company is involved in various routine legal proceedings incidental to the ordinary course of its business. The Company believes that the outcome of all pending legal proceedings in the aggregate is not reasonably likely to have a material adverse effect on the Company's business, prospects, results of operations, financial condition and/or cash flows. However, in light of the uncertainties involved in legal proceedings generally, the ultimate outcome of a particular matter could be material to the Company's operating results for a particular period depending on, among other things, the size of the loss or the nature of the liability imposed and the level of the Company's income for that particular period.

### Item 1A. Risk Factors

In addition to the other information in this report, when evaluating the Company's business investors should consider carefully the following risk factors which have been updated since the Company's 2019 Form 10-K. For definitions of certain capitalized terms used in this Form 10-Q referring to the Company's debt facilities, see Part II, Item 7. "Management's Discussion and Analysis of Financial Condition and Results of Operations - Financial Condition, Liquidity and Capital Resources - Long-Term Debt Instruments" of this Form 10-Q and in the Company's 2019 Form 10-K.

***Revlon is a holding company with no business operations of its own and is dependent on its subsidiaries to pay certain expenses and dividends. In addition, shares of the capital stock of Products Corporation, Revlon's wholly-owned operating subsidiary, are pledged by Revlon to secure its obligations under the 2016 Credit Agreements and the 2020 BrandCo Credit Agreement.***

Revlon is a holding company with no business operations of its own. Revlon's only material asset is all of the outstanding capital stock of Products Corporation, Revlon's wholly-owned operating subsidiary, through which Revlon conducts its business operations. As such, Revlon's net income has historically consisted predominantly of its equity in the net loss of Products Corporation, which for 2019 and 2018 was $151.2 million and $289.1 million, respectively (in each case excluding $7.9 million and $6.3 million, respectively, in expenses primarily related to Revlon being a public holding company). Revlon is dependent on the earnings and cash flow of, and dividends and distributions from, Products Corporation to pay Revlon's expenses incidental to being a public holding company and to pay any cash dividend or distribution on its Class A Common Stock in each case that may be authorized by Revlon's Board of Directors.

Products Corporation may not generate sufficient cash flow to pay dividends or distribute funds to Revlon because, for example, Products Corporation may not generate sufficient cash or net income; state laws may restrict or prohibit Products Corporation from issuing dividends or making distributions unless Products Corporation has sufficient surplus or net profits, which Products Corporation may not have; or because contractual restrictions, including negative covenants contained in Products Corporation's various debt instruments, may prohibit or limit such dividends or distributions.

The terms of Products Corporation's 2016 Credit Agreements, the indentures governing Products Corporation's 6.25% Senior Notes due 2024 (the "6.25% Senior Notes Indenture" and the "6.25% Senior Notes," respectively) and 5.75% Senior Notes due 2021 (the "5.75% Senior Notes Indenture" and the "5.75% Senior Notes," respectively, and, together with the 6.25% Senior Notes Indenture, the "Senior Notes Indentures" and the "Senior Notes," respectively) and the 2020 BrandCo Credit Agreement (as hereinafter defined) generally restrict Products Corporation from paying dividends or making distributions to Revlon, except in limited circumstances. For example, Products Corporation is permitted to pay dividends and make distributions to Revlon to enable Revlon to, among other things, maintain its existence and its ownership of Products Corporation, such as paying professional fees (e.g., legal, accounting and insurance fees), regulatory fees (e.g., SEC filing fees and NYSE listing fees), pay certain taxes and other expenses related to being a public holding company and, subject to certain limitations, to pay dividends, if any, on Revlon's outstanding securities or make distributions in certain circumstances to finance Revlon's purchase of shares of its Class A Common Stock issued in connection with the delivery of such shares to grantees under the Fourth Amended and Restated Revlon, Inc. Stock Plan, as amended. These limitations therefore restrict Revlon's ability to pay dividends on its Class A Common Stock.

All of the shares of Products Corporation's capital stock held by Revlon are pledged to secure Revlon's guarantee of Products Corporation's obligations under its 2016 Credit Agreements and the 2020 BrandCo Credit Agreement. A foreclosure upon the shares of Products Corporation's common stock would result in Revlon no longer holding its only material asset, would have a material adverse effect on the holders and price of Revlon's Class A Common Stock and would be a change of

control under Products Corporation's other debt instruments. (See also Item 1A. Risk Factors - "Shares of Revlon Class A Common Stock and Products Corporation's capital stock are pledged to secure various of Revlon's and/or other of the Company's affiliates' obligations and foreclosure upon these shares or dispositions of shares could result in the acceleration of debt under Products Corporation's 2016 Senior Credit Facilities, 2018 Foreign Asset-Based Term Facility, 2020 BrandCo Facilities, Amended 2019 Senior Line of Credit Facility and/or its Senior Notes and could have other consequences.")

***Products Corporation's substantial indebtedness could adversely affect the Company's operations and flexibility and Products Corporation's ability to service its debt.***

Products Corporation has a substantial amount of outstanding indebtedness. As of June 30, 2020 the Company's total indebtedness was $3,789.3 million (or $3,626.7 million net of discounts and debt issuance costs), including: (i) $1,720.4 million in aggregate principal amount of its 2020 BrandCo Term Loan Facility; (ii) $450 million in aggregate principal amount of its 6.25% Senior Notes; (iii) $387.2 million in aggregate principal amount of its 5.75% Senior Notes; (iv) $249.5 million of secured indebtedness under Tranche A of its Amended 2016 Revolving Credit Facility; (v) $924.8 million in aggregate principal amount of secured indebtedness under its 2016 Term Loan Facility; (vi) $54.5 million in aggregate principal amount of secured indebtedness under its 2018 Foreign Asset-Based Term Facility (as hereinafter defined); (vii) nil in aggregate principal amount of indebtedness under its Amended 2019 Senior Line of Credit Facility (as hereinafter defined); and (viii) $2.6 million in aggregate principal amount of other indebtedness. In addition, as of such date Products Corporation would have had the ability to incur an additional $50.7 million of secured indebtedness under its Amended 2016 Revolving Credit Facility and $30 million in aggregate principal amount of indebtedness under its Amended 2019 Senior Line of Credit Facility. In addition, in May 2020 Products Corporation repaid in full the 2019 Term Loan Facility, incurred additional indebtedness under the 2020 BrandCo Term Loan Facility and exchanged a significant portion of indebtedness under the 2016 Term Loan Facility for indebtedness under the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility in connection with the 2020 Refinancing Transactions (each as hereinafter defined) (see Note 7, "Debt" to the Company's Unaudited Consolidated Financial Statements in this Form 10-Q. See also, " Recent Debt Transactions " in Item 7. "Combined Management's Discussion and Analysis of Financial Condition and Results of Operations."). If the Company is unable to maintain or increase its profitability and cash flow and sustain such results in future periods, it could adversely affect the Company's operations and Products Corporation's ability to service its debt and/or comply with the financial and/or operating covenants under its various debt instruments. (See also Item 1A. Risk Factors - "Restrictions and covenants in Products Corporation's various debt instruments limit its ability to take certain actions and impose consequences in the event of failure to comply.")

The Company is subject to the risks normally associated with substantial indebtedness, including the risk that the Company's profitability and cash flow will be insufficient to meet required payments of principal and interest under Products Corporation's various debt instruments, and the risk that Products Corporation will be unable to refinance existing indebtedness when it becomes due or, if it is unable to comply with the financial or operating covenants under its various debt instruments, to obtain any necessary consents, waivers or amendments or that the terms of any such refinancing and/or consents, waivers or amendments will be less favorable than the current terms of such indebtedness. Products Corporation's substantial indebtedness could also have the effect of:

- limiting the Company's ability to fund (including by obtaining additional financing) the costs and expenses of executing the Company's business initiatives, future working capital, capital expenditures, advertising, promotional and/or marketing expenses, new product development costs, purchases and reconfigurations of wall displays, acquisitions, and related integration costs, investments, restructuring programs and other general corporate purposes;
- requiring the Company to dedicate a substantial portion of its cash flow from operations to payments on Products Corporation's indebtedness, thereby reducing the availability of the Company's cash flow necessary for executing the Company's business initiatives and for other general corporate purposes;
- placing the Company at a competitive disadvantage compared to its competitors that have less debt;
- exposing the Company to potential events of default (if not cured or waived) under the financial and operating covenants contained in Products Corporation's various debt instruments;
- limiting the Company's flexibility in responding to changes in its business and the industry in which it operates; and
- making the Company more vulnerable in the event of adverse economic conditions or a downturn in its business.

Although agreements governing Products Corporation's indebtedness, including the 2016 Credit Agreements, the Senior Notes Indentures and the 2020 BrandCo Credit Agreement (as hereinafter defined), limit Products Corporation's ability to borrow funds, under certain circumstances Products Corporation is allowed to borrow a significant amount of additional money, some of which, in certain circumstances and subject to certain limitations, could be secured indebtedness. To the extent that more debt, whether secured or unsecured, is added to the Company's current debt levels, the risks described above would increase further. See "Recent Debt Transactions" in Item 7. "Combined Management's Discussion and Analysis of Financial Condition and Results of Operations."

***Products Corporation's ability to pay the principal amount of its indebtedness depends on many factors.***

The Amended 2019 Senior Line of Credit Facility matures on December 31, 2020; the 5.75% Senior Notes mature in February 2021; the 2018 Foreign Asset-Based Term Facility matures in July 2021; Tranche A under the Amended 2016 Revolving Credit Facility matures no later than September 2021; the 2016 Term Loan Facility matures no later than September 2023; the 6.25% Senior Notes mature in August 2024; and the 2020 BrandCo Facilities mature no later than June 2025. Also, while the 2016 Term Loan Facility is scheduled to mature no later than September 2023, its maturity would accelerate to the 91st day prior to the maturity of the 5.75% Senior Notes due February 15, 2021 if any 5.75% Senior Notes remain outstanding by such date, subject to certain minimum liquidity exceptions. Tranche A of the Amended 2016 Revolving Credit Facility has a springing maturity similar to the 2016 Term Loan Facility. The 2018 Foreign Asset-Based Term Facility has a springing maturity similar to the 2016 Term Loan Facility and Tranche A of the Amended 2016 Revolving Credit Facility, but the 2018 Foreign Asset-Based Term Facility does not have any liquidity-based exceptions. The 2020 BrandCo Facilities have a springing maturity that accelerates to the 91st day prior to the maturity of the 6.25% Senior Notes if an aggregate principal amount of the 6.25% Senior Notes in excess of $100,000,000 remains outstanding by such date. For a more complete description of the maturities of these debt instruments, including events that could accelerate their respective maturities, see Note 7, "Debt," to the Company's unaudited Consolidated Financial Statements in this Form 10-Q. See also, "Recent Debt Transactions" in Item 7. "Combined Management's Discussion and Analysis of Financial Condition and Results of Operations." Products Corporation currently anticipates that, in order to pay the principal amount of its outstanding indebtedness upon the occurrence of any event of default, or to repurchase any of the Senior Notes if a change of control occurs, or in the event that Products Corporation's cash flows from operations are insufficient to allow it to pay the principal amount of its indebtedness by their respective maturity dates, the Company will be required to refinance some or all of Products Corporation's indebtedness, seek to sell assets or operations, seek to sell additional Revlon equity, seek to sell debt securities of Revlon or Products Corporation and/or seek additional capital contributions or loans from MacAndrews & Forbes or from the Company's other affiliates and/or third parties. The Company may be unable to take any of these actions due to a variety of commercial or market factors or constraints in Products Corporation's various debt instruments, including, for example, market conditions being unfavorable for an equity or debt issuance, additional capital contributions or loans not being available from affiliates and/or third parties, or that the transactions may not be permitted under the terms of Products Corporation's various debt instruments then in effect, including restrictions on the incurrence of additional debt, incurrence of liens, asset dispositions and/or related party transactions included in such debt instruments. Such actions, if ever taken, may not enable the Company to satisfy its cash requirements if the actions do not result in sufficient cost reductions or generate a sufficient amount of additional capital, as the case may be.

None of the Company's affiliates are required to make any capital contributions, loans or other payments to Products Corporation regarding its obligations on its indebtedness, other than the Amended 2019 Senior Line of Credit Facility. Products Corporation may not be able to pay the principal amount of its indebtedness using any of the above actions because, under certain circumstances, the 2016 Credit Agreements, the 2018 Foreign Asset-Based Term Agreement, the 2020 BrandCo Credit Agreement, the Senior Notes Indentures, any of Products Corporation's other debt instruments and/or the debt instruments of Products Corporation's subsidiaries then in effect may not permit the Company to take such actions. (See also Item 1A. Risk Factors - "Restrictions and covenants in Products Corporation's various debt instruments limit its ability to take certain actions and impose consequences in the event of failure to comply").

The future state of the credit markets, including any volatility and/or tightening of the credit markets and reduction in credit availability, could adversely impact the Company's ability to refinance or replace, in whole or in part, Products Corporation's outstanding indebtedness by their respective maturity dates, which could have a material adverse effect on the Company's business, prospects, results of operations, financial condition and/or cash flows.

***Restrictions and covenants in Products Corporation's various debt instruments limit its ability to take certain actions and impose consequences in the event of failure to comply.***

The agreements that govern Products Corporation's indebtedness, including the 2016 Credit Agreements, the 2018 Foreign Asset-Based Term Agreement, the 2020 BrandCo Credit Agreement and Products Corporation's Senior Notes Indentures, contain a number of significant restrictions and covenants that limit Products Corporation's ability (subject in each case to certain exceptions) to, among other things:

- borrow money;
- use assets as security in other borrowings or transactions;
- pay dividends on stock or purchase stock;
- sell assets and use the proceeds from such sales;
- enter into certain transactions with affiliates;

- make certain investments;
- prepay, redeem or repurchase specified indebtedness; and
- permit restrictions on the payment of dividends to Products Corporation by its subsidiaries.

These covenants affect Products Corporation’s operating flexibility by, among other things, restricting its ability to incur indebtedness that could be used to fund the costs of executing the Company’s business initiatives and to grow the Company’s business, as well as to fund general corporate purposes.

Certain breaches under the 2016 Credit Agreements, the 2018 Foreign Asset-Based Term Agreement, the 2020 BrandCo Credit Agreement, the Amended 2019 Senior Line of Credit Agreement and/or the Senior Notes Indentures would permit the Company’s lenders to accelerate amounts outstanding thereunder. The acceleration of amounts outstanding under the 2016 Senior Credit Facilities, the 2018 Foreign Asset-Based Term Facility, the 2020 BrandCo Credit Agreement, the Amended 2019 Senior Line of Credit Facility and/or the Senior Notes would in certain circumstances constitute an event of default under the other instruments permitting amounts outstanding under such instruments to be accelerated. See “Recent Debt Transactions” in Item 7. “Combined Management’s Discussion and Analysis of Financial Condition and Results of Operations.” In addition, holders of the Senior Notes may require Products Corporation to repurchase their notes in the event of a change of control under the applicable indenture and a change of control would be an event of default under the 2016 Credit Agreements, the 2018 Foreign Asset-Based Term Agreement and the 2020 BrandCo Credit Agreement. Products Corporation may not have sufficient funds at the time of any such breach or change of control to repay, in full or in part, amounts outstanding under the 2016 Senior Credit Facilities, the 2020 BrandCo Credit Agreement, the Amended 2019 Senior Line of Credit Facility or the 2018 Asset-Based Term Facility or to repay, repurchase or redeem, in full or in part, the Senior Notes.

Events beyond the Company’s control could impair the Company’s operating performance, which could affect Products Corporation’s ability to comply with the terms of Products Corporation’s debt instruments. Such events may include decreased consumer spending in response to COVID-19 or other weak economic conditions or weakness in the consumption of beauty products in one or more of the Company's segments; adverse changes in tariffs, foreign currency exchange rates, foreign currency controls and/or government-mandated pricing controls; decreased sales of the Company's products as a result of increased competitive activities by the Company’s competitors and/or decreased performance by third-party suppliers, whether due to shortages of raw materials or otherwise; changes in consumer purchasing habits, including with respect to retailer preferences and/or among sales channels, such as due to any further consumption declines that the Company has experienced; inventory management by the Company's customers; inventory de-stocking by certain retail customers; space reconfigurations or reductions in display space by the Company's customers; retail store closures in the brick-and-mortar channels where the Company sells its products, as consumers continue to shift purchases to online and e-commerce channels; changes in pricing, marketing, advertising and/or promotional strategies by the Company's customers; less than anticipated results from the Company's existing or new products or from its advertising, promotional, pricing and/or marketing plans; or if the Company’s expenses, including, without limitation, those for pension expense under its benefit plans, restructuring programs and related severance expenses, acquisitions and related integration costs, capital expenditures, costs related to litigation, advertising, promotional and/or marketing activities or for sales returns related to any reduction of space by the Company's customers, product discontinuances or otherwise, exceed the Company's anticipated level of expenses.

Under such circumstances, Products Corporation may be unable to comply with the requirements of one or more of its various debt instruments, including any financial covenants in the 2016 Credit Agreements. If Products Corporation is unable to satisfy such requirements at any future time, Products Corporation would need to seek an amendment or waiver of such requirements. The respective lenders under the 2016 Credit Agreements may not consent to any amendment or waiver requests that Products Corporation may make in the future, and, if they do consent, they may only do so on terms that are unfavorable to Products Corporation and/or Revlon.

If Products Corporation is unable to obtain any such waiver or amendment, Products Corporation's inability to meet the requirements of the 2016 Credit Agreements would constitute an event of default under such agreements, which, under certain circumstances, would permit the bank lenders to accelerate the repayment of the 2016 Senior Credit Facilities, and, under certain circumstances, would constitute an event of default under the 2020 BrandCo Credit Agreement, the 2018 Foreign Asset-Based Term Agreement, the Amended 2019 Senior Line of Credit Agreement and the Senior Notes Indentures. An event of default under the Senior Notes Indentures would permit the respective Notes Trustee or the Requisite Note Holders to accelerate payment of the principal and accrued, but unpaid, interest on the respective Senior Notes. An event of default under the Amended 2019 Senior Line of Credit Agreement, under certain circumstances, would permit the lenders to accelerate the repayment of such facility.

Products Corporation’s assets and/or cash flows and/or that of Products Corporation’s subsidiaries may not be sufficient to fully repay borrowings under its various debt instruments, either upon maturity or if accelerated upon an event of default or change of control, and if the Company is required to repay, repurchase and/or redeem, in whole or in part, amounts outstanding under its 2016 Senior Credit Facilities, the 2018 Foreign Asset-Based Term Facility, the 2020 BrandCo Credit Agreement, the Amended 2019 Senior Line of Credit Facility and/or its Senior Notes, it may be unable to refinance or restructure the payments on such debt. See “Recent Debt Transactions” in Item 7. “Combined Management’s Discussion and Analysis of Financial Condition and Results of Operations.” Further, if the Company is unable to repay, refinance or restructure its indebtedness under the 2016 Senior Credit Facilities, the 2018 Foreign Asset-Based Term Facility and/or the 2020 BrandCo Credit Agreement, the lenders could proceed against the collateral securing that indebtedness, subject to certain conditions and limitations as set forth in the related intercreditor agreements and collateral agreements. As described above, the consequences of complying with the foregoing restrictions, covenants and limitations under the Company’s various debt instruments could have a material adverse effect on the Company’s business, prospects, results of operations, financial condition and/or cash flows.

***Limits on Products Corporation's borrowing capacity under the Amended 2016 Revolving Credit Facility and the 2018 Foreign Asset-Based Term Facility may affect the Company's ability to finance its operations.***

At June 30, 2020, Products Corporation had $249.5 million in aggregate borrowings outstanding under the Amended 2016 Revolving Credit Facility. As of December 31, 2020, Products Corporation had $86.3 million in borrowings outstanding under the 2018 Foreign Asset-Based Term Facility. After a partial repayment in May 2020, $54.5 million remained outstanding under the 2018 Foreign Asset-Based Term Facility as of June 30, 2020. While the Amended 2016 Revolving Credit Facility provides for up to $400.0 million of commitments, the Company’s ability to borrow funds under such facility is limited by a borrowing base determined relative to the value, from time-to-time, of certain eligible assets.

While the 2018 Foreign Asset-Based Term Facility provides for a euro-denominated senior secured asset-based term loan facility in an aggregate principal amount of €77 million, the full amount of which was funded on the closing of the facility in July 2018, the 2018 Foreign Asset-Based Term Agreement requires the maintenance of a borrowing base supporting the borrowing thereunder, based on the sum of: (i) 85% of eligible accounts receivable; and (ii) 90% of the net orderly liquidation value of eligible inventory, in each case with respect to certain of Products Corporation’s subsidiaries organized in Australia, Bermuda, Germany, Italy, Spain and Switzerland, subject to certain customary availability reserves.

Under the Amended 2016 Revolving Credit Facility and the 2018 Foreign Asset-Based Term Facility, if the value of the Company's eligible assets is not sufficient to support the full borrowing base under the respective facility, Products Corporation will not have complete access to the entire commitment available under such facilities, but rather would have access to a lesser amount as determined by the borrowing base.

The Borrowers must prepay loans under the Amended 2016 Revolving Credit Facility and the 2018 Foreign Asset-Based Term Facility to the extent that outstanding loans exceed its respective borrowing base Under the 2018 Foreign Asset-Based Term Facility, in lieu of a mandatory prepayment, the Loan Parties may deposit cash in an amount not to exceed 10% of the borrowing base into a designated U.S. bank account with the Agent that is subject to a control agreement (such cash, the "Qualified Cash"). If any such over-advance has not been cured within 60 days, the Qualified Cash may be applied, at the Agent’s option, to prepay the loans under the 2018 Foreign Asset-Based Term Facility. To the extent certain levels of availability are obtained during a certain period of time, the Borrowers can withdraw the Qualified Cash from such bank account. In addition, the 2018 Foreign Asset-Based Term Facility is subject to mandatory prepayments from the net proceeds from the incurrence by the Loan Parties of debt not permitted thereunder.

As Products Corporation continues to manage its working capital (including its and its subsidiaries inventory and accounts receivable, which are significant components of the eligible assets comprising the borrowing base under the Amended 2016 Revolving Credit Facility and the 2018 Foreign Asset-Based Term Facility), this could reduce the borrowing base under the Amended 2016 Revolving Credit Facility and/or the 2018 Asset-Based Term Facility. Further, if Products Corporation borrows funds under the Amended 2016 Revolving Credit Facility, subsequent changes in the value or eligibility of the assets within the borrowing base could require Products Corporation to pay down amounts outstanding under such facility so that there is no amount outstanding in excess of the then-existing borrowing base. Likewise, subsequent changes in the value or eligibility of the assets within the borrowing base under the 2018 Foreign Asset-Based Term Facility could require Products Corporation to pay down amounts outstanding under such facility so that there is no amount outstanding in excess of the then-existing borrowing base, which, unlike the Amended 2016 Revolving Credit Facility, cannot be re-borrowed.

The Company's ability to borrow under the Amended 2016 Revolving Credit Facility is also conditioned upon its compliance with other covenants in the agreements that govern the 2016 Senior Credit Facilities. Because of these limitations, the Company may not always be able to meet its cash requirements with funds borrowed under the Amended 2016 Revolving Credit Facility, which could have a material adverse effect on the Company's business, prospects, results of operations, financial condition and/or cash flows.

If one or more lenders under the Amended 2016 Revolving Credit Facility are unable to fulfill their commitment to advance funds to Products Corporation under such facility, it would impact the Company's liquidity and, depending upon the amount involved and the Company's liquidity requirements, it could have an adverse effect on the Company's ability to fund its operations, which could have a material adverse effect on the Company's business, prospects, results of operations, financial condition and/or cash flows.

At June 30, 2020, the Company had a liquidity position of $415.7 million, consisting of: (i) $338.5 million of unrestricted cash and cash equivalents (with approximately $62.1 million held outside the U.S.); (ii) $50.7 million in available borrowing capacity under Products Corporation's Amended 2016 Revolving Credit Facility (which had $249.5 million drawn at such date); (iii) $30 million in available borrowing capacity under the Amended 2019 Senior Line of Credit Facility, which had no borrowings at such date; and less (iv) approximately $3.5 million of outstanding checks. See "Recent Debt Transactions" in Item 7. "Combined Management's Discussion and Analysis of Financial Condition and Results of Operations."

***A substantial portion of Products Corporation's indebtedness is subject to floating interest rates and the potential discontinuation or replacement of LIBOR could result in an increase to our interest expense.***

A substantial portion of the Products Corporation's indebtedness is subject to floating interest rates, which makes the Company more vulnerable in the event of adverse economic conditions, increases in prevailing interest rates or a downturn in the Company's business. As of June 30, 2020, $2,949.2 million of Products Corporation's total indebtedness, or approximately 78% of its total indebtedness, was subject to floating interest rates.

In July 2017, the U.K.'s Financial Conduct Authority, which regulates LIBOR, announced that it intends to stop persuading or compelling banks to submit LIBOR rates after 2021. It is unclear whether or not LIBOR will cease to exist at that time (and if so, what reference rate will replace it) or if new methods of calculating LIBOR will be established such that it continues to exist after 2021. Certain of Products Corporation's financing agreements, including its 2016 Term Loan Facility, the Amended 2016 Revolving Credit Facility and the 2020 BrandCo Facilities are made at variable rates that use LIBOR as a benchmark for establishing the applicable interest rate. While the 2016 Credit Agreements contain limited "fallback" provisions providing for comparable or successor rates in the event LIBOR is unavailable, these provisions may not adequately address the actual changes to LIBOR or its successor rates. For example, if future rates based upon the successor reference rate (or a new method of calculating LIBOR) are higher than LIBOR rates as currently determined, it may have a material adverse effect on our business, prospects, results of operations, financial condition and/or cash flows. On the other hand, if future rates based upon the successor reference rate (or a new method of calculating LIBOR) are lower than LIBOR rates as currently determined, the lenders under such credit agreements may seek amendments to increase the applicable interest rate margins or invoke their right to require the use of the alternate base rate in place of LIBOR, which could result in an increase to our interest expense as discussed below. By contrast, the 2020 BrandCo Credit Agreement contains provisions governing the selection and adjustment of replacement reference rates. More generally, a phase-out of LIBOR could cause market volatility or disruption and may adversely affect our access to the capital markets and cost of funding, which would have a material adverse effect on our business, prospects, results of operations, financial condition and/or cash flows.

Similar considerations as the ones described above with respect to LIBOR as benchmark for establishing interest rates apply to EURIBOR. Our 2018 Foreign Asset-Based Term Facility is denominated in Euros and the interest rate thereunder is tied to EURIBOR. To the extent that EURIBOR becomes unavailable, the agreement contains fallback provisions ultimately providing for a rate determined by the administrative agent as the all-in-cost of funds for borrowings denominated in Euros with maturities comparable to the interest period applicable to the loans under the 2018 Foreign Asset-Based Term Facility.

As of June 30, 2020, the entire $924.8 million in aggregate principal amount outstanding under the 2016 Term Loan Facility bore interest, at Product Corporation's option, at a rate per annum of LIBOR (which has a floor of 0.75%) plus a margin of 3.5% or an alternate base rate plus a margin of 2.5%, payable quarterly, at a minimum. At June 30, 2020, LIBOR and the alternate base rate for the 2016 Term Loan Facility were 0.75% and 3.25%, respectively. As of June 30, 2020, $249.5 million in aggregate principal amount outstanding under Tranche A of the Amended 2016 Revolving Credit Facility bore interest, at Products Corporation's option, at a rate per annum equal to either: (i) the alternate base rate plus an applicable margin equal to 0.25%, 0.50% or 0.75%, depending on the average excess availability (based on the borrowing base as most

recently reported by Products Corporation to the administrative agent from time-to-time); or (ii) the Eurocurrency rate plus an applicable margin equal to 1.25%, 1.5% or 1.75%, depending on the average excess availability (based on the borrowing base as most recently reported by Products Corporation to the administrative agent from time-to-time). Under the Amended 2016 Revolving Credit Facility, the applicable margin increases as average excess availability thereunder decreases. Under the 2018 Foreign Asset-Based Term Facility, which had $54.5 million in aggregate principal amount outstanding as of June 30, 2020, interest accrues on borrowings at a rate per annum equal to the EURIBOR rate plus a 6.50% applicable margin. Interest accrues on the 2020 BrandCo Term Loan Facility (as hereinafter defined) at a rate per annum equal to (i) 2.00%, payable in kind, plus (ii) LIBOR (which has a floor of 1.50%) plus a margin of 10.5%. Interest accrues on the Roll-up BrandCo Facility and the Junior Roll-up BrandCo Facility (each as hereinafter defined) at a rate per annum of LIBOR (which has a floor of 0.75%) plus a margin of 3.5%. See “Recent Debt Transactions” in Item 7. “Combined Management’s Discussion and Analysis of Financial Condition and Results of Operations.”

If any of LIBOR (or its successor rate), the prime rate or the federal funds effective rate increases, Products Corporation’s debt service costs will increase to the extent that Products Corporation has elected such rates for its outstanding loans. Based on the amounts outstanding under the 2016 Senior Credit Facilities, the 2018 Foreign Asset-Based Term Facility, the 2020 BrandCo Facilities and other short-term borrowings (which, in the aggregate, are Products Corporation’s only debt currently subject to floating interest rates) as of June 30, 2020, a 1% increase in LIBOR (or an equivalent successor rate) would increase the Company’s annual interest expense by $30.0 million. Based on the same amounts outstanding, a change from LIBOR to the alternate base rate in the case of the 2016 Credit Agreements would increase the Company’s annual interest expense by $15.3 million. Increased debt service costs would adversely affect the Company’s cash flows and could have a material adverse effect on the Company’s business, prospects, results of operations, financial condition and/or cash flows.

***The Company's ability to service its debt and meet its cash requirements depends on many factors, including achieving anticipated levels of revenue and expenses. If such revenue or expense levels prove to be other than as anticipated, the Company may be unable to meet its cash requirements or Products Corporation may be unable to meet the requirements of the 2016 Credit Agreements, 2018 Foreign Asset-Based Term Loan Agreement, 2020 BrandCo Credit Agreement and/or Amended 2019 Senior Line of Credit Agreement, which could have a material adverse effect on the Company's business, prospects, results of operations, financial condition and/or cash flows.***

The Company currently expects that operating revenues, cash on hand, and funds that may be available for borrowing under the Amended 2016 Revolving Credit Facility, the Amended 2019 Senior Line of Credit Facility and other permissible borrowings will be sufficient to enable the Company to cover its operating expenses for 2020, including: cash requirements for the payment of expenses in connection with executing the Company's business initiatives and its advertising, promotional, pricing and/or marketing plans; purchases of permanent wall displays; capital expenditure requirements; debt service payments and costs; cash tax payments; pension and other post-retirement plan contributions; payments in connection with the Company's restructuring programs (including, without limitation, the EA Integration Restructuring Program, the 2018 Optimization Program and the Revlon 2020 Restructuring Program); severance not otherwise included in the Company's restructuring programs; business and/or brand acquisitions (including, without limitation, through licensing transactions), if any; debt and/or equity repurchases, if any; costs related to litigation; and payments in connection with discontinuing non-core business lines and/or exiting and/or entering certain territories and/or channels of trade. See “Recent Debt Transactions” in Item 7. “Combined Management’s Discussion and Analysis of Financial Condition and Results of Operations.”

However, if the Company's anticipated level of revenue is not achieved because of, for example, decreased consumer spending in response to COVID-19 or other weak economic conditions or weakness in the consumption of beauty products in one or more of the Company's segments; adverse changes in tariffs, foreign currency exchange rates, foreign currency controls and/or government-mandated pricing controls; decreased sales of the Company's products as a result of increased competitive activities by the Company's competitors and/or decreased performance by third-party suppliers, whether due to shortages of raw materials or otherwise; changes in consumer purchasing habits, including with respect to retailer preferences and/or sales channels, such as due to the consumption declines in core beauty categories in the mass retail channel in North America; inventory management by the Company's customers; space reconfigurations or reductions in display space by the Company's customers; retail store closures in brick-and-mortar channels where the Company sells its products, as consumers continue to shift purchases to online and e-commerce channels; changes in pricing, marketing, advertising and/or promotional strategies by the Company's customers; less than anticipated results from the Company's existing or new products or from its advertising, promotional, pricing and/or marketing plans; or if the Company's expenses, including, without limitation, those for pension expense under its benefit plans, capital expenditures, restructuring and severance costs (including, without limitation, for the EA Integration Restructuring Program, the 2018 Optimization Program and the Revlon 2020 Restructuring Program), acquisition and integration costs, costs related to litigation, advertising, promotional or marketing activities or for sales returns related to any reduction of space by the Company's customers, product discontinuances or otherwise, exceed the anticipated

level of expenses, the Company's current sources of funds may be insufficient to meet its cash requirements. In addition, such developments, if significant, could reduce the Company's revenues and could have a material adverse effect on Products Corporation's ability to comply with the terms of the 2016 Credit Agreements, 2018 Foreign Asset-Based Term Loan Agreement, 2020 BrandCo Credit Agreement and/or Amended 2019 Senior Line of Credit Agreement (See also Item 1A. Risk Factors - "Restrictions and covenants in Products Corporation's various debt instruments limit its ability to take certain actions and impose consequences in the event of failure to comply," which discusses, among other things, the consequences of noncompliance with Products Corporation's debt covenants).

If the Company's operating revenues, cash on hand and/or funds that may be available for borrowing are insufficient to cover the Company's expenses and/or are insufficient to enable Products Corporation to comply with the requirements of the 2016 Credit Agreements, 2018 Foreign Asset-Based Term Loan Agreement, 2020 BrandCo Credit Agreement and/or Amended 2019 Senior Line of Credit Agreement, the Company could be required to adopt one or more of the alternatives listed below:

- delaying the implementation of or revising certain aspects of the Company's business initiatives;
- reducing or delaying purchases of wall displays and/or expenses related to the Company's advertising, promotional and/or marketing activities;
- reducing or delaying capital spending;
- implementing new restructuring programs;
- refinancing Products Corporation's indebtedness;
- selling assets or operations;
- seeking additional capital contributions and/or loans from MacAndrews & Forbes, the Company's other affiliates and/or third parties;
- selling additional Revlon equity or debt securities or Products Corporation's debt securities; and/or
- reducing other discretionary spending.

The Company may not be able to take any of these actions because of a variety of commercial or market factors or constraints in one or more of Products Corporation's various debt instruments, including, for example, market conditions being unfavorable for an equity or a debt issuance, additional capital contributions or loans not being available from affiliates and/or third parties, or that the transactions may not be permitted under the terms of one or more of Products Corporation's various debt instruments then in effect, such as due to restrictions on the incurrence of debt, incurrence of liens, asset dispositions and/or related party transactions. If the Company is required to take any of these actions, it could have a material adverse effect on its business, prospects, results of operations, financial condition and/or cash flows.

Such actions, if ever taken, may not enable the Company to satisfy its cash requirements or enable Products Corporation to comply with the terms of the 2016 Credit Agreements, 2018 Foreign Asset-Based Term Loan Agreement and/or 2020 BrandCo Credit Agreement if the actions do not result in sufficient cost reductions or generate a sufficient amount of additional capital, as the case may be. (See also Item 1A. Risk Factors - "Restrictions and covenants in Products Corporation's various debt instruments limit its ability to take certain actions and impose consequences in the event of failure to comply," which discusses, among other things, the consequences of noncompliance with Products Corporation's debt covenants).

***If the Company is unable to maintain sufficient cash balances, or otherwise obtain sufficient financing, for the repayment in full of its 5.75% Senior Notes due 2021, certain of its credit facilities will be subject to an Accelerated Maturity Event which could have a material adverse effect on the Company's business, prospects, results of operations, financial condition and/or cash flows.***

The 5.75% Senior Notes are due on February 15, 2021. If Products Corporation is unable to repay or refinance the 5.75% Senior Notes in full prior to November 16, 2020 (91 days before they are due) (the "Accelerated Maturity Date"), then, subject to (other than in the case of the 2018 Foreign Asset-Based Term Facility, as amended in May 2020) certain minimum liquidity-related exceptions, the 2016 Term Loan Facility, Tranche A of the Amended 2016 Revolving Credit Facility and the 2018 Foreign Asset-Based Term Facility will become due on the Accelerated Maturity Date (an "Accelerated Maturity Event"). As of June 30, 2020, the aggregate principal amount of indebtedness outstanding under the 5.75% Senior Notes, the 2016 Term Loan Facility, Tranche A of the Amended 2016 Revolving Credit Facility and the 2018 Foreign Asset-Based Term Facility was $387.2 million, $924.8 million, $249.5 million and $54.5 million, respectively.

On May 7, 2020, Products Corporation entered into the 2020 BrandCo Credit Agreement and consummated the other 2020 Refinancing Transactions (each as hereinafter defined). The proceeds of the $880.0 million aggregate principal amount 2020 BrandCo Term Loan Facility, after the repayment in full of the 2019 Term Loan Facility and the 2020 Incremental Facility (as hereinafter defined) and payment of related fees and expenses, are available for general corporate purposes, including to refinance the 5.75% Senior Notes. See "Recent Debt Transactions" in Item 7. "Combined Management's Discussion and

Analysis of Financial Condition and Results of Operations." If for any reason the Company fails to maintain sufficient cash balances to refinance the 5.75% Senior Notes from the proceeds of the 2020 BrandCo Term Loan Facility or otherwise, the Company will need to obtain sufficient alternative funding (whether from borrowed funds or from the proceeds of asset sales) or amend or obtain a waiver from the lenders under the 2016 Term Loan Facility, Tranche A of the Amended 2016 Revolving Credit Facility and the 2018 Foreign Asset-Based Term Facility. There can be no assurance that the Company will be able to obtain any such financing or amendment or waiver on favorable terms or at all. If an Accelerated Maturity Event were to occur, it could have a material adverse effect on the Company's business, prospects, results of operations, financial condition and/or cash flows. For a discussion of factors affecting Products Corporation's ability to repay or refinance indebtedness by maturity and the consequences of its inability to do so, see Item 1A. Risk Factors – "Products Corporation's ability to pay the principal amount of its indebtedness depends on many factors."

***Shares of Revlon Class A Common Stock and Products Corporation's capital stock are pledged to secure various of Revlon's and/or other of the Company's affiliates' obligations and foreclosure upon these shares or dispositions of shares could result in the acceleration of debt under Products Corporation's 2016 Senior Credit Facilities, 2018 Foreign Asset-Based Term Facility, 2020 BrandCo Facilities, Amended 2019 Senior Line of Credit Facility and/or its Senior Notes and could have other consequences.***

All of Products Corporation's shares of common stock are pledged to secure Revlon's guarantee under the 2016 Senior Credit Facilities and the 2020 BrandCo Facilities. MacAndrews & Forbes has advised the Company that it has pledged shares of Revlon's Class A Common Stock to secure certain obligations of MacAndrews & Forbes. Additional shares of Revlon and shares of common stock of intermediate holding companies between Revlon and MacAndrews & Forbes may from time-to-time be pledged to secure obligations of MacAndrews & Forbes. A default under any of these obligations that are secured by the pledged shares could cause a foreclosure with respect to such shares of Revlon's Class A Common Stock, Products Corporation's common stock or stock of intermediate holding companies between Revlon and MacAndrews & Forbes.

A foreclosure upon any such shares of common stock or dispositions of shares of Revlon's Class A Common Stock, Products Corporation's common stock or stock of intermediate holding companies between Revlon and MacAndrews & Forbes that are beneficially owned by MacAndrews & Forbes could, in a sufficient amount, constitute a "change of control" under Products Corporation's 2016 Credit Agreements, the 2018 Foreign Asset-Based Term Agreement, the 2020 BrandCo Credit Agreement and the Senior Notes Indentures. A change of control constitutes an event of default under the 2016 Credit Agreements, the 2018 Foreign Asset-Based Term Agreement and the 2020 BrandCo Credit Agreement that would permit Products Corporation's and its subsidiaries' lenders to accelerate amounts outstanding under such facilities. In addition, holders of the Senior Notes may require Products Corporation to repurchase their respective notes under those circumstances.

Products Corporation may not have sufficient funds at the time of any such change of control to repay in full or in part the borrowings under the 2016 Senior Credit Facilities, the 2018 Foreign Asset-Based Term Facility, the 2020 BrandCo Facilities and the Amended 2019 Senior Line of Credit Facility (as a result of its cross-default provisions) and/or to repurchase or redeem some or all of the Senior Notes. (See also Item 1A. Risk Factors - "The Company's ability to service its debt and meet its cash requirements depends on many factors, including achieving anticipated levels of revenue and expenses. If such revenue or expense levels prove to be other than as anticipated, the Company may be unable to meet its cash requirements or Products Corporation may be unable to meet the requirements of the 2016 Credit Agreements, 2018 Foreign Asset-Based Term Loan Agreement, 2020 BrandCo Credit Agreement and/or Amended 2019 Senior Line of Credit Agreement, which could have a material adverse effect on the Company's business, prospects, results of operations, financial condition and/or cash flows."

***The ongoing COVID-19 pandemic has resulted in significantly decreased net sales for the Company and has had, and could continue to have, a significant adverse effect on the Company's business, results of operations, financial condition and/or cash flows.***

The ongoing COVID-19 pandemic has had a significant adverse effect on the Company's business around the globe, which could continue for the foreseeable future. After China began reporting on the spread of the COVID-19 coronavirus in early 2020, there have been approximately 15 million cases of the COVID-19 coronavirus globally and it has contributed to over a half a million deaths worldwide, according to data from the World Health Organization. The COVID-19 pandemic has adversely impacted net sales in all major commercial regions that are important to the Company's business. COVID-19's adverse impact on the global economy has contributed to significant and extended quarantines, stay-at-home orders and other social distancing measures; closures and bankruptcies of retailers, beauty salons, spas, offices and manufacturing facilities; increased levels of unemployment; travel and transportation restrictions leading to declines in consumer traffic in key shopping and tourist areas around the globe; and import and export restrictions. These adverse economic conditions have resulted in the

general slowdown of the global economy, in turn contributing to a significant decline in net sales within each of the Company's reporting segments and regions.

COVID-19 contributed an estimated $214 million ($217 million XFX), to the Company's $222.6 million decline in net sales for the three months ended June 30, 2020, compared to the prior year quarter, and an estimated $268 million ($272 million XFX) to the Company's $322.8 decline in net sales for the six months ended June 30, 2020, compared to the prior year period. These declines were partially offset by increased net sales of Revlon beauty tools, Revlon hair color products and Elizabeth Arden skincare and fragrances in certain markets, as well as continued strong growth in the Company's e-commerce net sales.

In April 2020, the Company took several cost reduction measures designed to mitigate the adverse impact of COVID-19 on the Company's net sales, including, without limitation: (i) reducing brand support, as a result of the abrupt decline in retail store traffic; (ii) continuing to monitor the Company's sales and order flow and periodically scaling down operations and cancelling promotional programs; and (iii) closely managing cash flow and liquidity and prioritizing cash to minimize COVID-19's impact on the Company's production capabilities. In April 2020, the Company also implemented various organizational interim measures designed to reduce costs in response to COVID-19, including, without limitation: (i) switching to a reduced work week in the U.S. and in the Company's international locations and reducing executive and employee compensation in the range of 20% to 40%; (ii) furloughing approximately 40% of the Company's U.S.-based office-based employees and 30% factory-based employees, as well as employees in a majority of the Company's other locations; (iii) suspending the Company's 2020 merit base salary increases, discretionary profit sharing contributions and matching contributions to the Company's 401(k) plan; (iv) reducing Board and committee compensation by 50% and eliminating Board and committee meeting fees; and (v) suspending or terminating services and payments under consulting agreements with certain directors. With these measures, including the Revlon 2020 Restructuring Program, the Company achieved cost reductions of approximately $105 million and $153 million during the three and six months ended June 30, 2020, respectively, that have substantially offset the impact of the decline in the Company's net sales over such period. However, with the ongoing COVID-19 pandemic, these mitigation actions may not prove to be effective in insulating the Company from any further damaging economic impact of this pandemic.

The ongoing COVID-19 pandemic has caused the Company and various of its key third party suppliers to temporarily close one or more of their manufacturing facilities. While these closures have not yet had an adverse impact on the Company's ability to operate and fulfill orders, if the COVID-19 restrictions continue for a period longer than the period for the re-opening of retailers, such restrictions could lead to a shortage of raw materials, components and finished products, which in turn could cause the Company to be unable to ship products to retailers and consumers and continue to adversely impact the Company's net sales. The continuation of any of the foregoing events or other unforeseen consequences of the COVID-19 pandemic would continue to significantly adversely affect the Company's business, results of operations, financial condition and cash flows.

In addition to the other information in this report, investors should consider carefully the risk factors discussed in Part I, Item 1A. "Risk Factors" in the Company's 2019 Form 10-K.

**Item 5. Other Information**

***Exchange Offer***

On July 27, 2020, Products Corporation commenced an offer to exchange (the "Exchange Offer") any and all of its $387.2 million aggregate principal amount of outstanding 5.75% Senior Notes due 2021 (the "Existing Notes") for a combination of 5.75% Senior Notes due February 15, 2024 (the "New Notes") and an Early Tender/Consent Fee, payable in cash, upon the terms and conditions set forth in the confidential Offering Memorandum and Consent Solicitation Statement (the "Offering Memorandum") dated July 27, 2020. The New Notes will be senior unsecured notes with terms substantially the same as those of the Existing Notes, with certain adjustments specified in the Offering Memorandum. Concurrently with the Exchange Offer, the Company is soliciting consents (the "Consent Solicitation") to eliminate substantially all of the restrictive covenants and certain events of default with respect to the Existing Notes.

Unless earlier terminated or extended, the Exchange Offer will expire at 11:59 p.m. E.D.T. on August 21, 2020. For each $1,000 principal amount of Existing Notes tendered into the Exchange Offer and Consent Solicitation prior to the early tender deadline of 5:00 p.m. E.D.T. on August 7, 2020, holders of Existing Notes will receive $750 principal amount of New Notes and $50 of cash as an early tender/consent fee. Holders who tender their Existing Notes after the early tender deadline will receive only $750 principal amount of New Notes for each $1,000 principal amount of Existing Notes tendered.

The Exchange Offer and Consent Solicitation are subject to the following conditions precedent: (i) the valid tender without valid withdrawal of not less than 95% of the aggregate outstanding principal amount of Existing Notes (and the provision of the related Consents for such tendered Existing Notes); (ii) the receipt of all necessary consents from the lenders

under the Company's term and revolving credit agreements required in order to consummate the Exchange Offer and Consent Solicitation; (iii) the receipt of requisite consents in the Consent Solicitation; and (iv) various other customary conditions precedent. The conditions precedent are for the sole benefit of the Company and may be amended or waived, in whole or in part, at any time, in the sole and absolute discretion of the Company, subject to applicable law.

This is a limited waiver and shall not be deemed to constitute a waiver of any breach of the Amended Credit Agreement or any of the other Loan Documents or any other requirements of any provision of the

Immediately and automatically, without any further action on the part of Holdings or any of its Subsidiaries, any Lender, the Administrative Agent or any other Person, upon receipt of an Assumption and Assignment executed by such Consenting Term Lender and the Borrower in respect of any such assignment, the applicable Existing Term Loans and all rights and obligations as of such Consenting Term Lender related thereto shall, for all purposes under the Credit Agreement, the other Loan Documents and otherwise, be deemed to be irrevocably prepaid, terminated, extinguished, cancelled and of no further force and effect and the Borrower shall neither obtain nor have any rights as a Lender under the Credit Agreement or under any other Loan Documents by virtue of such assignment. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any such Assumption and Assignment delivered to it. The Administrative Agent and its affiliates

and its partners that are natural persons, members that are natural persons, officers, directors, employees, trustees, advisors, agents and controlling Persons (each of the foregoing, an "***Agent-Related Person***"), in their respective capacities as such, shall not be liable to and shall be held harmless by each Consenting Term Lender, each other Lender, the Borrower or each of their respective affiliates, equity holders or debt holders for any losses, costs, damages or liabilities incurred, directly or indirectly, as a result of any Agent-Related Person, or their counsel or other representatives, taking any action in effectuating any Specified Borrower Repurchase. The Administrative Agent hereby acknowledges and agrees that no transfer fee under Section 10.6(b)(ii)(2) of the Amended Credit Agreement is payable in connection with any Specified Borrower Repurchase.

**I. Section 3. Establishment of Extended Term Loans.**

(a) Subject to the satisfaction or waiver of the conditions set forth in Section 6 of this Amendment, there is hereby established under the Amended Credit Agreement an Extended Term Tranche of Extended Term Loans (such Extended Term Loans collectively, the "***2020 Extended Term Loans***") having the terms set forth in this Amendment and the Amended Credit Agreement, and references in the Amended Credit Agreement to Term Loans and Extended Term Loans shall include, without limitation, the 2020 Extended Term Loans. The 2020 Extended Term Loans shall be denominated in Dollars. For the avoidance of doubt, notwithstanding Section 2.26(a) of the Existing Credit Agreement, the Borrower shall not be required to deliver an Extension Request in connection with the 2020 Extended Term Loans. The Minimum Extension Condition is waived by the Borrower.

(b) Each Extending Lender that executes and delivers to the Administrative Agent a Consent on or prior to 5:00 p.m. (New York City time) on May 1, 2020 (the "***Consent Deadline***") irrevocably agrees to convert into 2020 Extended Term Loans on the Amendment Effective Date the aggregate principal amount of its Existing Term Loans set forth in the Administrative Agent's Register as of the Consent Deadline (such conversion, the "***2020 Conversion***") but, for the avoidance of doubt, immediately after giving effect to the funding of the Brandco Credit Agreement and the use of proceeds therefrom. On the Amendment Effective Date, each Extending Lender (by execution and delivery of a Consent) hereby agrees that the aggregate principal amount of Existing Term Loans held by such Extending Lender set forth in the Administrative Agent's Register as of the Consent Deadline shall automatically (and without any further action on the part of any party to this Amendment or the Existing Credit Agreement but, for the avoidance of doubt, immediately after giving effect to the funding of the Brandco Credit Agreement and the use of proceeds therefrom) be converted into and reclassified to become an equal principal amount of 2020 Extended Term Loans. After giving effect to the 2020 Conversion, the aggregate principal amount of all such 2020 Extended Term Loans held by an Extending Lender shall equal the aggregate principal amount of Existing Term Loans held by such Extending Lender as set forth in the Administrative Agent's Register as of the Consent Deadline but, for the avoidance of doubt, immediately after giving effect to the funding of the Brandco Credit Agreement and the use of proceeds therefrom. The remainder (if any) of all Existing Term Loans made under the Existing Credit Agreement will, after giving effect to this Extension Amendment, remain outstanding as Term Loans (the "***2016 Term Loans***") with the maturity date and interest rate in effect immediately prior to the effectiveness of this Amendment and subject to the terms of the Amended Credit Agreement. On the Amendment Effective Date, after giving effect to this Amendment, the aggregate principal amount of 2020 Extended Term Loans and the aggregate principal amount of 2016 Term Loans shall be set forth on Schedule I hereto.

(c) On the Amendment Effective Date, all accrued and unpaid interest owing by the Borrower under the Existing Credit Agreement with respect to any Existing Term Loan (or portion thereof, if applicable) shall be paid in full in cash immediately prior to the 2020 Conversion. Such

payment shall not be subject to any breakage cost reimbursement with respect to Eurocurrency Loans of any Consenting Lender which would have otherwise been incurred under the terms of the Existing Credit Agreement or Amended Credit Agreement.

(d) On and after the Amendment Effective Date, interest shall accrue on the 2020 Extended Term Loans and 2016 Term Loans at the interest rate provided for in the Amended Credit Agreement. Each 2020 Extended Term Loan and 2016 Term Loan shall initially be deemed to be a borrowing of a 2020 Extended Term Loan or 2016 Term Loan, as applicable, that is a Eurocurrency Loan with an initial Interest Period equal to the remaining duration (as of the Amendment Effective Date) of the Interest Period applicable to the Existing Term Loans; ***provided***, ***however***, that it is understood and agreed that in no event shall any conversion or extension of any Existing Term Loan, or any other transaction contemplated by this Amendment, constitute a repayment, conversion or other event with respect to such Loan that would result in the application or operation of the provisions of Section 2.8, 2.11, 2.12 or 2.21 of the Existing Credit Agreement or Amended Credit Agreement.

**Section 4. Fees**

On the Amendment Effective Date, the Borrower shall pay to the Administrative Agent, for the benefit of each Consenting Term Lender who has delivered its Consent to the Administrative Agent on or prior to the Consent Deadline and it is entitled thereto, a consent fee (the "***Consent Fee***") equal to 0.50% of the aggregate principal amount of Existing Term Loans of such Consenting Term Lender outstanding under the Existing Credit Agreement immediately prior to the Amendment Effective Date. The Consent Fee shall be deemed fully earned and payable on the Amendment Effective Date and will not be refundable under any circumstances. Such fees shall not be subject to reduction by way of setoff or counter claim. In addition, all such payments shall be made without deduction for any taxes, levies, imposts, duties, deductions, charges or withholdings imposed by any taxing authority or will be grossed up by the Borrower for such amounts, provided, that the recipient of any such payment shall have provided applicable tax forms to establish any available exemptions from withholding. Each Consenting Term Lender may share its fees hereunder with any of its affiliates.

**Section 5. Representations and Warranties.**

In order to induce the Consenting Lenders to consent to this Amendment, Holdings, the Borrower and each other Loan Party hereby represents and warrants to the Administrative Agent and each Consenting Lender that as of the Amendment Effective Date:

(a) Each Loan Party has the corporate or other organizational power and authority to execute and deliver this Amendment, and to perform its obligations under this Amendment, the Amended Credit Agreement and the other Loan Documents to which it is a party, including, in the case of the Borrower, the power and authority to borrow under the Amended Credit Agreement, and Holdings and each other Loan Party has taken all necessary corporate or other action to authorize the execution and delivery of this Amendment, and performance of its obligations under, this Amendment, the Amended Credit Agreement and the other Loan Documents to which it is a party, including, in the case of the Borrower, the authorization of borrowings under the Amended Credit Agreement, except in each case (other than with respect to the Borrower) to the extent such failure to do so would not reasonably be expected to have a Material Adverse Effect;

(b) the execution, delivery and performance of this Amendment by each Loan Party (i) will not violate the organizational or governing documents of (x) the Borrower or (y) except as would not

reasonably be expected to have a Material Adverse Effect, any other Loan Party, (ii) will not violate any Requirement of Law or Contractual Obligation binding on Holdings, the Borrower or any of its Restricted Subsidiaries in any respect that would reasonably be expected to have a Material Adverse Effect, (iii) will not materially violate the terms governing the 2021 Notes or the 2024 Notes, the Existing Credit Agreement or the ABL Documents and (iv) except as would not have a Material Adverse Effect, will not result in, or require, the creation or imposition of any Lien (other than Liens permitted under Section 7.3 of the Amended Credit Agreement) on any of the respective properties or revenues of Holdings, the Borrower or any of its Restricted Subsidiaries pursuant to any such Requirement of Law or Contractual Obligation;

(c) this Amendment has been duly executed and delivered by each Loan Party and this Amendment constitutes a legal, valid and binding obligation of each Loan Party, enforceable against such Loan Party in accordance with its terms, except as enforceability may be limited by applicable domestic or foreign bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law) and the implied covenants of good faith and fair dealing;

(d) no statement or written information (excluding any projections or pro forma financial information) contained in this Amendment, the Amended Credit Agreement, any other Loan Document or otherwise furnished to the Administrative Agent or the Lenders or any of them (in their capacities as such), by or on behalf of any Loan Party for use in connection with the transactions contemplated by this Amendment or the other Loan Documents, when taken as a whole, contained as of the date such statement, information or certificate was so furnished, any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements contained herein or therein, in light of the circumstances under which they were made, not materially misleading; and

(e) after giving effect to this Amendment, (i) no Default or Event of Default exists and is continuing and (ii) all representations and warranties contained in the Amended Credit Agreement and in the other Loan Documents are true and correct in all material respects (or if qualified by materiality, in all respects) on and as of the date hereof, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they were true and correct in all material respects (or if qualified by materiality, in all respects) as of such earlier date.

**Section 6. <u>Conditions Precedent to the Amendment Effective Date</u>.**

This Amendment shall become effective on the date (such date, the "***Amendment Effective Date***") that the following conditions have been satisfied:

(a) The Administrative Agent shall have received executed (i) Consents from Term Lenders and counterparts of this Amendment from Revolving Lenders, collectively constituting at least the Required Lenders, and (ii) counterparts of this Agreement from the Administrative Agent, the Collateral Agent, Holdings, the Borrower and each other Loan Party.

(g) The Administrative Agent shall have received a solvency certificate signed by the chief financial officer on behalf of the Borrower, substantially in the form of Exhibit G to the Existing Credit Agreement, after giving effect to the Amendment or, at the Borrower's option, a solvency opinion from an independent investment bank or valuation firm of national recognized standing.

(h) The Borrowers shall have paid (i) all accrued and unpaid interest payable on the Existing Term Loans pursuant to Section 3(c) hereof, (ii) the fees payable pursuant to Section 4 hereof, and (iii) all fees payable to counsel to the Lenders, in each case, on the Amendment Effective Date.

(i) The Administrative Agent and the Lenders shall have received at least two days prior to the Amendment Effective Date (as determined disregarding the satisfaction of the condition in this clause (i)) all documentation and other information requested by any Lender no less than five days prior to the Amendment Effective Date (as determined disregarding the satisfaction of the condition in this clause (i)) that such Lender reasonably determines is required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the USA Patriot Act.

(j) All conditions precedent expressly set forth in the Brandco Credit Agreement shall have been, or substantially concurrently with the effectiveness of this Amendment shall be, satisfied (or waived in accordance therewith).

The Administrative Agent shall promptly notify the Borrower and the Lenders in writing when the Amendment Effective Date has occurred. For purposes of determining compliance with the

conditions specified in this Section 6, each Consenting Lender that has signed the Consent or this Amendment shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required hereunder to be consented to or approved by or acceptable or satisfactory to a Lender.

**Section 7. Expenses.**

The Borrower shall pay or cause to be paid, to the extent payable under Section 10.5 of the Amended Credit Agreement, all reasonable and documented out-of-pocket expenses of the Administrative Agent incurred in connection with the preparation, execution and delivery of this Amendment and the other instruments and documents to be delivered hereunder, if any (including the reasonable and documented fees, disbursements and other charges of Latham & Watkins LLP, counsel for the Administrative Agent).

**Section 8. Counterparts.**

This Amendment may be executed in any number of counterparts and by different parties hereto on separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all of which when taken together shall constitute a single instrument. Delivery of an executed counterpart of a signature page of this Amendment by facsimile or any other electronic transmission shall be effective as delivery of a manually executed counterpart hereof.

**Section 9. Applicable Law.**

**THIS AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS TO THE EXTENT THAT THE SAME ARE NOT MANDATORILY APPLICABLE BY STATUTE AND THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.**

**Section 10. Headings.**

The headings of this Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

**Section 11. Effect of Amendment.**

(a) On the Amendment Effective Date, the Existing Credit Agreement shall be amended and restated in its entirety in accordance with this Amendment, and the Existing Credit Agreement shall thereafter be of no further force and effect and shall be deemed replaced and superseded in all respects by the Amended Credit Agreement. For the avoidance of doubt, any certificate or other document the form of which is set out in any exhibit attached to the Existing Credit Agreement or any other Loan Document may be revised, as applicable, to refer to the Amended Credit Agreement.

(b) Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of the Lenders, the Agents, the Borrowers or any other Loan Party under the Existing Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions,

obligations, covenants or agreements contained in the Existing Credit Agreement or any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle Holdings or the Borrower to any future consent to, or waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Amended Credit Agreement or any other Loan Document in similar or different circumstances. Upon the Amendment Effective Date, each 2020 Extended Term Loan shall constitute an "Extended Term Loan" and a "Term Loan" (in each case as defined in the Amended Credit Agreement) and each Extending Lender shall constitute a "2020 Extending Term Lender" and a "Lender" (in each case as defined in the Amended Credit Agreement), in each case for all purposes of the Amended Credit Agreement and the other Loan Documents.

(c) Each of the Loan Parties party hereto (the "***Reaffirming Parties***") acknowledges receipt of a copy of this Amendment, and (i) hereby consents to the waivers and amendments to the Existing Credit Agreement contained herein, (ii) hereby confirms and reaffirms its respective guarantees, pledges, grants of security interests and other obligations, as applicable, under and subject to the terms of each of the Loan Documents (collectively, the "***Reaffirmed Documents***") to which it is party, (iii) agrees that, notwithstanding the effectiveness of this Amendment or any of the transactions contemplated hereby, such guarantees, pledges, grants of security interests and other obligations, and the terms of each of the Reaffirmed Documents to which it is a party and the security interests created thereby, are not impaired or adversely affected in any manner whatsoever and shall continue to be in full force and effect and shall continue to secure all the Secured Obligations (as defined in the Existing Credit Agreement), as amended and/or extended pursuant to this Amendment and (iv) this Amendment shall not evidence or result in a novation of such Obligations or the Reaffirmed Documents. In furtherance of the foregoing, each Reaffirming Party does hereby grant to the Administrative Agent a security interest in all Collateral described in any Reaffirmed Document as security for the obligations set out in such Reaffirmed Document, as amended, increased and/or extended pursuant to this Amendment, subject in each case to any applicable limitations set forth in any such Reaffirmed Document.

(d) On and after the Amendment Effective Date, this Amendment shall for all purposes constitute an Extension Amendment, a Section 2.26 Additional Amendment and a Loan Document.

The Auction Offeror will not purchase any Term Loans at a price that is outside of the applicable Discount Range, nor will any Return Bids (including any component bids specified therein) submitted at a price that is outside such applicable Discount Range be considered in any calculation of the Applicable Threshold Price (as defined below).

(c) Acceptance Procedures. Based on the Reply Prices and Reply Amounts received by the Auction Manager, the Auction Manager, in consultation with the Auction Offeror, will calculate the lowest purchase price (the "Applicable Threshold Price") for the Dutch Auction within the Discount Range for the Dutch Auction that will allow the Auction Offeror to complete the Dutch Auction by purchasing the full Auction Amount (or such lesser amount of Term Loans for which the Auction Manager has received Qualifying Bids). If the Applicable Threshold Price is not equal to the lowest Reply Price received pursuant to the Reply Bids, the Auction Offeror shall be entitled, at its election, to either (i) complete the Auction at the Applicable Threshold Price or (ii) withdraw the Auction. In the case of clause (i) above, the Auction Offeror shall purchase (by assignment) Term Loans from each Term Lender whose Return Bid is within the Discount Range and contains a Reply Price that is equal to or less than the Applicable Threshold Price (each, a "Qualifying Bid"). All Term Loans included in Qualifying Bids received at a Reply Price lower than the Applicable Threshold Price will be purchased at a purchase price equal to the applicable Reply Price and shall not be subject to proration. If a Term Lender has submitted a Return Bid containing multiple component bids at different Reply Prices, then all Term Loans of such Term Lender offered in any such component bid that constitutes a Qualifying Bid with a Reply Price lower than the Applicable Threshold Price shall also be purchased at a purchase price equal to the applicable Reply Price and shall not be subject to proration.

(d) Proration Procedures. In the case of clause (c)(i) above, all Term Loans offered in Return Bids (or, if applicable, any component bid thereof) constituting Qualifying Bids equal to the Applicable Threshold Price will be purchased at a purchase

price equal to the Applicable Threshold Price; *provided* that if the aggregate principal amount of all Term Loans for which Qualifying Bids have been submitted in any given Dutch Auction equal to the Applicable Threshold Price would exceed the remaining portion of the Auction Amount (after deducting all Term Loans purchased below the Applicable Threshold Price), the Borrower shall purchase the Term Loans for which the Qualifying Bids submitted were at the Applicable Threshold Price ratably based on the respective principal amounts offered and in an aggregate amount up to the amount necessary to complete the purchase of the Auction Amount. For the avoidance of doubt, no Return Bids (or any component thereof) will be accepted above the Applicable Threshold Price.

(e) Notification Procedures. The Auction Manager will calculate the Applicable Threshold Price no later than the third Business Day after the date that the Return Bids were due. The Auction Manager will insert the amount of Term Loans to be assigned and the applicable settlement date determined by the Auction Manager in consultation with the Auction Offeror onto each applicable Auction Assignment and Acceptance received in connection with a Qualifying Bid. Upon written request of the submitting Term Lender, the Auction Manager will promptly return any Auction Assignment and Acceptance received in connection with a Return Bid that is not a Qualifying Bid.

(f) Additional Procedures.

(i) Once initiated by an Auction Notice, the Auction Offeror may withdraw a Dutch Auction by written notice to the Auction Manager (x) in the circumstances described in clause (c)(i) above or (y) no later than 24 hours before the original Expiration Time so long as no Qualifying Bids have been received by the Auction Manager at or prior to the time the Auction Manager receives such written notice from the Auction Offeror. Any Return Bid (including any component bid thereof) delivered to the Auction Manager may not be modified, revoked, terminated or cancelled; *provided* that a Term Lender may modify a Return Bid at any time prior to the Expiration Time solely to reduce the Reply Price included in such Return Bid. However, a Dutch Auction shall become void if the Auction Offeror fails to satisfy one or more of the conditions to the purchase of Term Loans set forth in, or to otherwise comply with the provisions of Section 10.6 of this Agreement. The purchase price for all Term Loans purchased in a Dutch Auction shall be paid in cash by the Auction Offeror directly to the respective assigning Term Lender on a settlement date as determined by the Auction Manager in consultation with the Auction Offeror (which shall be no later than ten (10) Business Days after the date Return Bids are due), along with accrued and unpaid interest (if any) on the applicable Term Loans up to the settlement date. The Auction Offeror shall execute each applicable Auction Assignment and Acceptance received in connection with a Qualifying Bid.

(ii) All questions as to the form of documents and validity and eligibility of Term Loans that are the subject of a Dutch Auction will be determined by the Auction Manager, in consultation with the Auction Offeror, and the Auction Manager's determination will be conclusive, absent manifest error. The Auction Manager's interpretation of the terms and conditions of the Offer Document, in consultation with the Auction Offeror, will be final and binding.

(iii) None of the Auction Manager, any other Agent or any of their respective Affiliates assumes any responsibility for the accuracy or completeness of the information concerning Holdings, its Subsidiaries or any of their Affiliates contained in the Offer Documents or otherwise or for any failure to disclose events that may have occurred and may affect the significance or accuracy of such information.

(iv) The Auction Manager acting in its capacity as such under a Dutch Auction shall be entitled to the benefits of the provisions of Section 9 and Section 10.5 of this Agreement to the same extent as if each reference therein to the "Loan Documents" were a reference to the Offer Documents, the Auction Notice and Auction Assignment and Acceptance and each reference therein to the "Transactions" were a reference to the transactions contemplated hereby.

(v) The procedures listed in clauses (a) through (f) above shall not require Holdings or any of its Subsidiaries to initiate any Dutch Auction, nor shall any Term Lender be obligated to participate in any Dutch Auction~~.~~;

provided, that any purchase by Holdings or any of its Subsidiaries of Term Loans held by Lenders that are lenders under the BrandCo Credit Agreement made with proceeds of loans made to the Borrower pursuant to the BrandCo Credit Agreement (including the Term Loan Repurchases) shall be deemed to be a Dutch Auction hereunder solely with respect to any amounts in excess of the percentage set forth in the definition of "Open Market Purchase".

1.2 Other Definitional Provisions

.

(a) Unless otherwise specified therein, all terms defined in this Agreement shall have the defined meanings when used in the other Loan Documents or any certificate or other document made or delivered pursuant hereto or thereto.

(b) As used herein and in the other Loan Documents, and any certificate or other document made or delivered pursuant hereto or thereto, (i) accounting terms relating to the Borrower and its Subsidiaries not defined in Section 1.1 and accounting terms partly defined in Section 1.1, to the extent not defined, shall have the respective meanings given to them under GAAP, (ii) the words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation," and (iii) references to agreements or other Contractual Obligations shall, unless otherwise specified, be deemed to refer to such agreements or Contractual Obligations as amended, supplemented, restated or otherwise modified from time to time.

(c) The words "hereof," "herein" and "hereunder" and words of similar import, when used in this Agreement, shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and Section, Schedule and Exhibit references are to this Agreement unless otherwise specified.

(d) The term "license" shall include sub-license. The term "documents" includes any and all documents whether in physical or electronic form.

(e) The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms.

(f) Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made (i) without giving effect to any election under Accounting Standards Codification 825-10-25 (or any other Accounting Standards Codification

or Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of the Borrower or any Subsidiary at "fair value", as defined therein, and (ii) without giving effect to any treatment of Indebtedness in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated principal amount thereof.

(g) In connection with any action being taken in connection with a Limited Condition Acquisition, for purposes of determining compliance with any provision of this Agreement which requires that no Default, Event of Default or specified Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, at the option of the Borrower pursuant to an LCA Election such condition shall be deemed satisfied so long as no Default, Event of Default or specified Event of Default, as applicable, exists on the date the definitive agreements for such Limited Condition Acquisition are entered into after giving pro forma effect to such Limited Condition Acquisition and the actions to be taken in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) as if such Limited Condition Acquisition and other actions had occurred on such date. For the avoidance of doubt, if the Borrower has exercised its option under the first sentence of this clause (g), and any Default or Event of Default occurs following the date the definitive agreements for the applicable Limited Condition Acquisition were entered into and prior to the consummation of such Limited Condition Acquisition, any such Default or Event of Default shall be deemed not to have occurred or be continuing solely for purposes of determining whether any action being taken in connection with such Limited Condition Acquisition is permitted hereunder.

(h) In connection with any action being taken solely in connection with a Limited Condition Acquisition, for purposes of:

(i) determining compliance with any provision of this Agreement which requires the calculation of the Consolidated Net First Lien Leverage Ratio, Consolidated Net Secured Leverage Ratio, Consolidated Net Total Leverage Ratio or Fixed Charge Coverage Ratio; or

(ii) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of Consolidated Total Assets);

in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Acquisition, an "LCA Election"), the date of determination of whether any such action is permitted hereunder shall be deemed to be the date the definitive agreements for such Limited Condition Acquisition are entered into (the "LCA Test Date"), and if, after giving pro forma effect to the Limited Condition Acquisition and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent four consecutive fiscal quarters ending prior to the LCA Test Date for which consolidated financial statements of the Borrower are available, the Borrower could have taken such action on the relevant LCA Test Date in compliance with such ratio or basket, such ratio or

basket shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCA Election and any of the ratios or baskets for which compliance was determined or tested as of the LCA Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated Total Assets of the Borrower or the Person subject to such Limited Condition Acquisition, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio or basket availability with respect to the incurrence of Indebtedness or Liens, or the making of Restricted Payments, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Acquisition and other transactions in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) have been consummated; provided that the calculation of Consolidated Net Income (and any defined term a component of which is Consolidated Net Income) shall not include the Consolidated Net Income of the Person or assets to be acquired in any Limited Condition Acquisition for usages other than in connection with the applicable transaction pertaining to such Limited Condition Acquisition until such time as such Limited Condition Acquisition is actually consummated (clauses (g) and (h), collectively, the "Limited Condition Acquisition Provision").

(i) Any references in this Agreement to "Obligations" or "Lenders" (or any similar terms) in the phrase "pari passu basis with the Liens securing the Obligations" or "pari passu with the Liens of the Lenders" (or any similar phrases) or in the phrase "secured on a junior basis with the Liens securing the Obligations" or "junior to the Liens of the Lenders" (or any similar phrases) shall, in each case, be deemed to refer to the Obligations in effect on the ~~Closing~~Amendment No. 1 Effective Date ~~(i.e. the Initial Term B Loans)~~ or the ~~Initial~~2020 Extending Term ~~B~~Lenders or 2016 Term Lenders, as applicable, and any other Indebtedness or commitments incurred under this Agreement that is intended to be secured on a pari passu basis with the liens securing the ~~Initial~~2020 Extending Term ~~B~~ Loans or the lenders thereunder, as applicable. Any references in this Agreement to "junior or pari passu to the Liens of the lenders under the ABL Facility Agreement" (or any similar phrases) shall, in each case, be deemed to refer to the Liens of such lenders with respect to the ABL Facility First Priority Collateral.

1.3 Pro Forma Calculations

. (i) Any calculation to be determined on a "pro forma" basis, after giving "pro forma" effect to certain transactions or pursuant to words of similar import and (ii) the Consolidated Net First Lien Leverage Ratio, the Consolidated Net Secured Leverage Ratio, the Consolidated Net Total Leverage Ratio, and the Fixed Charge Coverage Ratio, in each case, shall be calculated as follows (subject to the provisions of Section 1.2):

(a) for purposes of making the computation referred to above, in the event that the Borrower or any of its Restricted Subsidiaries incurs, assumes, guarantees, redeems, retires, defeases or extinguishes any Indebtedness or enters into, terminates or cancels a Qualified Contract, other than the completion thereof in accordance with its terms, subsequent to the commencement of the period for which such ratio is being calculated but on or prior to or substantially concurrently with or for the purpose of the event for which the calculation is made (a "Calculation Date"), then such calculation shall be made giving pro forma effect to such incurrence, assumption, guarantee, redemption, retirement, defeasance or extinguishment of Indebtedness or entry into, termination or cancellation of such Qualified Contract (other than the completion thereof in accordance with its terms) as if the same had occurred at the beginning of the applicable Test Period; provided, that the aggregate amount of revenues (and related assets) included in such pro forma calculation for any Test Period pursuant to this clause 1.3(a) with respect to Qualified Contracts shall not exceed $50 million in revenues (and any such related assets); provided, further, that for purposes of making the computation of Consolidated Net First Lien Leverage, Consolidated Net Secured Leverage, Consolidated Net Total Leverage or Fixed Charges for the computation of the Consolidated Net First Lien Leverage Ratio, Consolidated Net Secured Leverage Ratio, Consolidated Net Total Leverage Ratio or Fixed Charge Coverage Ratio, as applicable, Consolidated Net First Lien Leverage, Consolidated Net Secured Leverage, Consolidated Net Total Leverage or Fixed Charges, as applicable, shall be Consolidated Net First Lien Leverage, Consolidated Net Secured Leverage, Consolidated Net Total Leverage or Fixed Charges as of the date the relevant action is being taken giving pro forma effect to any redemption, retirement or extinguishment of Indebtedness in connection with such event; and

(b) for purposes of making the computation referred to above, if any Investments (including the Transactions), brand acquisitions, Dispositions or designations of Unrestricted Subsidiaries or Restricted Subsidiaries are made (or committed to be made pursuant to a definitive agreement) subsequent to the commencement of the period for which such calculation is being made but on or prior to or simultaneously with the relevant Calculation Date, then such calculation shall be made giving pro forma effect to such Investments, brand acquisitions, Dispositions and designations as if the same had occurred at the beginning of the applicable Test Period in a manner consistent, where applicable, with the pro forma adjustments set forth in clause (~~n) of the definition of "Consolidated EBITDA" and clause (~~o) of the definition of "Consolidated Net Income". If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Borrower or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, brand acquisitions or Disposition that would have required adjustment pursuant to this provision, then such calculation shall be made giving pro forma effect thereto for such Test Period as if such Investment, brand acquisitions or Disposition had occurred at the beginning of the applicable Test Period.

1.4 Exchange Rates; Currency Equivalents

. ~~The Administrative Agent shall determine the Spot Rates as of each Revaluation Date to be used for calculating Dollar Equivalent amounts of the face amount of Revolving Loans and/or Letters of Credit denominated in Permitted Foreign Currencies and of L/C Disbursements in~~

~~respect of such Letters of Credit. Such Spot Rates shall become effective as of such Revaluation Date and shall be the Spot Rates employed in converting any amounts between the applicable currencies until the next Revaluation Date to occur. The Administrative Agent shall notify the applicable Issuing Lender and the Borrower on each Revaluation Date of the Spot Rates determined by it and the related Dollar Equivalent of Revolving Loans and L/C Obligations then outstanding. Solely for purposes of Sections 2 and 3 and related definitional provisions to the extent used in such Sections, the applicable amount of any currency (other than Dollars) for purposes of the Loan Documents shall be such Dollar Equivalent amount as so determined by the Administrative Agent and notified to the Borrower and the applicable Issuing Lender in accordance with this Section 1.4.~~ If any basket is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates. For purposes of determining the Consolidated Net First Lien Leverage Ratio, the Consolidated Net Secured Leverage Ratio, the Consolidated Net Total Leverage Ratio and the Fixed Charge Coverage Ratio, amounts denominated in a currency other than Dollars will be converted to Dollars for the purposes of calculating any Consolidated Net Total Leverage Ratio, the Consolidated Net Secured Leverage Ratio, the Consolidated Net First Lien Leverage Ratio and the Fixed Charge Coverage Ratio, at ~~the Spot Rate~~exchange rate as of the date of calculation, and will, in the case of Indebtedness, reflect the currency translation effects, determined in accordance with GAAP, of Hedge Agreements permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar ~~Equivalent~~equivalent of such Indebtedness.

~~1.5 Letter of Credit Amounts~~

~~. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the Dollar Equivalent of the stated amount of such Letter of Credit in effect at such time; provided, however, that with respect to any Letter of Credit that, by its terms or the terms of the Application or any other document, agreement or instrument entered into by the applicable Issuing Lender and the Borrower with respect thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.~~

1.5 [reserved]

.

1.6 Covenants

. For purposes of determining compliance with Section 7 (other than Section 7.6 or Sections 7.2(i), 7.2(p) or 7.2(aa)), in the event that an item or event (or any portion thereof) meets the criteria of one or more of the categories described in a particular covenant contained in Section 7 (other than Section 7.6~~)~~ or Sections 7.2(i), 7.2(p) or 7.2(aa)), the Borrower may, in its sole discretion, classify and reclassify or later divide, classify or reclassify (as if incurred at such later time) such item or event (or any portion thereof) and may include the amount and type of such

item or event (or any portion thereof) in one or more of the relevant clauses or subclauses, in each case, within such covenant and will be entitled to include such item or event (or any portion thereof) only in one of the relevant clauses or subclauses (or any portion thereof). In the case of an item or event (or any portion thereof) that is incurred pursuant to or otherwise included in a clause or subclause (or any portion thereof) of a covenant that does not rely on criteria based on the Consolidated Net First Lien Leverage Ratio, the Consolidated Net Secured Leverage Ratio, the Consolidated Net Total Leverage Ratio or the Fixed Charge Coverage Ratio (any such item or event, a "Fixed Basket Item or Event" and any such clause, subclause or any portion thereof, a "Fixed Basket") substantially concurrently with an item or event (or any portion thereof) that is incurred pursuant to or otherwise included in a clause or subclause (or any portion thereof) of a covenant that relies on criteria based on such financial ratios or tests (any such item or event, a "Ratio Basket Item or Event" and any such clause, subclause or any portion thereof, a "Ratio Basket"), such Ratio Basket Item or Event shall be treated as having been incurred or existing pursuant only to such Ratio Basket without giving pro forma effect to any such Fixed Basket Item or Event (other than a Fixed Basket Item or Event that relies on the term "Permitted Refinancing" or "Permitted Refinancing Obligations") incurred pursuant to or otherwise included in a Fixed Basket substantially concurrently with such Ratio Basket Item or Event when calculating the amount that may be incurred or existing pursuant to any such Ratio Basket. Furthermore, (A) for purposes of Section 7.2, the amount of any Indebtedness denominated in any currency other than Dollars shall be calculated based on the applicable ~~Spot Rate~~exchange rate, in the case of such Indebtedness incurred (in respect of funded term Indebtedness) or committed (in respect of revolving or delayed draw Indebtedness), on the date that such Indebtedness was incurred (in respect of funded term Indebtedness) or committed (in respect of revolving or delayed draw Indebtedness); provided that if such Indebtedness is incurred to refinance other Indebtedness denominated in a currency other than Dollars (or in a different currency from the Indebtedness being refinanced), and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the applicable ~~Spot Rate~~exchange rate on the date of such refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (i) the outstanding or committed principal amount, as applicable, of such Indebtedness being refinanced plus (ii) the aggregate amount of accrued interest, fees, underwriting discounts, premiums and other costs and expenses incurred in connection with such refinancing, (B) for purposes of Sections 7.3, 7.5, 7.6 and 7.7, the amount of any Liens, Dispositions, Restricted Payments and Investments, as applicable, denominated in any currency other than Dollars shall be calculated based on the applicable ~~Spot Rate,~~exchange rate, (C) for purposes of any calculation under Sections 7.2 and 7.3, if the Borrower elects to give pro forma effect in such calculation to the entire committed amount of any proposed Indebtedness, whether or not then drawn, such committed amount may thereafter be borrowed and reborrowed, in whole or in part, from time to time, without further compliance with Section 7.2 or 7.3, but for so long as such Indebtedness is outstanding or in effect, the entire committed amount of such Indebtedness then in effect shall be included in any calculations under Sections 7.2 and 7.3, (D) any cash proceeds of Indebtedness shall be excluded as Unrestricted Cash and not netted for purposes of calculating any financial ratios and tests with respect to any substantially concurrent incurrence of a Ratio Basket Item or Event pursuant to a Ratio Basket and (E) any Fixed Basket Item or Event incurred pursuant to or otherwise included pursuant to a Fixed Basket based on

Consolidated Total Assets shall be calculated based upon the Consolidated Total Assets at the time of such incurrence (it being understood that a Default shall be deemed not to have occurred solely to the extent that the Consolidated Total Assets after the time of such incurrence declines).

1.7 Divisions

. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its equity interests at such time.

(c) Subject to the terms and conditions set forth in Amendment No. 1, each 2020 Extended Term Lender severally agrees to convert, on the Amendment No. 1 Effective Date, the aggregate principal amount of its 2016 Term Loans issued in accordance with clause (a) above, that is outstanding immediately prior to Amendment No. 1 Effective Date, into an equal principal amount of 2020 Extended Term Loans, on terms and subject to the conditions set forth in Amendment No. 1.

(d) The ~~Initial~~ Term ~~B~~ Loans are, or may from time to time be, Eurocurrency Loans or ABR Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Sections 2.2 and 2.13.

The Borrower shall give the Administrative Agent irrevocable written notice (which notice must be received by the Administrative Agent at least one Business Day prior to the anticipated Closing Date or such later date as the Administrative Agent may agree) requesting that the Initial Term B Lenders make the Initial Term B Loans on the Closing Date and specifying the amount to be borrowed and the requested Interest Period, if applicable. Upon~~

~~receipt of such notice the Administrative Agent shall promptly notify each Initial Term B Lender thereof. Not later than 11:00 a.m., New York City time, on the Closing Date, each Initial Term B Lender shall make available to the Administrative Agent at the Funding Office an amount in immediately available funds equal to the Initial Term B Loan to be made by such Lender. The Administrative Agent shall credit the account designated in writing by the Borrower to the Administrative Agent with the aggregate of the amounts made available to the Administrative Agent by the Initial Term B Lenders in immediately available funds.~~

(e) Schedule 2.1 to this Agreement sets forth the principal amount of the Term Loans held by each Lender under each Facility, as applicable, as of the Amendment No. 1 Effective Date.

2.2 ~~2.3~~ Repayment of ~~Initial~~2016 Term ~~B~~Loans and 2020 Extended Term Loans

. (a) The ~~Initial~~2016 Term ~~B Loan~~Loans of each ~~Initial~~2016 Term ~~B~~ Lender shall be payable in equal consecutive quarterly installments on the last Business Day of each March, June, September and December, ~~commencing on December 31, 2016~~ending after the Amendment No. 1 Effective, in an amount equal to ~~$4,500,000 (being one quarter of one percent (0.25%) of the stated~~the product of (x) the amount equal to 0.25% of the aggregate principal amount of ~~the Initial~~ Term ~~B~~ Loans ~~funded on the Closing Date) (which installments~~outstanding on the Amendment No. 1 Effective Date, multiplied by (y) the 2016 Term Loan Percentage and (b) the 2020 Extended Term Loans of each 2020 Extended Term Lender shall be payable in equal consecutive quarterly installments on the last Business Day of each March, June, September and December, ending after the Amendment No. 1 Effective Date, in an amount equal to the product of (x) the amount equal to 0.25% of the aggregate principal amount of Term Loans outstanding on the Amendment No. 1 Effective Date, multiplied by (y) the 2020 Extended Term Loan Percentage; provided, that the installments set forth in the foregoing clauses (x) and (y) shall, to the extent applicable, (i) be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.18(b), ~~or be increased as a result of any increase in the amount of Initial Term B Loans pursuant to Supplemental Term Loan Commitments (such increased amortization payments to be calculated in the same manner (and on the same basis) as set forth above for the Initial Term B Loans made as of the Closing Date) or~~(ii) be reduced proportionately, to the extent applicable, if an Extension Request with respect to the ~~Initial~~ Term ~~B~~ Loans is consummated as provided in the applicable Extension Amendment~~)~~ and (iii) be reduced proportionately for each Term Loan Repurchase so that the Weighted Average Life to Maturity of each Tranche of Term loans, after giving effect to any such Term Loan Repurchase and the cancellation of Term Loans in connection therewith, is equal to the Weighted Average Life to Maturity of such Tranche of Term Loans, immediately prior to such Term Loan Repurchase and the cancellation of Term Loans in connection therewith, with the remaining balance thereof payable on the Term Maturity Date, applicable to such Tranche of Term Loans.

2.3 Term Loan Repurchases

.

(a) Each BrandCo Lender shall have the right to require the Borrower to purchase its Term Loans pursuant to the terms of this Section 2.3 and Section 10.6(h) of this Agreement in an aggregate amount not to exceed such BrandCo Lender's Excess Roll-up Amount (each such event, a "Term Loan Repurchase"); provided, that (i) the requirements of Section 10.6(h)(ii) and (iii) shall not apply to any Term Loan Repurchase and are hereby waived, (ii) each Term Loan Repurchase shall be an aggregate principal amount of $5,000,000 or an integral multiple of $1,000,000 in excess thereof (or the remaining amount of any BrandCo Lender's Excess Roll-up Amount) and (iii) no BrandCo Lender may complete more than five (5) Term Loan Repurchases during the term of this Agreement (provided that (1) any Term Loan Repurchases of Term Loans that any BrandCo Lender agreed to purchase prior to the Amendment No. 1 Effective Date (whether or not the purchase of such Term Loan settled on or prior to the Amendment No. 1 Effective Date) or (2) any Term Loan Repurchases made after the Amendment No. 1 Effective Date by certain BrandCo Lenders identified to the Administrative Agent on or prior to the Amendment No. 1 Effective Date who are party to certain fronting arrangements with the administrative agent under the BrandCo Credit Agreement (each a "Specified Term Loan Repurchase") shall, in either case, not be included for purposes of determining whether any BrandCo Lender has exceeded its limit on Term Loan Repurchases under this Section 2.3(a)(ii). All Term Loan Repurchases shall be made at par.

(b) Each BrandCo Lender wishing to participate in a Term Loan Repurchase shall provide the Administrative Agent and the Borrower with a written notice in the form of Exhibit H (or such other form as may be agreed between the Administrative Agent and the Borrower) (a "Repurchase Notice") prior to the third anniversary of the Amendment No. 1 Effective Date. Each Repurchase Notice shall specify (i) the BrandCo Lender's legal name and Markit entity identifier number ("MEI Number"), (ii) the legal name of such BrandCo Lender or such BrandCo Lender's Affiliate (if any) providing Additional Term B-2 Commitments under the BrandCo Credit Agreement in connection with such Term Loan Repurchase, (iii) the BrandCo Lender's Excess Roll-up Amount at such time, (iv) the principal amount and Tranche of Term Loans that such BrandCo Lender is requiring to be repurchased by the Borrower (the "Repurchase Amount"); provided that no BrandCo Lender shall submit one or more Repurchase Notices for an aggregate Repurchase Amount in excess of such Lender's Excess Roll-up Amount and (v) such BrandCo Lender's IRS Form W-9. Upon receipt of a Repurchase Notice, the Borrower shall execute an Assignment and Assumption with respect to the Repurchase Amount subject to such Repurchase Notice, which shall also be executed by the applicable BrandCo Lender; provided that no consent, acknowledgment or acceptance by the Administrative Agent shall be required. If the Borrower has received a Repurchase Notice, the Borrower shall select a date on which such Term Loan Repurchase shall become effective (such date, a "Repurchase Date"); provided, that such date shall not occur more than once per month during the first six months after the Amendment No. 1 Effective Date (not including the Term Loan Repurchases made on the first Repurchase Date after the Amendment No. 1 Effective Date) and thereafter, once per quarter. The Borrower shall provide at least two (2) Business Days advance notice of a proposed Repurchase Date (or such shorter period as the Administrative Agent may agree), and concurrent with delivery of such notice, the Borrower shall provide (i) a master Assignment and Assumption in the form of Exhibit D or such other form as requested by the Borrower and reasonably acceptable to the Administrative Agent in respect of all Term Loan Repurchases to be

effectuated on such Repurchase Date executed solely by the Borrower and each applicable Lender, (ii) an excel file setting forth the names of each Lender, such Lender's MEI Number and the Repurchase Amount and (iii) each Lender's IRS Form W-9. On the Repurchase Date, such Term Loan Repurchase shall become effective automatically without any further action on the part of Holdings or any of its Subsidiaries, any Lender, the Administrative Agent or any other Person. Upon such Term Loan Repurchase becoming effective, automatically and immediately without any further action on the part of Holdings or any of its Subsidiaries, any Lender, the Administrative Agent or any other Person, the repurchased Term Loans and all rights and obligations as a Term Lender related thereto shall, for all purposes under this Agreement, the other Loan Documents and otherwise, be deemed to be irrevocably prepaid, terminated, extinguished, cancelled and of no further force and effect.

(c) The Borrower shall not be required to complete a Term Loan Repurchase from any BrandCo Lender that has not funded its Additional Term B-2 Commitments under the BrandCo Credit Agreement with respect to such Term Loan Repurchase; *provided*, that the Administrative Agent shall have no obligation to ascertain, monitor or inquire whether or not such funding has occurred. For the avoidance of doubt, the Borrower hereby agrees to make such Term Loan Repurchases so long as such BrandCo Lenders have an Excess Roll-up Amount, subject to the requirements of this Section 2.3, and the Administrative Agent shall record such Term Loan Repurchases in the Register.

(d) The Administrative Agent shall be entitled to rely, and shall be fully protected in relying upon, any such Assumption and Assignment and excel file delivered to it. The Administrative Agent and any of its affiliates and its partners that are natural persons, members that are natural persons, officers, directors, employees, trustees, advisors, agents and controlling Persons (each of the foregoing, an "Agent-Related Person"), in their respective capacities as such, shall not be liable to and shall be held harmless by each Consenting Term Lender, each other Lender, the Borrower or each of their respective affiliates, equity holders or debt holders for any losses, costs, damages or liabilities incurred, directly or indirectly, as a result of any Agent-Related Person, or their counsel or other representatives, taking any action in effectuating any Term Loan Repurchase.

Notwithstanding anything to the contrary contained in this Agreement, the Term Loan Repurchases by the Borrower shall be effectuated solely pursuant to and in accordance with this Section 2.3 and not any other provision or Section of this Agreement and shall not be subject to or require any consent, acknowledgment or acceptance from the Administrative Agent or any other party. The Borrower and the Lenders party hereto acknowledge and agree that the Term Loan Repurchases are permitted under this Agreement, notwithstanding anything to the contrary contained in any other provision or Section of this Agreement.

2.4 Revolving Commitments

.

(a) Subject to the terms and conditions hereof, each Revolving Lender severally agrees to make revolving credit loans in Dollars ~~or in any Permitted Foreign Currency~~

("Revolving Loans") to the Borrower from time to time during the Revolving Commitment Period in an aggregate principal amount at any one time outstanding which~~, when added to such Lender's Revolving Percentage of the L/C Obligations then outstanding and such Revolving Lender's Swingline Exposure then outstanding,~~ does not exceed the amount of such Lender's Revolving Commitment. During the Revolving Commitment Period, the Borrower may use the Revolving Commitments by borrowing, prepaying the Revolving Loans in whole or in part, and reborrowing, all in accordance with the terms and conditions hereof. The Revolving Loans may from time to time be Eurocurrency Loans or~~, solely in the case of Revolving Loans denominated in Dollars,~~ ABR Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Sections 2.5 and 2.13.

(b) The Borrower shall repay all outstanding Revolving Loans ~~and Swingline Loans~~ on the Revolving Termination Date with respect to the applicable Tranche of Revolving Loans or commitments.

2.5 Procedure for Revolving Loan Borrowing

. The Borrower may borrow under the Revolving Commitments during the Revolving Commitment Period on any Business Day; provided that the Borrower shall give the Administrative Agent irrevocable written notice (which notice must be received by the Administrative Agent (i) ~~in the case of Eurocurrency Loans denominated in Dollars,~~ prior to 12:00 Noon, New York City time, three Business Days prior to the requested Borrowing Date, or (ii~~) in the case of Eurocurrency Loans denominated in a Permitted Foreign Currency, prior to 12:00 Noon, New York City time, four Business Days prior to the requested Borrowing Date or (iii~~) in the case of ABR Loans, prior to 1:00 p.m., New York City time, on the proposed Borrowing Date), specifying (w) the amount and Type of Revolving Loans to be borrowed ~~(which, in the case of any Revolving Loans denominated in a Permitted Foreign Currency, shall be Eurocurrency Loans)~~, (x) the requested Borrowing Date~~,~~ and (y) ~~the currency in which such Revolving Loans are to be borrowed and (z)~~ in the case of Eurocurrency Loans, the respective amounts of each such Type of Loan and the respective lengths of the initial Interest Period therefor; provided, further, that if the Borrower wishes to request Eurocurrency Loans having an Interest Period other than one, two, three or six months in duration as provided in the definition of "Interest Period," the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to the appropriate Lenders of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m., three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the Lenders. Each borrowing by the Borrower under the Revolving Commitments shall be in an amount equal to (x) in the case of ABR Loans, $1,000,000 or a whole multiple of $100,000 in excess thereof (or, if the then aggregate applicable Available Revolving Commitments are less than $1,000,000, such lesser amount) and (y) in the case of Eurocurrency Loans, the Borrowing Minimum or a whole multiple of the Borrowing Multiple in excess thereof. Upon receipt of any such notice from the Borrower, the Administrative Agent

shall promptly notify each Revolving Lender thereof. Each Revolving Lender will make the amount of its pro rata share of each borrowing available to the Administrative Agent for the account of the Borrower at the Funding Office prior to 11:00 a.m. (or, in the case of ABR Loans being made pursuant to a notice delivered on the proposed Borrowing Date, 3:00 p.m.), New York City time, on the Borrowing Date requested by the Borrower in funds immediately available to the Administrative Agent. Such borrowing will then be made available to the Borrower by the Administrative Agent crediting the account designated in writing by the Borrower to the Administrative Agent with the aggregate of the amounts made available to the Administrative Agent by such Revolving Lenders and in like funds as received by the Administrative Agent. If no election as to the Type of a Revolving Loan is specified, ~~other than with respect to Revolving Loans denominated in a Permitted Foreign Currency,~~ then the requested Loan shall be an ABR Loan. If no Interest Period is specified with respect to any requested Eurocurrency Loan, the Borrower shall be deemed to have selected an Interest Period of one month's duration. ~~If no currency is specified with respect to any requested Revolving Loan, the Borrower shall be deemed to have selected Dollars.~~

2.6 ~~Swingline Loans~~[reserved]

.

~~(a) Subject to the terms and conditions set forth herein, the Swingline Lender, in reliance upon the agreements of the other Revolving Lenders set forth in this Section 2.6, shall make Swingline Loans to the Borrower from time to time in Dollars or a Permitted Foreign Currency during the Revolving Commitment Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding the Swingline Commitment or (ii) the aggregate Revolving Extensions of Credit exceeding the Revolving Commitment then in effect; provided, that the Swingline Lender shall not be required to make a Swingline Loan (i) to refinance an outstanding Swingline Loan or (ii) if it shall determine (which determination shall be conclusive and binding absent manifest error) that it has, or by making such Swingline Loan may have, Fronting Exposure. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, repay and reborrow Swingline Loans. Each Swingline Loan shall be an ABR Loan and denominated in Dollars.~~

~~(b) To request a Swingline Loan, the Borrower shall notify the Administrative Agent and the Swingline Lender of such request by telephone (promptly confirmed by telecopy), not later than 1:00 p.m., New York City time, on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and specify (y) the requested date (which shall be a Business Day) and amount of the requested Swingline Loan, and (z) proper wire instructions for the same. Promptly after receipt by the Swingline Lender of any telephonic Swingline Loan notice, the Swingline Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swingline Loan notice and, if not, the Swingline Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swingline Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Revolving Lender) prior to 2:00 p.m. on~~

the date of the proposed Swingline Loan (A) directing the Swingline Lender not to make such Swingline Loan as a result of the limitations set forth in Section 2.6(a), or (B) that one or more of the applicable conditions specified in Section 5.2 is not then satisfied, then, subject to the terms and conditions hereof, the Swingline Lender shall make each Swingline Loan available to the Borrower at its office by crediting the account of the Borrower on the books of the Swingline Lender in immediately available funds by 3:00 p.m., New York City time, on the requested date of such Swingline Loan. Swingline Loans shall be made in an amount equal to $100,000 or a whole multiple of $100,000 in excess thereof.

(c) The Borrower shall have the right at any time and from time to time to repay, without premium or penalty, any Swingline Loan, in whole or in part, upon giving written or telecopy notice (or telephone notice promptly confirmed by written or telecopy notice) to the Swingline Lender and to the Administrative Agent before 3:00 p.m., New York City time on the date of repayment at the Swingline Lender's address for notices specified in the Swingline Lender's administrative questionnaire. All principal payments of Swingline Loans shall be accompanied by accrued interest on the principal amount being repaid to the date of payment.

(d) The Swingline Lender may and, at any time there shall be Swingline Loan outstanding for more than seven days, the Swingline Lender shall by written notice given to the Administrative Agent not later than 3:00 p.m., New York City time, on any Business Day require the Revolving Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender's Revolving Percentage of such Swingline Loan or Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Revolving Lender's Revolving Percentage of such Swingline Loan or Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever (provided, that such payment shall not cause such Revolving Lender's Revolving Extensions of Credit to exceed such Revolving Lender's Revolving Commitment). Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 3.4 with respect to Loans made by such Lender (and Section 3.4 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other party on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative

Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

(e) If the Revolving Termination Date applicable to a Tranche shall have occurred at a time when other Tranches will remain outstanding, then on such Revolving Termination Date all then outstanding Swingline Loans with respect to such maturing Tranche shall be repaid in full on such date (and there shall be no adjustment to the participations in such Swingline Loans as a result of the occurrence of such Revolving Termination Date); provided, that, if on the occurrence of such Revolving Termination Date (after giving effect to any repayments of Revolving Loans and any reallocation as contemplated in Section 3.4(d)), (i) there shall exist sufficient unutilized Revolving Commitments that will remain outstanding after the date thereof and (ii) the conditions set forth in Sections 5.2(a) and 5.2(b) shall be satisfied at such time so that the respective outstanding Swingline Loans could be incurred pursuant to such Revolving Commitments which will remain in effect after the occurrence of such Revolving Termination Date, then there shall be an automatic adjustment on such date of the participations in such Swingline Loans and the same shall be deemed to have been incurred solely pursuant to such Revolving Commitments and such Swingline Loans shall not be so required to be repaid in full on such Revolving Termination Date.

(f) Notwithstanding anything to the contrary contained in this Agreement, in the event a Revolving Lender becomes a Defaulting Lender, then such Defaulting Lender's Revolving Percentage in all outstanding Swingline Loans will automatically be reallocated among the Revolving Lenders that are Non-Defaulting Lenders pro rata in accordance with each Non-Defaulting Lender's Revolving Percentage (calculated without regard to the Revolving Commitment of the Defaulting Lender), but only to the extent that such reallocation does not cause the Revolving Extensions of Credit of any Non-Defaulting Lender to exceed the Revolving Commitment of such Non-Defaulting Lender. If such reallocation cannot, or can only partially, be effected, the Borrower shall, within five Business Days after written notice from the Administrative Agent or such longer period as the Administrative Agent shall agree, pay to the Administrative Agent an amount of cash equal to such Defaulting Lender's Revolving Percentage (calculated as in effect immediately prior to it becoming a Defaulting Lender) of the outstanding Swingline Loans (after giving effect to any partial reallocation pursuant to the first sentence of this Section 2.6(f)) to be applied to the repayment of such Swingline Loans. So long as there is a Defaulting Lender, the Swingline Lender shall not be required to lend any Swingline Loans if the sum of, without duplication, the Non-Defaulting Lenders' Revolving Percentages of the outstanding Revolving Loans and L/C Obligations and their participations in Swingline Loans after giving effect to any such requested Swingline Loans would exceed the aggregate Revolving Commitments of the Non-Defaulting Lenders (such excess, "Fronting Exposure").

(g) The Borrower may, at any time and from time to time, designate as Swingline Lenders one or more Revolving Lenders that agree to serve in such capacity as provided herein and is reasonably satisfactory to the Administrative Agent. The acceptance by a Revolving

~~Lender of an appointment as a Swingline Lender hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent, the Borrower and such designated Swingline Lender, executed by the Borrower, the Administrative Agent and such designated Swingline Lender, and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of a Swingline Lender under this Agreement and (ii) references herein to the term "Swingline Lender" shall be deemed to include such Revolving Lender in its capacity as a lender of Swingline Loans hereunder.~~

2.7 Defaulting Lenders

.

(a) Defaulting Lender Cure. If the Borrower~~,~~ and the Administrative Agent~~, each Issuing Lender and the Swingline Lender~~ agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any cash collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans ~~and funded and unfunded participations in Letters of Credit and Swingline Loans~~ to be held pro rata by the Lenders in accordance with the Commitments under the applicable Facility ~~(without giving effect to Section 3.4(d))~~, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(b) Defaulting Lender Waterfall. Any payment of principal, interest or other amounts (other than the payment of (i) commitment fees under Section 2.9~~,~~ and (ii) default interest under Section 2.15(c) ~~and (iii) Letter of Credit fees under Section 3.3~~, which in each case shall be applied pursuant to the provisions of those Sections) received by the Administrative Agent for the account of any Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 8 or otherwise) shall be applied by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent pursuant to Section 9.7; *second*, ~~to the payment on a pro rata basis of any amounts owing by such Defaulting Lender (without duplication of the application of any cash collateral provided by the Borrower pursuant to Section 3.4(d)) to any Issuing Lender or Swingline Lender hereunder; *third*, to be held as security for any L/C Shortfall (without duplication of any cash collateral provided by the Borrower pursuant to Section 3.4(d)) in a cash collateral account to be established by, and under the sole dominion and control of, the Administrative Agent; *fourth*,~~ as the Borrower may request (so long as no Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement; ~~*fifth*~~*third*, if so determined by the Administrative Agent and the Borrower, to be held

in a deposit account and released in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; ~~*sixth*~~*fourth*, to the payment of any amounts owing to the Lenders~~, the Issuing Lenders or the Swingline Lender~~ as a result of any final non-appealable judgment of a court of competent jurisdiction obtained by any Lender~~, the Issuing Lenders or the Swingline Lender~~ against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; ~~*seventh*~~*fifth*, so long as no Default exists, to the payment of any amounts owing to the Borrower as a result of any final non-appealable judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and ~~*eighth*~~*sixth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided, that if ~~(x)~~ such payment is a payment of the principal amount of any Loans ~~or L/C Disbursements~~ in respect of which such Defaulting Lender has not fully funded its appropriate share, ~~and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 5.2 were satisfied or waived,~~ such payment shall be applied solely to pay the Loans of~~, and L/C Disbursements owed to,~~ all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of~~, or L/C Disbursements owed to,~~ such Defaulting Lender until such time as all Loans ~~and funded and unfunded participations in L/C Obligations~~ are held by the Lenders pro rata in accordance with the Commitments under the applicable Facility ~~without giving effect to Section 3.4(d).~~. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to be held as security in a cash collateral account pursuant to this Section 2.7(b) shall be deemed paid to and redirected by such Defaulting Lender and shall satisfy the Borrower's payment obligation in respect thereof in full, and each Lender irrevocably consents hereto.

2.8 Repayment of Loans

.

(a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of the appropriate Revolving Lender~~,~~ or Term ~~Lender or Swingline~~ Lender, as the case may be, (i) the then unpaid principal amount of each Revolving Loan of such Revolving Lender made to the Borrower outstanding on the applicable Revolving Termination Date (or on such earlier date on which the Loans become due and payable pursuant to Section 8.1)~~,~~ or (ii) the principal amount of each outstanding Term Loan of such Term Lender made to the Borrower in installments according to the applicable amortization schedule set forth in Section ~~2.3 or, in the case of any New Term Loans, the applicable Joinder Agreement~~2.2 (or on such earlier date on which the Loans become due and payable pursuant to Section 8.1)~~ and (iii) subject to Section 2.6(e), the then unpaid principal amount of each Swingline Loan on the earlier of (A) the applicable Revolving Termination Date (or on such earlier date on which the Loans become due and payable pursuant to Section 8.1) and (B) the first date after such Swingline Loan is made that is the 15th or last day of a calendar month and is at least three Business Days after such Swingline Loan is made; provided, that on each date that a Revolving Loan is borrowed, the Borrower shall repay all Swingline Loans that were outstanding on the date such borrowing was requested~~. The Borrower hereby further agrees to pay interest on the

unpaid principal amount of the ~~Loans and Swingline~~ Loans made to the Borrower from time to time outstanding from the date made until payment in full thereof at the rates per annum, and on the dates, set forth in Section 2.15.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing indebtedness of the Borrower to such Lender resulting from each Loan of such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent, on behalf of the Borrower, shall maintain the Register pursuant to Section 10.6(b)(iv), and a subaccount therein for each Lender, in which shall be recorded (i) the amount of each Loan made hereunder and any Note evidencing such Loan, the Type of such Loan and each Interest Period applicable thereto, (ii) the amount of any principal, interest and fees, as applicable, due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(d) The entries made in the Register and the accounts of each Lender maintained pursuant to Section 2.8(c) shall, to the extent permitted by applicable law, be presumptively correct absent demonstrable error of the existence and amounts of the obligations of the Borrower therein recorded; provided, however, that the failure of the Administrative Agent or any Lender to maintain the Register or any such account, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

~~(e) Without diminishing the control of the Administrative Agent over amounts from time to time paid to the Administrative Agent for the purpose of Cash Collateralization, the Administrative Agent shall from time to time (upon the request of the Company so long as no Default or Event of Default shall have occurred and be continuing) cause the prompt return to the Company of any such amounts which are in excess of the amount required to be deposited to effect such Cash Collateralization.~~

2.9 Commitment Fees, etc.

(a) (a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender a commitment fee, in Dollars, for the period from and including the date on which the Revolving Commitments are established to the last day of the Revolving Commitment Period (or, if earlier, the termination of all Revolving Commitments), computed at the Applicable Commitment Fee Rate on the actual daily amount of the Available Revolving Commitment ~~(provided, that, for purposes of this calculation, the Swingline Exposure shall not constitute a Revolving Extension of Credit~~) of such Revolving Lender during the period for which payment is made, payable ~~quarterly~~ in arrears on each Fee Payment Date; *provided*, that (A) any commitment fee accrued with respect to any of the Revolving Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due

and payable by the Borrower prior to such time and (B) no commitment fee shall accrue on any of the Revolving Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(b) The Borrower agrees to pay to the Administrative Agent the fees in the amounts and on the dates as set forth in any fee agreements with the Administrative Agent.

2.10 Termination or Reduction of Commitments

.

(a) The Borrower shall have the right, upon not less than two Business Days' notice to the Administrative Agent, to terminate the Revolving Commitments of any Tranche or, from time to time, to reduce the amount of the Revolving Commitments of any Tranche; *provided* that no such termination or reduction of Revolving Commitments of any Tranche shall be permitted if, after giving effect thereto and to any prepayments of the Revolving Loans made on the effective date thereof, the total Revolving Extensions of Credit of such Tranche would exceed the total Revolving Commitments of such Tranche then in effect ~~(it being understood that any portion of the L/C Exposure that is Cash Collateralized shall be deemed not to be included in any Revolving Extensions of Credit for purposes of determining the amount of any such excess)~~. Any such partial reduction shall be in an amount equal to $1,000,000, or a whole multiple of $500,000 in excess thereof, and shall reduce permanently the Revolving Commitments of the applicable Tranche then in effect. Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of termination or reduction under this Section 2.10 if the notice of such termination or reduction stated that such notice was conditioned upon the occurrence or non-occurrence of a transaction or the receipt of a replacement of all, or a portion, of the Revolving Commitments outstanding at such time, in which case such notice may be revoked by the Borrower (by written notice to the Administrative Agent on or prior to the specified date) if such condition is not satisfied.

(b) Upon the incurrence by the Borrower or any of its Restricted Subsidiaries of any Permitted Refinancing Obligations in respect of Revolving Commitments or Revolving Loans, the Revolving Commitments designated by the Borrower to be terminated in connection therewith shall be automatically permanently reduced by an amount equal to 100% of the aggregate principal amount of commitments under such Permitted Refinancing Obligations and any outstanding Revolving Loans in respect of such terminated Revolving Commitments shall be repaid in full.

2.11 Optional Prepayments

.

(a) The Borrower may at any time and from time to time prepay any Tranche of Revolving Loans, ~~the Swingline Loans~~ or any Tranche of Term Loans, in whole or in part, without premium or penalty except as specifically provided in Section 2.11(b), upon irrevocable written notice delivered to the Administrative Agent no later than 12:00 Noon, New York City

time, (i) three Business Days prior thereto, in the case of Eurocurrency Loans that are Revolving Loans~~, Swingline Loans~~ or Term Loans, (ii) one Business Day prior thereto, in the case of ABR Loans that are Term Loans and (iii) on the date of prepayment, in the case of ABR Loans that are Revolving Loans~~ or Swingline Loans~~, which notice shall specify (x) the date and amount of prepayment, (y) whether the prepayment is of a Tranche of Revolving Loans ~~or Swingline Loans~~ or a Tranche of Term Loans and (z) whether the prepayment is of Eurocurrency Loans or ABR Loans; provided, that if a Eurocurrency Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to Section 2.21. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein (provided, that any such notice may state that such notice is conditioned upon the occurrence or non-occurrence of any transaction or the receipt of proceeds to be used for such payment, in each case specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied), together with (except in the case of Revolving Loans that are ABR Loans) accrued interest to such date on the amount prepaid. Partial prepayments of Term Loans~~,~~ or Revolving Loans ~~or Swingline Loans~~ shall be in an aggregate principal amount of (i) $1,000,000 or a whole multiple of $100,000 in excess thereof (in the case of prepayments of ABR Loans) or (ii) the Borrowing Minimum or a whole multiple of the Borrowing Multiple in excess thereof (in the case of prepayments of Eurocurrency Loans), and in each case shall be subject to the provisions of Section 2.18.

(b) ~~Any prepayment made pursuant to this Section 2.11 or Section 2.12(a) of the Initial Term B Loan as a result of a Repricing Transaction shall be accompanied by a prepayment fee, which shall initially be 1% of the aggregate principal amount prepaid and shall decline to 0% on and after the six-month anniversary of the Closing Date.~~[Reserved].

(c) In connection with any optional prepayments by the Borrower of the Term Loans pursuant to this Section 2.11, such prepayments shall be applied on a pro rata basis to the then outstanding Term Loans being prepaid irrespective of whether such outstanding Term Loans are ABR Loans or Eurocurrency Loans.

2.12 Mandatory Prepayments

.

(a) Unless the Required Prepayment Lenders shall otherwise agree, if any Indebtedness (excluding any Indebtedness permitted to be incurred in accordance with Section 7.2) shall be incurred by the Borrower or any Restricted Subsidiary, an amount equal to 100% of the Net Cash Proceeds thereof shall be applied not later than one Business Day after the date of receipt of such Net Cash Proceeds toward the prepayment of the Term Loans as set forth in Section 2.12(d).

(b) Unless the Required Prepayment Lenders shall otherwise agree, if on any date the Borrower or any Restricted Subsidiary shall for its own account receive Net Cash

Proceeds from any Asset Sale or Recovery Event (except to the extent such Asset Sale or Recovery Event, as applicable, relates to any ABL Facility First Priority Collateral so long as such ABL Facility First Priority Collateral secures the ABL Facility), then, unless a Reinvestment Notice shall be delivered to the Administrative Agent in respect thereof, such Net Cash Proceeds shall be applied not later than 10 Business Days after such date toward the prepayment of the Term Loans as set forth in Section 2.12(d); provided, that, notwithstanding the foregoing, (i) if a Reinvestment Notice has been delivered to the Administrative Agent, the Term Loans shall be prepaid as set forth in Section 2.12(d) by an amount equal to the Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event on the applicable Reinvestment Prepayment Date and (ii) on the date (the "Trigger Date") that is six months after any such Reinvestment Prepayment Date, the Term Loans shall be prepaid as set forth in Section 2.12(d) by an amount equal to the portion of any Committed Reinvestment Amount with respect to the relevant Reinvestment Event not actually expended by such Trigger Date.

(c) Unless the Required Prepayment Lenders shall otherwise agree, if, for any Excess Cash Flow Period, there shall be Excess Cash Flow, the Borrower shall, on the relevant Excess Cash Flow Application Date, apply an amount equal to (A) the Excess Cash Flow Application Amount, minus (B) the aggregate amount of all prepayments of Revolving Loans and ABL Loans during such Excess Cash Flow Period to the extent accompanied by permanent optional reductions of the applicable commitments, and all optional prepayments of Term Loans during such Excess Cash Flow Period (excluding any such optional prepayments during such Excess Cash Flow Period which the Borrower elected to apply to the calculation pursuant to this paragraph (c) in a prior Excess Cash Flow Period) and, at the option of the Borrower, optional prepayments of Term Loans after such Excess Cash Flow Period but prior to the time of the Excess Cash Flow Application Date, in each case other than to the extent any such prepayment is funded with the proceeds of long-term Indebtedness, toward the prepayment of Term Loans as set forth in Section 2.12(d), in each case of this clause (B), to the extent not deducted in accordance with clause (b)(iii) of the definition of "Excess Cash Flow". Each such prepayment shall be made on a date (an "Excess Cash Flow Application Date") no later than ten days after the date on which the financial statements referred to in Section 6.1(a), for the fiscal year with respect to which such prepayment is made, are required to be delivered to the Lenders.

(d) Amounts to be applied in connection with prepayments of Term Loans pursuant to this Section 2.12 shall be applied to the prepayment of the Term Loans in accordance with Section 2.18(b) until paid in full. In connection with any mandatory prepayments by the Borrower of the Term Loans pursuant to this Section 2.12, such prepayments shall be applied on a pro rata basis to the then outstanding Term Loans being prepaid irrespective of whether such outstanding Term Loans are ABR Loans or Eurocurrency Loans and (to the extent the Borrower elects, or is required by the terms thereof) may be applied, along with such prepayments of Term Loans, to purchase, redeem or repay any other Indebtedness secured by the Collateral on a pari passu basis with the Liens securing the Obligations pursuant to one or more Other Intercreditor Agreements, pursuant to the agreements governing such other Indebtedness, on not more than a pro rata basis with respect to such prepayments of Term Loans; provided, that with respect to such mandatory prepayment, the amount of such mandatory prepayment shall be applied first to Term Loans that are ABR Loans to the full extent thereof before application to Term Loans that

are Eurocurrency Loans in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 2.21. Each prepayment of the Term Loans under this Section 2.12 shall be accompanied by accrued interest to the date of such prepayment on the amount prepaid.

(e) Notwithstanding anything to the contrary in Section 2.12 or 2.18, with respect to the amount of any mandatory prepayment pursuant to Section 2.12(b) or (c) (such amount, the "Term Prepayment Amount"), the Borrower may, in its sole discretion, in lieu of applying such amount to the prepayment of Term Loans as provided in paragraph (d) above, on the date specified in this Section 2.12 for such prepayment, give the Administrative Agent telephonic notice (promptly confirmed in writing) requesting that the Administrative Agent prepare and provide to each Term Lender (which, for avoidance of doubt, includes each ~~New Term Lender and~~ Extended Lender holding Term Loans) a notice (each, a "Prepayment Option Notice") as described below. As promptly as practicable after receiving such notice from the Borrower, the Administrative Agent will send to each Term Lender a Prepayment Option Notice, which shall be in the form of Exhibit I (or such other form approved by the Administrative Agent and the Borrower), and shall include an offer by the Borrower to prepay, on the date (each a "Mandatory Prepayment Date") that is ten Business Days after the date of the Prepayment Option Notice, the Term Loans of such Lender by an amount equal to the portion of the Term Prepayment Amount indicated in such Lender's Prepayment Option Notice as being applicable to such Lender's Term Loans. Each Term Lender may reject all or a portion of its Term Prepayment Amount by providing written notice to the Administrative Agent and the Borrower no later than 5:00 p.m. (New York City time) five Business Days after such Term Lender's receipt of the Prepayment Option Notice (which notice shall specify the principal amount of the Term Prepayment Amount to be rejected by such Lender) (such rejected amounts collectively, the "Declined Amount"); provided, that any Term Lender's failure to so reject such Term Prepayment Amount shall be deemed an acceptance by such Term Lender of such Prepayment Option Notice and the amount to be prepaid in respect of Term Loans held by such Term Lender. On the Mandatory Prepayment Date, the Borrower shall pay to the relevant Term Lenders the aggregate amount necessary to prepay that portion of the outstanding Term Loans in respect of which such Lenders have (or are deemed to have) accepted prepayment as described above. Any such Declined Amounts may be used by the Borrower for any purpose not prohibited by this Agreement.

(f) If, on any date, the aggregate Revolving Extensions of Credit would exceed the aggregate Revolving Commitments ~~(other than as a result of any revaluation of the Dollar Equivalent of any Revolving Loans or the L/C Obligations on any Revaluation Date in accordance with Section 1.4, in which case, if the aggregate Revolving Extensions of Credit would exceed 105% of the aggregate Revolving Commitments),~~, the Borrower shall promptly repay or prepay Revolving Loans and, after the Revolving Loans shall have been repaid or prepaid in full, replace, cause to be canceled ~~or Cash Collateralize Letters of Credit in an amount sufficient to eliminate such excess (it being understood that any portion of the L/C Exposure that is Cash Collateralized shall be deemed not to be included in any Revolving Extensions of Credit for purposes of determining the amount of any such excess). If the Borrower shall provide collateral under this paragraph (f) as a result of the Revolving Commitments being exceeded,~~

~~such amount shall (so long as no other requirement for Cash Collateralization shall then exist) be returned to the Borrower within three Business Days after the Revolving Commitments are no longer so exceeded.~~.

(g) Notwithstanding any other provisions of this Section 2.12, (A) to the extent that any or all of the Net Cash Proceeds of any Asset Sale by a Foreign Subsidiary (a "Foreign Asset Sale") or the Net Cash Proceeds of any Recovery Event with respect to a Foreign Subsidiary (a "Foreign Recovery Event"), in each case giving rise to a prepayment event pursuant to Section 2.12(b), or Excess Cash Flow derived from a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.12(c), are or is prohibited, restricted or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.12 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit or restricts repatriation to the United States (the Borrower hereby agreeing to use commercially reasonable efforts to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than five Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof including, without duplication, any repatriation costs associated with repatriation of such proceeds from the applicable recipient to the Borrower) to the repayment of the Term Loans in accordance with this Section 2.12 and (B) to the extent that the Borrower has determined in good faith that repatriation of any or all of the Net Cash Proceeds of any Foreign Asset Sale or any Foreign Recovery Event or any Excess Cash Flow derived from a Foreign Subsidiary could reasonably be expected to result in a material adverse tax consequence (taking into account any foreign tax credit or benefit, in the Borrower's reasonable judgment, expected to be realized in connection with such repatriation) with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary, provided, that, in the case of this clause (B), on or before the date on which any Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to this Section 2.12 (or fifteen months after the date such Excess Cash Flow would have been so required to be applied if it were Net Cash Proceeds), (x) the Borrower shall apply an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow shall be applied to the repayment of Indebtedness of a Foreign Subsidiary, in each case, other than as mutually agreed by the Borrower and the Administrative Agent.

2.13 Conversion and Continuation Options

.

(a) ~~The~~Each 2020 Extended Term Loan shall initially be deemed to be a Eurocurrency Loan with an initial Interest Period equal to the remaining duration (as of the Amendment No. 1 Effective Date) of the Interest Period applicable to the Existing Term Loans (as defined in Amendment No. 1) from which such 2020 Extended Term Loans were converted. Each 2016 Term Loan shall initially be deemed to be a Eurocurrency Loan with the Interest Period in effect under the Original Credit Agreement immediately prior to the Amendment No. 1 Effective Date. Thereafter, the Borrower may elect from time to time to convert Eurocurrency Loans ~~(other than Eurocurrency Loans denominated in a Permitted Foreign Currency)~~ made to the Borrower to ABR Loans by giving the Administrative Agent prior irrevocable written notice of such election no later than 12:00 Noon, New York City time, on the Business Day preceding the proposed conversion date; provided, that if any such Eurocurrency Loan is so converted on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to Section 2.21. The Borrower may elect from time to time to convert ABR Loans made to the Borrower to Eurocurrency Loans by giving the Administrative Agent prior irrevocable written notice of such election no later than 12:00 Noon, New York City time, on the third Business Day preceding the proposed conversion date (which notice shall specify the length of the initial Interest Period therefor); provided, that no such ABR Loan under a particular Facility may be converted into a Eurocurrency Loan when any Event of Default has occurred and is continuing and the Administrative Agent or the Majority Facility Lenders in respect of such Facility have determined in its or their sole discretion not to permit such conversions. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof. ~~This Section 2.13 shall not apply to Swingline Loans, which may not be converted or continued.~~

(b) Any Eurocurrency Loan may be continued as such by the Borrower giving irrevocable written notice to the Administrative Agent, in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1 and no later than 12:00 Noon, New York City time, on the third Business Day preceding the proposed continuation date, of the length of the next Interest Period to be applicable to such Loans; provided, that if any such Eurocurrency Loan is so continued on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to Section 2.21; provided, further, that no such Eurocurrency Loan under a particular Facility may be continued as such when any Event of Default has occurred and is continuing and the Administrative Agent has or the Majority Facility Lenders in respect of such Facility have determined in its or their sole discretion not to permit such continuations; provided, further, that (i) if the Borrower shall fail to give any required notice as described above in this paragraph such Eurocurrency Loans shall be automatically continued as Eurocurrency Loans having an Interest Period of one month's duration on the last day of such then-expiring Interest Period and (ii) if such continuation is not permitted pursuant to the preceding proviso, such Eurocurrency Loans shall be automatically converted to ABR Loans on the last day of such then expiring Interest Period; provided, further, that if the Borrower wishes to request Eurocurrency Loans having an Interest Period other than

one, two, three or six months in duration as provided in the definition of "Interest Period," the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to the appropriate Lenders of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m., three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the Lenders. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

2.14 Minimum Amounts and Maximum Number of Eurocurrency Tranches

. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions, continuations and optional prepayments of Eurocurrency Loans and all selections of Interest Periods shall be in such amounts and be made pursuant to such elections so that (a) after giving effect thereto, the aggregate principal amount of the Eurocurrency Loans comprising each Eurocurrency Tranche shall be equal to the Borrowing Minimum or a whole multiple of the Borrowing Multiple in excess thereof and (b) no more than twelve Eurocurrency Tranches shall be outstanding at any one time.

2.15 Interest Rates and Payment Dates

.

(a) (i) Each Eurocurrency Loan~~, other than a Eurocurrency Loan~~ that is ~~an Initial~~a Term ~~B~~ Loan~~,~~ in effect as of the Amendment No.1 Effective Date shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to (A) the greater of (x) the Eurocurrency Rate determined for such day and (y) 0.75% plus (B) the Applicable Margin and (ii) each Eurocurrency Loan that is ~~an Initial Term B~~a Revolving Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to (A) the greater of (x) the Eurocurrency Rate determined for such day and (y) ~~0.75~~1.50% plus (B) the Applicable Margin.

(b) Each ABR Loan shall bear interest at a rate per annum equal to the ABR plus the Applicable Margin.

(c) (i) If all or a portion of the principal amount of any Loan ~~or Reimbursement Obligation~~ shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to ~~(x) in the case of the Loans,~~ the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section 2.15 plus 2.00% ~~or (y) in the case of Reimbursement Obligations, the rate applicable to ABR Loans under the Revolving Facility plus 2.00%,~~ and (ii) if all or a portion of any interest payable on any Loan ~~or Reimbursement Obligation~~ or any commitment fee or other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate

per annum equal to the rate then applicable to ABR Loans under the relevant Facility plus 2.00% (or, in the case of any such other amounts that do not relate to a particular Facility, the rate then applicable to ABR Loans under the ~~Initial~~2020 Extended Term ~~B~~ Facility plus 2.00%), in each case, with respect to clauses (i) and (ii) above, from the date of such nonpayment until such amount is paid in full (after as well as before judgment); provided, that no amount shall be payable pursuant to this Section 2.15(c) to a Defaulting Lender so long as such Lender shall be a Defaulting Lender; provided, further, that no amounts shall accrue pursuant to this Section 2.15(c) on any overdue Loan, ~~Reimbursement Obligation,~~ commitment fee or other amount payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(d) Interest shall be payable by the Borrower in arrears on each Interest Payment Date; provided, that interest accruing pursuant to paragraph (c) of this Section 2.15 shall be payable from time to time on demand.

2.16 Computation of Interest and Fees

.

(a) Interest and fees payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed, except that interest on ABR Loans (except for ABR computations in respect of clauses (b) and (c) of the definition thereof) shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of each determination of a Eurocurrency Rate. Any change in the interest rate on a Loan resulting from a change in the ABR or the Eurocurrency Reserve Requirements shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be presumptively correct in the absence of demonstrable error. The Administrative Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the quotations used by the Administrative Agent in determining any interest rate pursuant to Section 2.15(a) and Section 2.15(b).

2.17 Inability to Determine Interest Rate

. If prior to the first day of any Interest Period for any Eurocurrency Loan:

(a) the Administrative Agent shall have determined (which determination shall be presumptively correct absent demonstrable error) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Eurocurrency Rate for such Interest Period; or

(b) the Administrative Agent shall have received notice from the Majority Facility Lenders in respect of the relevant Facility that by reason of any changes arising after the

Closing Date, the Eurocurrency Rate determined or to be determined for such Interest Period will not adequately and fairly reflect the cost to such Lenders (as certified by such Lenders) of making or maintaining their affected Loans during such Interest Period,

the Administrative Agent shall give telecopy notice thereof to the Borrower and the relevant Lenders as soon as practicable thereafter. If such notice is given (x) any Eurocurrency Loans under the relevant Facility requested to be made on the first day of such Interest Period shall be made as ABR Loans, (y) any Loans under the relevant Facility that were to have been converted on the first day of such Interest Period to Eurocurrency Loans shall be continued as ABR Loans and (z) any outstanding Eurocurrency Loans under the relevant Facility shall be converted, on the last day of the then-current Interest Period with respect thereto, to ABR Loans. Until such notice has been withdrawn by the Administrative Agent (which action the Administrative Agent will take promptly after the conditions giving rise to such notice no longer exist), no further Eurocurrency Loans under the relevant Facility shall be made or continued as such, nor shall the Borrower have the right to convert Loans under the relevant Facility to Eurocurrency Loans.

2.18 Pro Rata Treatment and Payments

.

(a) Except as expressly otherwise provided herein (including as expressly provided in Sections 2.7, 2.9, 2.10(b), 2.12, 2.15(c), 2.19, 2.20, 2.21, 2.22, 2.24, 2.26, 10.5, 10.6 and 10.7), each borrowing by the Borrower from the Revolving Lenders hereunder, each payment by the Borrower on account of any commitment fee and any reduction of the Revolving Commitments shall be made pro rata according to the Revolving Percentages of the relevant Revolving Lenders other than reductions of Revolving Commitments pursuant to Section 2.24 and payments in respect of any differences in the Applicable Commitment Fee Rate between Tranches. Except as expressly otherwise provided herein (including as expressly provided in Sections 2.7, 2.12, 2.15(c), 2.19, 2.20, 2.21, 2.22, 2.24, 2.26, 10.5, 10.6 and 10.7), each payment (other than prepayments) in respect of principal or interest in respect of any Tranche of Term Loans and each payment in respect of fees payable hereunder with respect to the Term Loans of such Tranche shall be applied to the amounts of such obligations owing to the Term Lenders of such Tranche, pro rata according to the respective amounts then due and owing to such Term Lenders.

(b) Each mandatory prepayment of the Term Loans shall be allocated among the Tranches of Term Loans then outstanding pro rata, in each case except as affected by the opt-out provision under Section 2.12(e); provided, that at the request of the Borrower, in lieu of such application to the Term Loans on a pro rata basis among all Tranches of Term Loans, such prepayment may be applied to any Tranche of Term Loans so long as the maturity date of such Tranche of Term Loans precedes the maturity date of each other Tranche of Term Loans then outstanding or, in the event more than one Tranche of Term Loans shall have an identical maturity date that precedes the maturity date of each other Tranche of Term Loans then outstanding, to such Tranches on a pro rata basis; provided, further, that in connection with a mandatory prepayment under Section 2.12(a) in connection with the incurrence of Permitted

Refinancing Obligations, such prepayment shall be allocated to the Tranches as specified by the Borrower (but to the Loans within such Tranches on a pro rata basis). Each optional prepayment of the Term Loans shall be applied to the remaining installments thereof as specified by the Borrower (and absent such specification, in direct order of maturity). Each mandatory prepayment of the Term Loans shall be applied to the remaining installments thereof in direct order of maturity. Amounts repaid or prepaid on account of the Term Loans may not be reborrowed.

(c) Except as expressly otherwise provided herein (including as expressly provided in Sections 2.7, 2.10(b), 2.12, 2.15(c), 2.19, 2.20, 2.21, 2.22, 2.24, 2.26, 10.5, 10.6 and 10.7), each payment (including prepayments) to be made by the Borrower on account of principal of and interest on the Revolving Loans shall be made pro rata according to the respective outstanding principal amounts of the Revolving Loans then held by the Revolving Lenders other than payments in respect of any differences in the Applicable Margin applicable to different Tranches. ~~Each payment in respect of Reimbursement Obligations in respect of any Letter of Credit shall be made to the Issuing Lender that issued such Letter of Credit. Each payment of principal in respect of Swingline Loans shall be made in accordance with Section 2.6.~~

(d) All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without setoff, deduction or counterclaim and shall be made prior to 3:00 p.m., New York City time, on the due date thereof to the Administrative Agent, for the account of the relevant Lenders, at the Funding Office, in immediately available funds. Any payment received by the Administrative Agent after 3:00 p.m., New York City time may be considered received on the next Business Day in the Administrative Agent's sole discretion. The Administrative Agent shall distribute such payments to the relevant Lenders promptly upon receipt in like funds as received. If any payment hereunder (other than payments on the Eurocurrency Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a Eurocurrency Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension.

(e) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent on demand, such amount with interest thereon, at a rate equal to the greater of (i) the Federal Funds Effective Rate and (ii) a rate reasonably determined by the Administrative Agent in

accordance with banking industry rules on interbank compensation, for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be presumptively correct in the absence of demonstrable error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days after such Borrowing Date, the Administrative Agent shall give notice of such fact to the Borrower and the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to ABR Loans under the relevant Facility, on demand, from the Borrower. Nothing herein shall be deemed to limit the rights of the Administrative Agent or the Borrower against any Defaulting Lender.

(f) Unless the Administrative Agent shall have been notified in writing by the Borrower prior to the date of any payment due to be made by the Borrower hereunder that the Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that the Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the relevant Lenders their respective pro rata shares of a corresponding amount. If such payment is not made to the Administrative Agent by the Borrower within three Business Days after such due date, the Administrative Agent shall be entitled to recover, on demand, from each relevant Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to the daily average Federal Funds Effective Rate. Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against the Borrower.

2.19 Requirements of Law

.

(a) Except with respect to Indemnified Taxes, Excluded Taxes and Other Taxes, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority first made, in each case, subsequent to the Closing Date:

(i) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by any office of such Lender that is not otherwise included in the determination of the Eurocurrency Rate hereunder;

(ii) shall subject any Recipient to any Taxes on its loans, loan principal, letters of credit, commitments, or other obligations or its deposits, reserves, other liability or capital attributable thereto; or

(iii) shall impose on such Lender any other condition not otherwise contemplated hereunder;

and the result of any of the foregoing is to increase the cost to such Lender or other Recipient, by an amount which such Lender or other Recipient reasonably deems to be material, of making, converting into, continuing or maintaining Eurocurrency Loans ~~or issuing or participating in Letters of Credit~~ (in each case hereunder), or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower shall promptly pay such Lender, in Dollars, within thirty Business Days after the Borrower's receipt of a reasonably detailed invoice therefor (showing with reasonable detail the calculations thereof), any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable. If any Lender becomes entitled to claim any additional amounts pursuant to this Section 2.19, it shall promptly notify the Borrower (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled.

(b) If any Lender shall have reasonably determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or liquidity requirements or in the interpretation or application thereof or compliance by such Lender or any entity controlling such Lender with any request or directive regarding capital adequacy or liquidity requirements (whether or not having the force of law) from any Governmental Authority first made, in each case, subsequent to the Closing Date shall have the effect of reducing the rate of return on such Lender's or such entity's capital as a consequence of its obligations hereunder ~~or under or in respect of any Letter of Credit~~ to a level below that which such Lender or such entity could have achieved but for such adoption, change or compliance (taking into consideration such Lender's or such entity's policies with respect to capital adequacy or liquidity requirements) by an amount deemed by such Lender to be material, then from time to time, after submission by such Lender to the Borrower (with a copy to the Administrative Agent) of a reasonably detailed written request therefor (consistent with the detail provided by such Lender to similarly situated borrowers), the Borrower shall pay to such Lender, in Dollars, such additional amount or amounts as will compensate such Lender or such entity for such reduction.

(c) A certificate prepared in good faith as to any additional amounts payable pursuant to this Section 2.19 submitted by any Lender to the Borrower (with a copy to the Administrative Agent) shall be presumptively correct in the absence of demonstrable error. Notwithstanding anything to the contrary in this Section 2.19, the Borrower shall not be required to compensate a Lender pursuant to this Section 2.19 for any amounts incurred more than 180 days prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor; provided, that if the circumstances giving rise to such claim have a retroactive effect, then such 180-day period shall be extended to include the period of such retroactive effect. The obligations of the Borrower pursuant to this Section 2.19 shall survive the termination of this Agreement and the payment of the Obligations. Notwithstanding the foregoing, the Borrower shall not be obligated to make payment to any Lender with respect to penalties, interest and expenses if written demand therefor was not made by such Lender within 180 days from the date on which such Lender makes payment for such penalties, interest and expenses.

(d) Notwithstanding anything in this Section 2.19 to the contrary, solely for purposes of this Section 2.19, (i) the Dodd Frank Wall Street Reform and Consumer Protection

Act, and all requests, rules, regulations, guidelines and directives promulgated thereunder or issued in connection therewith and (ii) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall, in each case, be deemed to have been enacted, adopted or issued, as applicable, subsequent to the Closing Date.

~~(c) For purposes of this Section 2.19, the term "Lender" shall include any Issuing Lender and Swingline Lender.~~

2.20 Taxes

.

(a) Except as otherwise provided in this Agreement or as required by law, all payments made by or on account of the Borrower or any Loan Party under this Agreement and the other Loan Documents to any Recipient under this Agreement shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes. If any Indemnified Taxes or Other Taxes are required to be deducted or withheld from any such payments, the amounts so payable to the applicable Recipient shall be increased to the extent necessary so that after deduction or withholding of such Indemnified Taxes and Other Taxes (including Indemnified Taxes attributable to amounts payable under this Section 2.20(a)) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) In addition, the Borrower or any Loan Party under this Agreement and the other Loan Documents shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Whenever any Taxes are payable by the Borrower and any Loan Party under this Agreement and the other Loan Documents, as promptly as possible thereafter the Borrower shall send to the Administrative Agent for the account of the Administrative Agent or Lender, as the case may be, a certified copy of an original official receipt received by the Borrower or Loan Party showing payment thereof if such receipt is obtainable, or, if not, such other evidence of payment as may reasonably be required by the Administrative Agent or such Lender. If the Borrower or any Loan Party under this Agreement and the other Loan Documents fails to pay any Indemnified Taxes or Other Taxes that the Borrower or any Loan Party under this Agreement and the other Loan Documents is required to pay pursuant to this Section 2.20 (or in respect of which the Borrower or any Loan Party under this Agreement and the other Loan Documents would be required to pay increased amounts pursuant to Section 2.20(a) if such Indemnified Taxes or Other Taxes were withheld) when due to the appropriate taxing authority or fails to remit to the Administrative Agent the required receipts or other required documentary evidence, the Borrower or any Loan Party under this Agreement and the other Loan Documents shall indemnify the applicable Recipient for any payments by them of such Indemnified Taxes or Other Taxes, including any amounts payable pursuant to Section 2.20(a), and for any Incremental Taxes that become payable by such Recipient as a result of any such failure within

thirty days after the Lender or the Administrative Agent delivers to the Borrower or Loan Party (with a copy to the Administrative Agent) either (a) a copy of the receipt issued by a Governmental Authority evidencing payment of such Taxes or (b) certificates as to the amount of such payment or liability prepared in good faith.

(d) [reserved]

(e) Each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) (a "Non-US Lender") shall deliver to the Borrower and the Administrative Agent (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased) (A) (i) two accurate and complete copies of IRS Form W-8ECI, W-8BEN or W-8BEN-E, as applicable, (ii) in the case of a Non-US Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest", a statement substantially in the form of Exhibit F and two accurate and complete copies of IRS Form W-8BEN or W-8BEN-E, or any subsequent versions or successors to such forms, in each case properly completed and duly executed by such Non-US Lender claiming complete exemption from, or reduced rate of, U.S. federal withholding tax on all payments by the Borrower or any Loan Party under this Agreement and the other Loan Documents, or (iii) IRS Form W-8IMY (or any applicable successor form) and all necessary attachments (including the forms described in clauses (i) and (ii) above, provided that if the Non-US Lender is a partnership, and one or more of the partners is claiming portfolio interest treatment, the certificate in the form of Exhibit F may be provided by such Non-US Lender on behalf of such partners) and (B) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made. Such forms shall be delivered by each Non-US Lender before the date it becomes a party to this Agreement (or, in the case of any Participant, on or before the date such Participant purchases the related Participation). In addition, each Non-US Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered by such Non-US Lender, and from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent. Each Non-US Lender shall (i) promptly notify the Borrower and the Administrative Agent at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower and the Administrative Agent (or any other form of certification adopted by the United States taxing authorities for such purpose) and (ii) take such steps as shall not be disadvantageous to it, in its reasonable judgment, and as may be reasonably necessary (including the re-designation of its lending office pursuant to Section 2.23) to avoid any requirement of applicable laws of any such jurisdiction that the Borrower or any Loan Party make any deduction or withholding for Taxes from amounts payable to such Lender. Notwithstanding any other provision of this paragraph, a Non-US Lender shall not be required to deliver any form pursuant to this paragraph that such Non-US Lender is not legally able to deliver provided that it shall promptly notify the Borrower and the Administrative Agent in writing of such inability.

(f) [reserved]

(g) Each Lender that is a United States person (as such term is defined in Section 7701(a)(30) of the Code) (a "US Lender") shall deliver to the Borrower and the Administrative Agent two accurate and complete copies of IRS Form W-9, or any subsequent versions or successors to such form and certify that such Lender is not subject to backup withholding. Such forms shall be delivered by each US Lender on or before the date it becomes a party to this Agreement. In addition, each US Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered by such US Lender, and from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent. Each US Lender shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide any previously delivered certifications to the Borrower (or any other form of certification adopted by the United States taxing authorities for such purpose).

(h) If any Recipient determines, in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified pursuant to this Section 2.20 (including by the payment of additional amounts pursuant to this Section 2.20), it shall promptly pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid under this Section 2.20 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of such Recipient and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that such indemnifying party, upon the request of such Recipient, agrees to repay the amount paid over to the indemnifying party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority other than any such penalties, interest or other charges resulting from the gross negligence or willful misconduct of the relevant Recipient (as determined by a final and non-appealable judgment of a court of competent jurisdiction)) to such Recipient in the event such Recipient is required to repay such refund to such Governmental Authority; provided, further, that such Recipient shall, at the indemnifying party's request, provide a copy of any notice of assessment or other evidence of the requirement to pay such refund received from the relevant Governmental Authority (provided that the Recipient may delete any information therein that it deems confidential). This paragraph shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person. In no event will any Recipient be required to pay any amount to an indemnifying party the payment of which would place such Recipient in a less favorable net after-tax position than such Recipient would have been in if the additional amounts giving rise to such refund of any Indemnified Taxes or Other Taxes had never been paid. The agreements in this Section 2.20 shall survive the termination of this Agreement and the payment of the Obligations.

(i) [reserved]

(j) If a payment made to a Lender under any Loan Document would be subject to withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and Administrative Agent at the time or times prescribed by law and at such time or times reasonably

requested by the Borrower or Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or Administrative Agent as may be necessary for the Borrower and Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.20(j), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(k) To the extent required by any applicable laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting the provisions of Section 2.20, each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.6(c)(iii) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (h).

(l) The agreements in this Section 2.20 shall survive the termination of this Agreement and payment of the Loans and all other amounts payable under any Loan Document, the resignation of the Administrative Agent and any assignment of rights by, or replacement of, any Lender.

~~(m) For purposes of this Section 2.20, the term "Lender" shall include any Issuing Lender or Swingline Lender, and, for the avoidance of doubt, applicable law includes FATCA.~~

2.21 Indemnity

. Other than with respect to Taxes, which shall be governed solely by Section 2.20, the Borrower agrees to indemnify each Lender for, and to hold each Lender harmless from, any loss or expense (other than lost profits, including the loss of Applicable Margin) that such Lender actually sustains or incurs as a consequence of (a) any failure by the Borrower in making a borrowing of, conversion into or continuation of Eurocurrency Loans after the Borrower has given notice requesting the same in accordance with the provisions of this Agreement, (b) any failure by the Borrower in making any prepayment of or conversion from Eurocurrency Loans after the Borrower has given a notice thereof in accordance with the provisions of this Agreement or (c) the making of a prepayment, conversion or continuation of Eurocurrency

Loans on a day that is not the last day of an Interest Period with respect thereto. A reasonably detailed certificate as to (showing in reasonable detail the calculation of) any amounts payable pursuant to this Section 2.21 submitted to the Borrower by any Lender shall be presumptively correct in the absence of demonstrable error. This covenant shall survive the termination of this Agreement and the payment of the Obligations.

2.22 Illegality

. Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof, in each case, first made after the Closing Date, shall make it unlawful for any Lender to make or maintain Eurocurrency Loans as contemplated by this Agreement, such Lender shall promptly give notice thereof to the Administrative Agent and the Borrower, and (a) the commitment of such Lender hereunder to make Eurocurrency Loans, continue Eurocurrency Loans as such and convert ABR Loans to Eurocurrency Loans shall be suspended during the period of such illegality and (b) such Lender's Loans then outstanding as Eurocurrency Loans, if any, shall be converted automatically to ABR Loans on the respective last days of the then current Interest Periods with respect to such Loans or within such earlier period as required by law. If any such conversion of a Eurocurrency Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrower shall pay to such Lender such amounts, if any, as may be required pursuant to Section 2.21.

2.23 Change of Lending Office

. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.19, 2.20(a) or 2.22 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to avoid or minimize any amounts payable pursuant to such Sections (including by designating another lending office for any Loans affected by such event with the object of avoiding the consequences of such event); provided, that such designation is made on terms that, in the good faith judgment of such Lender, cause such Lender and its lending office(s) to suffer no material economic, legal or regulatory disadvantage; provided, further, that nothing in this Section 2.23 shall affect or postpone any of the obligations of the Borrower or the rights of any Lender pursuant to Section 2.19, 2.20(a) or 2.22.

2.24 Replacement of Lenders

. The Borrower shall be permitted to (a) replace with a financial entity or financial entities, or (b) prepay or terminate, without premium or penalty (but subject to Section 2.21), the Loans or Commitments, as applicable, of any Lender~~, Issuing Lender or Swingline Lender~~ (each such ~~Lender, Issuing Lender or Swingline~~ Lender, a "Replaced Lender") that (i) requests reimbursement for amounts owing or otherwise results in increased costs imposed on the Borrower or on account of which the Borrower is required to pay additional amounts to any Governmental Authority, in each case, pursuant to Section 2.19, 2.20 or 2.21 (to the extent a request made by a Lender pursuant to the operation of Section 2.21 is materially greater than requests made by other Lenders) or gives a notice of illegality pursuant to Section 2.22, (ii) is a

Defaulting Lender, (iii) is, or the Borrower reasonably believes could constitute, a Disqualified Institution, or (iv) has refused to consent to any waiver or amendment with respect to any Loan Document that requires such Lender's consent and has been consented to by the Required Lenders; provided, that, in the case of a replacement pursuant to clause (a) above:

(A) such replacement does not conflict with any Requirement of Law;

(B) the replacement financial entity or financial entities shall purchase, at par, all Loans and other amounts owing to such Replaced Lender on or prior to the date of replacement ~~(or, in the case of a replacement of an Issuing Lender or Swingline Lender, comply with the provisions of Section 9.9(c) (to the extent applicable as if such Lender was resigning as Administrative Agent))~~;

(C) the Borrower shall be liable to such Replaced Lender under Section 2.21 (as though Section 2.21 were applicable) if any Eurocurrency Loan owing to such Replaced Lender shall be purchased other than on the last day of the Interest Period relating thereto;

(D) the replacement financial entity or financial entities, (x) if not already a Lender, shall be reasonably satisfactory to the Administrative Agent to the extent that an assignment to such replacement financial institution of the rights and obligations being acquired by it would otherwise require the consent of the Administrative Agent pursuant to Section 10.6(b)(i)(2) and (y) shall pay (unless otherwise paid by the Borrower) any processing and recordation fee required under Section 10.6(b)(ii)(2);

(E) the Administrative Agent and any replacement financial entity or entities shall execute and deliver, and such Replaced Lender shall thereupon be deemed to have executed and delivered, an appropriately completed Assignment and Assumption to effect such substitution ~~(or, in the case of a replacement of an Issuing Lender or Swingline Lender, customary assignment documentation)~~;

(F) the Borrower shall pay all additional amounts (if any) required pursuant to Section 2.19 or 2.20, as the case may be, in respect of any period prior to the date on which such replacement shall be consummated;

(G) in respect of a replacement pursuant to clause (iv) above, the replacement financial entity or financial entities shall consent to such amendment or waiver; and

(H) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the Replaced Lender~~; and~~.

~~(I) if such replacement is in connection with a Repricing Transaction prior to the six-month anniversary of the Closing Date, the Borrower or the replacement Lender shall pay the Replaced Lender a fee equal to 1% of the aggregate principal amount of its Initial Term B Loans required to be assigned pursuant to this Section 2.24~~.

Prepayments pursuant to clause (b) above (i) shall be accompanied by accrued and unpaid interest on the principal amount so prepaid up to the date of such prepayment and (ii) shall not be subject to the provisions of Section 2.18. The termination of the Revolving Commitments of any Lender pursuant to clause (b) above shall not be subject to the provisions of Section 2.18. In connection with any such replacement under this Section 2.24, if the Replaced Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Assumption and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the replacement Lender executes and delivers such Assignment and Assumption and/or such other documentation and (b) the date as of which all obligations of the Borrower owing to the Replaced Lender relating to the Loans and participations so assigned shall be paid in full to such Replaced Lender, then such Replaced Lender shall be deemed to have executed and delivered such Assignment and Assumption and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Assumption and/or such other documentation on behalf of such Replaced Lender, and the Administrative Agent shall record such assignment in the Register.

2.25 ~~Incremental Loans~~[reserved]

.

~~(a) The Borrower may by written notice to the Administrative Agent elect to request the establishment of one or more new term loans (each, a "New Term Loan Commitment") or increases of existing Tranches of Term Loans (each, a "Supplemental Term Loan Commitment") or the establishment of, or if any Revolving Commitments are outstanding, increases of existing, Revolving Commitments (which request shall also specify any corresponding increase in the Swingline Commitment and/or L/C Commitment) (each, a "Supplemental Revolving Commitment Increase"; together with any New Term Loan Commitments and any Supplemental Term Loan Commitments, the "New Loan Commitments") hereunder, in an aggregate amount for all such New Loan Commitments (when taken together with any New Incremental Debt issued prior to, or that will be issued concurrently with, the effectiveness of the respective New Loan Commitments) not in excess of, at the time the respective New Loan Commitments become effective, the Maximum Incremental Facilities Amount. Each such notice shall specify (i) the date (each, an "Increased Amount Date") on which the Borrower proposes that the New Loan Commitments shall be effective, which shall be a date not less than 10 Business Days (or such shorter period as the Administrative Agent may agree) after the date on which such notice is delivered to the Administrative Agent, (ii) in the case of a Supplemental Term Loan Commitment, the Tranche (or Tranches) of existing Term Loans to be so increased (and, if more than one Tranche of Term Loans will be increased, the amount of the aggregate Supplemental Term Loan Commitments to be allocated to each such Tranche), and (iii) in the case of Supplemental Revolving Commitment Increase, the Tranche (or Tranches) of existing Revolving Commitments, if any, to be increased (and, if more than one Tranche of Revolving Commitments will be increased, the amount of the aggregate Supplemental Revolving Commitment Increase to be allocated to each such Tranche); provided, that (x) any Lender offered or approached to provide all or a portion of any New Loan Commitments may elect or decline, in its sole discretion, to provide such New Loan~~

Commitments, (y) any Person that the Borrower proposes to become a New Lender, if such Person is not then a Lender, must be an Eligible Assignee and must be reasonably acceptable to the Administrative Agent and, in the case of any proposed Supplemental Revolving Commitment Increase, to each Issuing Lender and the Swingline Lender, in each case, to the extent its consent would be required to assign Loans to any such Eligible Assignee and (z) any Person that the Borrower proposes to be a New Lender that is an Other Affiliate shall be subject to the provisions related thereto in Section 10.5 and 10.6.

(b) Such New Loan Commitments shall become effective as of such Increased Amount Date; provided, that:

(i) no Event of Default shall exist on such Increased Amount Date immediately after giving effect to such New Loan Commitments and the making of any New Loans pursuant thereto and any transaction consummated in connection therewith subject to the Permitted Acquisition Provisions (as defined below) and the Limited Condition Acquisition Provision, in connection with any acquisition or investment being made with the proceeds thereof;

(ii) the proceeds of any New Loans shall be used, at the discretion of the Borrower, for any purpose not prohibited by this Agreement;

(iii) if guaranteed, the New Loans shall benefit ratably from the guarantees under the Guarantee and Collateral Agreement and be only guaranteed by the Guarantors;

(iv) to the extent any New Loan will be secured, such New Loan shall be secured by the Collateral on a pari passu basis with the Liens securing the Obligations or, at the Borrower's option, secured by the Collateral on a "junior" basis with the Liens securing the Obligations;

(v) to the extent any New Loan will be unsecured or secured by the Collateral on a "junior" basis with the Liens securing the Obligations, such New Loan shall be documented as a separate Facility and, if secured by the Collateral on a "junior" basis be subject to an Other Intercreditor Agreement;

(vi) in the case of New Loans that are term loans ("New Term Loans"), the maturity date thereof shall not be earlier than the Latest Maturity Date in effect at the time such commitment becomes effective and the Weighted Average Life to Maturity thereof shall be equal to or greater than the Weighted Average Life to Maturity of the Latest Maturing Term Loans at such time (other than an earlier maturity date and/or shorter Weighted Average Life to Maturity for customary bridge financings, which, subject to customary conditions, would either be automatically converted into or required to be exchanged for permanent financing which does not provide for an earlier maturity date than the Latest Maturity Date or a shorter Weighted Average Life to Maturity than the Weighted Average Life to Maturity of the Latest Maturing Term Loans);

(vii) in the case of any Supplemental Revolving Commitment Increase, (A) the scheduled termination date of such Supplemental Revolving Commitment Increase shall not be earlier than the stated termination date of the ABL Facility, (B) no Supplemental Revolving Commitment Increase shall require any scheduled amortization or mandatory commitment reduction prior to the stated termination date of the ABL Facility and (C) such Supplemental Revolving Commitment Increase shall be on the same terms (other than as regards pricing and yield) and pursuant to the same documentation as the Initial Term B Loans (except for (x) any differences permitted hereby, (y) any differences due to the different nature of the facility (including, without limitation, the requirement of a financial maintenance covenant in favor of the revolving lenders only) or (z) any differences reasonably deemed appropriate by the Administrative Agent); provided, that any differences in the terms and documentation in respect of a Supplemental Revolving Commitment Increase as a result of clause (y) or (z) above shall in no event be more restrictive, when taken as a whole, to the Borrower and its Restricted Subsidiaries than those set forth in this Agreement (except for covenants or other provisions applicable only to periods after the then Term Maturity Date or to the extent that the Initial Term B Lenders also receive the benefit of such more restrictive provisions), as determined in good faith by the Borrower;

(viii) all terms and documentation with respect to any New Term Loans which differ from those with respect to the Initial Term B Loans (except to the extent permitted hereunder) shall in no event be more restrictive, when taken as a whole, to the Borrower and its Restricted Subsidiaries than the equivalent terms set forth in this Agreement in respect of the Initial Term B Loans (except for covenants or other provisions applicable only to periods after the then Term Maturity Date or to the extent that the Initial Term B Lenders also receive the benefit of such more restrictive provisions), as determined in good faith by the Borrower;

(ix) such New Loans or New Loan Commitments (other than Supplemental Term Loan Commitments and Supplemental Revolving Commitment Increases related to existing Tranche(s) of Revolving Commitments at such time, which shall be effected in accordance with Section 2.25(e)) shall be effected pursuant to one or more Joinder Agreements executed and delivered by the Borrower, the Administrative Agent and one or more New Lenders;

(x) to the extent reasonably requested by the Administrative Agent, the Borrower shall deliver or cause to be delivered (A) customary legal opinions with respect to the due authorization, execution and delivery by the Borrower and each other Loan Party to be party thereto and the enforceability of the applicable Joinder Agreement, Increase Supplement or Lender Joinder Agreement, as applicable, the non-conflict of the execution, delivery of and performance of payment obligations under such documentation with this Agreement and with the organizational documents of the Loan Parties and, in the case of any New Loans that will be secured, the effectiveness of the Guarantee and Collateral Agreement to create a valid security interest, and the effectiveness of specified other Security Documents to perfect such security interests, in specified Collateral to

secure the Obligations, including the New Loan Commitments and the extensions of credit thereunder and (B) certified copies of the resolutions or other applicable corporate action of each applicable Loan Party approving its entry into such documents and the transactions contemplated thereby;

(xi) if the initial "spread" (for purposes of this Section 2.25, the "spread" with respect to any Term Loan shall be calculated as the sum of the Eurodollar Loan margin on the relevant Term Loan plus any original issue discount or upfront fees in lieu of original issue discount (other than any arranging fees, underwriting fees and commitment fees) (based on an assumed four-year average life for the applicable Facilities (e.g., 100 basis points in original issue discount or upfront fees equals 25 basis points of interest rate margin)) plus any applicable interest rate floor) relating to any New Term Loan that is secured by the Collateral on a pari passu basis with the Initial Term B Loans exceeds the spread then in effect with respect to the Initial Term B Loans by more than 0.50%, the Applicable Margin relating to the Initial Term B Loans shall be adjusted so that the spread relating to such New Term Loans does not exceed the spread applicable to the Initial Term B Loans by more than 0.50%; provided, that if such New Term Loans include an interest rate floor greater than the interest rate floor applicable to the Initial Term B Loans, for purposes of addressing any such excess spread in respect of such New Term Loans as set out above, to the extent an increase in such interest rate floor applicable to the Initial Term B Loans would cause an increase in the interest payable in respect of the Initial Term B Loans pursuant to Section 2.15, such interest rate floor (but not the Applicable Margin relating to the Initial Term B Loans) shall be increased to the required extent; provided, further, that this clause (xi) shall not be applicable to any New Term Loan which is incurred more than 12 months after the Closing Date. For the avoidance of doubt, the rate of interest and the amortization schedule (if applicable) of any New Term Loan shall be determined by the Borrower and the applicable New Lenders and shall be set forth in the applicable Joinder Agreement; and

(xii) in the case of New Term Loans secured by the Collateral on a pari passu basis with the Liens securing the Obligations, such New Term Loans shall share ratably in any voluntary or mandatory prepayments of the Initial Term B Loans, unless the Borrower and the applicable New Lenders agree to a less than pro rata share of such prepayments.

For the avoidance of doubt, the rate of interest, redemption price (if applicable) and other pricing terms and the amortization schedule (if applicable) of any New Term Loan Commitments shall be determined by the Borrower and the applicable New Lenders and shall be set forth in the applicable Joinder Agreement.

Notwithstanding anything to the contrary above, in connection with the incurrence of any New Term Loans or Supplemental Revolving Commitment Increase, if the proceeds of such New Term Loans or Supplemental Revolving Commitment Increase are, substantially concurrently with the receipt thereof, to be used, in whole or in part, by the Borrower or any Restricted Subsidiary to finance, in whole or in part, a Permitted Acquisition, then to the extent so required

by the applicable New Lenders, (A) the only representations and warranties that will be required to be true and correct in all material respects as of the applicable Increase Amount Date (or funding date) shall be (x) the Specified Representations (conformed as necessary for such Permitted Acquisition) and (y) such of the representations and warranties made by or on behalf of the applicable acquired company or business in the applicable acquisition agreement as are material to the interests of the Lenders, but only to the extent that Holdings or the Borrower (or any Affiliate of Holdings or the Borrower) has the right to terminate the obligations of Holdings, the Borrower or such Affiliate under such acquisition agreement or not consummate such acquisition as a result of a breach of such representations or warranties in such acquisition agreement and (B) there need not be a condition to borrowing that there be no Default or Event of Default other than there shall be no Event of Default under Sections 8.1(a) or (f) after giving effect to such incurrence ("Permitted Acquisition Provisions").

(c) On any Increased Amount Date on which any New Loan Commitment become effective, subject to the foregoing terms and conditions, each lender with a New Loan Commitment (each, a "New Lender") shall become a Lender hereunder with respect to such New Loan Commitment.

(d) For purposes of this Agreement, any New Loans or New Loan Commitments shall be deemed to be Term Loans, Revolving Loans or Revolving Commitments, as applicable. Each Joinder Agreement may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Borrower and the Administrative Agent, to effect the provisions of this Section 2.25. Upon any Increase Amount Date on which Supplemental Revolving Commitment Increase is effected through an increase in the Revolving Commitments pursuant to this Section 2.25, (i) if the increase relates to any then-existing Revolving Facility, each of the Revolving Lenders with respect to such Revolving Facility shall assign to each New Lender providing such Supplemental Revolving Commitment Increase, and each New Lenders shall purchase from each Revolving Lenders of such Revolving Facility, at the principal amount thereof, such interests in the applicable Revolving Loans outstanding on such Increase Amount Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Loans will be held by existing Revolving Lenders and New Lenders ratably in accordance with their Revolving Commitments after giving effect to the addition of such Supplemental Revolving Commitment Increase to the Revolving Commitments, (ii) each such Supplemental Revolving Commitment Increase shall be deemed for all purposes a Revolving Commitment and each Loan made thereunder shall be deemed, for all purposes, a Revolving Loan and (iii) each such New Lender shall become a Lender with respect to the Supplemental Revolving Commitment Increase and all matters relating thereto. The Administrative Agent and the Lenders hereby agree that the minimum borrowing and prepayment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(e) Supplemental Term Loan Commitments and Supplemental Revolving Commitment Increases related to existing Tranche(s) of Revolving Commitments at such time shall become commitments under this Agreement pursuant to a supplement specifying the Term Loan Tranche or Revolving Tranche to be increased, executed by the Borrower and each

~~increasing Lender substantially in the form attached hereto as Exhibit L-1 (the "Increase Supplement") or by each New Lender (if not already a Lender) substantially in the form attached hereto as Exhibit L-2 (the "Lender Joinder Agreement"), as the case may be, or, in each case, such other form as may be reasonably acceptable to the Administrative Agent and the Borrower which shall be delivered to the Administrative Agent for recording in the Register. Upon effectiveness of the Lender Joinder Agreement or Increase Supplement, as applicable, each New Lender shall be a Lender for all intents and purposes of this Agreement and the term loan made pursuant to such Supplemental Term Loan Commitment shall be a Term Loan or the commitments made pursuant to such Supplemental Revolving Commitment Increase shall be Revolving Commitments of such increased Tranche, as applicable.~~

2.26 Extension of Term Loans and Revolving Commitments

.

(a) The Borrower may at any time and from time to time request that all or a portion of the (i) Term Loans of one or more Tranches existing at the time of such request (each, an "Existing Term Tranche" or "Existing Tranche", and the Term Loans of such Tranche, the "Existing Term Loans" or "Existing Loans") or (ii) Revolving Commitments of one or more Tranches existing at the time of such request (each, an "Existing Revolving Tranche" and together with the Existing Term Tranches, each an "Existing Tranche", and the Revolving Loans of such Existing Revolving Tranche, the "Existing Revolving Loans", and together with the Existing Term Loans, the "Existing Loans"), in each case, be converted to extend the scheduled maturity date(s) of any payment of principal (or extend the termination date of any commitments) with respect to all or a portion of any principal amount (or commitments) of any Existing Tranche (any such Existing Tranche which has been so extended, an "Extended Term Tranche" or "Extended Revolving Tranche", as applicable, and each an "Extended Tranche", and the Term Loans or Revolving Commitments, as applicable, of such Extended Tranches, the "Extended Term Loans" or "Extended Revolving Commitments", as applicable, and collectively, the "Extended Loans") and to provide for other terms consistent with this Section 2.26; provided, that (i) any such request shall be made by the Borrower to all Lenders with Term Loans or Revolving Commitments, as applicable, with a like maturity date (whether under one or more Tranches) on a pro rata basis (based on the aggregate outstanding principal amount of the applicable Term Loans or the applicable Revolving Commitments) and (ii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower in its sole discretion. In order to establish any Extended Tranche, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Tranche) (an "Extension Request") setting forth the proposed terms of the Extended Tranche to be established, which terms shall be substantially similar to those applicable to the Existing Tranche from which they are to be extended (the "Specified Existing Tranche"), except (x) all or any of the final maturity or termination dates of such Extended Tranches may be delayed to later dates than the final maturity or termination dates of the Specified Existing Tranche, (y) (A) the interest margins with respect to the Extended Tranche may be higher or lower than the interest margins for the Specified Existing Tranche and/or (B) additional fees may be payable to the Lenders providing such Extended Tranche in addition to or

in lieu of any increased margins contemplated by the preceding clause (A) and/or (C) prepayment premiums may be different and (z) in the case of an Extended Term Tranche, so long as the weighted average life to maturity of such Extended Tranche would be no shorter than the remaining weighted average life to maturity of the Specified Existing Tranche, amortization rates with respect to the Extended Term Tranche may be higher or lower than the amortization rates for the Specified Existing Tranche, in each case to the extent provided in the applicable Extension Amendment; provided, that, notwithstanding anything to the contrary in this Section 2.26 or otherwise, assignments and participations of Extended Tranches shall be governed by the same or, at the Borrower's discretion, more restrictive assignment and participation provisions applicable to Term Loans or Revolving Commitments, as applicable, set forth in Section 10.6. No Lender shall have any obligation to agree to have any of its Existing Loans converted into an Extended Tranche pursuant to any Extension Request. Any Extended Tranche shall constitute a separate Tranche of Loans from the Specified Existing Tranches and from any other Existing Tranches (and any other Extended Tranches so established on such date).

(b) The Borrower shall provide the applicable Extension Request at least 10 Business Days (or such shorter period as the Administrative Agent may agree to) prior to the date on which Lenders under the applicable Existing Tranche or Existing Tranches are requested to respond. Any Lender (an "Extending Lender") wishing to have all or a portion of its Specified Existing Tranche converted into an Extended Tranche shall notify the Administrative Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Specified Existing Tranche that it has elected to convert into an Extended Tranche. In the event that the aggregate amount of the Specified Existing Tranche subject to Extension Elections exceeds the amount of Extended Tranches requested pursuant to the Extension Request, the Specified Existing Tranches subject to Extension Elections shall be converted to Extended Tranches on a pro rata basis based on the amount of Specified Existing Tranches included in each such Extension Election. In connection with any extension of Loans pursuant to this Section 2.26 (each, an "Extension"), the Borrower shall agree to such procedures regarding timing, rounding and other administrative adjustments to ensure reasonable administrative management of the credit facilities hereunder after such Extension, as may be established by, or acceptable to, the Administrative Agent and the Borrower, in each case acting reasonably to accomplish the purposes of this Section 2.26.

(c) Extended Tranches shall be established pursuant to an amendment (an "Extension Amendment") to this Agreement (which may include amendments to provisions related to maturity, interest margins, prepayment premiums or fees referenced in clauses (x) and (y) of Section 2.26(a), or, in the case of Extended Term Tranches, amortization rates referenced in clause (z) of Section 2.26(a), and which, in each case, except to the extent expressly contemplated by the last sentence of this Section 2.26(c) and notwithstanding anything to the contrary set forth in Section 10.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Tranches established thereby) executed by the Loan Parties, the Administrative Agent, and the Extending Lenders (or in the case of Amendment No. 1, executed by the Loan Parties and the Extending Lenders). Subject to the requirements of this Section 2.26 and without limiting the generality or applicability of Section 10.1 to any Section 2.26 Additional Amendments, any Extension Amendment may provide for

additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "Section 2.26 Additional Amendment") to this Agreement and the other Loan Documents; provided, that such Section 2.26 Additional Amendments do not become effective prior to the time that such Section 2.26 Additional Amendments have been consented to (including pursuant to consents applicable to holders of any Extended Tranches provided for in any Extension Amendment) by such of the Lenders, Loan Parties and other parties (if any) as may be required in order for such Section 2.26 Additional Amendments to become effective in accordance with Section 10.1; provided, further, that no Extension Amendment may provide for (i) any Extended Tranche to be secured by any Collateral or other assets of any Loan Party that does not also secure the Existing Tranches or be guaranteed by any Person other than the Guarantors and (ii) so long as any Existing Term Tranches are outstanding, any mandatory or voluntary prepayment provisions that do not also apply to the Existing Term Tranches (other than Existing Term Tranches secured on a junior basis by the Collateral or ranking junior in right of payment, which shall be subject to junior prepayment provisions) on at least a pro rata basis (or otherwise provide for more favorable prepayment treatment for Extending Term Tranches than such Existing Term Tranches as contemplated by Section 2.12). Notwithstanding anything to the contrary in Section 10.1, any such Extension Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary or appropriate, in the reasonable judgment of the Borrower and the Administrative Agent, to effect the provisions of this Section 2.26; provided, that the foregoing shall not constitute a consent on behalf of any Lender to the terms of any Section 2.26 Additional Amendment.

(d) Notwithstanding anything to the contrary contained in this Agreement, on any date on which any Existing Tranche is converted to extend the related scheduled maturity or termination date(s) in accordance with Section 2.26(a) above (an "Extension Date"), in the case of the Specified Existing Tranche of each Extending Lender, the aggregate principal amount of such Specified Existing Tranche shall be deemed reduced by an amount equal to the aggregate principal amount of the Extended Tranche so converted by such Lender on such date, and such Extended Tranches shall be established as a separate Tranche from the Specified Existing Tranche and from any other Existing Tranches (and any other Extended Tranches so established on such date).

(e) If, in connection with any proposed Extension Amendment, any Lender declines to consent to the applicable extension on the terms and by the deadline set forth in the applicable Extension Request (each such other Lender, a "Non-Extending Lender") then the Borrower may, on notice to the Administrative Agent and the Non-Extending Lender, replace such Non-Extending Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.6 (with the assignment fee and any other costs and expenses to be paid by the Borrower or the assignee in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided, that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to provide Extended Loans on the terms set forth in such Extension Amendment; provided, further, that all obligations of the Borrower owing to the Non-Extending Lender relating to the Existing Loans so assigned (including

pursuant to Section 2.21 (as though Section 2.21 were applicable)) shall be paid in full by the assignee Lender to such Non-Extending Lender concurrently with such Assignment and Assumption or Affiliated Lender Assignment and Assumption, as applicable. In connection with any such replacement under this Section 2.26, if the Non-Extending Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Assumption or Affiliated Lender Assignment and Assumption, as applicable, by the later of (A) the date on which the replacement Lender executes and delivers such Assignment and Assumption or Affiliated Lender Assignment and Assumption, as applicable, and (B) the date as of which all obligations of the Borrower owing to the Non-Extending Lender relating to the Existing Loans so assigned shall be paid in full to such Non-Extending Lender, then such Non-Extending Lender shall be deemed to have executed and delivered such Assignment and Assumption or Affiliated Lender Assignment and Assumption, as applicable, as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Assumption or Affiliated Lender Assignment and Assumption, as applicable, on behalf of such Non-Extending Lender.

(f) Following any Extension Date, with the written consent of the Borrower, any Non-Extending Lender may elect to have all or a portion of its Existing Loans deemed to be an Extended Loan under the applicable Extended Tranche on any date (each date a "Designation Date") prior to the maturity or termination date of such Extended Tranche; provided, that such Lender shall have provided written notice to the Borrower and the Administrative Agent at least 10 Business Days prior to such Designation Date (or such shorter period as the Administrative Agent may agree in its reasonable discretion); provided, further, that no greater amount shall be paid by or on behalf of the Borrower or any of its Affiliates to any such Non-Extending Lender as consideration for its extension into such Extended Tranche than was paid to any Extended Lender as consideration for its Extension into such Extended Tranche. Following a Designation Date, the Existing Loans held by such Lender so elected to be extended will be deemed to be Extended Loans of the applicable Extended Tranche, and any Existing Loans held by such Lender not elected to be extended, if any, shall continue to be "Existing Loans" of the applicable Tranche.

(g) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.26, (i) such Extensions shall not constitute optional or mandatory payments or prepayments for purposes of Sections 2.11 and 2.12 and (ii) no Extension Request is required to be in any minimum amount or any minimum increment, provided, that the Borrower may at its election specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Request in the Borrower's sole discretion and which may be waived by the Borrower) of Existing Loans of any or all applicable Tranches be extended. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.26 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Request) and hereby waive the requirements of any provision of this Agreement (including Sections 2.8, 2.11 and 2.12) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.26.

SECTION III. ~~LETTERS OF CREDIT~~[reserved]

~~3.1 L/C Commitment~~

~~.~~

~~(a) Subject to the terms and conditions hereof, each Issuing Lender, in reliance on the agreements of the other Revolving Lenders set forth in Section 3.4(a), agrees to issue Letters of Credit under the Revolving Commitments for the account of the Borrower or any of its Restricted Subsidiaries on any Business Day during the Revolving Commitment Period in such form as may be approved from time to time by such Issuing Lender; provided, that no Issuing Lender shall have any obligation to issue any Letter of Credit if, after giving effect to such issuance, (i) the L/C Obligations would exceed the L/C Commitment or (ii) the aggregate amount of the Available Revolving Commitments would be less than zero. Each Letter of Credit shall (i) be denominated in Dollars or any Permitted Foreign Currency and (ii) expire no later than the earlier of (x) the first anniversary of its date of issuance and (y) the date that is three Business Days prior to the Revolving Termination Date with respect to the Revolving Facility (unless Cash Collateralized or the applicable Issuing Lender so agrees); provided, that any Letter of Credit with a one-year term may provide for the renewal thereof for additional one-year periods (which shall in no event extend beyond the date referred to in clause (y) above).~~

~~(b) No Issuing Lender shall at any time be obligated to issue any Letter of Credit if such issuance would (i) conflict with, or cause such Issuing Lender to exceed any limits imposed by, any applicable Requirement of Law, or if such Requirement of Law would impose upon such Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Closing Date and is not otherwise reimbursable to it by the Borrower hereunder and which such Issuing Lender in good faith deems material to it or (ii) violate one or more policies of such Issuing Lender applicable generally to the issuance of letters of credit for the account of similarly situated borrowers.~~

~~3.2 Procedure for Issuance of Letter of Credit~~

~~. The Borrower may from time to time request that the relevant Issuing Lender issue a Letter of Credit (or amend, renew or extend an outstanding Letter of Credit) by delivering to such Issuing Lender at its address for notices specified to the Borrower by such Issuing Lender an Application therefor, with a copy to the Administrative Agent, completed to the reasonable satisfaction of such Issuing Lender, and such other certificates, documents and other papers and information as such Issuing Lender may reasonably request. Such Application may be sent by facsimile, by United States mail, by overnight courier, by electronic transmission using the system provided by the relevant Issuing Lender, by personal delivery or by any other means acceptable to the relevant Issuing Lender. Upon receipt of any Application, the relevant Issuing Lender will process such Application and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and shall promptly issue (or amend, renew or extend, as the case may be) the Letter of Credit requested thereby (but in no event without the consent of the applicable Issuing Lender shall any Issuing Lender be required to issue (or amend, renew or extend, as the case may be) any Letter of~~

Credit earlier than three Business Days after its receipt of the Application therefor and all such other certificates, documents and other papers and information relating thereto) by issuing the original of such Letter of Credit (or such amendment, renewal or extension, as the case may be) to the beneficiary thereof or as otherwise may be agreed to by such Issuing Lender and the Borrower. Such Issuing Lender shall furnish a copy of such Letter of Credit to the Borrower promptly following the issuance (or such amendment, renewal or extension, as the case may be) thereof. Each Issuing Lender shall promptly furnish to the Administrative Agent, which shall in turn promptly furnish to the relevant Revolving Lenders, notice of the issuance (or such amendment, renewal or extension, as the case may be) of each Letter of Credit issued by it (including the amount thereof).

3.3 Fees and Other Charges

:

(a) The Borrower will pay a fee, in Dollars, on each outstanding Letter of Credit requested by it, at a per annum rate equal to the Applicable Margin then in effect with respect to Eurocurrency Loans under the related Revolving Facility, on the Dollar Equivalent of the face amount of such Letter of Credit, which fee shall be shared ratably among the applicable Revolving Lenders and payable quarterly in arrears on each Fee Payment Date after the issuance date; provided, that, with respect to any Defaulting Lender, such Lender's ratable share of any letter of credit fee accrued on the aggregate amount available to be drawn on any outstanding Letters of Credit during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such Lender's ratable share of any letter of credit fee shall otherwise have been due and payable by the Borrower prior to such time; provided, further, that any Defaulting Lender's ratable share of any letter of credit fee accrued on the aggregate amount available to be drawn on any outstanding Letters of Credit shall accrue (x) for the account of each Non-Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit which has been reallocated to such Non-Defaulting Lender pursuant to Section 3.4(d), (y) for the account of the Borrower with respect to any L/C Shortfall if the Borrower has paid to the Administrative Agent an amount of cash and/or Cash Equivalents equal to the amount of the L/C Shortfall to be held as security for all obligations of the Borrower to the applicable Issuing Lenders hereunder in a cash collateral account to be established by, and under the sole dominion and control of, the Administrative Agent, or (z) for the account of the applicable Issuing Lenders, in any other instance, in each case so long as such Lender shall be a Defaulting Lender. In addition, the Borrower shall pay to each Issuing Lender for its own account a fronting fee, in Dollars, on the Dollar Equivalent of the aggregate face amount of all outstanding Letters of Credit issued by it to the Borrower, equal to the L/C Fronting Fee Rate, payable quarterly in arrears on each Fee Payment Date after the issuance date.

(b) In addition to the foregoing fees, the Borrower shall pay or reimburse each Issuing Lender for standard costs and expenses agreed by the Borrower and such Issuing Lender in issuing, negotiating, effecting payment under, amending or otherwise administering any Letter of Credit requested by the Borrower.

3.4 L/C Participations

.

(a) Each Issuing Lender irrevocably agrees to grant and hereby grants to each L/C Participant, and, to induce such Issuing Lender to issue Letters of Credit, each L/C Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from such Issuing Lender, on the terms and conditions set forth below, for such L/C Participant's own account and risk an undivided interest equal to such L/C Participant's Revolving Percentage in such Issuing Lender's obligations and rights under and in respect of each Letter of Credit issued by it and the amount of each draft paid by such Issuing Lender thereunder. Each L/C Participant agrees with each Issuing Lender that, if a draft is paid under any Letter of Credit issued by it for which such Issuing Lender is not reimbursed in full by the Borrower in accordance with the terms of this Agreement, such L/C Participant shall pay, in Dollars, to the Administrative Agent for the account of such Issuing Lender upon demand an amount equal to such L/C Participant's Revolving Percentage of the Dollar Equivalent of the amount of such draft, or any part thereof, that is not so reimbursed ("L/C Disbursements"); provided, that nothing in this paragraph shall relieve the Issuing Lender of any liability resulting from the gross negligence or willful misconduct of the Issuing Lender (as determined by a final non-appealable judgment of a court of competent jurisdiction). Each L/C Participant's obligation to pay such amount shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such L/C Participant may have against any Issuing Lender, the Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Section 5, (iii) any adverse change in the financial condition of the Borrower, (iv) any breach of this Agreement or any other Loan Document by the Borrower, any other Loan Party or any other L/C Participant or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

(b) If any amount required to be paid by any L/C Participant to the Administrative Agent for the account of any Issuing Lender pursuant to Section 3.4(a) in respect of any unreimbursed portion of any payment made by such Issuing Lender under any Letter of Credit is paid to the Administrative Agent for the account of such Issuing Lender within three Business Days after the date such payment is due, such L/C Participant shall pay to the Administrative Agent for the account of such Issuing Lender on demand an amount equal to the product of (i) such amount, times (ii) the daily average Federal Funds Effective Rate during the period from and including the date such payment is required to the date on which such payment is immediately available to such Issuing Lender, times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any L/C Participant pursuant to Section 3.4(a) is not made available to the Administrative Agent for the account of the relevant Issuing Lender by such L/C Participant within three Business Days after the date such payment is due, such Issuing Lender shall be entitled to recover from such L/C Participant, on demand, such amount with interest thereon calculated from such due date at the rate per annum applicable to ABR Loans under the related Revolving Facility. A certificate of the relevant Issuing Lender submitted to any relevant

L/C Participant with respect to any amounts owing under this Section 3.4 shall be presumptively correct in the absence of demonstrable error.

(c) Whenever, at any time after any Issuing Lender has made payment under any Letter of Credit and has received from any L/C Participant its pro rata share of such payment in accordance with Section 3.4(a), if the Administrative Agent receives for the account of the Issuing Lender any payment related to such Letter of Credit (whether directly from the Borrower or otherwise, including proceeds of collateral applied thereto by the Administrative Agent), or any payment of interest on account thereof, the Administrative Agent will distribute to such L/C Participant its pro rata share thereof; provided, however, that in the event that any such payment shall be required to be returned by such Issuing Lender, such L/C Participant shall return to the Administrative Agent for the account of such Issuing Lender the portion thereof previously distributed by such Issuing Lender to it.

(d) Notwithstanding anything to the contrary contained in this Agreement, in the event an L/C Participant becomes a Defaulting Lender, then such Defaulting Lender's applicable Revolving Percentage in all outstanding Letters of Credit will automatically be reallocated among the applicable L/C Participants that are Non-Defaulting Lenders pro rata in accordance with each Non-Defaulting Lender's applicable Revolving Percentage (calculated without regard to the Revolving Commitments of the Defaulting Lender), but only to the extent that such reallocation does not cause the Revolving Extensions of Credit of any Non-Defaulting Lender to exceed the Revolving Commitments of such Non-Defaulting Lender. If such reallocation cannot, or can only partially, be effected the Borrower shall, within five Business Days after written notice from the Administrative Agent, pay to the Administrative Agent an amount of cash and/or Cash Equivalents equal to such Defaulting Lender's applicable Revolving Percentage (calculated as in effect immediately prior to it becoming a Defaulting Lender) of the L/C Obligations (after giving effect to any partial reallocation pursuant to the first sentence of this Section 3.4(d)) to be held as security for all obligations of the Borrower to the Issuing Lenders hereunder in a cash collateral account to be established by, and under the sole dominion and control of, the Administrative Agent. So long as there is a Defaulting Lender, an Issuing Lender shall not be required to issue any Letter of Credit where the sum of the Non-Defaulting Lenders' applicable Revolving Percentages of the outstanding Revolving Loans and their participations in Letters of Credit after giving effect to any such requested Letter of Credit would exceed (each such excess, the "L/C Shortfall") the aggregate applicable Revolving Commitments of the Non-Defaulting Lenders, unless the Borrower shall pay to the Administrative Agent an amount of cash and/or Cash Equivalents equal to the amount of the L/C Shortfall, such cash and/or Cash Equivalents to be held as security for all obligations of the Borrower to the Issuing Lenders hereunder in a cash collateral account to be established by, and under the sole dominion and control of, the Administrative Agent.

3.5 Reimbursement Obligation of the Borrower

. The Borrower agrees to reimburse each Issuing Lender on the Business Day following the date on which such Issuing Lender notifies the Borrower of the date and amount of a draft presented under any Letter of Credit issued or continued by such Issuing Lender at the

Borrower's request (including any Letters of Credit issued for the account of a Restricted Subsidiary) and paid by such Issuing Lender for the amount of such draft so paid. Each such payment shall be made to such Issuing Lender at its address for notices specified to the Borrower in Dollars and in immediately available funds. Interest shall be payable on any such amounts from the date on which the relevant draft is paid until payment in full at a rate equal to (i) until the second Business Day next succeeding the date of the relevant notice (which notice shall be provided on the date the relevant draft is paid), the rate applicable to ABR Loans under the Revolving Facility and (ii) thereafter, the rate set forth in Section 2.15(c). In the case of any such reimbursement in Dollars with respect to a Letter of Credit denominated in a Permitted Foreign Currency, the applicable Issuing Lender shall notify the Borrower of the Dollar Equivalent of the amount of the draft so paid promptly following the determination thereof.

3.6 Obligations Absolute

. The Borrower's obligations under this Section 3 shall be absolute, unconditional and irrevocable under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment that the Borrower may have or have had against any Issuing Lender, any beneficiary of a Letter of Credit or any other Person. The Borrower also agrees with each Issuing Lender that such Issuing Lender shall not be responsible for, and the Borrower's Reimbursement Obligations under Section 3.5 shall not be affected by, among other things,

(i) the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact later prove to be invalid, fraudulent or forged;

(ii) any dispute between or among the Borrower and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred;

(iii) any claims whatsoever of the Borrower against any beneficiary of such Letter of Credit or any such transferee;

(iv) any other events or circumstances that, pursuant to applicable law or the applicable customs and practices promulgated by the ICC, are not within the responsibility of such Issuing Lender;

(v) waiver by such Issuing Lender of any requirement that exists for such Issuing Lender's protection and not the protection of the Borrower or any waiver by such Issuing Lender which does not in fact materially prejudice the Borrower;

(vi) honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;

(vii) any payment made by such Issuing Lender in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under, such Letter of Credit if presentation after such date is authorized by the Uniform Commercial Code, the ISP or the UCP, as applicable;

(viii) any payment by such Issuing Lender under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by such Issuing Lender under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(ix) any adverse change in the relevant exchange rates or in the availability of the relevant Permitted Foreign Currency to the Borrower or any Subsidiary or in the relevant currency markets generally; or

(x) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower or any Subsidiary, except, in each case, for errors, omissions, interruptions or delays resulting from the gross negligence or willful misconduct of such Issuing Lender or its employees or agents.

No Issuing Lender shall be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Letter of Credit, except for errors, omissions, interruptions or delays resulting from the gross negligence or willful misconduct of such Issuing Lender or its employees or agents (such gross negligence or willful misconduct, as determined by a final and non-appealable judgment of a court of competent jurisdiction). The Borrower agrees that any action taken or omitted by any Issuing Lender under or in connection with any Letter of Credit or the related drafts or documents, if done in the absence of gross negligence or willful misconduct (such gross negligence or willful misconduct, as determined by a final and non-appealable judgment of a court of competent jurisdiction) and in accordance with the standards of care specified in the Uniform Commercial Code of the State of New York, shall be binding on the Borrower and shall not result in any liability of such Issuing Lender to the Borrower.

3.7 Role of the Issuing Lender

. Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the Issuing Lenders shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by a Letter of Credit) or to ascertain or inquire as to the validity, authenticity or accuracy of any such document (provided, that the Issuing Lenders will determine whether such documents appear on their face to be in order) or the authority of the Person executing or delivering any such document. None of the Issuing Lenders, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the Issuing Lenders shall be liable to any Lender for:

(i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Majority Facility Lenders or the Borrower, as applicable;

(ii) any action taken or omitted in the absence of gross negligence or willful misconduct (such gross negligence or willful misconduct, as determined by a final and non-appealable judgment of a court of competent jurisdiction);

(iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or related Application, or any other document, agreement and instrument entered into by such Issuing Lender and the Borrower (or any Restricted Subsidiary) or in favor of such Issuing Lender and relating to such Letter of Credit; or

(iv) any special, indirect, punitive or consequential damages.

The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Issuing Lenders, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the Issuing Lenders shall be liable or responsible for any of the matters described in clauses (i) through (x) of Section 3.6; provided, however, that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against the relevant Issuing Lender, and such Issuing Lender may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which the Borrower proves were caused by such Issuing Lender's willful misconduct or gross negligence or such Issuing Lender's willful failure to pay under any Letter of Credit (such gross negligence, willful misconduct or willful failure to pay, as determined by a final and non-appealable judgment of a court of competent jurisdiction) after the presentation to it by the beneficiary of a sight draft and certificate(s) and documents expressly required by and strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the Issuing Lenders may accept documents that appear on their face to be in order, without responsibility for further investigation, and provided that a Letter of Credit is issued permitting transfer then the Issuing Lenders shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason. The Issuing Lenders may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication ("SWIFT") message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary, as agreed to with the Borrower.

3.8 Letter of Credit Payments

~~. If any draft shall be presented for payment under any Letter of Credit, the relevant Issuing Lender shall promptly notify the Borrower of the date and amount thereof. The responsibility of such Issuing Lender to the Borrower in connection with any draft presented for payment under any Letter of Credit issued by such Issuing Lender shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment are substantially in conformity with such Letter of Credit.~~

~~3.9 Applications~~

~~. To the extent that any provision of any Application related to any Letter of Credit is inconsistent with the provisions of this Agreement or any other Loan Document, the provisions of this Agreement or such other Loan Document shall apply.~~

~~3.10 Applicability of ISP and UCP~~

~~. Unless otherwise expressly agreed by the applicable Issuing Lender and the Borrower when a Letter of Credit is issued, (a) the rules of the ISP shall apply to each standby Letter of Credit, and (b) the rules of the UCP shall apply to each commercial Letter of Credit. Notwithstanding the foregoing, the Issuing Lender shall not be responsible to the Borrower for, and the Issuing Lender's rights and remedies against the Borrower shall not be impaired by, any action or inaction of the Issuing Lender required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Law or any order of a jurisdiction where the Issuing Lender or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.~~

~~3.11 Designation of Issuing Lender~~

~~. The Borrower may, at any time and from time to time, designate as Issuing Lender one or more Revolving Lenders that agree to serve in such capacity as provided herein. The acceptance by a Revolving Lender of an appointment as an Issuing Lender hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Issuing Lender, and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of an Issuing Lender under this Agreement and (ii) references herein to the term "Issuing Lender" shall be deemed to include such Revolving Lender in its capacity as an Issuing Lender of Letters of Credit hereunder.~~

SECTION IV. REPRESENTATIONS AND WARRANTIES

To induce the Agents and the Lenders to enter into this Agreement and to make the Loans ~~and issue or participate in the Letters of Credit~~, the Borrower h**ere**by represents and warrants (as

to itself and each of its Restricted Subsidiaries) to the Agents and each Lender, which representations and warranties shall be deemed made on the Closing Date (after giving effect to the Transactions) and ~~(subject to, in the case of any incurrence of any New Term Loans or Supplemental Revolving Commitment Increase, if the proceeds of such New Term Loans or Supplemental Revolving Commitment Increase are, substantially concurrently with the receipt thereof, to be used, in whole or in part, by the Borrower or any other Subsidiary to finance, in whole or in part, a Permitted Acquisition, the Permitted Acquisition Provisions)~~ on the date of each borrowing of Loans ~~or issuance, extension or renewal of a Letter of Credit hereunder~~ that:

.

(a) Each Loan Party has the corporate or other organizational power and authority to execute and deliver, and perform its obligations under, the Loan Documents to which it is a party and, in the case of the Borrower, to borrow ~~or have Letters of Credit issued~~ hereunder, except in each case (other than with respect to the Borrower) to the extent such failure to do so would not reasonably be expected to have a Material Adverse Effect. Each Loan Party has taken all necessary corporate or other action to authorize the execution and delivery of, and the performance of its obligations under, the Loan Documents to which it is a party and, in the case of the Borrower, to authorize the extensions of credit on the terms and conditions of this Agreement, except in each case (other than with respect to the Borrower) to the extent such failure to do so would not reasonably be expected to have a Material Adverse Effect.

(d) Except as otherwise contemplated by Section 7.7(p), with respect to any new first-tier Foreign Subsidiary created or acquired after the Closing Date by the Borrower or any Subsidiary Guarantor, promptly (i) give notice of such acquisition or creation to the Collateral Agent and, if requested by the Collateral Agent, execute and deliver to the Collateral Agent such amendments to the Guarantee and Collateral Agreement as the Collateral Agent reasonably deems necessary or reasonably advisable in order to grant to the Collateral Agent, for the benefit of the Secured Parties, a perfected security interest (to the extent required by the Security Documents and with the priority required by Section 4.17) in the Capital Stock of such new Subsidiary (other than any Excluded Collateral) that is owned by the Borrower or such Subsidiary Guarantor (as applicable) and (ii) deliver to the Collateral Agent (or, in the case of Pledged Securities that are ABL Facility First Priority Collateral, the collateral agent under the ABL Facility Agreement) the certificates, if any, representing such Capital Stock (other than any Excluded Collateral), together with undated stock powers, in blank, executed and delivered by a duly authorized officer of the Borrower or such Subsidiary Guarantor (as applicable).

(e) Notwithstanding anything in this Section 6.8 or any Security Document to the contrary, (i) neither Holdings nor the Borrower nor any of its Restricted Subsidiaries shall be required to take any actions in order to create or perfect the security interest in the Collateral granted to the Collateral Agent for the benefit of the Secured Parties under the laws of any jurisdiction outside the United States, (ii) no control agreement shall be required with respect to (x) any Excluded Account or (y) any other Deposit Accounts (as defined in the Guarantee and Collateral Agreement) for which control agreements are not required under Section 5.3 of the Guarantee and Collateral Agreement and (iii) no Liens shall be required to be pledged or created with respect to any of the following (collectively, the "Excluded Collateral"):

(A) (x) unless also constituting ABL Facility First Priority Collateral, assets located outside the United States, (y) motor vehicles or other assets subject to certificates of title or (z) any "intent-to-use" application for registration of a trademark or service mark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law;

(B) any property or asset to the extent that such grant of a security interest is prohibited or effectively restricted by any applicable law (only so long as such prohibition exists) or requires a consent not obtained of any Governmental Authority pursuant to such applicable laws;

(C) any Excluded Accounts and any Excluded Equity Securities;

(D) (w) any assets owned on or acquired after the Closing Date, to the extent that, and for so long as, taking such actions would violate applicable law or regulation (after giving effect to Section 9-406(d), 9-407(a), 9-408 or 9-409 of the Uniform Commercial Code and other applicable law), (x) any assets acquired before or after the Closing Date, to the extent that and for so long as such grant would violate an enforceable contractual obligation binding on such assets that existed at the time of the acquisition thereof and was not created or made binding on such assets in contemplation or in connection with the acquisition of such assets, (y) any assets (1) owned on the Closing Date or (2) acquired after the Closing Date, in each case in this clause (y), securing Indebtedness of the type permitted pursuant to Section 7.2(c) (or other Indebtedness permitted under Section 7.2(d), 7.2(j), 7.2(t) or 7.2(v) if such Indebtedness is of the type that is contemplated by Section 7.2(c)) that is secured by a Lien permitted by Section 7.3 so long as the documents governing such Lien do not permit the pledge of such assets to the Collateral Agent, or (z) any lease, license or other agreement, any asset embodying rights, priorities or privileges granted under such leases, licenses or agreements, or any property subject to a purchase money security interest or similar arrangement to the extent that a grant of a security interest therein would violate, breach or invalidate such lease, license or agreement or purchase money arrangement or create a right of acceleration, modification, termination or cancellation in favor of any other party thereto (other than any Loan Party) after giving effect to the applicable anti-assignment provisions of the Uniform Commercial Code or applicable law, other than proceeds and receivables thereof, and only for so long such prohibition exists and to the extent such prohibition was not creation in contemplation of such grant;

(E) (x) any assets to the extent a security interest in such assets could reasonably be expected to result in material adverse tax consequences (including as a result of the operation of Section 956 of the Code or any similar law or regulation in any applicable jurisdiction) as reasonably determined in good faith by the Borrower, or (y) any assets as to which the Administrative Agent and the Borrower shall reasonably determine that the costs and burdens of obtaining a security interest therein outweigh the value of the security afforded thereby;

(F) any leasehold interest in Real Property (and any Fixtures relating thereto) and any Fixtures relating to any owned Real Property to the extent that the Collateral Agent is not otherwise entitled to a security interest with respect to such owned Real Property under the terms of this Agreement; and

(G) any owned Real Property other than Material Real Property, but in any event excluding any Excluded Real Property.

(f) Notwithstanding the foregoing, to the extent any new Restricted Subsidiary is created solely for the purpose of consummating a merger transaction pursuant to an acquisition permitted by Section 7.7, and such new Subsidiary at no time holds any assets or liabilities other than any merger consideration contributed to it substantially contemporaneously with the closing of such merger transaction, such new Subsidiary shall not be required to take the actions set forth in Section 6.8(c) or 6.8(d), as applicable, until the respective acquisition is consummated (at which time the surviving entity of the respective merger transaction shall be required to so comply within ten Business Days (or such longer period as the Administrative Agent shall agree in its sole discretion)).

(g) From time to time the Loan Parties shall execute and deliver, or cause to be executed and delivered, such additional instruments, certificates or documents, and take all such actions, as the Collateral Agent may reasonably request for the purposes implementing or effectuating the provisions of this Agreement and the other Loan Documents, or of renewing the rights of the Secured Parties with respect to the Collateral as to which the Collateral Agent, for the benefit of the Secured Parties, has a perfected Lien pursuant hereto or thereto, including filing any financing or continuation statements or financing statement amendments under the Uniform Commercial Code (or other similar laws) in effect in any jurisdiction with respect to the security interests created thereby; provided, that the Loan Parties shall use commercially reasonable efforts to deliver landlord lien waivers, estoppels or collateral access letters if such landlord lien waivers, estoppels or collateral access letters are required or provided under the ABL Documents. Notwithstanding the foregoing, the provisions of this Section 6.8 shall not apply to assets as to which the Administrative Agent and the Borrower shall reasonably determine that the costs and burdens of obtaining a security interest therein or perfection thereof outweigh the value of the security afforded thereby. The Administrative Agent may grant extensions of time or waivers of requirement for the creation or perfection of security interests in or the obtaining of insurance (including title insurance) or surveys with respect to particular assets (including extensions beyond the Closing Date for the perfection of security interests in the assets of the Loan Parties on such date) where it reasonably determines, in consultation with

the Borrower, that perfection or obtaining of such items cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required by this Agreement or the other Loan Documents.

(h) Notwithstanding the foregoing, if (a) the Borrower or any Restricted Subsidiary acquires any Material Real Property (other than Excluded Real Property) or (b) the Required Lenders or Administrative Agent shall have notified the Borrower in writing that they have or it has a reasonable belief that either the Borrower or any of its Restricted Subsidiaries is in breach of its obligations under Section 6.4 (to the extent applicable to Environmental Law or Releases of Materials of Environmental Concern), then the Borrower shall deliver within 60 days after the Required Lenders or the Administrative Agent, as applicable, requests therefor or such longer period as the Administrative Agent shall agree, at the Borrower's cost and expense, an environmental assessment report, in the case of clause (b) above of a scope reasonably appropriate to address the subject of the Required Lenders' or the Administrative Agent's, as applicable, reasonable belief that such a breach exists, prepared by an environmental consulting firm reasonably acceptable to the Administrative Agent, indicating the presence or absence of Materials of Environmental Concern or noncompliance with Environmental Law and the estimated cost of any compliance, response or other corrective action to address any identified Materials of Environmental Concern, to the extent required by Environmental Law, or noncompliance on such properties. Without limiting the generality of the foregoing, if the Administrative Agent reasonably determines at any time that a material risk exists that any such report will not be provided within the time referred to above, the Administrative Agent may retain an environmental consulting firm to prepare such report at the expense of the Borrower (which report would be addressed to the Borrower), and the Borrower hereby grants and agrees to cause any Subsidiary that owns or leases any property described in such request to grant the Administrative Agent, such firm and any agents or representatives thereof an irrevocable non-exclusive license, subject to the rights of tenants or necessary consent of landlords, to enter onto their respective properties to undertake such an assessment on behalf of the Borrower. By virtue of the foregoing, the Borrower does not intend to waive the attorney-client privilege with respect to any information or advice provided by the environmental consulting firm.

(xix) the foregoing shall not apply to any restrictions or conditions imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or other obligations referred to in clauses (i) through (xviii) above, provided, that the restrictions and conditions contained in such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in good faith judgment of the Borrower no more restrictive than those restrictions and conditions in

(2) any change of control (or similar event) under any other Indebtedness for Borrowed Money that is triggered due to the Permitted Investors (as defined herein) obtaining the requisite percentage contemplated by such change of control provision, unless both (x) such Indebtedness for Borrowed Money shall become due and payable or shall otherwise be required to be repaid, repurchased, redeemed or defeased, whether at the option of any holder thereof or otherwise and (y) at such time, the Borrower and/or its Restricted Subsidiaries would not

(iv) Holdings or the Borrower or any of its Restricted Subsidiaries (other than any Immaterial Subsidiary (whether or not then designated as such)) shall consent to or approve of, or acquiesce in, any of the acts set forth in clause (i), (ii), or (iii) above; or

(v) Holdings or the Borrower or any of its Restricted Subsidiaries (other than any Immaterial Subsidiary (whether or not then designated as such)) shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due;

(ii) a failure to meet the minimum funding standards (as defined in Section 302(a) of ERISA), whether or not waived, shall exist with respect to any Single Employer Plan or any Lien in favor of the PBGC or a Lien shall arise on the assets of the Borrower or any of its Restricted Subsidiaries;

(iii) a Reportable Event shall occur with respect to, or proceedings shall commence to have a trustee appointed, or a trustee shall be appointed, to administer or to terminate, any Single Employer Plan, which Reportable Event or commencement of proceedings or appointment of a trustee is reasonably likely to result in the termination of such Single Employer Plan for purposes of Title IV of ERISA;

(iv) any Single Employer Plan shall terminate in a distress termination under Section 4041(c) of ERISA or in an involuntary termination by the PBGC under Section 4042 of ERISA;

(v) the Borrower or any of its Restricted Subsidiaries shall, or is reasonably likely to, incur any liability as a result of a withdrawal from, or the Insolvency of, a Multiemployer Plan; or

(vi) any other event or condition shall occur or exist with respect to a Plan or a Commonly Controlled Plan;

and in each case in clauses (i) through (vi) above, which event or condition, together with all other such events or conditions, if any, would reasonably be expected to result in a direct obligation of the Borrower or any of its Restricted Subsidiaries to pay money that would reasonably be expected to have a Material Adverse Effect;

(h) One or more final judgments or decrees shall be entered against the Borrower or any of its Restricted Subsidiaries (other than any Immaterial Subsidiary (whether or not then designated as such)) pursuant to which the Borrower and any such Restricted Subsidiaries taken as a whole has a liability (not paid or fully covered by third-party insurance or effective indemnity) of $50,000,000 or more (net of any amounts which are covered by insurance or an effective indemnity), and all such judgments or decrees shall not have been vacated, discharged, dismissed, stayed or bonded within 60 days from the entry thereof;

(i) Subject to Schedule 6.10, any limitations expressly set forth herein and the exceptions set forth in the applicable Security Documents:

(i) any of the Security Documents shall cease, for any reason (other than by reason of the express release thereof in accordance with the terms thereof or hereof) to be in full force and effect or shall be asserted in writing by the Borrower or any Guarantor not to be a legal, valid and binding obligation of any party thereto;

(ii) any security interest purported to be created by any Security Document with respect to any material portion of the Collateral of the Loan Parties on a consolidated basis shall cease to be, or shall be asserted in writing by any Loan Party not

to be, a valid and perfected security interest (having the priority required by this Agreement or the relevant Security Document) in the securities, assets or properties covered thereby, except to the extent that (x) any such loss of perfection or priority results from limitations of foreign laws, rules and regulations as they apply to pledges of Capital Stock in Foreign Subsidiaries or the application thereof, or from the failure of the Collateral Agent (or, in the case of the ABL Facility First Priority Collateral, the collateral agent under the ABL Facility Agreement) to maintain possession of certificates actually delivered to it representing securities pledged under the Guarantee and Collateral Agreement or otherwise or to file UCC continuation statements, (y) such loss is covered by a lender's title insurance policy and the Administrative Agent shall be reasonably satisfied with the credit of such insurer or (z) any such loss of validity, perfection or priority is the result of any failure by the Collateral Agent (or, in the case of the ABL Facility First Priority Collateral, the collateral agent under the ABL Facility Agreement) to take any action necessary to secure the validity, perfection or priority of the security interests; or

(iii) the Guarantee Obligations pursuant to the Security Documents by any Loan Party of any of the Obligations shall cease to be in full force and effect (other than in accordance with the terms hereof or thereof), or such Guarantee Obligations shall be asserted in writing by any Loan Party not to be in effect or not to be legal, valid and binding obligations; or

(j) (i) Holdings shall cease to own, directly or indirectly, 100% of the Capital Stock of the Borrower; or

(ii) for any reason whatsoever, any "person" or "group" (within the meaning of Rule 13d-5 of the Exchange Act as in effect on the Closing Date, but excluding any employee benefit plan of such person and its subsidiaries, and any person or entity acting in its capacity as trustee, agent or other fiduciary or administrator of any such plan, and excluding the Permitted Investors) shall become the "beneficial owner" (within the meaning of Rule 13d-3 and 13d-5 of the Exchange Act as in effect on the Closing Date), directly or indirectly, of more than the greater of (x) 35% of the then outstanding voting securities having ordinary voting power of Holdings and (y) the percentage of the then outstanding voting securities having ordinary voting power of Holdings owned, directly or indirectly, beneficially (within the meaning of Rule 13d-3 and 13d-5 of the Exchange Act as in effect on the Closing Date) by the Permitted Investors (it being understood that if any such person or group includes one or more Permitted Investors, the outstanding voting securities having ordinary voting power of Holdings directly or indirectly owned by the Permitted Investors that are part of such person or group shall not be treated as being owned by such person or group for purposes of determining whether this clause (y) is triggered) (any of the foregoing, a "Change of Control");

then, and in any such event, (A) if such event is an Event of Default specified in clause (i) or (ii) of paragraph (f) above with respect to the Borrower, automatically the Commitments shall

immediately terminate and the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents shall immediately become due and payable, and (B) if such event is any other Event of Default, either or both of the following actions may be taken: (i) with the consent of the Required Lenders, the Administrative Agent may, or upon the request of the Required Lenders, the Administrative Agent shall, by notice to the Borrower declare the Revolving Commitments to be terminated forthwith, whereupon the Revolving Commitments shall immediately terminate; and (ii) with the consent of the Required Lenders, the Administrative Agent may, or upon the request of the Required Lenders, the Administrative Agent shall, by notice to the Borrower, declare the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents to be due and payable forthwith, whereupon the same shall immediately become due and payable. ~~In the case of all Letters of Credit with respect to which presentment for honor shall not have occurred at the time of an acceleration pursuant to this paragraph, the Borrower shall at such time deposit in a cash collateral account opened by the Administrative Agent an amount equal to the aggregate then undrawn and unexpired amount of such Letters of Credit. Amounts held in such cash collateral account shall be applied by the Administrative Agent to the payment of drafts drawn under such Letters of Credit, and the unused portion thereof after all such Letters of Credit shall have expired or been backstopped or been fully drawn upon, if any, shall be applied to repay other obligations of the Borrower hereunder and under the other Loan Documents. After all such Letters of Credit shall have expired or been fully drawn upon, all Reimbursement Obligations shall have been satisfied and all other obligations of the Borrower then due and owing hereunder and under the other Loan Documents shall have been paid in full, the balance, if any, in such cash collateral account shall be returned to the Borrower (or such other Person as may be lawfully entitled thereto).~~ Except as expressly provided above in this Section 8.1 or otherwise in any Loan Document, presentment, demand and protest of any kind are hereby expressly waived by the Borrower.

SECTION IX. THE AGENTS

9.1 Appointment

. Each Lender~~, Issuing Lender and Swingline Lender~~ hereby irrevocably designates and appoints each Agent as the agent of such Lender under the Loan Documents and each such Lender irrevocably authorizes each Agent, in such capacity, to take such action on its behalf under the provisions of the applicable Loan Documents and to exercise such powers and perform such duties as are expressly delegated to such Agent by the terms of the applicable Loan Documents, together with such other powers as are reasonably incidental thereto, including the authority to enter into any Intercreditor Agreement, ~~any Joinder Agreement, Increase Supplement,~~ Lender Joinder Agreement (to the extent entered into prior to the Amendment No. 1 Effective Date) and any Extension Amendment. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Agents shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Agents. Without limiting the generality of the foregoing, the Lenders hereby irrevocably authorize and instruct each Agent

to, without any further consent of any Secured Party, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify the ABL Intercreditor Agreement, the Pari Passu Intercreditor Agreement and any Other Intercreditor Agreement with the collateral agent or other representatives of the holders of Indebtedness that is permitted to be secured by a Lien on the Collateral that is not prohibited (including with respect to priority) under this Agreement and, to the extent applicable, the ABL Intercreditor Agreement, and to subject the Liens on the Collateral securing the Secured Obligations to the provisions thereof. The Lenders irrevocably agree that (x) the Agents may rely exclusively on a certificate of a Responsible Officer of the Borrower as to whether any such other Liens are permitted and (y) the ABL Intercreditor Agreement and any Other Intercreditor Agreement entered into by either Agent shall be binding on the Lenders, and each Lender hereby agrees that it will take no actions contrary to the provisions of any Intercreditor Agreement.

9.2 Delegation of Duties

. Each Agent may execute any of its duties under the applicable Loan Documents by or through any of its branches, agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Neither Agent shall be responsible for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care. Each Agent and any such agent or attorney-in-fact may perform any and all of its duties by or through their respective Related Persons. The exculpatory provisions of this Section shall apply to any such agent or attorney-in-fact and to the Related Persons of each Agent and any such agent or attorney-in-fact, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent.

9.3 Exculpatory Provisions

. Neither any Agent nor any of their respective officers, directors, employees, agents, attorneys in fact or Affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder or the creation, perfection or priority of any Lien purported to be created by the Security Documents or the value or the sufficiency of any Collateral. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party, nor shall any Agent be required to take any action that, in its opinion or the opinion of its counsel, may expose

it to liability that is not subject to indemnification under Section 10.5 or that is contrary to any Loan Document or applicable law.

9.4 Reliance by the Agents

. The Agents shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Agents. Each Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. Each Agent shall be fully justified in failing or refusing to take any action under the applicable Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all Lenders or the Majority Facility Lenders in respect of any Facility) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Agents shall in all cases be fully protected in acting, or in refraining from acting, under the applicable Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all Lenders or the Majority Facility Lenders in respect of any Facility), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans. In determining compliance with any conditions hereunder to the making of a Loan~~, or the issuance of a Letter of Credit,~~ that by its terms must be fulfilled to the satisfaction of a ~~Lender, an Issuing Lender or Swingline~~ Lender, the Agents may presume that such condition is satisfactory to such Lender~~, Issuing Lender or Swingline Lender~~ unless the Administrative Agent shall have received notice to the contrary from such Lender~~, Issuing Lender, or Swingline Lender~~ prior to the making of such Loan ~~or the issuance of such Letter of Credit~~.

9.5 Notice of Default

. Neither Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless such Agent has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default.” In the event that an Agent receives such a notice, such Agent shall give notice thereof to the Lenders. The Agents shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders or the Majority Facility Lenders in respect of any Facility); provided, that unless and until such Agent shall have received such directions, such Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

9.6 Non-Reliance on Agents and Other Lenders

. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys in fact or Affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any Affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, Property, financial and other condition and creditworthiness of the Loan Parties and their Affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under the applicable Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, Property, financial and other condition and creditworthiness of the Loan Parties and their Affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Agents hereunder, the Agents shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, Property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any Affiliate of a Loan Party that may come into the possession of either Agent or any of its officers, directors, employees, agents, attorneys in fact or Affiliates.

9.7 Indemnification

. The Lenders severally agree to indemnify each Agent~~, any Issuing Lender and Swingline Lender~~ in its capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section 9.7 (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure Percentages immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent~~, any Issuing Lender or Swingline Lender~~ in any way relating to or arising out of, the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent~~, any Issuing Lender or Swingline Lender~~ under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's~~, Issuing Lender's or Swingline Lender's~~ gross negligence or willful misconduct. The agreements in this Section 9.7 shall survive the payment of the Loans and all other amounts payable hereunder.

9.8 Agent in Its Individual Capacity

. Each Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans ~~or Swingline Loan~~ made or renewed by it ~~and with respect to any Letter of Credit issued or participated in by it,~~ each Agent shall have the same rights and powers under the applicable Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

9.9 Successor Agents

.

(a) Subject to the appointment of a successor as set forth herein, any Agent may resign upon 30 days' notice to the Lenders, the Borrower and the other Agent effective upon appointment of a successor Agent. Upon receipt of any such notice of resignation, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall be a bank that has an office in New York, New York with a combined capital and surplus of at least $500,000,000 and shall (unless an Event of Default under Section 8.1(a) or Section 8.1(f) with respect to the Borrower shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of such retiring Agent, and the retiring Agent's rights, powers and duties as Agent shall be terminated, without any other or further act or deed on the part of such retiring Agent or any of the parties to this Agreement or any holders of the Loans. If no successor Agent shall have been so appointed by the Required Lenders with such consent of the Borrower and shall have accepted such appointment within 30 days after the retiring Agent's giving of notice of resignation, then the retiring Agent may, on behalf of the Lenders and with the consent of the Borrower (such consent not to be unreasonably withheld or delayed) appoint a successor Administrative Agent and/or Collateral Agent, as the case may be, with the qualifications set forth above. After any retiring Agent's resignation as Agent, the provisions of this Section 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement and the other Loan Documents.

(b) If at any time either the Borrower or the Required Lenders determine that any Person serving as an Agent is a Defaulting Lender, the Borrower by notice to the Lenders and such Person or the Required Lenders by notice to the Borrower and such Person may, subject to the appointment of a successor as set forth herein, remove such Person as an Agent. If such Person is removed as an Agent, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 8.1(a) or Section 8.1(f) with respect to the Borrower shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of such retiring Agent, and the retiring Agent's rights, powers and duties as Agent shall be terminated, without any other or further act or deed on the part of such retiring Agent or any of

the parties to this Agreement or any holders of the Loans. Such removal will, to the fullest extent permitted by applicable law, be effective on the date a replacement Agent is appointed.

(c) Any resignation by the Administrative Agent pursuant to this Section 9 shall also constitute its resignation as Collateral Agent ~~and, if applicable, Issuing Lender and Swingline Lender~~. The Lenders hereby further agree that in connection with the establishment of a Pari Passu Replacement Agreement, this Agreement, the Guarantee and Collateral Agreement and the other Loan Documents may be amended, amended and restated, modified or supplemented to reflect such Pari Passu Replacement Agreement, in each case by the Administrative Agent (or Collateral Agent, as applicable) and the Borrower, but without the consent of any Lender.

Notwithstanding the foregoing, no Lender shall be permitted to make assignments under this Agreement to any Disqualified Institutions without the written consent of the Borrower.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) below, from and after the effective date specified in each Assignment and Assumption or Affiliate Lender Assignment and Assumption, as applicable, the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption or Affiliate Lender Assignment and Assumption, as applicable, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption or Affiliate Lender Assignment and Assumption, as applicable, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption or Affiliate Lender Assignment and Assumption, as applicable, covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be subject to the obligations under and entitled to the benefits of Sections 2.19, 2.20, 2.21, 10.5 and 10.14). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 10.6 (and will be required to comply therewith), other than any sale to a Disqualified Institution, which shall be null and void.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans ~~and L/C Obligations~~ owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The Register shall be available for inspection by the Borrower~~, the Issuing Lenders, the Swingline Lender~~ and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption or Affiliate Lender Assignment and Assumption, as applicable, executed by an assigning Lender and an Assignee (except as contemplated by Sections 2.24 and 2.26(e)), the Assignee's completed administrative questionnaire (unless the Assignee shall already be a Lender hereunder) and all applicable tax forms, the processing and recordation fee referred to in paragraph (b) of this Section 10.6 (unless waived by the Administrative Agent) and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and promptly record the information contained therein in the Register. Subject to paragraph (c)(ii) of this Section 10.6, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.19, 2.20 and 2.21 (if such Participant agrees to have related obligations thereunder (it being understood that the documentation required under Section 2.20 shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 10.6. Notwithstanding the foregoing, no Lender shall be permitted to sell participations under this Agreement to any Disqualified Institutions without the written consent of the Borrower.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.19, 2.20 or 2.21 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent to such greater amounts. No Participant shall be entitled to the benefits of Section 2.20 unless such Participant complies with Section 2.20(e), (g) or (j), as (and to the extent) applicable, as if such Participant were a Lender (it being understood that the documentation required under Section 2.20 shall be delivered to the participating Lender).

(iii) Each Lender that sells a participation, acting solely for U.S. federal income tax purposes as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a register on which it enters the name and addresses of each Participant, and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided, that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans~~, Letters of Credit~~ or its other obligations under this Agreement) except to the extent that the relevant parties, acting reasonably and in good faith, determine that such disclosure is necessary to establish that such Commitment, Loan~~, Letter of Credit~~ or other obligation is in registered form under

Section 5f.103-1(c) of the United States Treasury Regulations. Unless otherwise required by the IRS, any disclosure required by the foregoing sentence shall be made by the relevant Lender directly and solely to the IRS. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement, notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (it its capacity as such) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may, without the consent of or notice to the Administrative Agent or the Borrower, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central banking authority, and this Section 10.6 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring the same (in the case of an assignment, following surrender by the assigning Lender of all Notes representing its assigned interests).

(f) The Borrower may prohibit any assignment if it would require the Borrower to make any filing with any Governmental Authority or qualify any Loan or Note under the laws of any jurisdiction and the Borrower shall be entitled to request and receive such information and assurances as it may reasonably request from any Lender or any Assignee to determine whether any such filing or qualification is required or whether any assignment is otherwise in accordance with applicable law.

(ii) the assigning Lender and Other Affiliate purchasing such Lender's Term Loans, shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit E hereto or such other form reasonably acceptable to the Administrative Agent and the Borrower (an "Affiliate Lender Assignment and Assumption") in lieu of an Assignment and Assumption;

(iii) after giving effect to such assignment, Other Affiliates (other than Debt Fund Affiliates) shall not, in the aggregate, own or hold Term Loans with an aggregate principal amount in excess of 20% of the principal amount of all Term Loans then outstanding (calculated as of the date of such purchase); and

(iv) such Other Affiliate (other than Debt Fund Affiliates) shall (A) at the time of such assignment affirm the No Undisclosed Information Representation, (B) at all times thereafter be subject to the voting restrictions specified in Section 10.1 and (C) at the time of any sale by it of any portion of such Term Loans~~,~~ or Specified Refinancing ~~Term Loans or New~~ Term Loans (other than a sale to another Other Affiliate), affirm the No Undisclosed Information Representation.

(h) Notwithstanding anything to the contrary herein, any Lender may assign all or any portion of its Term Loans of any Tranche hereunder to Holdings or any of its Subsidiaries, but only if:

(i) (A) such assignment is made pursuant to a Dutch Auction open to all Term Lenders of the same Tranche on a pro rata basis or (B) such assignment is made as an Open Market Purchase;

(ii) no Default or Event of Default shall have occurred and be continuing before or immediately after giving effect to such assignment;

(iii) the relevant Auction Offeror shall represent and warrant, as of the date of the launch of the Dutch Auction and on the date of any such assignment, that it does not have any material non-public information that has not been disclosed to the Term Lenders generally (other than to the extent any such Term Lender does not wish to receive material non-public information with respect to Holdings or its Subsidiaries or any of their respective securities) prior to such date;

(iv) immediately and automatically, without any further action on the part of Holdings or any of its Subsidiaries, any Lender, the Administrative Agent or any other Person, upon the effectiveness of such assignment of Term Loans from a Term Lender to the relevant Auction Offeror, such Term Loans and all rights and obligations as a Term Lender related thereto shall, for all purposes under this Agreement, the other Loan Documents and otherwise, be deemed to be irrevocably prepaid, terminated, extinguished, cancelled and of no further force and effect and such Auction Offeror shall neither obtain nor have any rights as a Term Lender hereunder or under the other Loan Documents by virtue of such assignment; and

(v) the relevant Auction Offeror shall not use the proceeds of any Revolving Facility for any such assignment.

(i) Except as provided in Sections 10.6(g) and (h), none of the Sponsor, any Other Affiliate, Holdings or any of its Subsidiaries may acquire by assignment, participation or otherwise any right to or interest in any of the Commitments or Loans hereunder (and any such attempted acquisition shall be null and void).

(j) Notwithstanding anything to the contrary herein, (i) Other Affiliates (other than Debt Fund Affiliates) shall not have any right to attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any other Lender

to which representatives of the Borrower are not then present, (ii) Other Affiliates (other than Debt Fund Affiliates) shall not have any right to receive any information or material prepared by the Administrative Agent or any other Lender or any communication by or among the Administrative Agent and one or more other Lenders, except to the extent such information or materials have been made available to the Borrower or their representatives, (iii) no assignments in respect of the Revolving Facility may be made to the Sponsor or any Affiliate of the Sponsor and (iv) neither the Sponsor nor any Affiliate of the Sponsor (other than Debt Fund Affiliates) may be entitled to receive advice of counsel to the Agents or other Lenders and none of them shall challenge any assertion of attorney-client privilege by any Agent or other Lender.

(k) Notwithstanding anything to the contrary contained herein, the replacement of any Lender pursuant to Section 2.24 or 2.26(e) shall be deemed an assignment pursuant to Section 10.6(b) and shall be valid and in full force and effect for all purposes under this Agreement.

(l) Any assignor of a Loan or Commitment or seller of a participation hereunder shall be entitled to rely conclusively on a representation of the assignee Lender or purchaser of such participation in the relevant Assignment and Assumption or participation agreement, as applicable, that such assignee or purchaser is not a Disqualified Institution. None of the Joint Lead Arrangers, the Joint Bookrunners or the Agents shall have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to, Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Institution.

10.15 Release of Collateral and Guarantee Obligations; Subordination of Liens

.

(a) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon request of the Borrower in connection with any Disposition of Property permitted by the Loan Documents (including by way of merger and including any assets transferred to a Subsidiary that is not a Loan Party in a transaction permitted by this Agreement) or any Loan Party becoming an Excluded Subsidiary or ceasing to be a Subsidiary, all Liens and Guarantees on such assets or all assets of such Excluded Subsidiary (other than pursuant to clause (b) of the definition thereof) or former Subsidiary shall automatically terminate and the Collateral Agent shall (without notice to, or vote or consent of, any Lender, or any Affiliate of any Lender that is a party to any Specified Hedge Agreement or documentation in respect of Specified Cash Management Obligations or Specified Additional Obligations) execute and deliver all releases reasonably necessary or desirable (i) to evidence the release of Liens created in any Collateral being Disposed of in such Disposition (including any assets of any Loan Party that becomes an Excluded Subsidiary) or of such Excluded Subsidiary or former Subsidiary, as applicable, (ii) to provide notices of the termination of the assignment of any Property for which an assignment had been made pursuant to any of the Loan Documents which is being Disposed of in such Disposition or of such Excluded Subsidiary or former Subsidiary, as applicable, and (iii) to release the Guarantee and any other obligations under any Loan Document of any Person being Disposed of in such Disposition or which becomes an Excluded Subsidiary or former Subsidiary, as applicable; *provided*, that to the extent the Property being so Disposed has a Fair Market Value in excess of $25,000,000, the Borrower shall deliver a certificate of a Responsible Officer certifying that the Disposition is permitted by the Loan Documents. Any representation, warranty or covenant contained in any Loan Document relating to any such Property so Disposed of (other than Property Disposed of to the Borrower or any of its Restricted Subsidiaries) or of a Loan Party which becomes an Excluded Subsidiary or former Subsidiary, as applicable, shall no longer be deemed to be repeated once such Property is so Disposed of. In addition, upon the reasonable request of the Borrower in connection with (A) any Lien of the type permitted by Section 7.3(g) on Excluded Collateral to secure Indebtedness to be incurred pursuant to Section 7.2(c) (or pursuant to Section 7.2(d), 7.2(j), or 7.2(y) if such Indebtedness is of the type that is contemplated by Section 7.2(c)) if the holder of such Lien so requires, (B) any Lien securing Indebtedness pursuant to Section 7.2(t)(x) if the holder of such Lien so requires and pursuant to Section 7.2(t)(y) if the holder of such Lien so requires and if the holder of the applicable Indebtedness being refinanced also so requires, and in each case to the extent constituting Excluded Collateral, (C) any Lien of the type permitted by Sections 7.3(o), 7.3(r)(i), 7.3(t) or 7.3(bb), in each case, to the extent the obligations giving rise to such permitted Lien prohibit (or require the release of) the security interest of the Collateral Agent thereon and so long as such

cash subject to such Lien is not included in the definition of Qualified Cash after giving effect thereto, or 7.3(kk) to the extent constituting Excluded Collateral, or (D) the ownership of joint ventures or other entities qualifying under clause (iv) of the definition of Excluded Equity Securities, the Collateral Agent shall execute and deliver all releases necessary or desirable to evidence that no Liens exist on such Excluded Collateral under the Loan Documents.

(b) Notwithstanding anything to the contrary contained herein or any other Loan Document, when all Obligations (other than (x) obligations in respect of any Specified Hedge Agreement, Specified Cash Management Obligations or Specified Additional Obligations and (y) any contingent or indemnification obligations not then due) have been paid in full, all Commitments have terminated or expired ~~and no Letter of Credit shall be outstanding that is not Cash Collateralized~~, upon the request of the Borrower, all Liens and Guarantee Obligations under any Loan Documents shall automatically terminate and the Collateral Agent shall (without notice to, or vote or consent of, any Lender, or any Affiliate of any Lender that is a party to any Specified Hedge Agreement or documentation in respect of Specified Cash Management Obligations or Specified Additional Obligations) take such actions as shall be required to release its security interest in all Collateral, and to release all Guarantee Obligations under any Loan Document, whether or not on the date of such release there may be outstanding Obligations in respect of Specified Hedge Agreements, Specified Cash Management Obligations or Specified Additional Obligations or contingent or indemnification obligations not then due. Any such release of Guarantee Obligations shall be deemed subject to the provision that such Guarantee Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its Property, or otherwise, all as though such payment had not been made.

(c) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon request of the Borrower in connection with any Liens permitted by the Loan Documents, the Collateral Agent shall (without notice to, or vote or consent of, any Lender) take such actions as shall be required to subordinate the Lien on any Collateral to any Lien permitted under Section 7.3.

10.16 Accounting Changes

. In the event that any Accounting Change (as defined below) shall occur and such change results in a change in the method of calculation of financial ratios, covenants, standards or terms in this Agreement, then following notice either from the Borrower to the Administrative Agent or from the Administrative Agent to the Borrower (which the Administrative Agent shall give at the request of the Required Lenders), the Borrower and the Administrative Agent agree to enter into negotiations in order to amend such provisions of this Agreement so as to equitably reflect such Accounting Changes with the desired result that the criteria for evaluating the Borrower's financial condition and covenant capacities shall be the same after such Accounting Changes as if such Accounting Changes had not been made. If any such notices are given then,

regardless of whether such notice is given prior to or following such Accounting Change, until such time as such an amendment shall have been executed and delivered by the Borrower, the Administrative Agent and the Required Lenders and have become effective, all financial ratios, covenants, standards and terms in this Agreement shall continue to be calculated or construed as if such Accounting Changes had not occurred. Any amendment contemplated by the prior sentence shall become effective upon the consent of the Required Lenders, it being understood that a Lender shall be deemed to have consented to and executed such amendment if such Lender has not objected in writing within five Business Days following receipt of notice of execution of the applicable amendment by the Borrower and the Administrative Agent, it being understood that the posting of an amendment referred to in the preceding sentence electronically on the Platform to the Lenders shall be deemed adequate receipt of notice of such amendment. "Accounting Changes" refers to changes in accounting principles required by the promulgation of any rule, regulation, pronouncement or opinion by the Financial Accounting Standards Board of the American Institute of Certified Public Accountants or, if applicable, the SEC, in each case, occurring after the Closing Date, including any change to IFRS contemplated by the definition of "GAAP." Without limiting the foregoing, for purposes of determining compliance with any provision of this Agreement, the determination of whether a lease is to be treated as an operating lease or capital lease shall be made without giving effect to any change in accounting for leases pursuant to GAAP resulting from the implementation of proposed Accounting Standards Update (ASU) Leases (Topic 840) issued August 17, 2010, or any successor proposal.

10.17 WAIVERS OF JURY TRIAL

. **EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT or the transactions contemplated hereby or thereby AND FOR ANY COUNTERCLAIM THEREIN.**

10.18 USA PATRIOT ACT

. Each Lender hereby notifies the Loan Parties that pursuant to the requirements of the USA Patriot Act (Title III of Publ. 107 56 (signed into law October 26, 2001)) (the "USA Patriot Act"), it is required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of such Loan Parties and other information that will allow such Lender to identify the Loan Parties in accordance with the USA Patriot Act, and the Borrower agrees to provide such information from time to time to any Lender or Agent reasonably promptly upon request from such Lender or Agent.

10.19 Effect of Certain Inaccuracies

. In the event that any financial statement delivered pursuant to Section 6.1(a) or (b) or any Compliance Certificate delivered pursuant to Section 6.2(b) is inaccurate, and such inaccuracy, if corrected, would have led to the application of a higher Applicable Margin or Applicable Commitment Fee Rate for any period (an "Applicable Period") than the Applicable Margin or Applicable Commitment Fee Rate for such Applicable Period, then (i) promptly

following the correction of such financial statement by the Borrower, the Borrower shall deliver to the Administrative Agent a corrected financial statement and a corrected Compliance Certificate for such Applicable Period, (ii) the Applicable Margin and Applicable Commitment Fee Rate for the Test Period preceding the delivery of such corrected financial statement and Compliance Certificate shall be determined based on the corrected Compliance Certificate for such Applicable Period and (iii) the Borrower shall promptly pay to the Administrative Agent the accrued additional interest or commitment fees owing as a result of such increased Applicable Margin or Applicable Commitment Fee Rate for such Test Period. This Section 10.19 shall not limit the rights of the Administrative Agent or the Lenders hereunder, including under Section 8.1. Each of the parties hereto acknowledges that, as of the Closing Date, neither the Applicable Margin nor the Applicable Commitment Fee Rate is determined by reference to any financial ratio or metric reported on any financial statement delivered pursuant to Section 6.1(a) or (b) or any Compliance Certificate delivered pursuant to Section 6.2(b).

10.20 Interest Rate Limitation

. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively, the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 10.20 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

10.21 Payments Set Aside

. To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent~~, any Issuing Lender, the Swingline Lender~~ or any Lender, or the Administrative Agent~~, any Issuing Lender, the Swingline Lender~~ or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent~~, such Issuing Lender, Swingline Lender~~ or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender~~, each Issuing Lender and the Swingline Lender~~ severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such

payment is made at a rate per annum equal to the Federal Funds Effective Rate from time to time in effect. The obligations of the Lenders~~, the Issuing Lenders and the Swingline Lender~~ under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

10.22 Electronic Execution of Assignments and Certain Other Documents

. The words "execution," "execute", "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumptions, amendments or other notices of borrowing, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

10.23 Acknowledgement and Consent to Bail-In of ~~EEA~~Affected Financial Institutions

. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any ~~EEA~~Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of ~~an EEA~~the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

## ARTICLE II.

## PRIORITIES AND AGREEMENTS WITH RESPECT TO SHARED COLLATERAL

**bi. Priority of Claims.**

7. Anything contained herein or in any of the First Lien Documents to the contrary notwithstanding (but subject to **Sections 2.1(b)** and **2.11(c)**), if an Event of Default has occurred and is continuing, and the Applicable Collateral Agent is taking action to enforce rights in respect of any Shared Collateral, or any distribution is made in respect of any Shared Collateral in any Bankruptcy Case of any Grantor or any First Lien Claimholder receives any payment pursuant to any intercreditor agreement (other than this Agreement) or otherwise with respect to any Shared Collateral, the proceeds of any sale, collection or other liquidation of any Shared Collateral or Equity Release Proceeds received by any First Lien Claimholder or received by the Applicable Collateral Agent or any First Lien Claimholder pursuant to any such intercreditor agreement or otherwise with respect to such Collateral and proceeds of any such distribution (subject, in the case of any such distribution, to the sentence immediately following clause THIRD below) to which the First Lien Obligations are entitled under any intercreditor agreement (other than this Agreement) or otherwise (all proceeds of any sale, collection or other liquidation of any Collateral comprising either Shared Collateral or Equity Release Proceeds and all proceeds of any such distribution and any proceeds of any insurance covering the Shared Collateral received by the Applicable Collateral Agent and not returned to any Grantor under any First Lien Document being collectively referred to as "***Proceeds***"), subject to the ABL Intercreditor Agreement, shall be applied by the Applicable Collateral Agent in the following order:

i. ***FIRST***, to the payment of all amounts owing to each Collateral Agent (in its capacity as such) and each Representative (in its capacity as such) secured by such Shared Collateral or, in the case of Equity Release Proceeds, secured by the Underlying Assets, including all reasonable costs and expenses incurred by each Collateral Agent (in its capacity as such) and each Representative (in its capacity as such) in connection with

such collection or sale or otherwise in connection with this Agreement, any other First Lien Document or any of the First Lien Obligations, including all court costs and the reasonable fees and expenses of its agents and legal counsel, and any other reasonable costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other First Lien Document and all fees and indemnities owing to such Collateral Agents and Representatives, ratably to each such Collateral Agent and Representative in accordance with the amounts payable to it pursuant to this clause FIRST;

ii. ***SECOND***, subject to **Sections 2.1(b)** and **2.11(c)**, to the extent Proceeds remain after the application pursuant to preceding **clause (i)**, to each Representative for the payment in full of the other First Lien Obligations of each Series secured by such Shared Collateral or, in the case of Equity Release Proceeds, secured by the Underlying Assets, and, if the amount of such Proceeds are insufficient to pay in full the First Lien Obligations of each Series so secured then such Proceeds shall be allocated among the Representatives of each Series secured by such Shared Collateral or, in the case of Equity Release Proceeds, secured by the Underlying Assets, pro rata according to the amounts of such First Lien Obligations owing to each such respective Representative and the other First Lien Claimholders represented by it for distribution by such Representative in accordance with its respective First Lien Documents; and

iii. ***THIRD***, any balance of such Proceeds remaining after the application pursuant to preceding **clauses (i)** and **(ii)**, to the Grantors, their successors or assigns from time to time, or to whomever may be lawfully entitled to receive the same, including pursuant to any Junior Lien Intercreditor Agreement, if applicable.

If, despite the provisions of this **Section 2.1(a)**, any First Lien Claimholder shall receive any payment or other recovery in excess of its portion of payments on account of the First Lien Obligations to which it is then entitled in accordance with this **Section 2.1(a)**, such First Lien Claimholder shall hold such payment or recovery in trust for the benefit of all First Lien Claimholders for distribution in accordance with this **Section 2.1(a)**.

8. **Intervening Creditor**

iv. Notwithstanding the foregoing, with respect to any Shared Collateral or Equity Release Proceeds for which a third party (other than a First Lien Claimholder) has a Lien that is junior in priority to the Lien of any Series of First Lien Obligations but senior (as determined by appropriate legal proceedings in the case of any dispute) to the Lien of any other Series of First Lien Obligations (such third party an "***Intervening Creditor***"), the value of any Shared Collateral, Equity Release Proceeds or Proceeds which are allocated to such Intervening Creditor shall be deducted on a ratable basis solely from the Shared Collateral, Equity Release Proceeds or Proceeds to be distributed in respect of the Series of First Lien Obligations with respect to which such Impairment exists.

v. In furtherance of the foregoing and without limiting the provisions of **Sections 2.3** and **2.9**, it is the intention of the First Lien Claimholders of each Series that the holders of

First Lien Obligations of such Series (and not the First Lien Claimholders of any other Series)

a. bear the risk of any determination by a court of competent jurisdiction that

a. any of the First Lien Obligations of such Series are unenforceable under applicable law or are subordinated to any other obligations (other than another Series of First Lien Obligations),

b. any of the First Lien Obligations of such Series do not have a valid and perfected security interest in any of the Collateral securing any other Series of First Lien Obligations and/or

c. any intervening security interest exists securing any other obligations (other than another Series of First Lien Obligations) on a basis ranking prior to the security interest of such Series of First Lien Obligations but junior to the security interest of any other Series of First Lien Obligations and

b. not take into account for purposes of this Agreement the existence of any Collateral (other than Equity Release Proceeds) for any other Series of First Lien Obligations that is not Shared Collateral

(any such condition referred to in the foregoing **clauses (A)** or **(B)** with respect to any Series of First Lien Obligations, an "***Impairment***" of such Series); ***provided*** that the existence of a maximum claim with respect to any real property subject to a mortgage which applies to all First Lien Obligations shall not be deemed to be an Impairment of any Series of First Lien Obligations. In the event of any Impairment with respect to any Series of First Lien Obligations, the results of such Impairment shall be borne solely by the holders of such Series of First Lien Obligations, and the rights of the holders of such Series of First Lien Obligations (including the right to receive distributions in respect of such Series of First Lien Obligations pursuant to **Section 2.1**) set forth herein shall be modified to the extent necessary so that the effects of such Impairment are borne solely by the holders of the Series of such First Lien Obligations subject to such Impairment. Additionally, in the event the First Lien Obligations of any Series are modified pursuant to applicable law (including pursuant to Section 1129 of the Bankruptcy Code), any reference to such First Lien Obligations or the First Lien Documents governing such First Lien Obligations shall refer to such obligations or such documents as so modified.

9. It is acknowledged that the First Lien Obligations of any Series may, subject to the limitations set forth in the then existing First Lien Documents and subject to any limitations set forth in this Agreement, be increased, extended, renewed, replaced, restated, supplemented, restructured, repaid, refunded, Refinanced or otherwise amended or modified from time to time, all without affecting the priorities set forth in **Section 2.1(a)** or the provisions of this Agreement defining the relative rights of the First Lien Claimholders of any Series.

10. Notwithstanding the date, time, method, manner or order of grant, attachment or perfection of any Liens securing any Series of First Lien Obligations granted on the Shared Collateral and notwithstanding any provision of the Uniform Commercial Code of any jurisdiction, or any other applicable law or the First Lien Documents or any defect or deficiencies in the Liens securing the First Lien Obligations of any Series or any other circumstance whatsoever (but, in each case, subject to **Section 2.1(b)**), each First Lien Claimholder hereby agrees that the Liens securing each Series of First Lien Obligations on any Shared Collateral shall be of equal priority.

11. Notwithstanding anything in this Agreement or any other First Lien Document to the contrary, prior to the Discharge of the Credit Agreement Obligations, Collateral consisting of cash and cash equivalents pledged to secure Credit Agreement Obligations consisting of reimbursement obligations in respect of letters of credit pursuant to the Credit Agreement shall be applied as specified in the Credit Agreement and will not constitute Shared Collateral.

**bj. Actions with Respect to Shared Collateral; Prohibition on Contesting Liens.**

12. Notwithstanding **Section 2.1**,

vi. only the Applicable Collateral Agent shall act or refrain from acting with respect to Shared Collateral (including with respect to any other intercreditor agreement with respect to any Shared Collateral),

vii. the Applicable Collateral Agent shall act only on the instructions of the Applicable Representative and shall not follow any instructions with respect to such Shared Collateral (including with respect to any other intercreditor agreement with respect to any Shared Collateral) from any Non-Controlling Representative (or any other First Lien Claimholder other than the Applicable Representative) and

viii. no Other First Lien Claimholder shall or shall instruct any Collateral Agent to, and any other Collateral Agent that is not the Applicable Collateral Agent shall not, commence any judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its security interest in or realize upon, or take any other action available to it in respect of, Shared Collateral (including with respect to any other intercreditor agreement with respect to Shared Collateral), whether under any First Lien Collateral Document (other than the First Lien Collateral Documents applicable to the Applicable Collateral Agent), applicable law or otherwise, it being agreed that only the Applicable Collateral Agent, acting in accordance with the First Lien Collateral Documents applicable to it, shall be entitled to take any such actions or exercise any remedies with respect to such Shared Collateral at such time.

13. Without limiting the provisions of **Section 4.2**, each Representative and Collateral Agent that is not the Applicable Collateral Agent hereby appoints the Applicable Collateral

Agent as its agent and authorizes the Applicable Collateral Agent to exercise any and all remedies under each First Lien Collateral Document with respect to Shared Collateral and to execute releases in connection therewith.

14. Notwithstanding the equal priority of the Liens securing each Series of First Lien Obligations granted on the Shared Collateral, the Applicable Collateral Agent (acting on the instructions of the Applicable Representative) may deal with the Shared Collateral as if such Applicable Collateral Agent had a senior and exclusive Lien on such Shared Collateral. No Non-Controlling Representative, Non-Controlling Claimholder or Collateral Agent that is not the Applicable Collateral Agent will contest, protest or object to any foreclosure proceeding or action brought by the Applicable Collateral Agent, the Applicable Representative or the Controlling Claimholders or any other exercise by the Applicable Collateral Agent, the Applicable Representative or the Controlling Claimholders of any rights and remedies relating to the Shared Collateral. The foregoing shall not be construed to limit the rights and priorities of any First Lien Claimholder, Collateral Agent or Representative with respect to any Collateral not constituting Shared Collateral.

15. [Reserved].

16. Each of the First Lien Claimholders agrees that it will not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the perfection, priority, validity or enforceability of a Lien held by or on behalf of any of the First Lien Claimholders in all or any part of the Collateral or the provisions of this Agreement; ***provided*** that nothing in this Agreement shall be construed to prevent or impair

ix. the rights of any Collateral Agent or any Representative to enforce this Agreement or

x. the rights of any First Lien Claimholder to contest or support any other Person in contesting the enforceability of any Lien purporting to secure obligations not constituting First Lien Obligations.

**bk. <u>No Interference; Payment Over; Exculpatory Provisions.</u>**

17. Each First Lien Claimholder agrees that

xi. it will not challenge or question or support any other Person in challenging or questioning in any proceeding the validity or enforceability of any First Lien Obligations of any Series or any First Lien Collateral Document or the validity, attachment, perfection or priority of any Lien under any First Lien Collateral Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement; ***provided*** that nothing in this Agreement shall be construed to prevent or impair the rights of any First Lien Claimholder from challenging or questioning the validity or enforceability of any First Lien Obligations constituting

unmatured interest or the validity of any Lien relating thereto pursuant to Section 502(b)(2) of the Bankruptcy Code,

xii. it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Shared Collateral by the Applicable Collateral Agent,

xiii. except as provided in **Section 2.2**, it shall have no right to and shall not otherwise

c. direct the Applicable Collateral Agent or any other First Lien Claimholder to exercise any right, remedy or power with respect to any Shared Collateral (including pursuant to any other intercreditor agreement) or

d. consent to, or object to, the exercise by, or any forbearance from exercising by, the Applicable Collateral Agent or any other First Lien Claimholder represented by it of any right, remedy or power with respect to any Collateral,

xiv. it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against the Applicable Collateral Agent or any other First Lien Claimholder represented by it seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Collateral and

xv. it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement;

***provided*** that nothing in this Agreement shall be construed to prevent or impair the rights of any of the Applicable Collateral Agent or any other First Lien Claimholder to (x) enforce this Agreement or (y) contest or support any other Person in contesting the enforceability of any Lien purporting to secure obligations not constituting First Lien Obligations.

18. Each First Lien Claimholder hereby agrees that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any Shared Collateral, pursuant to any First Lien Collateral Document or by the exercise of any rights available to it under applicable law or in any Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement), at any time prior to the Discharge of each of the First Lien Obligations, then it shall hold such Shared Collateral, proceeds or payment in trust for the other First Lien Claimholders having a security interest in such Shared Collateral and promptly transfer any such Shared Collateral, proceeds or payment, as the case may be, to the Applicable Collateral Agent, to be distributed by such Applicable Collateral Agent in accordance with the provisions of **Section 2.1(a)** hereof, ***provided***, however, that the foregoing shall not apply to any Shared Collateral purchased by any First Lien Claimholder for cash pursuant to any exercise of remedies permitted hereunder.

19. None of the Applicable Collateral Agent, any Applicable Representative or any other First Lien Claimholder shall be liable for any action taken or omitted to be taken by the

Applicable Collateral Agent, such Applicable Representative or any other First Lien Claimholder with respect to any Collateral in accordance with the provisions of this Agreement.

**bl. Automatic Release of Liens.**

20. If, at any time any Shared Collateral is transferred to a third party or otherwise disposed of, in each case, in connection with any enforcement by the Applicable Collateral Agent in accordance with the provisions of this Agreement, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of the other Collateral Agents for the benefit of each Series of First Lien Claimholders (or in favor of such other First Lien Claimholders if directly secured by such Liens) upon such Shared Collateral will automatically be released and discharged upon final conclusion of such disposition as and when, but only to the extent, such Liens of the Applicable Collateral Agent on such Shared Collateral are released and discharged; ***provided*** that any proceeds of any Shared Collateral realized therefrom shall be applied pursuant to **Section 2.1** hereof. If in connection with any such foreclosure or other exercise of remedies by the Applicable Collateral Agent, the Applicable Collateral Agent or related Applicable Representative of such Series of First Lien Obligations releases any guarantor from its obligation under a guarantee of the Series of First Lien Obligations for which it serves as agent prior to a Discharge of such Series of First Lien Obligations, such guarantor also shall be released from its guarantee of all other First Lien Obligations. If in connection with any such foreclosure or other exercise of remedies by the Applicable Collateral Agent, the equity interests of any Person are foreclosed upon or otherwise disposed of and the Applicable Collateral Agent releases its Lien on the property or assets of such Person, then the Liens of each other Collateral Agent (or in favor of such other First Lien Claimholders if directly secured by such Liens) with respect to any Shared Collateral consisting of the property or assets of such Person will be automatically released to the same extent as the Liens of the Applicable Collateral Agent are released; ***provided*** that any proceeds of any such equity interests foreclosed upon where the Applicable Collateral Agent releases its Lien on the assets of such Person on which another Series of First Lien Obligations holds a Lien on any of the assets of such Person (any such assets, the "***Underlying Assets***") which Lien is released as provided in this sentence (any such Proceeds being referred to herein as "***Equity Release Proceeds***" regardless of whether or not such other Series of First Lien Obligations holds a Lien on such equity interests so disposed of) shall be applied pursuant to **Section 2.1** hereof.

21. Without limiting the rights of the Applicable Collateral Agent under **Section 4.2**, each Collateral Agent and each Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Applicable Collateral Agent to evidence and confirm any release of Shared Collateral, Underlying Assets or guarantee provided for in this Section.

**bm. Certain Agreements with Respect to Bankruptcy or Insolvency Proceedings.**

22. This Agreement shall continue in full force and effect notwithstanding the commencement of any proceeding under the Bankruptcy Code or any other Federal, state or

foreign bankruptcy, insolvency, receivership or similar law by or against any Grantor or any of its subsidiaries.

23. If any Grantor shall become subject to a case (a "***Bankruptcy Case***") under the Bankruptcy Code and shall, as debtor(s)-in-possession, move for approval of financing ("***DIP Financing***") to be provided by one or more lenders (the "***DIP Lenders***") under Section 364 of the Bankruptcy Code or the use of cash collateral under Section 363 of the Bankruptcy Code, each First Lien Claimholder (other than any Controlling Claimholder or any Representative of any Controlling Claimholder) agrees that it will not raise any objection to any such financing or to the Liens on the Shared Collateral securing the same ("***DIP Financing Liens***") or to any use of cash collateral that constitutes Shared Collateral, unless a Representative of the Controlling Claimholders shall then oppose or object to such DIP Financing or such DIP Financing Liens or use of cash collateral and

xvi. to the extent that such DIP Financing Liens are senior to the Liens on any such Shared Collateral for the benefit of the Controlling Claimholders, each Non-Controlling Claimholder will subordinate its Liens with respect to such Shared Collateral on the same terms as the Liens of the Controlling Claimholders (other than any Liens of any First Lien Claimholders constituting DIP Financing Liens) are subordinated thereto, and

xvii. to the extent that such DIP Financing Liens rank *pari passu* with the Liens on any such Shared Collateral granted to secure the First Lien Obligations of the Controlling Claimholders, each Non-Controlling Claimholder will confirm the priorities with respect to such Shared Collateral as set forth herein,

in each case so long as

(A) the First Lien Claimholders of each Series retain the benefit of their Liens on all such Shared Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority vis-à-vis all the other First Lien Claimholders (other than any Liens of the First Lien Claimholders constituting DIP Financing Liens) as existed prior to the commencement of the Bankruptcy Case,

(B) the First Lien Claimholders of each Series are granted Liens on any additional collateral pledged to any First Lien Claimholders as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority vis-à-vis the First Lien Claimholders as set forth in this Agreement (other than any Liens of any First Lien Claimholders constituting DIP Financing Liens),

(C) if any amount of such DIP Financing or cash collateral is applied to repay any of the First Lien Obligations, such amount is applied pursuant to **Section 2.1(a)** of this Agreement, and

(D) if any First Lien Claimholders are granted adequate protection with respect to the First Lien Obligations subject hereto, including in the form of periodic payments, in connection with such use of cash collateral, the proceeds of such adequate protection are applied pursuant to **Section 2.1(a)** of this Agreement;

***provided*** that

(x) the First Lien Claimholders of each Series shall have a right to object to the grant of a Lien to secure the DIP Financing over any Collateral subject to Liens in favor of the First Lien Claimholders of such Series or its Representative that shall not constitute Shared Collateral (unless such Collateral fails to constitute Shared Collateral because (i) the Lien in respect thereof constitutes a Declined Lien with respect to such First Lien Claimholders or their Representative or Collateral Agent or (ii) such Collateral constitutes Initial Other First Lien Specified Collateral);

(y) the First Lien Claimholders receiving adequate protection shall not object to any other First Lien Claimholder receiving adequate protection comparable to any adequate protection granted to such First Lien Claimholders in connection with a DIP Financing or use of cash collateral; and

(z) until the Discharge of Initial Other First Lien Agreement, only the Initial Other First Lien Claimholders or their Representative shall be permitted to propose to provide a DIP Financing.

24. If any First Lien Claimholder is granted adequate protection

xviii. in the form of Liens on any additional collateral, then each other First Lien Claimholder shall be entitled to seek, and each First Lien Claimholder will consent and not object to, adequate protection in the form of Liens on such additional collateral with the same priority vis-à-vis the First Lien Claimholders as set forth in this Agreement,

xix. in the form of a superpriority or other administrative claim, then each other First Lien Claimholder shall be entitled to seek, and each First Lien Claimholder will consent and not object to, adequate protection in the form of a pari passu superpriority or administrative claim or

xx. in the form of periodic or other cash payments,

then the proceeds of such adequate protection must be applied to all First Lien Obligations pursuant to **Section 2.1**.

**bn. Reinstatement**.

In the event that any of the First Lien Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement of a preference under Title 11 of the Bankruptcy Code, or any similar law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Agreement shall be fully applicable thereto until all such First Lien Obligations shall again have been paid in full in cash. This **Section 2.6** shall survive termination of this Agreement.

**bo. Insurance and Condemnation Award**s.

As among the First Lien Claimholders, the Applicable Collateral Agent (acting at the direction of the Applicable Representative), shall have the right, but not the obligation, to adjust or settle any insurance policy or claim covering or constituting Shared Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral. To the extent any Collateral Agent or any other First Lien Claimholder receives proceeds of such insurance policy and such proceeds are not permitted or required to be returned to any Grantor under the applicable First Lien Documents, such proceeds shall be turned over to the Applicable Collateral Agent for application as provided in **Section 2.1** hereof.

**bp. Refinancings**.

The First Lien Obligations of any Series may, subject to **Section 5.14**, be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the Refinancing transaction under any First Lien Document) of any First Lien Claimholder of any other Series, all without affecting the priorities provided for herein or the other provisions hereof; ***provided*** that the Representative and Collateral Agent of the holders of any such Refinancing Indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing Indebtedness. If such Refinancing Indebtedness is intended to constitute a Replacement Credit Agreement or Replacement Initial Other First Lien Agreement, the Company shall so state in its Designation.

**bq. Gratuitous Bailee/Agent for Perfection**.

25. The Applicable Collateral Agent shall be entitled to hold any Possessory Collateral constituting Shared Collateral.

26. Notwithstanding the foregoing, each Collateral Agent agrees to hold any Possessory Collateral constituting Shared Collateral and any other Shared Collateral from time to time in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit of each other First Lien Claimholder (such bailment being intended, among other things, to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2) and 9-313(c) of the UCC) and any assignee, solely for the purpose of perfecting the security interest granted in such Shared Collateral, if any, pursuant to the applicable First Lien Collateral Documents, in each case, subject to the terms and conditions of this **Section 2.9**. Solely with respect to any Deposit Accounts constituting Shared Collateral under the control (within the meaning of Section 9-104 of the UCC) of any Collateral Agent, each such Collateral Agent agrees to also hold control over such Deposit Accounts as gratuitous agent for each other First Lien Claimholder and any assignee solely for the purpose of perfecting the security interest in such Deposit Accounts, subject to the terms and conditions of this **Section 2.9**.

27. No Collateral Agent shall have any obligation whatsoever to any First Lien Claimholder to ensure that the Possessory Collateral and Control Collateral is genuine or owned by any of the Grantors or to preserve rights or benefits of any Person except as expressly set forth in this **Section 2.9**. The duties or responsibilities of each Collateral Agent under this **Section 2.9** shall be limited solely to holding any Possessory Collateral constituting Shared

Collateral or any other Shared Collateral in its possession or control as gratuitous bailee (and with respect to Deposit Accounts, as gratuitous agent) in accordance with this **Section 2.9** and delivering the Possessory Collateral constituting Shared Collateral as provided in **Section 2.9(e)** below.

28. None of the Collateral Agents or any of the First Lien Claimholders shall have by reason of the First Lien Documents, this Agreement or any other document a fiduciary relationship in respect of the other Collateral Agents or any other First Lien Claimholder, and each Collateral Agent and each First Lien Claimholder hereby waives and releases the other Collateral Agents and First Lien Claimholders from all claims and liabilities arising pursuant to any Collateral Agent's role under this **Section 2.9** as gratuitous bailee with respect to the Possessory Collateral constituting Shared Collateral or any other Shared Collateral in its possession or control (and with respect to the Deposit Accounts, as gratuitous agent).

29. At any time the Applicable Collateral Agent is no longer the Applicable Collateral Agent, such outgoing Applicable Collateral Agent shall deliver the remaining Possessory Collateral constituting Shared Collateral in its possession (if any) together with any necessary endorsements (which endorsement shall be without recourse and without any representation or warranty), first, to the then Applicable Collateral Agent to the extent First Lien Obligations remain outstanding and second, to the applicable Grantor to the extent no First Lien Obligations remain outstanding (in each case, so as to allow such Person to obtain possession or control of such Shared Collateral) or to whomever may be lawfully entitled to receive the same, including pursuant to any Junior Lien Intercreditor Agreement. The outgoing Applicable Collateral Agent further agrees to take all other action reasonably requested by the then Applicable Collateral Agent at the expense of the Company in connection with the then Applicable Collateral Agent obtaining a first-priority security interest in the Shared Collateral.

**br. Amendments to First Lien Collateral Documents.**

30. Without the prior written consent of each other Collateral Agent, each Collateral Agent agrees that no First Lien Collateral Document may be amended, restated, amended and restated, supplemented, replaced or Refinanced or otherwise modified from time to time or entered into to the extent such amendment, supplement, Refinancing or modification, or the terms of any new First Lien Collateral Document, would be prohibited by, or would require any Grantor to act or refrain from acting in a manner that would violate, any of the terms of this Agreement.

31. In determining whether an amendment to any First Lien Collateral Document is permitted by this **Section 2.10**, each Collateral Agent may conclusively rely on an officer's certificate of the Company stating that such amendment is permitted by this **Section 2.10**.

**bs. Similar Liens and Agreements.**

32. Each Collateral Agent agrees, for itself and on behalf of each applicable First Lien Claimholder, whether or not any Insolvency or Liquidation Proceeding has commenced by or against the Company or any other Grantor, that it shall not acquire or hold any Lien on any assets

of the Company or any other Grantor securing any First Lien Obligations that are not also subject to the Lien in respect of the other First Lien Obligations under any other Series of First Lien Documents except to the extent otherwise specifically permitted by the applicable Series of First Lien Documents; ***provided***, that:

xxi. this **Section 2.11(a)** will not apply with respect to the carve-outs set forth in **Section 2.11(c)**, and

xxii. this provision will not be violated with respect to any particular Series if the First Lien Document for such Series prohibits the Collateral Agent for that Series from accepting a Lien on such asset or property or such Collateral Agent otherwise expressly declines to accept a Lien on such asset or property (any such prohibited or declined Liens with respect to a particular Series, a "***Declined Lien***").

If any Collateral Agent or First Lien Claimholder shall (nonetheless and in breach hereof) acquire or hold any Lien on any collateral of a Grantor that is not also subject to the Lien in respect of the First Lien Obligations under any other Series of First Lien Documents, then such Collateral Agent shall, without the need for any further consent of any part and notwithstanding anything to the contrary in any other document, be deemed to also hold and have held such Lien for the benefit of each other Collateral Agent as security for all other First Lien Obligations (subject to the terms hereof) and shall promptly notify each other Collateral Agent in writing of the existence of such Lien and in any event any amount received or distributed on account of such Liens shall be subject to **Section 2.1** hereof.

xxiii. upon request by any Collateral Agent, to cooperate in good faith (and to direct their counsel to cooperate in good faith) from time to time in order to determine the specific items included in the Shared Collateral and the steps taken to perfect their respective Liens thereon and the identity of the respective parties obligated under the Credit Agreement Documents and the Other First Lien Documents;

xxiv. that the documents and agreements creating or evidencing the Liens on Shared Collateral securing the Credit Agreement Obligations and the Other First Lien Obligations shall, subject to the terms and conditions of **Section 5.2**, be in all material respects the same forms of documents as one another, except that the documents and agreements creating or evidencing the Liens securing the Other First Lien Obligations may contain additional provisions as may be necessary or appropriate to establish the intercreditor arrangements among the various separate classes of creditors holding Other First Lien Obligations and to address any Declined Lien or the Initial Other First Lien Specified Collateral and

xxv. Collateral consisting of Initial Other First Lien Specified Collateral shall solely secure and shall be applied as specified in the Initial Other First Lien Agreement and the Initial Other First Lien Documents and will not constitute Shared Collateral.

34. ## ARTICLE III.

**EXISTENCE AND AMOUNTS OF LIENS AND OBLIGATIONS**

Whenever any Applicable Collateral Agent or any Applicable Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any First Lien Obligations of any Series, the aggregate unpaid principal amount of each Series of First Lien Obligations then outstanding, or the Shared Collateral subject to any Lien securing the First Lien Obligations of any Series, it may request that such information be furnished to it in writing by each other Representative or each other Collateral Agent and shall be entitled to make such determination or not make any determination on the basis of the information so furnished; ***provided***, ***however***, that if a Representative or a Collateral Agent shall fail or refuse reasonably promptly to provide the requested information, the requesting Applicable Collateral Agent or Applicable Representative shall be entitled to make any such determination or not make any determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Company. Each Applicable Collateral Agent and each Applicable Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any First Lien Claimholder or any other person as a result of such determination.

## ARTICLE IV.

**THE APPLICABLE COLLATERAL AGENT**

**bt. Authority.**

35. Notwithstanding any other provision of this Agreement, nothing herein shall be construed to impose any fiduciary or other duty on any Applicable Collateral Agent to any Non-Controlling Claimholder or give any Non-Controlling Claimholder the right to direct any Applicable Collateral Agent, except that each Applicable Collateral Agent shall be obligated to distribute proceeds of any Shared Collateral in accordance with **Section 2.1** hereof and act in accordance with **Section 2.2** hereof.

36. In furtherance of the foregoing, each Non-Controlling Claimholder acknowledges and agrees that the Applicable Collateral Agent shall be entitled, for the benefit of the First Lien Claimholders, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the First Lien Collateral Documents, as applicable, without regard to any rights to which the Non-Controlling Claimholders would otherwise be entitled as a result of the

First Lien Obligations held by such Non-Controlling Claimholders. Without limiting the foregoing, each Non-Controlling Claimholder agrees that none of the Applicable Collateral Agent, the Applicable Representative or any other First Lien Claimholder shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the First Lien Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any First Lien Obligations), in any manner that would maximize the return to the Non-Controlling Claimholders, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Claimholders from such realization, sale, disposition or liquidation. Each of the First Lien Claimholders waives any claim it may now or hereafter have against any Collateral Agent or Representative of any other Series of First Lien Obligations or any other First Lien Claimholder of any other Series arising out of:

xxvi. any actions which any such Collateral Agent, Representative or any First Lien Claimholder represented by it take or omit to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the First Lien Obligations from any account debtor, guarantor or any other party) in accordance with the First Lien Collateral Documents or any other agreement related thereto or in connection with the collection of the First Lien Obligations or the valuation, use, protection or release of any security for the First Lien Obligations; ***provided*** that nothing in this **clause (i)** shall be construed to prevent or impair the rights of any Collateral Agent or Representative to enforce this Agreement,

xxvii. any election by any Applicable Representative or any holders of First Lien Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code, or

xxviii. subject to **Section 2.5**, any borrowing, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, by the Company or any of its Subsidiaries, as debtor-in-possession.

Notwithstanding any other provision of this Agreement, the Applicable Collateral Agent shall not

(x) accept any Shared Collateral in full or partial satisfaction of any First Lien Obligations pursuant to Section 9-620 of the Uniform Commercial Code of any jurisdiction, without the consent of each Representative representing holders of First Lien Obligations for whom such Collateral constitutes Shared Collateral or

(y) "credit bid" for or purchase (other than for cash) Shared Collateral at any public, private or judicial foreclosure (including in a credit bid pursuant to Section 363 of Title 11 of the U.S. Code) upon such Shared Collateral, without the consent of each Representative representing holders of First Lien Obligations for whom such Collateral constitutes Shared Collateral.

Nothing in the provisions of this Agreement, including the foregoing **clause (x)** and **(y)**, shall limit or affect the rights of any Collateral Agent with respect to the Non-Shared Collateral.

**bu. Power-of-Attorney.**

Each Non-Controlling Representative and Collateral Agent that is not the Applicable Collateral Agent, for itself and on behalf of each other First Lien Claimholder of the Series for whom it is acting, hereby irrevocably appoints the Applicable Collateral Agent and any officer or agent of the Applicable Collateral Agent, which appointment is coupled with an interest with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Non-Controlling Representative, Collateral Agent or First Lien Claimholder, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Agreement, including the exercise of any and all remedies under each First Lien Collateral Document with respect to Shared Collateral and the execution of releases in connection therewith.

## ARTICLE V.

**bv. Integration/Conflicts.**

This Agreement, together with the other First Lien Documents and the First Lien Collateral Documents, represents the entire agreement of each of the Grantors and the First Lien Claimholders with respect to the subject matter hereof and thereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof. There are no promises, undertakings, representations or warranties by any Representative, Collateral Agent or First Lien Claimholder relative to the subject matter hereof and thereof not expressly set forth or referred to herein or therein. In the event of any conflict between the provisions of this Agreement and the provisions of the First Lien Documents the provisions of this Agreement shall govern and control.

**bw. Effectiveness; Continuing Nature of this Agreement; Severability.**

This Agreement shall become effective when executed and delivered by the parties hereto. This is a continuing agreement and the First Lien Claimholders of any Series may continue, at any time and without notice to any First Lien Claimholder of any other Series, to extend credit and other financial accommodations and lend monies to or for the benefit of the Company or any Grantor constituting First Lien Obligations in reliance hereon. Each Representative and each Collateral Agent, on behalf of itself and each other First Lien Claimholder represented by it, hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or

unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace any invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to those of the invalid, illegal or unenforceable provisions. All references to the Company or any other Grantor shall include the Company or such Grantor as debtor and debtor in possession and any receiver, trustee or similar person for the Company or any other Grantor (as the case may be) in any Insolvency or Liquidation Proceeding. This Agreement shall terminate and be of no further force and effect with respect to any Representative or Collateral Agent and the First Lien Claimholders represented by such Representative or Collateral Agent and their First Lien Obligations, on the date on which there has been a Discharge of such Series of First Lien Obligations, subject to the rights of the First Lien Claimholders under **Section 2.6**; ***provided***, ***however***, that such termination shall not relieve any such party of its obligations incurred hereunder prior to the date of such termination.

**bx. Amendments; Waivers.**

37. No amendment, modification or waiver of any of the provisions of this Agreement shall be deemed to be made unless the same shall be in writing signed on behalf of each party hereto or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. Notwithstanding the foregoing, the Company and the other Grantors shall not have any right to consent to or approve any amendment, modification or waiver of any provision of this Agreement except to the extent their rights are directly and adversely affected.

38. Notwithstanding the foregoing, without the consent of any First Lien Claimholder, any Representative and Collateral Agent may become a party hereto by execution and delivery of a Joinder Agreement in accordance with **Section 5.14** of this Agreement and upon such execution and delivery, such Representative and Collateral Agent and the Other First Lien Claimholders and Other First Lien Obligations of the Series for which such Representative and Collateral Agent is acting shall be subject to the terms hereof.

39. **by. Information Concerning Financial Condition of the Grantors and their Subsidiaries.**

The Representative and Collateral Agent and the other First Lien Claimholders of each Series shall each be responsible for keeping themselves informed of (a) the financial condition of the Grantors and their Subsidiaries and all endorsers and/or guarantors of the First Lien Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the First Lien

Obligations. The Representative and Collateral Agent and the other First Lien Claimholders of each Series shall have no duty to advise the Representative, Collateral Agent or First Lien Claimholders of any other Series of information known to it or them regarding such condition or any such circumstances or otherwise. In the event the Representative or Collateral Agent or any of the other First Lien Claimholders, in its or their sole discretion, undertakes at any time or from time to time to provide any such information to the Representative, Collateral Agent or First Lien Claimholders of any other Series, it or they shall be under no obligation:

40. to make, and such Representative and Collateral Agent and such other First Lien Claimholders shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided;

47. waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other First Lien Collateral Document in any court referred to in **Section 5.5(a)** (and irrevocably waives to the fullest extent permitted by applicable law the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court);

48. consents to service of process in any such proceeding in any such court by registered or certified mail, return receipt requested, to the applicable party at its address provided in accordance with **Section 5.7** (and agrees that nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law);

49. agrees that service as provided in **Section 5.5(e)** above is sufficient to confer personal jurisdiction over the applicable party in any such proceeding in any such court, and otherwise constitutes effective and binding service in every respect; and

EACH PARTY HERETO AND THE COMPANY AND THE OTHER GRANTORS (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT EACH SUCH PARTY HERETO AND THE COMPANY AND EACH OTHER GRANTOR HAVE BEEN INDUCED TO ENTER INTO OR ACKNOWLEDGE THIS AGREEMENT AND THE OTHER FIRST LIEN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. EACH PARTY HERETO AND THE COMPANY AND THE OTHER GRANTORS FURTHER REPRESENTS AND WARRANTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL.**

For the avoidance of doubt, if the Borrower has exercised its option under the first sentence of this **clause (g)**, and any Default or Event of Default occurs following the date the definitive agreements for the applicable Limited Condition Acquisition were entered into and prior to the consummation of such Limited Condition Acquisition, any such Default or Event of Default shall be deemed not to have occurred or be continuing solely for purposes of determining whether any action being taken in connection with such Limited Condition Acquisition is permitted hereunder.

For the avoidance of doubt, if the Borrower has made an LCA Election and any of the ratios or baskets for which compliance was determined or tested as of the LCA Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated Total Assets of the Borrower or the Person subject to such Limited Condition Acquisition, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio or basket availability with respect to the incurrence of Indebtedness or Liens, or the making of Restricted Payments, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated; ***provided*** that the calculation of Consolidated Net Income (and any defined term a component of which is Consolidated Net Income) shall not include the Consolidated Net Income of the Person or assets to be acquired in any Limited Condition Acquisition for usages other than in connection with the applicable transaction pertaining to such Limited Condition Acquisition until such time as such Limited Condition Acquisition is actually consummated (**clauses (g)** and **(h)**, collectively, the "***Limited Condition Acquisition Provision***").

(i) For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from

**1.3 Pro Forma Calculations**

. (i) Any calculation to be determined on a "pro forma" basis, after giving "pro forma" effect to certain transactions or pursuant to words of similar import and (ii) the Consolidated Net First Lien Leverage Ratio, the Consolidated Net Secured Leverage Ratio, the Consolidated Net Total Leverage Ratio, the Financial Covenant Fixed Charge Coverage Ratio and the Fixed Charge Coverage Ratio, in each case, shall be calculated as follows (subject to the provisions of **Section 1.2**):

(a) for purposes of making the computation referred to above, in the event that the Borrower or any of its Restricted Subsidiaries incurs, assumes, guarantees, redeems, retires, defeases or extinguishes any Indebtedness or enters into, terminates or cancels a Qualified Contract, other than the completion thereof in accordance with its terms, subsequent to the commencement of the period for which such ratio is being calculated but on or prior to or substantially concurrently with or for the purpose of the event for which the calculation is made (a "***Calculation Date***"), then such calculation shall be made giving pro forma effect to such incurrence, assumption, guarantee, redemption, retirement, defeasance or extinguishment of Indebtedness or entry into, termination or cancellation of such Qualified Contract (other than the completion thereof in accordance with its terms) as if the same had occurred at the beginning of the applicable Test Period; ***provided***, that the aggregate amount of revenues (and related assets) included in such pro forma calculation for any Test Period pursuant to this **clause 1.3(a)** with respect to Qualified Contracts shall not exceed $50 million in revenues (and any such related assets); ***provided***, ***further***, that for purposes of making the computation of Consolidated Net First Lien Leverage, Consolidated Net Secured Leverage, Consolidated Net Total Leverage or Fixed Charges for the computation of the Consolidated Net First Lien Leverage Ratio, Consolidated Net Secured Leverage Ratio, Consolidated Net Total Leverage Ratio, Financial Covenant Fixed Charge Coverage Ratio or Fixed Charge Coverage Ratio, as applicable, Consolidated Net First Lien Leverage, Consolidated Net Secured Leverage, Consolidated Net Total Leverage or Fixed Charges, as applicable, shall be Consolidated Net First Lien Leverage, Consolidated Net Secured Leverage, Consolidated Net Total Leverage or Fixed Charges as of the date the relevant action is being taken giving pro forma effect to any redemption, retirement or extinguishment of Indebtedness in connection with such event; and

(b) for purposes of making the computation referred to above, if any Investments (including the Transactions), brand acquisitions, Dispositions or designations of Unrestricted Subsidiaries or Restricted Subsidiaries are made (or committed to be made pursuant to a definitive agreement) subsequent to the commencement of the period for which such calculation is being made but on or prior to or simultaneously with the relevant Calculation Date, then such calculation shall be made giving pro forma effect to such Investments, brand acquisitions, Dispositions and designations as if the same had occurred at the beginning of the applicable Test Period in a manner consistent, where applicable, with the pro forma adjustments set forth in

**clause (n)** of the definition of "Consolidated EBITDA" and **clause (o)** of the definition of "Consolidated Net Income". If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Borrower or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, brand acquisitions or Disposition that would have required adjustment pursuant to this provision, then such calculation shall be made giving pro forma effect thereto for such Test Period as if such Investment, brand acquisitions or Disposition had occurred at the beginning of the applicable Test Period.

**1.4 Exchange Rates; Currency Equivalents**

. The Administrative Agent shall determine the Spot Rates as of each Revaluation Date to be used for calculating Dollar Equivalent amounts of the face amount of Letters of Credit, L/C Disbursements in respect of such Letters of Credit, Local Loans and/or Acceptances denominated in Permitted Foreign Currencies. Such Spot Rates shall become effective as of such Revaluation Date and shall be the Spot Rates employed in converting any amounts between the applicable currencies until the next Revaluation Date to occur. The Administrative Agent shall notify the applicable Issuing Lender and the Borrower on each Revaluation Date of the Spot Rates determined by it and the related Dollar Equivalent of Local Loans and Acceptances then outstanding. Solely for purposes of **Sections 2** and **3** and related definitional provisions to the extent used in such Sections, the applicable amount of any currency (other than Dollars) for purposes of the Loan Documents shall be such Dollar Equivalent amount as so determined by the Administrative Agent and notified to the Borrower and the applicable Issuing Lender in accordance with this **Section 1.4**. If any basket is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates. For purposes of determining the Consolidated Net First Lien Leverage Ratio, the Consolidated Net Secured Leverage Ratio, the Consolidated Net Total Leverage Ratio, the Financial Covenant Fixed Charge Coverage Ratio and the Fixed Charge Coverage Ratio, amounts denominated in a currency other than Dollars will be converted to Dollars for the purposes of (A) testing the financial covenant under **Section 7.1**, at the Spot Rate as of the last day of the fiscal quarter for which such measurement is being made, and (B) calculating any Consolidated Net Total Leverage Ratio, the Consolidated Net Secured Leverage Ratio, the Consolidated Net First Lien Leverage Ratio, the Financial Covenant Fixed Charge Coverage Ratio and the Fixed Charge Coverage Ratio (other than for the purposes of determining compliance with **Section 7.1**), at the Spot Rate as of the date of calculation, and will, in the case of Indebtedness, reflect the currency translation effects, determined in accordance with GAAP, of Hedge Agreements permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar Equivalent of such Indebtedness.

**1.5 Letter of Credit and Acceptance Amounts**

. Unless otherwise specified herein, the amount of a Letter of Credit or Acceptance at any time shall be deemed to be the Dollar Equivalent of the stated amount of such Letter of Credit or

Acceptance, as applicable, in effect at such time; ***provided***, ***however***, that with respect to any Letter of Credit or Acceptance that, by its terms or the terms of the Application or any other document, agreement or instrument entered into by the applicable Issuing Lender or Local Fronting Lender, as applicable, and the Borrower with respect thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit or Acceptance, as applicable, shall be deemed to be the maximum stated amount of such Letter of Credit or Acceptance, as applicable, after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

**1.6 Covenants**

. For purposes of determining compliance with **Section 7** (other than **Section 7.6**), in the event that an item or event (or any portion thereof) meets the criteria of one or more of the categories described in a particular covenant contained in **Section 7** (other than **Section 7.6**), the Borrower may, in its sole discretion, classify and reclassify or later divide, classify or reclassify (as if incurred at such later time) such item or event (or any portion thereof) and may include the amount and type of such item or event (or any portion thereof) in one or more of the relevant clauses or subclauses, in each case, within such covenant and will be entitled to include such item or event (or any portion thereof) only in one of the relevant clauses or subclauses (or any portion thereof). In the case of an item or event (or any portion thereof) that is incurred pursuant to or otherwise included in a clause or subclause (or any portion thereof) of a covenant that does not rely on criteria based on the Consolidated Net First Lien Leverage Ratio, the Consolidated Net Secured Leverage Ratio, the Consolidated Net Total Leverage Ratio, the Financial Covenant Fixed Charge Coverage Ratio or the Fixed Charge Coverage Ratio (any such item or event, a "***Fixed Basket Item or Event***" and any such clause, subclause or any portion thereof, a "***Fixed Basket***") substantially concurrently with an item or event (or any portion thereof) that is incurred pursuant to or otherwise included in a clause or subclause (or any portion thereof) of a covenant that relies on criteria based on such financial ratios or tests (any such item or event, a "***Ratio Basket Item or Event***" and any such clause, subclause or any portion thereof, a "***Ratio Basket***"), such Ratio Basket Item or Event shall be treated as having been incurred or existing pursuant only to such Ratio Basket without giving pro forma effect to any such Fixed Basket Item or Event (other than a Fixed Basket Item or Event that relies on the term "Permitted Refinancing" or "Permitted Refinancing Obligations") incurred pursuant to or otherwise included in a Fixed Basket substantially concurrently with such Ratio Basket Item or Event when calculating the amount that may be incurred or existing pursuant to any such Ratio Basket. Furthermore, (A) for purposes of **Section 7.2**, the amount of any Indebtedness denominated in any currency other than Dollars shall be calculated based on the applicable Spot Rate, in the case of such Indebtedness incurred (in respect of funded term Indebtedness) or committed (in respect of revolving or delayed draw Indebtedness), on the date that such Indebtedness was incurred (in respect of funded term Indebtedness) or committed (in respect of revolving or delayed draw Indebtedness); ***provided*** that if such Indebtedness is incurred to refinance other Indebtedness denominated in a currency other than Dollars (or in a different currency from the Indebtedness being refinanced), and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the applicable Spot Rate on the date of such refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal

amount of such refinancing Indebtedness does not exceed (i) the outstanding or committed principal amount, as applicable, of such Indebtedness being refinanced plus (ii) the aggregate amount of accrued interest, fees, underwriting discounts, premiums and other costs and expenses incurred in connection with such refinancing, (B) for purposes of **Sections 7.3**, **7.5**, **7.6** and **7.7**, the amount of any Liens, Dispositions, Restricted Payments and Investments, as applicable, denominated in any currency other than Dollars shall be calculated based on the applicable Spot Rate, (C) for purposes of any calculation under **Sections 7.2** and **7.3**, if the Borrower elects to give pro forma effect in such calculation to the entire committed amount of any proposed Indebtedness, whether or not then drawn, such committed amount may thereafter be borrowed and reborrowed, in whole or in part, from time to time, without further compliance with **Section 7.2** or **7.3**, but for so long as such Indebtedness is outstanding or in effect, the entire committed amount of such Indebtedness then in effect shall be included in any calculations under **Sections 7.2** and **7.3**, (D) any cash proceeds of Indebtedness shall be excluded as Unrestricted Cash and not netted for purposes of calculating any financial ratios and tests with respect to any substantially concurrent incurrence of a Ratio Basket Item or Event pursuant to a Ratio Basket and (E) any Fixed Basket Item or Event incurred pursuant to or otherwise included pursuant to a Fixed Basket based on Consolidated Total Assets shall be calculated based upon the Consolidated Total Assets at the time of such incurrence (it being understood that a Default shall be deemed not to have occurred solely to the extent that the Consolidated Total Assets after the time of such incurrence declines).

**Section II.**

**AMOUNT AND TERMS OF COMMITMENTS**

**2.1 [reserved].**

**2.2 [reserved].**

**2.3 [reserved].**

**2.4 Revolving Commitments.**

(a) **Revolving Loans**

(i) Subject to the terms and conditions hereof, each Tranche A Revolving Lender severally agrees to make revolving credit loans in Dollars ("***Tranche A Revolving Loans***") to the Borrower from time to time during the Revolving Commitment Period in an aggregate principal amount at any one time outstanding which, when added to such Tranche A Revolving Lender's other Tranche A Revolving Extensions of Credit then outstanding, does not exceed the amount of such Tranche A Revolving Lender's Tranche A Revolving Commitment; ***provided*** that after giving effect to the making and the use of proceeds thereof, the aggregate Tranche A Revolving Extensions of Credit shall not exceed the Tranche A Availability then in effect.

(ii) Subject to the terms and conditions hereof, each Tranche B Revolving Lender severally agrees to make revolving credit loans in Dollars ("***Tranche B Revolving***

***Loans***" and together with the Tranche A Revolving Loans, the "***Revolving Loans***") to the Borrower from time to time during the Revolving Commitment Period in an aggregate principal amount at any one time outstanding which, when added to such Tranche B Revolving Lender's other Tranche B Revolving Extensions of Credit then outstanding, does not exceed the amount of such Tranche B Revolving Lender's Tranche B Revolving Commitment; ***provided*** that after giving effect to the making and the use of proceeds thereof, the aggregate Tranche B Revolving Extensions of Credit shall not exceed the Tranche B Availability then in effect.

(iii) During the Revolving Commitment Period, the Borrower may use the Revolving Commitments by borrowing, prepaying the Revolving Loans in whole or in part, and reborrowing, all in accordance with the terms and conditions hereof.

(iv) Notwithstanding anything to the contrary herein contained, after the Amendment No. 1 Effective Date, no Tranche A Revolving Loans shall be made if the aggregate principal amount of all Tranche B Revolving Loans then outstanding is less than the Tranche B Availability then in effect.

(v) The Revolving Loans may from time to time be Eurocurrency Loans or, solely in the case of Revolving Loans denominated in Dollars, ABR Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with **Sections 2.5** and **2.13**.

(b) Subject to the terms and conditions hereof, each Local Fronting Lender severally agrees to make loans (and, to the extent provided in **Section 2.31**, to create Acceptances) under the aggregate Tranche A Revolving Commitments, in Dollars or in the Permitted Foreign Currency set forth on **Schedule 2.4(b)**, to the Borrower or to the Local Borrowing Subsidiary for such Permitted Foreign Currency from time to time during the Revolving Commitment Period (individually, a "***Local Loan***", and collectively, the "***Local Loans***"); ***provided***, ***however***, that, after giving effect to the making and the use of proceeds thereof, (i) the aggregate amount of the Local Outstandings of such Local Fronting Lender shall not exceed the amount equal to its Currency Sublimit then in effect and (ii) the aggregate Tranche A Revolving Extensions of Credit shall not exceed the Tranche A Availability then in effect. The Local Loans made by each Local Fronting Lender generally shall be made by such Local Fronting Lender from a lending office which is located within the jurisdiction of its respective Permitted Foreign Currency; ***provided***, ***however***, that, in the event that the Company or the relevant Local Borrowing Subsidiary so requests and the relevant Local Fronting Lender (in its sole discretion) so agrees, any Local Loans to be made by such Local Fronting Lender may be made from a lending office of such Local Fronting Lender which is not located in the jurisdiction of its Permitted Foreign Currency. During the Revolving Commitment Period, the Local Borrowers may use the aggregate Tranche A Revolving Commitments by borrowing Local Loans and Acceptances, repaying the Local Loans and Acceptances in whole or in part and reborrowing, all in accordance with the terms and conditions hereof.

(c) Notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, (i) no Local Borrowing Subsidiary organized under the laws of any

jurisdiction outside the United States shall pay or be obligated under any Loan Document to pay any amounts, including any amounts owing by or on account of any other Loan Party pursuant to this Agreement or any other Loan Document or in respect of any other Secured Obligations, other than the Obligations arising from the Local Loans of such Local Borrowing Subsidiary and (ii) no assets of any Local Borrowing Subsidiary organized outside of the United States shall be used to pay or secure obligations of the Company, any other Loan Party or any other Local Borrowing Subsidiary under any Loan Document or in respect of any other Secured Obligations, in each case of **clauses (i)** and **(ii)**, only to the extent that the Borrower has not elected to make such Local Borrowing Subsidiary a Subsidiary Guarantor.

(d) Notwithstanding the provisions set forth in **Section 2.10**, **Section 2.11** and **Section 2.12** each of which shall not apply to repayments or terminations of Loans or Commitments pursuant to this **Section 2.4(d)**, the Borrower shall repay all outstanding Revolving Loans, Local Loans and Swingline Loans on the Revolving Termination Date with respect to the applicable Tranche of Revolving Loans or commitments. For the avoidance of doubt, unless terminated earlier, (i) all Tranche A Revolving Commitments shall automatically terminate on the Revolving Termination Date with respect to the Tranche A Revolving Facility and (ii) all Tranche B Revolving Commitments shall automatically terminate on the Revolving Termination Date with respect to the Tranche B Revolving Facility.

**2.5 Procedure for Revolving Loan and Local Loan Borrowing.**

(a) The Borrower may borrow under the applicable Revolving Commitments during the applicable Revolving Commitment Period on any Business Day; ***provided*** that the Borrower shall give the Administrative Agent irrevocable written notice (which notice must be received by the Administrative Agent in the case of Eurocurrency Loans denominated in Dollars, prior to 12:00 Noon, New York City time, three Business Days prior to the requested Borrowing Date, or in the case of ABR Loans, prior to 1:00 p.m., New York City time, on the proposed Borrowing Date), specifying (v) whether such Revolving Loans are Tranche A Revolving Loans or Tranche B Revolving Loans, (w) the amount and Type of Revolving Loans to be borrowed, (x) the requested Borrowing Date, and (y) in the case of Eurocurrency Loans, the respective amounts of each such Type of Loan and the respective lengths of the initial Interest Period therefor; ***provided***, ***further***, that if the Borrower wishes to request Eurocurrency Loans having an Interest Period other than one, two, three or six months in duration as provided in the definition of "Interest Period," the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. four Business Days prior to the requested date of such borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to the appropriate Lenders of such request and determine whether the requested Interest Period is acceptable to all of them; ***provided***, ***further***, that notwithstanding the foregoing, with respect to Tranche B Revolving Loans that are Eurocurrency Loans requested to be borrowed on the Amendment No. 1 Effective Date the Borrower may give the Administrative Agent notice one Business Day prior thereto.

Not later than 11:00 a.m., three Business Days before the requested date of such borrowing, conversion or continuation, the Administrative Agent shall notify the Borrower (which notice

may be by telephone) whether or not the requested Interest Period has been consented to by all the Lenders. Each borrowing by the Borrower under the Revolving Commitments shall be in an amount equal to (x) in the case of ABR Loans, $250,000 or a whole multiple of $100,000 in excess thereof (or, if the then aggregate Available Revolving Commitments of Revolving Lenders in respect of any Tranche are less than $250,000, such lesser amount with respect to borrowings under such Tranche) and (y) in the case of Eurocurrency Loans, the Borrowing Minimum or a whole multiple of the Borrowing Multiple in excess thereof. Upon receipt of any such notice from the Borrower, the Administrative Agent shall promptly notify each applicable Revolving Lender thereof. Each applicable Revolving Lender will make the amount of its **pro rata** share of each borrowing available to the Administrative Agent for the account of the Borrower at the Funding Office prior to 1:00 p.m. (or, in the case of ABR Loans being made pursuant to a notice delivered on the proposed Borrowing Date, 3:00 p.m.), New York City time, on the Borrowing Date requested by the Borrower in funds immediately available to the Administrative Agent. Such borrowing will then be made available to the Borrower by the Administrative Agent crediting the account designated in writing by the Borrower to the Administrative Agent with the aggregate of the amounts made available to the Administrative Agent by such Revolving Lenders and in like funds as received by the Administrative Agent. If no election as to the Type of a Revolving Loan is specified, then the requested Loan shall be an ABR Loan. If no Interest Period is specified with respect to any requested Eurocurrency Loan, the Borrower shall be deemed to have selected an Interest Period of one month's duration. Each Swingline Loan shall be made in accordance with the procedures set forth in **Section 2.6**. Notwithstanding anything to the contrary, the Borrower shall not request, and the Tranche A Lenders shall be under no obligation to fund, any Tranche A Revolving Loans unless the Tranche B Revolving Loans are outstanding in an amount equal to the Tranche B Availability as then in effect. For the avoidance of doubt, subject to Tranche A Availability, the foregoing sentence shall not impair the Borrower's ability to request Letters of Credit, Swingline Loans, Local Loans and Acceptances in accordance with the terms hereof and irrespective of Tranche B Availability.

(b) Each Local Borrower may request a borrowing of Local Loans under the aggregate Tranche A Revolving Commitments in Dollars or in the relevant Permitted Foreign Currency from the applicable Local Fronting Lender during the Revolving Commitment Period with respect to the Tranche A Revolving Facility on any Business Day by submitting an irrevocable written notice to the relevant Local Fronting Lender (with a copy to the Administrative Agent), specifying

(i) the aggregate principal amount of the relevant currency to be borrowed,

(ii) the requested Borrowing Date,

(iii) whether the Local Loans to be borrowed are to be (x) in the case of Local Loans denominated in Dollars, ABR Loans or Eurocurrency Loans or (y) in the case of Local Loans denominated in a Permitted Foreign Currency, Eurocurrency Loans or Local Rate Loans, or a combination thereof and, if a combination, the respective aggregate amount of each type of borrowing and

(iv) if the Local Loans to be borrowed are Eurocurrency Loans or (if it is customary in the relevant jurisdiction for Local Rate Loans to be subject to Interest Periods) Local Rate Loans, the length of the Interest Period or Interest Periods applicable thereto.

Any such notice of borrowing must be received by the relevant Local Fronting Lender prior to 11:00 a.m., local time, three Business Days prior to the requested Borrowing Date (or such shorter period prior thereto as such Local Fronting Lender may agree) in the case of Eurocurrency Loans, and on the requested Borrowing Date, in the case of ABR Loans or Local Rate Loans (with the presentation by any third party of any check or draft drawn on the account of the relevant Local Borrower or any other borrowing by way of overdraft being deemed to constitute a notice of borrowing of Local Rate Loans in the amount of such check, draft or other borrowing, to the extent that insufficient funds are then available for the payment thereof in the account of such Local Borrower with the relevant Local Fronting Lender); ***provided***, ***further***, that the Administrative Agent may, at any time and from time to time in its sole discretion, suspend the right of the Local Borrowers with respect to any one or more Permitted Foreign Currencies to borrow ABR Loans or Local Rate Loans on the basis of same-day notice by providing written notice of such suspension to the Company and the affected Local Borrowing Subsidiaries (with a copy to the relevant Local Fronting Lender) not less than two Business Days prior to the effectiveness thereof (or, during such time as any Default or Event of Default has occurred and is continuing, on the date of such effectiveness), in which event any such notice of borrowing (other than any notice of borrowing deemed to be made on account of a check, draft or other customary means of borrowing by way of overdraft drawn by such Local Borrower prior to the date of such notice of suspension) of ABR Loans or Local Rate Loans must (until such notice of suspension has been revoked by the Administrative Agent) be received by the Local Fronting Lender prior to 11:00 a.m., local time, one Business Day prior to the requested Borrowing Date. In the event that the relevant Local Fronting Lender determines on the requested Borrowing Date that the making of such requested Local Loan will not cause the Local Outstandings of such Local Fronting Lender to exceed the amount equal to its Currency Sublimit then in effect (in each case, as has been notified to such Local Fronting Lender by the Administrative Agent pursuant to **Section 2.30(b)**), such Local Fronting Lender will make the requested Local Loan available to the relevant Local Borrower, at the principal lending office of such Local Fronting Lender in the relevant jurisdiction, by 1:00 p.m., local time, on the requested Borrowing Date, in funds immediately available to such Local Borrower. Promptly following the making of each such Local Loan, such Local Fronting Lender shall provide notice to the Administrative Agent of the amount thereof. The minimum amount of each borrowing of Local Loans shall be in an aggregate principal amount (not to exceed the relevant Currency Sublimit) to be mutually agreed upon by the relevant Local Fronting Lender and the relevant Local Borrower. Notwithstanding anything to the contrary contained in this **Section 2.5**, no Local Fronting Lender shall be obligated hereunder to advance any Local Loan by way of an overdraft, but rather shall provide overdrafts only if it elects (in its sole discretion) to do so.

**2.6 Swingline Loans.**

(a) Subject to the terms and conditions set forth herein, the Swingline Lender, in reliance upon the agreements of the other Tranche A Revolving Lenders set forth in this **Section 2.6**, shall make Swingline Loans to the Borrower from time to time in Dollars during the Revolving Commitment Period with respect to the Tranche A Revolving Facility, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding $50,000,000, (ii) the aggregate Tranche A Revolving Extensions of Credit exceeding the Tranche A Availability then in effect; ***provided***, that the Swingline Lender shall not be required to make a Swingline Loan (i) to refinance an outstanding Swingline Loan or (ii) if it shall determine (which determination shall be conclusive and binding absent manifest error) that it has, or by making such Swingline Loan may have, Fronting Exposure. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, repay and reborrow Swingline Loans. Each Swingline Loan shall be an ABR Loan.

(b) To request a Swingline Loan, the Borrower shall notify the Administrative Agent and the Swingline Lender of such request by telephone (promptly confirmed by telecopy), not later than 1:00 p.m., New York City time, on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and specify (y) the requested date (which shall be a Business Day) and amount of the requested Swingline Loan, and (z) proper wire instructions for the same. Promptly after receipt by the Swingline Lender of any telephonic Swingline Loan notice, the Swingline Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swingline Loan notice and, if not, the Swingline Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swingline Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Tranche A Revolving Lender) prior to 2:00 p.m. on the date of the proposed Swingline Loan (A) directing the Swingline Lender not to make such Swingline Loan as a result of the limitations set forth in **Section 2.6(a)**, or (B) that one or more of the applicable conditions specified in **Section 5.2** is not then satisfied, then, subject to the terms and conditions hereof, the Swingline Lender shall make each Swingline Loan available to the Borrower at its office by crediting the account of the Borrower on the books of the Swingline Lender in immediately available funds by 3:00 p.m., New York City time, on the requested date of such Swingline Loan. Swingline Loans shall be made in an amount equal to $100,000 or a whole multiple of $100,000 in excess thereof.

(c) The Borrower shall have the right at any time and from time to time to repay, without premium or penalty, any Swingline Loan, in whole or in part, upon giving written or telecopy notice (or telephone notice promptly confirmed by written or telecopy notice) to the Swingline Lender and to the Administrative Agent before 3:00 p.m., New York City time on the date of repayment at the Swingline Lender's address for notices specified in the Swingline Lender's administrative questionnaire. All principal payments of Swingline Loans shall be accompanied by accrued interest on the principal amount being repaid to the date of payment.

(d) The Swingline Lender may and, at any time there shall be Swingline Loan outstanding for more than seven days, the Swingline Lender shall by written notice given to the Administrative Agent not later than 3:00 p.m., New York City time, on any Business Day require

the Tranche A Revolving Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Tranche A Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Tranche A Revolving Lender, specifying in such notice such Lender's Tranche A Revolving Percentage of such Swingline Loan or Loans. Each Tranche A Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Revolving Lender's Tranche A Revolving Percentage of such Swingline Loan or Loans. Each Tranche A Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Tranche A Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever (***provided***, that such payment shall not cause such Tranche A Revolving Lender's Tranche A Revolving Extensions of Credit to exceed such Tranche A Revolving Lender's Tranche A Revolving Commitment). Each Tranche A Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in **Section 3.4** with respect to Loans made by such Lender (and **Section 3.4** shall apply, *mutatis mutandis*, to the payment obligations of the Tranche A Revolving Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Tranche A Revolving Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other party on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Tranche A Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

(e) If the Revolving Termination Date applicable to a Tranche shall have occurred at a time when other Tranches will remain outstanding, then on such Revolving Termination Date all then outstanding Swingline Loans with respect to such maturing Tranche shall be repaid in full on such date (and there shall be no adjustment to the participations in such Swingline Loans as a result of the occurrence of such Revolving Termination Date); ***provided***, that, if on the occurrence of such Revolving Termination Date (after giving effect to any repayments of Revolving Loans and any reallocation as contemplated in **Section 3.4(d)**), (i) there shall exist sufficient unutilized Tranche A Revolving Commitments that will remain outstanding after the date thereof and (ii) the conditions set forth in **Sections 5.2(a)** and **5.2(b)** shall be satisfied at such time so that the respective outstanding Swingline Loans could be incurred pursuant to such Tranche A Revolving Commitments which will remain in effect after the occurrence of such Revolving Termination Date, then there shall be an automatic adjustment on such date of the

participations in such Swingline Loans and the same shall be deemed to have been incurred solely pursuant to such Tranche A Revolving Commitments and such Swingline Loans shall not be so required to be repaid in full on such Revolving Termination Date.

(f) Notwithstanding anything to the contrary contained in this Agreement, in the event a Tranche A Revolving Lender becomes a Defaulting Lender, then such Defaulting Lender's Tranche A Revolving Percentage in all outstanding Swingline Loans will automatically be reallocated among the Tranche A Revolving Lenders that are Non-Defaulting Lenders pro rata in accordance with each Non-Defaulting Lender's Tranche A Revolving Percentage (calculated without regard to the Revolving Commitment of the Defaulting Lender), but only to the extent that such reallocation does not cause the Tranche A Revolving Extensions of Credit of any Non-Defaulting Lender to exceed the Tranche A Revolving Commitment of such Non-Defaulting Lender. If such reallocation cannot, or can only partially, be effected, the Borrower shall, within five Business Days after written notice from the Administrative Agent or such longer period as the Administrative Agent shall agree, pay to the Administrative Agent an amount of cash equal to such Defaulting Lender's Tranche A Revolving Percentage (calculated as in effect immediately prior to it becoming a Defaulting Lender) of the outstanding Swingline Loans (after giving effect to any partial reallocation pursuant to the first sentence of this **Section 2.6(f)**) to be applied to the repayment of such Swingline Loans. So long as there is a Defaulting Lender, the Swingline Lender shall not be required to lend any Swingline Loans if the sum of, without duplication, the Non-Defaulting Lenders' Tranche A Revolving Percentages of the outstanding Tranche A Revolving Loans, L/C Obligations, Local Loans and Acceptances, and their participations in Swingline Loans after giving effect to any such requested Swingline Loans would exceed the aggregate Tranche A Revolving Commitments of the Non-Defaulting Lenders (such excess, "***Fronting Exposure***").

**2.7 Defaulting Lenders.**

(a) **Defaulting Lender Cure**. If the Borrower, the Administrative Agent, each Issuing Lender and the Swingline Lender agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any cash collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit, Swingline Loans, and Local Loans or Acceptances, if applicable, to be held pro rata by the Lenders in accordance with the Commitments under the applicable Facility (without giving effect to **Section 3.4(d)**), whereupon such Lender will cease to be a Defaulting Lender; ***provided*** that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and ***provided***, ***further***, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(b) **Defaulting Lender Waterfall**. Any payment of principal, interest or other amounts (other than the payment of (i) commitment fees under **Section 2.9**, (ii) default interest under **Section 2.15(c)** and (iii) Letter of Credit fees under **Section 3.3**, which in each case shall be applied pursuant to the provisions of those Sections) received by the Administrative Agent for the account of any Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to **Section 8** or otherwise) shall be applied by the Administrative Agent as follows: ***first***, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent pursuant to **Section 9.7**; ***second***, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender (without duplication of the application of any cash collateral provided by the Borrower pursuant to **Section 3.4(d)**) to any Issuing Lender, Local Fronting Lender or Swingline Lender hereunder; ***third***, to be held as security for any L/C Shortfall (without duplication of any cash collateral provided by the Borrower pursuant to **Section 3.4(d)**) in a Cash Collateral Account; ***fourth***, as the Borrower may request (so long as no Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement; ***fifth***, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; ***sixth***, to the payment of any amounts owing to the Lenders, the Issuing Lenders or the Swingline Lender as a result of any final non-appealable judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Lenders or the Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; ***seventh***, so long as no Default exists, to the payment of any amounts owing to the Borrower as a result of any final non-appealable judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and ***eighth***, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; ***provided***, that if (x) such payment is a payment of the principal amount of any Loans, L/C Disbursements or Acceptances in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued or the related Acceptances were created at a time when the conditions set forth in **Section 5.2** were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Disbursements and the participation interests in Acceptances owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Disbursements and amounts in respect of participation interests in Acceptances owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Obligations and Acceptances are held by the Lenders pro rata in accordance with the Commitments under the applicable Facility without giving effect to **Section 3.4(d)**. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to be held as security in a Cash Collateral Account pursuant to this **Section 2.7(b)** shall be deemed paid to and redirected by such Defaulting Lender and shall satisfy the Borrower's payment obligation in respect thereof in full, and each Lender irrevocably consents hereto.

**2.8 Repayment of Loans.**

(a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of the appropriate Revolving Lender or Swingline Lender, as the case may be, (i) the then unpaid principal amount of each Revolving Loan of such Revolving Lender made to the Borrower outstanding on the applicable Revolving Termination Date (or on such earlier date on which the Loans become due and payable pursuant to **Section 8.1**), and (ii) subject to **Section 2.6(e)**, the then unpaid principal amount of each Swingline Loan on the earlier of (A) the applicable Revolving Termination Date (or on such earlier date on which the Loans become due and payable pursuant to **Section 8.1**) and (B) the first date after such Swingline Loan is made that is the 15th or last day of a calendar month and is at least three Business Days after such Swingline Loan is made; ***provided***, that on each date that a Revolving Loan is borrowed, the Borrower shall repay all Swingline Loans that were outstanding on the date such borrowing was requested. The Borrower hereby further agrees to pay interest on the unpaid principal amount of the Loans and Swingline Loans made to the Borrower from time to time outstanding from the date made until payment in full thereof at the rates per annum, and on the dates, set forth in **Section 2.15**.

Each Local Borrower hereby unconditionally promises to pay, in lawful money of the Permitted Foreign Currency or Dollars, as applicable, and in immediately available funds, to the applicable Local Fronting Lender at the office of such Local Fronting Lender listed on **Schedule 2.4(b)** (or if such Local Fronting Lender has notified such Local Borrower that a Local Loan was funded by a different lending office of such Local Fronting Lender pursuant to **Section 2.04(b)**, the lending office from which such Local Loan was funded) for its own account the then unpaid principal amount of each Local Loan of such Local Fronting Lender made to such Local Borrower outstanding on the Revolving Termination Date with respect to the Tranche A Revolving Facility (or on such earlier date on which the Loans become due and payable pursuant to **Section 8.1**).

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing indebtedness of the Borrowers to such Lender resulting from each Loan of such Lender from time to time, including the amounts of principal and interest (based on the applicable interest rate and Interest Period) payable and paid to such Lender from time to time under this Agreement. Each Local Borrowing Subsidiary hereby agrees that each Local Fronting Lender is authorized to record (i) the date, amount and currency of each Local Loan made by such Local Fronting Lender to such Local Borrowing Subsidiary pursuant to **Section 2.4(b)**, (ii) the date of each interest rate conversion pursuant to **Section 2.13** which is applicable to such Local Loan and the principal amount subject thereto, (iii) the date and amount of each payment or prepayment of principal of and interest with respect to each Local Loan made by such Local Borrowing Subsidiary to such Local Fronting Lender and (iv) the interest rate and Interest Period, in the books and records of such Local Fronting Lender and in such manner as is reasonable and customary for it and a certificate of an officer of such Local Fronting Lender, setting forth in reasonable detail the information so recorded, shall constitute prima facie evidence of the accuracy of the information so recorded in the absence of manifest error; ***provided***, ***however***, that the failure to make any such recording or any error in such recording shall not in any way affect the Obligations of the relevant Local Borrowing Subsidiary hereunder.

(c) The Administrative Agent, on behalf of each Borrower, shall maintain a Register pursuant to **Section 10.6(b)(iv)**, and a subaccount therein for each Revolving Lender or Local Fronting Lender, in which shall be recorded (i) the amount of each Loan made hereunder and any Note evidencing such Loan, the Type of such Loan and each Interest Period applicable thereto, (ii) the amount of any principal, interest and fees, as applicable, due and payable or to become due and payable from such Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent or Local Fronting Lender, as applicable, hereunder from such Borrower and each Lender's share thereof. For the avoidance of doubt, in the event of any conflict between the Register and the records maintained by any Local Fronting Lender pursuant to **Section 2.8(b)**, the Register shall control.

(d) The entries made in the Register and the accounts of each Lender maintained pursuant to **Section 2.8(c)** shall, to the extent permitted by applicable law, be presumptively correct absent demonstrable error of the existence and amounts of the obligations of the Borrower therein recorded; ***provided***, ***however***, that the failure of the Administrative Agent or any Lender to maintain the Register or any such account, or any error therein, shall not in any manner affect the obligation of each Borrower to repay (with applicable interest) the Loans made to such Borrower by such Lender in accordance with the terms of this Agreement.

(e) The Company hereby irrevocably waives the right to direct, during a Liquidity Event Period or at any time an Event of Default has occurred and is continuing, the application of all funds in any Approved Deposit Account and agrees that the Administrative Agent may (in its sole discretion exercised reasonably) and, upon the written direction of the Required Lenders given at any time during such Liquidity Event Period or after an Event of Default has occurred and is continuing, shall exercise its applicable rights under any Deposit Account Control Agreement (including providing any notices of blockage or control) for each Approved Deposit Account and apply all available funds in any Approved Deposit Account, but in each case without a permanent reduction of Revolving Commitments, on a daily basis (but only so long as such Liquidity Event Period or Event of Default, as the case may be, is continuing) as follows: ***first***, to repay the outstanding principal amount of any outstanding Protective Advances, ***second***, the Swingline Loans until such Swingline Loans have been repaid in full; ***third***, to repay the outstanding principal balance of the Tranche A Revolving Loans until such Tranche A Revolving Loans shall have been repaid in full and ***fourth***, to repay the outstanding principal balance of the Tranche B Revolving Loans until such Tranche B Revolving Loans shall have been repaid in full. The Administrative Agent agrees to use its commercially reasonable efforts to apply such funds in accordance with this **Section 2.8(e)**, and the Company consents to such application. If no Liquidity Event Period or Event of Default shall be continuing, the Administrative Agent shall not exercise control rights under the Deposit Account Control Agreements and shall, upon receipt of three Business Days' prior written notice and a certificate of a Responsible Officer of the Company that no Liquidity Event Period or Event of Default is continuing, cease any enforcement measures in respect of Approved Deposit Accounts in effect at such time, including blockage, dominion or the withdrawal of all notices, instructions or directions provided to any Deposit Account Bank thereunder. For the avoidance of doubt, funds used to reduce outstanding amounts may be reborrowed, subject to satisfaction of the conditions set forth in **Section 5.2**.

(f) Without diminishing the control of the Administrative Agent over amounts from time to time paid to the Administrative Agent for the purpose of Cash Collateralization, the Administrative Agent shall from time to time (upon the request of the Company so long as no Default or Event of Default shall have occurred and be continuing) cause the prompt return to the Company of any such amounts which are in excess of the amount required to be deposited to effect such Cash Collateralization.

**2.9 Commitment Fees, etc.**

(a) **Commitment Fee**

(i) The Borrower agrees to pay to the Administrative Agent for the account of each Tranche A Revolving Lender a commitment fee (the "***Tranche A Commitment Fee***"), in Dollars, for the period from and including the Closing Date to the last day of the Revolving Commitment Period with respect to the Tranche A Revolving Facility (or, if earlier, the termination of all Tranche A Revolving Commitments), computed at the Commitment Fee Rate on the actual daily amount of the Available Revolving Commitment (but solely with respect to such Tranche A Revolving Lender's Tranche A Revolving Commitment and Tranche A Revolving Extensions of Credit) (***provided***, that, for purposes of this calculation, the Swingline Exposure shall not constitute a Tranche A Revolving Extension of Credit) of such Tranche A Revolving Lender during the period for which payment is made, payable quarterly in arrears on the later of (x) each Fee Payment Date and (y) the date that is two Business Days after the Borrower's receipt from the Administrative Agent of documentation supporting the calculation of such commitment fee; ***provided***, that (A) any commitment fee accrued with respect to any of the Tranche A Revolving Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time and (B) no commitment fee shall accrue on any of the Tranche A Revolving Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(ii) The Borrower agrees to pay to the Administrative Agent for the account of each Tranche B Revolving Lender a commitment fee (the "***Tranche B Commitment Fee***" and together with the Tranche A Commitment Fee, the "***Commitment Fee***"), in Dollars, for the period from and including the Closing Date to the last day of the Revolving Commitment Period with respect to the Tranche B Revolving Facility (or, if earlier, the termination of all Tranche B Revolving Commitments), computed at the Commitment Fee Rate on the actual daily amount of the Available Revolving Commitment (but solely with respect to such Tranche A Revolving Lender's Tranche B Revolving Commitment and Tranche B Revolving Extensions of Credit) of such Tranche B Revolving Lender during the period for which payment is made, payable quarterly in arrears on the later of (x) each Fee Payment Date and (y) the date that is two Business Days after the Borrower's receipt from the Administrative Agent of documentation supporting the

calculation of such commitment fee; ***provided***, that (A) any commitment fee accrued with respect to any of the Tranche B Revolving Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time and (B) no commitment fee shall accrue on any of the Tranche B Revolving Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(b) The Borrower agrees to pay to the Administrative Agent the fees in the amounts and on the dates as set forth in any fee agreements with the Administrative Agent.

**2.10 Termination or Reduction of Commitments.**

(a) **Reduction of Commitments**

(i) The Borrower shall have the right, upon not less than two Business Days' notice to the Administrative Agent, to terminate the L/C Commitments or the Swingline Commitments or, from time to time, to reduce the amount of the L/C Commitments or the Swingline Commitments.

(ii) The Borrower shall have the right, upon not less than two Business Days' notice to the Administrative Agent, to terminate the Tranche A Revolving Commitments or, from time to time, to reduce the amount of the Tranche A Revolving Commitments; ***provided*** that (except as otherwise expressly provided herein) no such termination or reduction of Tranche A Revolving Commitments shall be permitted if, after giving effect thereto and to any prepayments of the Tranche A Revolving Loans made on the effective date thereof, the total Tranche A Revolving Extensions of Credit would exceed the total Tranche A Revolving Commitments.

(iii) The Borrower shall have the right, upon not less than two Business Days' notice to the Administrative Agent, to terminate the Tranche B Revolving Commitments or, from time to time, to reduce the amount of the Tranche B Revolving Commitments; *provided* that no such termination or reduction of Tranche B Revolving Commitments shall be permitted

if, after giving effect thereto and to any prepayments of the Tranche B Revolving Loans made on the effective date thereof,

(A) the aggregate Tranche A Revolving Extension of Credit is greater than zero or any Tranche A Revolving Commitments remain outstanding; or

(B) the total Tranche B Revolving Extensions of Credit would exceed the total Tranche B Revolving Commitments.

(iv) Except with respect to terminations or reductions of Tranche A Revolving Commitments and Tranche B Revolving Commitments which shall be subject to **clauses (i) and (ii)** above, the Borrower shall have the right, upon not less than two Business Days' notice to the Administrative Agent, to terminate the Revolving Commitments of any Tranche or, from time to time, to reduce the amount of the Revolving Commitments of any Tranche; ***provided***, that no such termination or reduction of Revolving Commitments of any Tranche shall be permitted if, after giving effect thereto and to any prepayments of the Revolving Loans made on the effective date thereof, the total Revolving Extensions of Credit of such Tranche would exceed the total Revolving Commitments of such Tranche.

Any such partial reduction shall be in an amount equal to $500,000, or a whole multiple of $100,000 in excess thereof, and shall reduce permanently the Revolving Commitments of the applicable Tranche then in effect. Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of termination or reduction under this **Section 2.10** if the notice of such termination or reduction stated that such notice was conditioned upon the occurrence or non-occurrence of a transaction or the receipt of a replacement of all, or a portion, of the Revolving Commitments outstanding at such time, in which case such notice may be revoked by the Borrower (by written notice to the Administrative Agent on or prior to the specified date) if such condition is not satisfied.

(b) Upon the incurrence by the Borrower or any of its Restricted Subsidiaries of any Permitted Refinancing Obligations in respect of Revolving Commitments or Revolving Loans, the Revolving Commitments designated by the Borrower to be terminated in connection therewith shall be automatically permanently reduced by an amount equal to 100% of the aggregate principal amount of commitments under such Permitted Refinancing Obligations and any outstanding Revolving Loans in respect of such terminated Revolving Commitments shall be repaid in full.

**2.11 Optional Prepayments.**

(a) The Borrower may at any time and from time to time prepay any Tranche of Revolving Loans or the Swingline Loans, in whole or in part, without premium or penalty, upon irrevocable written notice delivered to the Administrative Agent no later than 12:00 Noon, New York City time, (i) three Business Days prior thereto, in the case of Eurocurrency Loans that are Revolving Loans, and (ii) on the date of prepayment, in the case of ABR Loans that are Revolving Loans or Swingline Loans, which notice shall specify (x) the date and amount of prepayment, (y) whether the prepayment is of a Tranche of Revolving Loans or Swingline Loans and (z) whether the prepayment is of Eurocurrency Loans or ABR Loans; ***provided***, that if a Eurocurrency Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to **Section 2.21**. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein (***provided***, that any such notice may state that such notice is conditioned upon the occurrence or non-occurrence of any transaction or the receipt of proceeds to be used

for such payment, in each case specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied), together with (except in the case of Revolving Loans that are ABR Loans) accrued interest to such date on the amount prepaid. Partial prepayments of Revolving Loans or Swingline Loans shall be in an aggregate principal amount of (i) $100,000 or a whole multiple of $100,000 in excess thereof (in the case of prepayments of ABR Loans) or (ii) the Borrowing Minimum or a whole multiple of the Borrowing Multiple in excess thereof (in the case of prepayments of Eurocurrency Loans), and in each case shall be subject to the provisions of **Section 2.18**.

(b) The Company and each Local Borrowing Subsidiary may at any time and from time to time, prepay any Local Loans borrowed by it, or Acceptances created for its account which are then outstanding, in whole or in part, without premium or penalty, upon irrevocable written notice delivered to the relevant Local Fronting Lender (with a copy to the Administrative Agent) no later than (i) three Business Days, in the case of Eurocurrency Loans, and (ii) two Business Days' in the case of ABR Loans, Local Rate Loans or Acceptances, which notice shall specify (x) the date and amount of such prepayment, (y) whether the amounts prepaid are on account of Acceptances or Local Loans (and, if on account of Local Loans, whether such Local Loans to be prepaid are denominated in Dollars or in a Permitted Foreign Currency, as the case may be) or a combination thereof, and, if a combination thereof, the amount of prepayment allocable to each and (z) whether the prepayment is of Eurocurrency Loans, ABR Loans (in the case of any prepayment of any such Loans denominated in Dollars) or Local Rate Loans or a combination thereof, and, if of a combination thereof, the amount of prepayment allocable to each (and, with respect to such Eurocurrency Loans or, to the extent applicable, Local Rate Loans, each Interest Period tranche thereof); ***provided***, ***however***, that Local Loans borrowed by way of overdrafts may be repaid on same-day notice without regard to any minimum amount of repayment required by this **Section 2.11(b)**, with any deposit of funds (whether by clearance of a check, receipt of a wire transfer or otherwise) in the account of the relevant Local Borrowing Subsidiary maintained by the Local Fronting Lender with respect to such overdrafts being deemed to constitute such notice of prepayment. If any such notice is given, the relevant Local Borrower or the Company, as applicable, will make the prepayment specified therein, and such prepayment shall be due and payable on the date specified therein (***provided*** that any such notice may state that such notice is conditioned upon the occurrence or non-occurrence of any transaction or the receipt of proceeds to be used for such payment, in each case specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the relevant Local Borrower or the Company, as applicable (by written notice to the relevant Local Fronting Lender (with a copy to the Administrative Agent) on or prior to the specified effective date) if such condition is not satisfied). Each partial prepayment of the Local Loans pursuant to this **Section 2.11(b)** shall be in such minimum amount as may be mutually agreed upon by the relevant Local Fronting Lender and the relevant Borrower and shall comply with **Section 2.14**; ***provided***, ***however***, that in no event shall such minimum amount be greater than $500,000 or the Dollar Equivalent thereof in the relevant Permitted Foreign Currency.

(c) Prepayments under this **Section 2.11** shall be applied, ***first***, to prepay any Protective Advances, ***second***, to prepay the Swingline Loans, the Tranche A Revolving Loans and the Local Loans, as the Borrower so determines, and ***third***, to prepay the Tranche B Revolving Loans.

**2.12 Mandatory Prepayments.**

(a) To the extent remaining after any prepayments therefrom pursuant to the terms of the Term Loan Agreement and any other Indebtedness intended to be secured by the Term Facility First Priority Collateral on a senior basis to the Liens securing the Obligations, and unless the Required Lenders shall otherwise agree, if any Indebtedness (excluding any Indebtedness permitted to be incurred in accordance with **Section 7.2**) shall be incurred by the Borrower or any Restricted Subsidiary, an amount equal to the lesser of (i) 100% of the Net Cash Proceeds thereof and (ii) the outstanding principal amount of Revolving Loans then outstanding, shall be applied not later than one Business Day after the date of receipt of such Net Cash Proceeds toward the prepayment of the Revolving Loans or Local Loans, as applicable, without a corresponding reduction in the Revolving Commitments, as directed by the Borrower in respect of Tranches thereof; ***provided***, that each Borrower shall be required to make prepayments pursuant to this **Section 2.12(a)** solely in respect of its Loans.

(b) **Prepayments of Revolving Loans**

(i) If, on any date, the aggregate Tranche A Revolving Extensions of Credit exceed the Tranche A Availability at such time, the Borrower or each Local Borrowing Subsidiary (but solely in respect of its applicable Local Loans and Acceptances) shall promptly prepay (without a corresponding reduction in the Tranche A Revolving Commitments) the Tranche A Revolving Loans, the Swingline Loans, the Local Loans, the Acceptances and/or the L/C Obligations, to the Administrative Agent or a Local Fronting Lender, in each case as applicable, and/or Cash Collateralize its obligations, in an aggregate principal amount equal to such excess.

(ii) If, on any date, the aggregate Tranche B Revolving Extensions of Credit exceed the Tranche B Availability at such time, the Borrower shall promptly prepay (without a corresponding reduction in the Tranche B Revolving Commitments) the Tranche B Revolving Loans to the Administrative Agent in an aggregate principal amount equal to such excess; ***provided,*** that the Borrower shall first prepay and/or Cash Collateralize any amounts required to be prepaid and/or Cash Collateralized pursuant to **Section 2.12(b)(i)** prior to prepaying any amounts under this **Section 2.12(b)(ii)**.

(c) Unless the Required Lenders otherwise agree, if at any time and from time to time the sum (based on the Borrowing Base Certificate most recently delivered to the Administrative Agent pursuant to **Section 6.2(g)**) of (i) the aggregate outstanding principal amount of Local Loans denominated in Dollars which are owing by the Local Borrowers to a Local Fronting Lender, (ii) the Dollar Equivalent of 105% of the aggregate outstanding principal amount of Local Loans denominated in the relevant Permitted Foreign Currency which are owing by the Local Borrowers to such Local Fronting Lender and (iii) the Dollar Equivalent of 105% of the

aggregate undiscounted face amount of Acceptances in the relevant Permitted Foreign Currency which are owing by the relevant Local Borrowing Subsidiary to such Local Fronting Lender, exceeds the Currency Sublimit for such Local Fronting Lender, such Local Borrowers shall, within three Business Days, prepay the Local Loans and Acceptances owing by them to such Local Fronting Lender by the amount equal to such excess or, with respect to Acceptances, provide cash and/or Cash Equivalents to be held as security for obligations in respect of Acceptances in a manner reasonably acceptable to such Local Fronting Lender; ***provided***, such cash and/or Cash Equivalents so held as security shall not constitute Qualified Cash.

(d) Prepayments under **Section 2.12(b)(i)** shall be applied, ***first***, to prepay the Swingline Loans and ***second***, to repay the Tranche A Revolving Loans, the Local Loans, the Acceptances and the L/C Obligations (including the Cash Collateralization of Letters of Credit) as the Borrower and the Local Borrowing Subsidiaries so determine, subject to **clause (e)** below.

(e) Prepayments of Local Loans and Acceptances pursuant to this **Section 2.12** shall be applied, ***first***, to the Local Loans of such Local Borrowers as the Borrower (on its own behalf and as agent of the Local Borrowing Subsidiaries) may elect and, ***second***, to the Acceptances; ***provided***, ***however***, that, during such time as an Event of Default has occurred and is continuing, such prepayment shall be applied to the Local Loans and (to the extent relevant) Acceptances of such Local Borrowers as the Administrative Agent may elect.

(f) If the Borrower shall provide cash and/or Cash Equivalents as collateral in order to comply with this **Section 2.12**, such amount shall be returned to the Borrower within three Business Days after notice from the Borrower to the Administrative Agent and the Local Fronting Lender that such collateral is no longer necessary to so comply with this **Section 2.12** and requesting return of such collateral.

(g) If any Borrower would incur costs pursuant to **Section 2.21** as a result of any payment due pursuant to this **Section 2.12**, such Borrower may deposit the amount of such payment with the Administrative Agent, for the benefit of the relevant Lenders, in an Approved Deposit Account, until the end of the applicable Interest Period at which time such payment shall be made; ***provided***, such cash and/or Cash Equivalents shall not constitute Qualified Cash. Each such Borrower hereby grants the Administrative Agent, for the benefit of such Lenders, a security interest (or if the applicable Borrower is a Local Borrowing Subsidiary organized under the laws of the Commonwealth of Australia or any political subdivision thereof, the Administrative Agent shall have a right to apply and setoff any such payment toward any amount payable by such Local Borrowing Subsidiary at the end of the applicable Interest Period) in all amounts in which such Borrower has any right, title or interest which are from time to time on deposit in such Cash Collateral Account and expressly waives all rights (which rights such Borrower hereby acknowledges and agrees are vested exclusively in the Administrative Agent) to exercise dominion or control over any such amounts.

**2.13 Conversion and Continuation Options.**

(a) The Borrower may elect from time to time to convert Eurocurrency Loans (other than Local Loans or Eurocurrency Loans denominated in a Permitted Foreign Currency) made to

the Borrower to ABR Loans by giving the Administrative Agent prior irrevocable written notice of such election no later than 12:00 Noon, New York City time, on the Business Day preceding the proposed conversion date; ***provided***, that if any such Eurocurrency Loan is so converted on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to **Section 2.21**. The Borrower may elect from time to time to convert ABR Loans (other than Local Loans) made to the Borrower to Eurocurrency Loans by giving the Administrative Agent prior irrevocable written notice of such election no later than 12:00 Noon, New York City time, on the third Business Day preceding the proposed conversion date (which notice shall specify the length of the initial Interest Period therefor); ***provided***, that no such ABR Loan under a particular Facility may be converted into a Eurocurrency Loan when any Event of Default has occurred and is continuing and the Administrative Agent or the Majority Facility Lenders in respect of such Facility have determined in its or their sole discretion not to permit such conversions. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof. This **Section 2.13** shall not apply to Swingline Loans and Protective Advances, in each case, which may not be converted or continued.

(b) Any Eurocurrency Loan (other than a Local Loan) may be continued as such by the Borrower giving irrevocable written notice to the Administrative Agent, in accordance with the applicable provisions of the term "Interest Period" set forth in **Section 1.1** and no later than 12:00 Noon, New York City time, on the third Business Day preceding the proposed continuation date, of the length of the next Interest Period to be applicable to such Loans; ***provided***, that if any such Eurocurrency Loan is so continued on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to **Section 2.21**; ***provided***, ***further***, that no such Eurocurrency Loan under a particular Facility may be continued as such when any Event of Default has occurred and is continuing and the Administrative Agent has or the Majority Facility Lenders in respect of such Facility have determined in its or their sole discretion not to permit such continuations; ***provided***, ***further***, that (i) if the Borrower shall fail to give any required notice as described above in this paragraph such Eurocurrency Loans shall be automatically continued as Eurocurrency Loans having an Interest Period of one month's duration on the last day of such then-expiring Interest Period and (ii) if such continuation is not permitted pursuant to the preceding proviso, such Eurocurrency Loans shall be automatically converted to ABR Loans on the last day of such then expiring Interest Period; ***provided***, ***further***, that if the Borrower wishes to request Eurocurrency Loans having an Interest Period other than one, two, three or six months in duration as provided in the definition of "Interest Period," the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. four Business Days prior to the requested date of such borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to the appropriate Lenders of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m., three Business Days before the requested date of such borrowing, conversion or continuation, the Administrative Agent shall notify the Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the Lenders. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

(c) Each Borrower may elect from time to time to convert outstanding Local Loans from Eurocurrency Loans to ABR Loans (in the case of Local Loans which are in Dollars) by giving (or causing the Company to give) the relevant Local Fronting Lender (with a copy to the Administrative Agent) at least two Business Days' prior irrevocable notice of such election. Each Local Borrower may elect from time to time to convert outstanding Local Loans from Eurocurrency Loans to Local Rate Loans (in the case of Local Loans which are in a Permitted Foreign Currency) by giving (or causing the Company to give) the relevant Local Fronting Lender at least two Business Days' prior irrevocable notice of such election. Each Borrower may elect from time to time and at any time to convert outstanding Local Loans from ABR Loans to Eurocurrency Loans (in the case of Local Loans which are in Dollars) by giving (or causing the Company to give) the relevant Local Fronting Lender (with a copy to the Administrative Agent) at least three Business Days' irrevocable notice of such election; ***provided***, ***however***, that no ABR Loans may be converted to Eurocurrency Loans when any Event of Default has occurred and is continuing and the Administrative Agent or the Required Lenders so elect by notice to the Company. Each Local Borrower may elect from time to time and at any time to convert outstanding Local Rate Loans to Eurocurrency Loans (in the case of Local Loans which are in a Permitted Foreign Currency) by giving (or causing the Company to give) the relevant Local Fronting Lender (with a copy to the Administrative Agent) at least three Business Days' irrevocable notice of such election; ***provided***, ***further***, that no Local Rate Loans may be converted to Eurocurrency Loans when any Event of Default has occurred and is continuing and the Administrative Agent or the Required Lenders so elect by notice to the Company. On the date on which such conversion is being made, the relevant Local Fronting Lender shall take such action as is necessary to effect such conversion. All or any part of the outstanding Local Loans may be converted as provided herein.

(d) Any Local Loans which are Eurocurrency Loans or (to the extent applicable) Local Rate Loans may be continued as such upon the expiration of an Interest Period with respect thereto by giving the relevant Local Fronting Lender (with a copy to the Administrative Agent) at least three Business Days' irrevocable notice for continuation thereof; ***provided***, ***however***, that no such Eurocurrency Loan may be continued as such when any Event of Default has occurred and is continuing and the Administrative Agent or the Required Lenders so elect by notice to the Company and, instead, such Eurocurrency Loans denominated in Permitted Foreign Currencies shall be automatically converted to Local Rate Loans and Eurocurrency Loans denominated in Dollars shall be automatically converted to ABR Loans, in each case, on the last day of the Interest Period for such Eurocurrency Loans. The Administrative Agent shall notify the relevant Local Fronting Lenders promptly that such automatic conversion shall occur.

(e) In the event that a timely notice of conversion or continuation with regard to Local Loans which are Eurocurrency Loans is not given in accordance with this **Section 2.13**, then, unless the relevant Local Fronting Lender shall have received timely notice from the relevant Borrower in accordance with **Section 2.11** that such Eurocurrency Loans are to be prepaid on the last day of such Interest Period, such Borrower shall be deemed irrevocably to have requested that such Eurocurrency Loans denominated in Permitted Foreign Currencies be converted into Local Rate Loans and Eurocurrency Loans denominated in Dollars be converted into ABR Loans, as the case may be, on the last day of such Interest Period. In the event that a

timely notice of continuation with regard to Local Rate Loans which are subject to an Interest Period is not given in accordance with this **Section 2.13**, then, unless the relevant Local Fronting Lender shall have received timely notice from the relevant Borrower in accordance with **Section 2.11** that such Local Rate Loans are to be converted into Eurocurrency Loans or prepaid on the last day of such Interest Period, such Borrower shall be deemed irrevocably to have requested that such Local Rate Loans be continued as such on the last day of such Interest Period for a new Interest Period which is the shortest such Interest Period available to such Borrower from the relevant Local Fronting Lender.

**2.14 Minimum Amounts and Maximum Number of Eurocurrency Tranches**

. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions, continuations and optional prepayments of Eurocurrency Loans and all selections of Interest Periods shall be in such amounts and be made pursuant to such elections so that (a) after giving effect thereto, the aggregate principal amount of the Eurocurrency Loans comprising each Eurocurrency Tranche shall be equal to the Borrowing Minimum or a whole multiple of the Borrowing Multiple in excess thereof; ***provided***, that the foregoing shall not apply to Local Loans, in respect of which aggregate principal amounts and minimum borrowing requirements shall be mutually agreed between the applicable Local Fronting Lender and applicable Borrower, and (b) no more than (A) seventeen Eurocurrency Tranches of Revolving Loans and (B) two Interest Periods (or such other number of Interest Periods as may be mutually agreed upon by the relevant Local Fronting Lender and the relevant Borrowers) in respect of Local Loans which are Eurocurrency Loans and (if an Interest Period is applicable thereto) Local Rate Loans in each Permitted Foreign Currency, shall be outstanding at any one time.

**2.15 Interest Rates and Payment Dates.**

(a) Each Eurocurrency Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Eurocurrency Rate determined for such day ***plus*** the Applicable Margin.

(b) (i) Each ABR Loan and each Swingline Loan shall bear interest at a rate per annum equal to the ABR ***plus*** the Applicable Margin and (ii) each Local Rate Loan shall bear interest on the unpaid principal amount thereof at a rate per annum equal to the Local Rate applicable to the relevant Permitted Foreign Currency ***plus*** the Applicable Margin.

(c) (i) If all or a portion of the principal amount of any Loan, Reimbursement Obligation, Local Loan or Acceptances shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to (x) in the case of the Loans, Local Loans or Acceptances, the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this **Section 2.15** ***plus*** 2.00% or (y) in the case of Reimbursement Obligations, the rate applicable to ABR Loans under the relevant Facility ***plus*** 2.00%, and (ii) if all or a portion of any interest payable on any Loan, Reimbursement Obligation, Local Loan or Acceptance or any commitment fee or other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to the rate then

applicable to ABR Loans if denominated in Dollars under the relevant Facility or if denominated in a Permitted Foreign Currency, the rate then applicable to Local Rate Loans, in each case, ***plus*** 2.00% (or, in the case of any such other amounts that do not relate to a particular Facility, the rate then applicable to ABR Loans if denominated in Dollars or the rate applicable to Local Rate Loans for the applicable Permitted Foreign Currency, in each case, under the relevant Facility ***plus*** 2.00%), in each case, with respect to **clauses (i)** and **(ii)** above, from the date of such nonpayment until such amount is paid in full (after as well as before judgment); ***provided***, that no amount shall be payable pursuant to this **Section 2.15(c)** to a Defaulting Lender so long as such Lender shall be a Defaulting Lender; ***provided***, ***further***, that no amounts shall accrue pursuant to this **Section 2.15(c)** on any overdue Loan, Reimbursement Obligation, Local Loan, Acceptance, commitment fee or other amount payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(d) Interest shall be payable by the Borrower in arrears on each Interest Payment Date; ***provided***, that interest accruing pursuant to **paragraph (c)** of this **Section 2.15** shall be payable from time to time on demand. Interest on each Local Loan shall be payable in arrears to the relevant Local Fronting Lender in the applicable Permitted Foreign Currency (or, with respect to Local Loans which are denominated in Dollars, in Dollars).

(e) On each Interest Payment Date (including, without limitation, each Interest Payment Date with respect to Acceptances), the Local Fronting Lender shall deliver to the Administrative Agent, the Company and the relevant Local Borrowing Subsidiary an Interest Allocation Statement, substantially in the form of **Exhibit O-2**, and the Company and the relevant Local Borrowing Subsidiary shall (in the absence of manifest error) pay the amount specified therein on such Interest Payment Date.

(f) As promptly as is practicable following each date upon which a Local Fronting Lender receives a payment of interest under this Agreement on account of Local Loans and/or Acceptances, such Local Fronting Lender shall convert into Dollars (at the exchange rate then applicable to it) the amount equal to (i) the portion of such payment which constitutes the Applicable Margin thereon (or, with respect to each Tranche A Revolving Lender which funded the purchase of a participating interest in such Local Loan or Acceptance pursuant to **Section 2.32(a)**, as the case may be, such Tranche A Revolving Lender's Tranche A Revolving Percentage of the full amount of such interest payment) ***minus*** (ii) 1/4 of 1% per annum on the aggregate undiscounted face amount of the extensions of credit on account of which such interest payment was made (which unconverted amount shall be retained by such Local Fronting Lender for its own account). In consideration of the agreement of the Tranche A Revolving Lenders to purchase participating interests in the Local Loans and Acceptances, each Local Fronting Lender hereby agrees to pay to the Administrative Agent, for the ratable account of each Tranche A Revolving Lender, a risk participation fee in the amount equal to the proceeds received by such Local Fronting Lender from such conversion (other than any such proceeds payable for the account of a Defaulting Lender, which proceeds shall be retained by such Local Fronting Lender for its own account) or, if no such conversion is required, the amount which would have been converted if such interest had been paid in a Permitted Foreign Currency; ***provided***, ***however***, that, in the event that the Tranche A Revolving Lenders have funded the purchase of

participating interests in the extensions of credit on account of which such interest payment was made pursuant to **Section 2.32(a)**, such Local Fronting Lender shall instead pay to the Administrative Agent, for the account of each Tranche A Revolving Lender which has so funded such purchase, the amount equal to such Tranche A Revolving Lender's Tranche A Revolving Percentage of the proceeds received by such Local Fronting Lender from such conversion. Such amount shall be payable to the Administrative Agent in Dollars on the date upon which such Local Fronting Lender receives the proceeds of such conversion. For purposes of this **Section 2.15(f)**, interest shall be deemed to have been received by the Local Fronting Lender on account of an Acceptance on the last day of the calendar month in which such Acceptance matures.

(g) On each date upon which any Local Borrower pays interest to a Local Fronting Lender hereunder on account of any Local Loan and on each date upon which any Acceptance is created by a Local Fronting Lender for the account of a Local Borrower hereunder, such Local Borrower shall pay to such Local Fronting Lender (for its own account) a local administrative fee in the amount equal to ¼ of 1.0% per annum on the aggregate principal amount of the Local Loans with respect to which such interest is being paid or on the aggregate undiscounted face amount of such Acceptance, as the case may be.

**2.16 Computation of Interest and Fees.**

(a) Interest and fees payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed, except that interest on ABR Loans (except for ABR computations in respect of **clauses (b)** and **(c)** of the definition thereof), Local Rate Loans and Acceptances shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed (or in the case of Local Rate Loans and Acceptances, on such other basis as may be agreed from time to time by the relevant Local Fronting Lender and the relevant Local Borrower to reflect customary practices in the relevant jurisdiction). The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of each determination of a Eurocurrency Rate. The Local Fronting Lender shall as soon as practicable notify the relevant Local Borrower of each determination of Local Rate. Any change in the interest rate on a Loan resulting from a change in the ABR or the Eurocurrency Reserve Requirements shall become effective as of the opening of business on the day on which such change becomes effective. Any change in the interest rate on a Loan resulting from a change in the Local Rate or with respect to Local Loans that are ABR Loans, resulting from a change in ABR, shall become effective as of the opening of business in the jurisdiction of the local lending office of the relevant Local Fronting Lender on the day on which such change shall become effective. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent or a Local Fronting Lender pursuant to any provision of this Agreement shall be presumptively correct in the absence of demonstrable error. The Administrative Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the quotations used by the Administrative Agent in determining any interest rate pursuant to **Section 2.15(a)** and **Section 2.15(b)(i)**. The applicable Local Fronting Lender shall, at the request of the relevant Local

Borrower, deliver to the Local Borrower a statement showing the quotation used by the Local Fronting Lender in determining any interest rate pursuant to **Section 2.15(b)(ii)**.

**2.17 Inability to Determine Interest Rate**

. If prior to the first day of any Interest Period for any Eurocurrency Loan:

(a) the Administrative Agent or the relevant Local Fronting Lender shall have determined (which determination shall be presumptively correct absent demonstrable error) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Eurocurrency Rate for such Interest Period, or

(b) the Administrative Agent shall have received notice from the Majority Facility Lenders in respect of the relevant Facility or, with respect to Local Loans, the applicable Local Fronting Lender, that by reason of any changes arising after the Closing Date, the Eurocurrency Rate determined or to be determined for such Interest Period will not adequately and fairly reflect the cost to such Lenders (as certified by such Lenders) of making or maintaining their affected Loans during such Interest Period,

then, the Administrative Agent or the relevant Local Fronting Lender (as the case may be) shall give telecopy notice thereof to the Borrower and the relevant Lenders as soon as practicable thereafter. If such notice is given (i) the Eurocurrency Rate for such Interest Periods shall be (A) a comparable successor or alternative interbank rate for deposits in the corresponding currency in lieu of the Eurocurrency Rate that is (x) reasonably acceptable to the Borrower and the Administrative Agent, (y) no less favorable to the Borrower than such successor or alternative interbank rates used under other credit facilities of similarly situated borrowers in respect of which the Administrative Agent acts in a substantively similar capacity to its capacity hereunder and (z) posted electronically on the Platform to Required Lenders (***provided***, that if Required Lenders have objected in writing to such posted rate within five Business Days following such posting, such posted rate shall cease to apply), or (B) solely if no such comparable successor or alternative interbank rate exists at such time or if Required Lenders have objected to a posted rate under clause (A) above, a successor or alternative index rate as the Administrative Agent and the Borrower may determine with the consent of Required Lenders (not to be unreasonably withheld or delayed), which shall be no less favorable to the Borrower than such successor or alternative interbank rates used under other credit facilities of similarly situated borrowers in respect of which the Administrative Agent acts in a substantively similar capacity to its capacity hereunder and (ii) until the adoption of a successor or alternative index rate in accordance with **clause (i)** above, (x) any Eurocurrency Loans under the relevant Facility requested to be made on the first day of such Interest Period shall be made as ABR Loans, unless such request for Eurocurrency Loans shall be rescinded by the Borrower or the applicable Local Borrowing Subsidiary, promptly after receipt of such notice from the Administrative Agent, (y) any Loans under the relevant Facility that were to have been converted on the first day of such Interest Period to Eurocurrency Loans shall be continued as ABR Loans and (z) any outstanding Eurocurrency Loans under the relevant Facility shall be converted, on the last day of the then-current Interest Period with respect thereto, to ABR Loans. Until such notice has been withdrawn by the Administrative Agent (which action the Administrative Agent will take

promptly after the conditions giving rise to such notice no longer exist) or the adoption of a successor or alternative index rate pursuant to **clause (i)** above, no further Eurocurrency Loans under the relevant Facility shall be made or continued as such, nor shall the Borrower have the right to convert Loans under the relevant Facility to Eurocurrency Loans. For the avoidance of doubt, the Company's or the applicable Local Borrowing Subsidiary's rescission of a request for Eurocurrency Loans shall be subject to **Section 2.21**. Notwithstanding the foregoing, in no event shall the successor or alternative index rate be less than ~~zero~~1.75%.

**2.18 Pro Rata Treatment and Payments**

(a) **Borrowings, Commitment Fees and Reduction of Commitments**

(i) Except as expressly otherwise provided herein (including as expressly provided in **Sections 2.4**, **2.7**, **2.9**, **2.10(b)**, **2.12**, **2.15(c)**, **2.19**, **2.20**, **2.21**, **2.22**, **2.24**, **2.26**, **10.5**, **10.6** and **10.7**), each borrowing by the Borrower from the Tranche A Revolving Lenders hereunder, each payment by the Borrower on account of the Tranche A Commitment Fee and any reduction of the Tranche A Revolving Commitments shall be made **pro rata** according to the Tranche A Revolving Percentages of the relevant Tranche A Revolving Lenders other than reductions of Tranche A Revolving Commitments pursuant to **Section 2.24**.

(ii) Except as expressly otherwise provided herein (including as expressly provided in **Sections 2.4**, **2.7**, **2.9**, **2.10(b)**, **2.12**, **2.15(c)**, **2.19**, **2.20**, **2.21**, **2.22**, **2.24**, **2.26**, **10.5**, **10.6** and **10.7**), each borrowing by the Borrower from the Tranche B Revolving Lenders hereunder, each payment by the Borrower on account of the Tranche B Commitment Fee and any reduction of the Tranche B Revolving Commitments shall be made **pro rata** according to the Tranche B Revolving Percentages of the relevant Tranche B Revolving Lenders other than reductions of Tranche B Revolving Commitments pursuant to **Section 2.24**.

(iii) With respect to each Tranche (excluding Tranche A Revolving Commitments, Tranche A Revolving Loans, Tranche B Revolving Commitments and Tranche B Revolving Loans), except as expressly otherwise provided herein (including as expressly provided in **Sections 2.4**, **2.7**, **2.9**, **2.10(b)**, **2.12**, **2.15(c)**, **2.19**, **2.20**, **2.21**, **2.22**, **2.24**, **2.26**, **10.5**, **10.6** and **10.7**), each borrowing by the Borrower from the Revolving Lenders hereunder, each payment by the Borrower on account of any commitment fee and any reduction of the Revolving Commitments, in each case in respect of such Tranche, shall be made **pro rata** according to the applicable Tranche Revolving Percentages of such Revolving Lenders other than reductions of such Revolving Commitments pursuant to **Section 2.24**.

(b) [reserved].

(c) **Principal and Interest**

(i) Except as expressly otherwise provided herein (including as expressly provided in **Sections 2.7**, **2.10(b)**, **2.11**, **2.12**, **2.15(c)**, **2.19**, **2.20**, **2.21**, **2.22**, **2.24**, **2.26**, **10.5**, **10.6** and **10.7**), each payment (including prepayments) to be made by the Borrower on account of principal of and interest on the Tranche A Revolving Loans shall be made **pro rata** according to the respective outstanding principal amounts of the Tranche A Revolving Loans then held by the Tranche A Revolving Lenders.

(ii) Except as expressly otherwise provided herein (including as expressly provided in **Sections 2.7**, **2.10(b)**, **2.11**, **2.12**, **2.15(c)**, **2.19**, **2.20**, **2.21**, **2.22**, **2.24**, **2.26**, **10.5**, **10.6** and **10.7**), each payment (including prepayments) to be made by the Borrower on account of principal of and interest on the Tranche B Revolving Loans shall be made **pro rata** according to the respective outstanding principal amounts of the Tranche B Revolving Loans then held by the Tranche B Revolving Lenders.

(iii) With respect to each Tranche (excluding Tranche A Revolving Loans and Tranche B Revolving Loans), except as expressly otherwise provided herein (including as expressly provided in **Sections 2.7**, **2.10(b)**, **2.11**, **2.12**, **2.15(c)**, **2.19**, **2.20**, **2.21**, **2.22**, **2.24**, **2.26**, **10.5**, **10.6** and **10.7**), each payment (including prepayments) to be made by the Borrower on account of principal of and interest on the Revolving Loans of such Tranche shall be made **pro rata** according to the respective outstanding principal amounts of the Revolving Loans of such Tranche then held by the Revolving Lenders other than payments in respect of any differences in the Applicable Margin applicable to different Tranches.

(iv) Each payment in respect of Reimbursement Obligations in respect of any Letter of Credit shall be made to the Issuing Lender that issued such Letter of Credit. Each payment of principal in respect of Swingline Loans shall be made in accordance with **Section 2.6**. Each payment in respect of Local Loans shall be made to the applicable Local Fronting Lender, in accordance with **Section 2.8(a)**.

(d) (i) All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise (other than those relating to Local Loans and Acceptances), shall be made without setoff, deduction or counterclaim and shall be made prior to 3:00 p.m., New York City time, on the due date thereof to the Administrative Agent, for the account of the relevant Lenders, at the Funding Office, in immediately available funds. Any payment received by the Administrative Agent after 3:00 p.m., New York City time may be considered received on the next Business Day in the Administrative Agent's sole discretion. The Administrative Agent shall distribute such payments to the relevant Lenders promptly upon receipt in like funds as received; ***provided***, that payments received by the Administrative Agent on account of interest or fees on the Local Loans and Acceptances may be held by the Administrative Agent and distributed to the Lenders not less frequently than weekly. If any payment hereunder (other than payments on the Eurocurrency Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a Eurocurrency Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the

next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension. During any Liquidity Event Period, solely for purposes of determining the amount of Loans available for borrowing purposes, checks (in addition to immediately available funds applied pursuant to **Section 2.8(e)**) from collections of items of payment and proceeds of any ABL Facility First Priority Collateral shall be applied in whole or in part against the applicable Obligations on the Business Day of receipt, subject to actual collection.

(ii) All payments (including prepayments) to be made by any Local Borrower on account of principal, interest and fees relating to Local Loans and Acceptances shall be made without set-off or counterclaim and shall be made to the Local Fronting Lender to which such amounts are owing at the office of such Local Fronting Lender, or at such other location as such Local Fronting Lender may direct, on or prior to 1:00 p.m., local time at the principal lending office of such Local Fronting Lender. Each such payment shall, to the extent that it is owing on account of Local Loans which are denominated in Dollars, be paid in Dollars and, otherwise, shall be paid in the relevant Permitted Foreign Currency and in immediately available funds. Each Local Fronting Lender shall give prompt notice to the Administrative Agent of amounts from time to time received by it hereunder.

(e) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent on demand, such amount with interest thereon, at a rate equal to the greater of (i) the Federal Funds Effective Rate and (ii) a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be presumptively correct in the absence of demonstrable error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days after such Borrowing Date, the Administrative Agent shall give notice of such fact to the Borrower and the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to ABR Loans under the relevant Facility, on demand, from the Borrower. Nothing herein shall be deemed to limit the rights of the Administrative Agent or the Borrower against any Defaulting Lender.

(f) Unless the Administrative Agent shall have been notified in writing by the Borrower prior to the date of any payment due to be made by the Borrower hereunder that the

Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that the Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the relevant Lenders their respective pro rata shares of a corresponding amount. If such payment is not made to the Administrative Agent by the Borrower within three Business Days after such due date, the Administrative Agent shall be entitled to recover, on demand, from each relevant Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to the daily average Federal Funds Effective Rate. Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against the Borrower.

**2.19 Requirements of Law.**

(a) Except with respect to Indemnified Taxes, Excluded Taxes and Other Taxes, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority first made, in each case, subsequent to the Closing Date:

(i) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by any office of such Lender that is not otherwise included in the determination of the Eurocurrency Rate hereunder;

(ii) shall subject any Recipient to any Taxes on its loans, loan principal, letters of credit, commitments, or other obligations or its deposits, reserves, other liability or capital attributable thereto; or

(iii) shall impose on such Lender any other condition not otherwise contemplated hereunder;

and the result of any of the foregoing is to increase the cost to such Lender or other Recipient, by an amount which such Lender or other Recipient reasonably deems to be material, of making, converting into, continuing or maintaining Eurocurrency Loans or issuing or participating in Letters of Credit, Local Loans or Acceptances (in each case hereunder), or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower or Local Borrowing Subsidiary, as applicable, shall promptly pay such Lender, in Dollars or the Permitted Foreign Currency, as applicable, within thirty Business Days after the Borrower's receipt of a reasonably detailed invoice therefor (showing with reasonable detail the calculations thereof), any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable. If any Lender becomes entitled to claim any additional amounts pursuant to this **Section 2.19**, it shall promptly notify the Borrower (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled.

(b) If any Lender shall have reasonably determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or liquidity requirements or in the interpretation or application thereof or compliance by such Lender or any entity controlling such Lender with any request or directive regarding capital adequacy or liquidity requirements (whether or not having the force of law) from any Governmental Authority first made, in each case, subsequent to the Closing Date shall have the effect of reducing the rate of return on such Lender's or such entity's capital as a consequence of its obligations hereunder or under or in respect of any Letter of Credit, Local Loan or Acceptance to a level below that which such Lender or such entity could have achieved but for such adoption, change or compliance (taking into consideration such Lender's or such entity's policies with respect to capital adequacy or liquidity requirements) by an amount deemed by such Lender to be material, then from time to time, after submission by such Lender to the Borrower (with a copy to the Administrative Agent) of a reasonably detailed written request therefor (consistent with the detail provided by such Lender to similarly situated borrowers), the Borrower, or if such Lender is a Local Fronting Lender, the applicable Local Borrowing Subsidiary, shall pay to such Lender, in Dollars, such additional amount or amounts as will compensate such Lender or such entity for such reduction.

(c) A certificate prepared in good faith as to any additional amounts payable pursuant to this **Section 2.19** submitted by any Lender to the Borrower (with a copy to the Administrative Agent) shall be presumptively correct in the absence of demonstrable error. Notwithstanding anything to the contrary in this **Section 2.19**, the Borrower shall not be required to compensate a Lender pursuant to this **Section 2.19** for any amounts incurred more than 180 days prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor; ***provided***, that if the circumstances giving rise to such claim have a retroactive effect, then such 180-day period shall be extended to include the period of such retroactive effect. The obligations of the Borrower pursuant to this **Section 2.19** shall survive the termination of this Agreement and the payment of the Obligations. Notwithstanding the foregoing, the Borrower shall not be obligated to make payment to any Lender with respect to penalties, interest and expenses if written demand therefor was not made by such Lender within 180 days from the date on which such Lender makes payment for such penalties, interest and expenses.

(d) Notwithstanding anything in this **Section 2.19** to the contrary, solely for purposes of this **Section 2.19**, (i) the Dodd Frank Wall Street Reform and Consumer Protection Act, and all requests, rules, regulations, guidelines and directives promulgated thereunder or issued in connection therewith and (ii) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall, in each case, be deemed to have been enacted, adopted or issued, as applicable, subsequent to the Closing Date.

(e) For purposes of this **Section 2.19**, the term "Lender" shall include any Issuing Lender, Local Fronting Lender and Swingline Lender.

**2.20 Taxes.**

(a) Except as otherwise provided in this Agreement or as required by law, all payments made by or on account of each Borrower or any Loan Party under this Agreement and the other Loan Documents to any Recipient under this Agreement shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes. If any Indemnified Taxes or Other Taxes are required to be deducted or withheld from any such payments, the amounts so payable to the applicable Recipient shall be increased to the extent necessary so that after deduction or withholding of such Indemnified Taxes and Other Taxes (including Indemnified Taxes attributable to amounts payable under this **Section 2.20(a)**) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) In addition, each Borrower or any Loan Party under this Agreement and the other Loan Documents shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Whenever any Taxes are payable by any Borrower and any Loan Party under this Agreement and the other Loan Documents, as promptly as possible thereafter the Borrower shall send to the Administrative Agent for the account of the Administrative Agent or Lender, as the case may be, a certified copy of an original official receipt received by such Borrower or Loan Party showing payment thereof if such receipt is obtainable, or, if not, such other evidence of payment as may reasonably be required by the Administrative Agent or such Lender. If any Borrower or any Loan Party under this Agreement and the other Loan Documents fails to pay any Indemnified Taxes or Other Taxes that such Borrower or Loan Party under this Agreement and the other Loan Documents is required to pay pursuant to this **Section 2.20** (or in respect of which such Borrower or any Loan Party under this Agreement and the other Loan Documents would be required to pay increased amounts pursuant to **Section 2.20(a)** if such Indemnified Taxes or Other Taxes were withheld) when due to the appropriate taxing authority or fails to remit to the Administrative Agent the required receipts or other required documentary evidence, such Borrower or any Loan Party under this Agreement and the other Loan Documents shall indemnify the applicable Recipient for any payments by them of such Indemnified Taxes or Other Taxes, including any amounts payable pursuant to **Section 2.20(a)**, and for any Indemnified Taxes that become payable by such Recipient as a result of any such failure within thirty days after the Lender or the Administrative Agent delivers to such Borrower or Loan Party (with a copy to the Administrative Agent) either (a) a copy of the receipt issued by a Governmental Authority evidencing payment of such Taxes or (b) certificates as to the amount of such payment or liability prepared in good faith.

(d) [reserved]

(e) Each Lender that is entitled to an exemption from or reduction of non-U.S. withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrowers and the Administrative Agent, at the time or times reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, each Lender, if

reasonably requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to non U.S. backup or similar withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) (a "***Non-US Lender***") shall deliver to the Borrower and the Administrative Agent (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased) (A) (i) two accurate and complete copies of IRS Form W-8ECI, W-8BEN or W-8BEN-E, as applicable, (ii) in the case of a Non-US Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest", a statement substantially in the form of **Exhibit F** and two accurate and complete copies of IRS Form W-8BEN or W-8BEN-E, or any subsequent versions or successors to such forms, in each case properly completed and duly executed by such Non-US Lender claiming complete exemption from, or reduced rate of, U.S. federal withholding tax on all payments under this Agreement and the other Loan Documents, or (iii) IRS Form W-8IMY (or any applicable successor form) and all necessary attachments (including the forms described in **clauses (i)** and **(ii)** above, ***provided*** that if the Non-US Lender is a partnership, and one or more of the partners is claiming portfolio interest treatment, the certificate in the form of **Exhibit F** may be provided by such Non-US Lender on behalf of such partners) and (B) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made. Such forms shall be delivered by each Non-US Lender before the date it becomes a party to this Agreement (or, in the case of any Participant, on or before the date such Participant purchases the related participation). In addition, each Non-US Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered by such Non-US Lender, and from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent. Each Non-US Lender shall (i) promptly notify the Borrower and the Administrative Agent at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower and the Administrative Agent (or any other form of certification adopted by the United States taxing authorities for such purpose) and (ii) take such steps as shall not be disadvantageous to it, in its reasonable judgment, and as may be reasonably necessary (including the re-designation of its lending office pursuant to **Section 2.23**) to avoid any requirement of applicable laws of any such jurisdiction that the applicable Borrower or any Loan Party make any deduction or withholding for Taxes from amounts payable to such Lender. Notwithstanding any other provision of this paragraph, a Non-US Lender shall not be required to deliver any form pursuant to this paragraph that such Non-US Lender is not legally able to deliver ***provided*** that it shall promptly notify the Borrower and the Administrative Agent in writing of such inability.

(f) [reserved]

(g) Each Lender that is a United States person (as such term is defined in Section 7701(a)(30) of the Code) (a "***US Lender***") shall deliver to the Borrower and the Administrative Agent two accurate and complete copies of IRS Form W-9, or any subsequent versions or successors to such form and certify that such Lender is not subject to backup withholding. Such forms shall be delivered by each US Lender on or before the date it becomes a party to this Agreement. In addition, each US Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered by such US Lender, and from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent. Each US Lender shall promptly notify the Borrower and the Administrative Agent at any time it determines that it is no longer in a position to provide any previously delivered certifications to the Borrower and the Administrative Agent (or any other form of certification adopted by the United States taxing authorities for such purpose).

(h) If any Recipient determines, in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified pursuant to this **Section 2.20** (including by the payment of additional amounts pursuant to this **Section 2.20**), it shall promptly pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid under this **Section 2.20** with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of such Recipient and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); ***provided***, that such indemnifying party, upon the request of such Recipient, agrees to repay the amount paid over to the indemnifying party (***plus*** any penalties, interest or other charges imposed by the relevant Governmental Authority other than any such penalties, interest or other charges resulting from the gross negligence or willful misconduct of the relevant Recipient (as determined by a final and non-appealable judgment of a court of competent jurisdiction)) to such Recipient in the event such Recipient is required to repay such refund to such Governmental Authority; ***provided***, ***further***, that such Recipient shall, at the indemnifying party's request, provide a copy of any notice of assessment or other evidence of the requirement to pay such refund received from the relevant Governmental Authority (***provided*** that the Recipient may delete any information therein that it deems confidential). This paragraph shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person. In no event will any Recipient be required to pay any amount to an indemnifying party the payment of which would place such Recipient in a less favorable net after-tax position than such Recipient would have been in if the additional amounts giving rise to such refund of any Indemnified Taxes or Other Taxes had never been paid. The agreements in this **Section 2.20** shall survive the termination of this Agreement and the payment of the Obligations.

(i) [reserved]

(j) If a payment made to a Lender under any Loan Document would be subject to withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of

the Code, as applicable), such Lender shall deliver to the Borrower and Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or Administrative Agent as may be necessary for the Borrower and Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this **Section 2.20(j)** "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(k) To the extent required by any applicable laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting the provisions of **Section 2.20**, each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Borrower or Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of such Borrower or Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of **Section 10.6(c)(iii)** relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (h).

(l) The agreements in this **Section 2.20** shall survive the termination of this Agreement and payment of the Loans and all other amounts payable under any Loan Document, the resignation of the Administrative Agent and any assignment of rights by, or replacement of, any Lender.

(m) For purposes of this **Section 2.20**, the term "Lender" shall include any Issuing Lender or Swingline Lender, and, for the avoidance of doubt, applicable law includes FATCA.

**2.21 Indemnity**

. Other than with respect to Taxes, which shall be governed solely by **Section 2.20**, the Borrower agrees to indemnify each Lender for, and to hold each Lender harmless from, any loss or expense (other than lost profits, including the loss of Applicable Margin) that such Lender actually sustains or incurs as a consequence of (a) any failure by the Borrower in making a borrowing of, conversion into or continuation of Eurocurrency Loans or Local Rate Loans after the Borrower has given notice requesting the same in accordance with the provisions of this

Agreement, (b) any failure by the Borrower in making any prepayment of or conversion from Eurocurrency Loans or Local Rate Loans after the Borrower has given a notice thereof in accordance with the provisions of this Agreement or (c) the making of a prepayment, conversion or continuation of Eurocurrency Loans or Local Rate Loans on a day that is not the last day of an Interest Period with respect thereto. A reasonably detailed certificate as to (showing in reasonable detail the calculation of) any amounts payable pursuant to this **Section 2.21** submitted to the Borrower by any Lender shall be presumptively correct in the absence of demonstrable error. This covenant shall survive the termination of this Agreement and the payment of the Obligations.

**2.22 Illegality.**

(a) Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof, in each case, first made after the Closing Date, shall make it unlawful for any Revolving Lender to make or maintain Eurocurrency Loans as contemplated by this Agreement, such Lender shall promptly give notice thereof to the Administrative Agent and the Borrower, and (a) the commitment of such Lender hereunder to make Eurocurrency Loans, continue Eurocurrency Loans as such and convert ABR Loans to Eurocurrency Loans shall be suspended during the period of such illegality and (b) such Lender's Loans then outstanding as Eurocurrency Loans, if any, shall be converted automatically to ABR Loans on the respective last days of the then current Interest Periods with respect to such Loans or within such earlier period as required by law. If any such conversion of a Eurocurrency Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrower shall pay to such Lender such amounts, if any, as may be required pursuant to **Section 2.21**.

(b) Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof, in each case, first made after the Closing Date, shall make it unlawful for any Local Fronting Lender to make or maintain Local Loans as Eurocurrency Loans in the Permitted Foreign Currency applicable to it as contemplated by this Agreement or to accept deposits in order to make or maintain such Eurocurrency Loans, (i) such Local Fronting Lender shall promptly notify the Administrative Agent, the Company and the relevant Local Borrowing Subsidiary thereof, (ii) the agreements of such Local Fronting Lender hereunder to make or convert to Eurocurrency Loans shall be suspended during the period of such illegality, (iii) such Local Fronting Lender's Local Loans then outstanding as Eurocurrency Loans, if any, shall automatically become Local Rate Loans for the duration of the respective Interest Periods applicable thereto (or, if permitted by applicable law, at the end of such Interest Periods).

(c) Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof, in each case, first made after the Closing Date, shall make it unlawful for any Revolving Lender to purchase a participating interest in any Local Loan or Acceptance, such Revolving Lender shall use reasonable efforts (including reasonable efforts to change the office in which it is booking such participating interest) to avoid such prohibition; ***provided***, ***however***, that such efforts shall not

cause the imposition on such Revolving Lender of any additional costs or legal or regulatory burdens deemed by such Revolving Lender to be material or otherwise be deemed by such Revolving Lender to be disadvantageous to it or contrary to its policies. In the event that such efforts are not sufficient to avoid such prohibition, (i) the Borrower shall be permitted to replace such Revolving Lender in accordance with and subject to the requirements of **Section 2.24**, (ii) such Revolving Lender shall promptly notify the Administrative Agent, the relevant Local Fronting Lender, the Company and the relevant Local Borrowing Subsidiary thereof and (iii) the agreements of such Local Fronting Lender to make further Local Loans (or, to the extent applicable, to make further Local Loans upon such interest rate basis) and Acceptances hereunder shall be suspended during the period of such prohibition.

**2.23 Change of Lending Office**

. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of **Section 2.19**, **2.20(a)** or **2.22** with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to avoid or minimize any amounts payable pursuant to such Sections (including by designating another lending office for any Loans affected by such event with the object of avoiding the consequences of such event); ***provided***, that such designation is made on terms that, in the good faith judgment of such Lender, cause such Lender and its lending office(s) to suffer no material economic, legal or regulatory disadvantage; ***provided***, ***further***, that nothing in this **Section 2.23** shall affect or postpone any of the obligations of the Borrower or the rights of any Lender pursuant to **Section 2.19**, **2.20(a)** or **2.22**.

**2.24 Replacement of Lenders**

. Notwithstanding anything to the contrary herein, including the provisions set forth in **Section 2.10**, **Section 2.11** and **Section 2.12** each of which shall not apply to prepayments or termination of Loans or Commitments under this **Section 2.24**, the Borrower shall be permitted to (a) replace with a financial entity or financial entities, or (b) prepay or terminate, without premium or penalty (but subject to **Section 2.21**), the Loans or Commitments, as applicable, of any Lender, Issuing Lender or Swingline Lender (each such Lender, Issuing Lender or Swingline Lender, a "***Replaced Lender***") that (i) requests reimbursement for amounts owing or otherwise results in increased costs imposed on the Borrowers or on account of which a Borrower is required to pay additional amounts to any Governmental Authority, in each case, pursuant to **Section 2.19**, **2.20** or **2.21** (to the extent a request made by a Lender pursuant to the operation of **Section 2.21** is materially greater than requests made by other Lenders) or gives a notice of illegality pursuant to **Section 2.22**, (ii) is a Defaulting Lender or a Lender referred to in **Section 2.22(c)(i)**, (iii) is, or the Borrower reasonably believes could constitute, a Disqualified Institution, or (iv) has refused to consent to any waiver or amendment with respect to any Loan Document that requires such Lender's consent and has been consented to by the Required Lenders; ***provided***, that, in the case of a replacement pursuant to **clause (a)** above:

(A) such replacement does not conflict with any Requirement of Law;

(B) the replacement financial entity or financial entities shall purchase, at par, all Loans and other amounts owing to such Replaced Lender on or prior to the date of replacement (or, in the case of a replacement of an Issuing Lender or Swingline Lender, comply with the provisions of **Section 9.9(c)** (to the extent applicable as if such Lender was resigning as Administrative Agent));

(C) the Borrower shall be liable to such Replaced Lender under **Section 2.21** (as though **Section 2.21** were applicable) if any Eurocurrency Loan owing to such Replaced Lender shall be purchased other than on the last day of the Interest Period relating thereto;

(D) the replacement financial entity or financial entities, (x) if not already a Lender, shall be reasonably satisfactory to the Administrative Agent to the extent that an assignment to such replacement financial institution of the rights and obligations being acquired by it would otherwise require the consent of the Administrative Agent pursuant to **Section 10.6(b)(i)(2)** and (y) shall pay (unless otherwise paid by the Borrower) any processing and recordation fee required under **Section 10.6(b)(ii)(2)**;

(E) the Administrative Agent and any replacement financial entity or entities shall execute and deliver, and such Replaced Lender shall thereupon be deemed to have executed and delivered, an appropriately completed Assignment and Assumption to effect such substitution (or, in the case of a replacement of an Issuing Lender or Swingline Lender, customary assignment documentation);

(F) the Borrower shall pay all additional amounts (if any) required pursuant to **Section 2.19** or **2.20**, as the case may be, in respect of any period prior to the date on which such replacement shall be consummated;

(G) in respect of a replacement pursuant to **clause (iv)** above, the replacement financial entity or financial entities shall consent to such amendment or waiver; and

(H) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the Replaced Lender.

Prepayments pursuant to clause (b) above (i) shall be accompanied by accrued and unpaid interest on the principal amount so prepaid up to the date of such prepayment and (ii) shall not be subject to the provisions of **Section 2.18**. The termination of the Revolving Commitments of any Lender pursuant to **clause (b)** above shall not be subject to the provisions of Section 2.18. In connection with any such replacement under this **Section 2.24**, if the Replaced Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Assumption and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the replacement Lender executes and delivers such Assignment and Assumption and/or such other documentation and (b) the date as of which all obligations of the Borrower owing to

the Replaced Lender relating to the Loans and participations so assigned shall be paid in full to such Replaced Lender, then such Replaced Lender shall be deemed to have executed and delivered such Assignment and Assumption and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Assumption and/or such other documentation on behalf of such Replaced Lender, and the Administrative Agent shall record such assignment in the Register.

**2.25 Incremental Loans.**

(a) After giving effect to, and by virtue of, Amendment No. 1, the Borrower and the Tranche B Revolving Lenders have established the Tranche B Revolving Commitments on the terms set forth in Amendment No. 1 utilizing $41,470,588.23 of the $75,000,000 under **clause (x)** of the definition of Maximum Incremental Facilities Amount. After the Amendment No. 1 Effective Date, the Borrower may by written notice to the Administrative Agent elect to request increases of any-then existing Tranche of Revolving Commitments (each increase in Commitment pursuant to this sentence, a "***Supplemental Revolving Commitment***") hereunder, in an aggregate amount for all such Supplemental Revolving Commitments not in excess of, at the time the respective Supplemental Revolving Commitments become effective, the Maximum Incremental Facilities Amount after giving effect to Amendment No. 1 and the establishment of the Tranche B Revolving Commitments. Each such notice relating to Supplemental Revolving Commitments shall specify (i) the date (each, an "***Increased Amount Date***") on which the Borrower proposes that the Supplemental Revolving Commitments shall be effective, which shall be a date not less than 10 Business Days (or such shorter period as the Administrative Agent may agree) after the date on which such notice is delivered to the Administrative Agent and (ii) if applicable, the Tranche (or Tranches) of Revolving Commitments to be so increased (and, if more than one Tranche of Revolving Commitments will be increased, the amount of the aggregate Supplemental Revolving Commitment to be allocated to each such Tranche); ***provided***, that (x) any Lender offered or approached to provide all or a portion of any Supplemental Revolving Commitments may elect or decline, in its sole discretion, to provide such Supplemental Revolving Commitments, and (y) any Person that the Borrower proposes to become a New Lender, if such Person is not then a Lender, must be an Eligible Assignee and must be reasonably acceptable to the Administrative Agent, and to the extent its consent would be required to assign Loans to any such Eligible Assignee, each Issuing Lender and the Swingline Lender.

(b) Such Tranche B Revolving Commitments shall become effective as of the Amendment No. 1 Effective Date pursuant to the terms of Amendment No. 1. Such Supplemental Revolving Commitments shall become effective as of the applicable Increased Amount Date; ***provided***, that:

(i) no Event of Default shall exist on such Increased Amount Date immediately after giving effect to such Supplemental Revolving Commitments and the making of any New Loans pursuant thereto and any transaction consummated in connection therewith subject to the Permitted Acquisition Provisions (as defined below)

and the Limited Condition Acquisition Provision, in connection with any acquisition or investment being made with the proceeds thereof;

(ii) the proceeds of any Supplemental Revolving Commitments shall be used, at the discretion of the Borrower, for any purpose not prohibited by this Agreement;

(iii) the Supplemental Revolving Commitments shall benefit, ratably with the other Commitments in the same Tranche, from the guarantees under the Guarantee and Collateral Agreement and shall only be guaranteed by the Guarantors;

(iv) the Supplemental Revolving Commitments shall be secured by the Liens on the Collateral on a pari passu basis with the Liens securing all other Obligations and the Obligations with respect to the Supplemental Revolving Commitments shall have the same payment priority as the other Obligations in the same Tranche;

(v) the conditions set forth in **Section 2.34** shall be satisfied, if applicable;

(vi) (A) the maturity date of such Supplemental Revolving Commitment shall be the Revolving Termination Date of the Tranche being so increased, (B) such Supplemental Revolving Commitment shall require no scheduled amortization or mandatory commitment reduction prior to such Revolving Termination Date and (C) such Supplemental Revolving Commitment shall be on the same terms as the Tranche being so increased (other than with respect to upfront fees) and pursuant to the same documentation applicable to such Tranche;

(vii) such Supplemental Revolving Commitments shall be effected in accordance with **Section 2.25(e)**; and

(viii) to the extent reasonably requested by the Administrative Agent, the Borrower shall deliver or cause to be delivered (A) customary legal opinions with respect to the due authorization, execution and delivery by the Borrower and each other Loan Party to be party thereto and the enforceability of the applicable Increase Supplement or Lender Joinder Agreement, as applicable, the non-conflict of the execution, delivery of and performance of payment obligations under such documentation with this Agreement and with the organizational documents of the Loan Parties and the effectiveness of the Guarantee and Collateral Agreement to create a valid security interest, and the effectiveness of specified other Security Documents to perfect such security interests, in specified Collateral to secure the Obligations, including the Supplemental Revolving Commitments and the extensions of credit thereunder, (B) certified copies of the resolutions or other applicable corporate action of each applicable Loan Party approving its entry into such documents and the transactions contemplated thereby and (C) customary reaffirmation agreements and/or such amendments, supplements or modifications to the Security Documents as may be reasonably necessary or advisable to ensure that each New Lender is provided with the benefits of the applicable Loan Documents and each then existing Secured Party continues to be provided with the benefit of the applicable Loan Documents.

Notwithstanding anything to the contrary above, in connection with the incurrence of any Supplemental Revolving Commitment, if the proceeds of such Supplemental Revolving Commitment are, substantially concurrently with the receipt thereof, to be used, in whole or in part, by the Borrower or any Restricted Subsidiary to finance, in whole or in part, a Permitted Acquisition, then to the extent so required by the applicable New Lenders, (A) the only representations and warranties that will be required to be true and correct in all material respects as of the applicable Increased Amount Date shall be (x) the Specified Representations (conformed as necessary for such Permitted Acquisition) and (y) such of the representations and warranties made by or on behalf of the applicable acquired company or business in the applicable acquisition agreement as are material to the interests of the Lenders, but only to the extent that Holdings or the Borrower (or any Affiliate of Holdings or the Borrower) has the right to terminate the obligations of Holdings, the Borrower or such Affiliate under such acquisition agreement or not consummate such acquisition as a result of a breach of such representations or warranties in such acquisition agreement and (B) there need not be a condition to borrowing that there be no Default or Event of Default other than there shall be no Event of Default under **Sections 8.1(a)** or **(f)** after giving effect to such incurrence ("***Permitted Acquisition Provisions***").

(c) On any date on which any Incremental Commitment becomes effective, subject to the foregoing terms and conditions, each lender with an Incremental Commitment (each, a "***New Lender***") shall become a Lender hereunder with respect to such Incremental Commitment.

(d) For purposes of this Agreement, any New Loans or Incremental Commitments shall be deemed to be Revolving Loans or Revolving Commitments, respectively. Each Incremental Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Borrower and the Administrative Agent, to effect the provisions of this **Section 2.25**.

(e) Supplemental Revolving Commitments related to existing Tranche(s) of Revolving Commitments at such time shall become commitments under this Agreement pursuant to a supplement specifying the Tranche to be increased, executed by the Borrower and each increasing Lender substantially in the form attached hereto as **Exhibit L-1** (the "***Increase Supplement***") and by each New Lender (if not already a Lender) substantially in the form attached hereto as **Exhibit L-2** (the "***Lender Joinder Agreement***"), as the case may be, or, in each case, such other form as may be reasonably acceptable to the Administrative Agent and the Borrower, which shall be delivered to the Administrative Agent for recording in the Register. Upon effectiveness of the Lender Joinder Agreement or Increase Supplement, as applicable, each New Lender shall be a Lender for all intents and purposes of this Agreement and the commitments made pursuant to such Supplemental Revolving Commitment shall be Revolving Commitments of such increased Tranche.

(f) Upon the effectiveness of each Supplemental Revolving Commitment pursuant to this **Section 2.25**, (i) each Lender under the applicable Tranche immediately prior to such increase will automatically and without further act be deemed to have assigned to each New

Lender providing a portion of such Supplemental Revolving Commitment, and each such New Lender will automatically and without further act be deemed to have assumed, a portion of such Lender's participations hereunder in outstanding Letters of Credit, Swingline Loans, Local Loans, Acceptances and Protective Advances under such Tranche such that, after giving effect to such Supplemental Revolving Commitment and each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit, Swingline Loans, Local Loans, Acceptances and Protective Advances under such Tranche held by each Lender (including each such New Lender) will equal such Lender's Tranche Revolving Percentage thereof and (ii) if, on the date of such Supplemental Revolving Commitment, there are any Revolving Loans outstanding under such Tranche, such Revolving Loans shall on or prior to the effectiveness of such Supplemental Revolving Commitment be prepaid from the proceeds of additional Revolving Loans made hereunder (reflecting such Supplemental Revolving Commitment), which prepayment shall be accompanied by accrued interest on the Revolving Loans being prepaid and any costs incurred by any Lender in accordance with **Section 2.11**.

**2.26 Extension of Revolving Commitments.**

(a) The Borrower may at any time and from time to time request that all or a portion of the Revolving Commitments of one or more Tranches existing at the time of such request (each, an "***Existing Revolving Tranche***" and the Revolving Loans of such Existing Revolving Tranche, the "***Existing Revolving Loans***"), in each case, be converted to extend the scheduled maturity date(s) of any payment of principal (or extend the termination date of any commitments) with respect to all or a portion of any principal amount (or commitments) of any Existing Revolving Tranche (any such Existing Revolving Tranche which has been so extended, an "***Extended Revolving Tranche***", and the Revolving Commitments of such Extended Revolving Tranches, the "***Extended Revolving Commitments***") and to provide for other terms consistent with this **Section 2.26**; ***provided***, that (i) any such request shall be made by the Borrower to all Lenders with Revolving Commitments, with a like maturity date (whether under one or more Tranches) on a pro rata basis (based on the aggregate outstanding principal amount of the applicable Revolving Commitments) and (ii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower in its sole discretion. In order to establish any Extended Revolving Tranche, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Revolving Tranche) (an "***Extension Request***") setting forth the proposed terms of the Extended Revolving Tranche to be established, which terms shall be substantially similar to those applicable to the Existing Revolving Tranche from which they are to be extended (the "***Specified Existing Tranche***"), except (x) all or any of the final maturity or termination dates of such Extended Revolving Tranches may be delayed to later dates than the final maturity or termination dates of the Specified Existing Tranche, and (y) (A) the interest margins with respect to the Extended Revolving Tranche may be higher or lower than the interest margins for the Specified Existing Tranche and/or (B) additional fees may be payable to the Lenders providing such Extended Revolving Tranche in addition to or in lieu of any increased margins contemplated by the preceding **clause (A)**; ***provided***, that, notwithstanding anything to the contrary in this **Section 2.26** or otherwise, assignments and participations of Extended Revolving

Tranches shall be governed by the same or, at the Borrower's discretion, more restrictive assignment and participation provisions applicable to Revolving Commitments, set forth in **Section 10.6**. No Lender shall have any obligation to agree to have any of its Existing Revolving Loans converted into an Extended Revolving Tranche pursuant to any Extension Request. Any Extended Revolving Tranche shall constitute a separate Tranche of Loans from the Specified Existing Tranches and from any other Existing Revolving Tranches (and any other Extended Revolving Tranches so established on such date).

(b) The Borrower shall provide the applicable Extension Request at least 10 Business Days (or such shorter period as the Administrative Agent may agree to) prior to the date on which Lenders under the applicable Existing Revolving Tranche or Existing Revolving Tranches are requested to respond. Any Lender (an "***Extending Lender***") wishing to have all or a portion of its Specified Existing Tranche converted into an Extended Revolving Tranche shall notify the Administrative Agent (each, an "***Extension Election***") on or prior to the date specified in such Extension Request of the amount of its Specified Existing Tranche that it has elected to convert into an Extended Revolving Tranche. In the event that the aggregate amount of the Specified Existing Tranche subject to Extension Elections exceeds the amount of Extended Revolving Tranches requested pursuant to the Extension Request, the Specified Existing Tranches subject to Extension Elections shall be converted to Extended Revolving Tranches on a pro rata basis based on the amount of Specified Existing Tranches included in each such Extension Election. In connection with any extension of Loans pursuant to this **Section 2.26** (each, an "***Extension***"), the Borrower shall agree to such procedures regarding timing, rounding and other administrative adjustments to ensure reasonable administrative management of the credit facilities hereunder after such Extension, as may be established by, or acceptable to, the Administrative Agent and the Borrower, in each case acting reasonably to accomplish the purposes of this **Section 2.26; *provided,*** that no such Extension and no amendments relating thereto (including any Section 2.26 Additional Amendments) shall become effective, unless (i) the Borrower shall deliver or cause to be delivered documents of a type comparable to those described in **clause (viii)** of **Section 2.25(b)** to the extent reasonably requested by the Administrative Agent and (ii) the conditions set forth in **Section 2.34** shall be satisfied, if applicable.

(c) Extended Revolving Tranches shall be established pursuant to an amendment (an "***Extension Amendment***") to this Agreement and the other Loan Documents (which may include amendments to provisions related to maturity, interest margins or fees referenced in **clauses (x)** and **(y)** of **Section 2.26(a)**, and which, except to the extent expressly contemplated by the last sentence of this **Section 2.26(c)** and notwithstanding anything to the contrary set forth in **Section 10.1**, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Revolving Tranches established thereby) executed by the Loan Parties, the Administrative Agent, and the Extending Lenders. Subject to the requirements of this **Section 2.26** and without limiting the generality or applicability of **Section 10.1** to any Section 2.26 Additional Amendments, any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "***Section 2.26 Additional Amendment***") to this Agreement and the other Loan Documents; ***provided***, that such Section 2.26 Additional Amendments do not become effective prior to the time that such Section 2.26 Additional Amendments have been consented to

(including pursuant to consents applicable to holders of any Extended Revolving Tranches provided for in any Extension Amendment) by such of the Lenders, Loan Parties and other parties (if any) as may be required in order for such Section 2.26 Additional Amendments to become effective in accordance with **Section 10.1**; ***provided***, ***further***, that no Extension Amendment may provide for any Extended Revolving Tranche to be secured by any Collateral or other assets of any Loan Party that does not also secure the Existing Revolving Tranches or be guaranteed by any Person other than the Guarantors. Notwithstanding anything to the contrary in **Section 10.1**, any such Extension Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary or appropriate, in the reasonable judgment of the Borrower and the Administrative Agent, to effect the provisions of this **Section 2.26**; ***provided***, that the foregoing shall not constitute a consent on behalf of any Lender to the terms of any Section 2.26 Additional Amendment.

(d) Notwithstanding anything to the contrary contained in this Agreement, on any date on which any Existing Revolving Tranche is converted to extend the related scheduled termination date(s) in accordance with **Section 2.26(a)** above (an "***Extension Date***"), in the case of the Specified Existing Tranche of each Extending Lender, the aggregate principal amount of such Specified Existing Tranche shall be deemed reduced by an amount equal to the aggregate principal amount of the Extended Revolving Tranche so converted by such Lender on such date, and such Extended Revolving Tranches shall be established as a separate Tranche from the Specified Existing Tranche and from any other Existing Revolving Tranches (and any other Extended Revolving Tranches so established on such date).

(e) If, in connection with any proposed Extension Amendment, any Lender declines to consent to the applicable extension on the terms and by the deadline set forth in the applicable Extension Request (each such other Lender, a "***Non-Extending Lender***") then the Borrower may, on notice to the Administrative Agent and the Non-Extending Lender, replace such Non-Extending Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to **Section 10.6** (with the assignment fee and any other costs and expenses to be paid by the Borrower or the assignee in such instance) all of its rights and obligations under this Agreement to one or more assignees; ***provided***, that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; ***provided***, ***further***, that the applicable assignee shall have agreed to provide Extended Revolving Commitments on the terms set forth in such Extension Amendment; ***provided***, ***further***, that all obligations of the Borrower owing to the Non-Extending Lender relating to the Existing Revolving Loans so assigned (including pursuant to **Section 2.21** (as though **Section 2.21** were applicable)) shall be paid in full by the assignee Lender to such Non-Extending Lender concurrently with such Assignment and Assumption. In connection with any such replacement under this **Section 2.26**, if the Non-Extending Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Assumption, by the later of (A) the date on which the replacement Lender executes and delivers such Assignment and Assumption, and (B) the date as of which all obligations of the Borrower owing to the Non-Extending Lender relating to the Existing Revolving Loans so assigned shall be paid in full to such Non-Extending Lender, then such Non-Extending Lender shall be deemed to have executed and delivered such Assignment and Assumption, as of such date and the Borrower shall be entitled (but not

obligated) to execute and deliver such Assignment and Assumption, on behalf of such Non-Extending Lender.

(f) Following any Extension Date, with the written consent of the Borrower, any Non-Extending Lender may elect to have all or a portion of its existing Revolving Commitments deemed to be an Extended Revolving Commitment under the applicable Extended Revolving Tranche on any date (each date a "***Designation Date***") prior to the commitment termination date of such Extended Revolving Tranche; ***provided***, that such Lender shall have provided written notice to the Borrower and the Administrative Agent at least 10 Business Days prior to such Designation Date (or such shorter period as the Administrative Agent may agree in its reasonable discretion); ***provided***, ***further***, that no greater amount shall be paid by or on behalf of the Borrower or any of its Affiliates to any such Non-Extending Lender as consideration for its extension into such Extended Revolving Tranche than was paid to any Extending Lender as consideration for its Extension into such Extended Revolving Tranche. Following a Designation Date, the Existing Revolving Loans held by such Lender so elected to be extended will be deemed to be Extended Revolving Commitments of the applicable Extended Revolving Tranche, and any existing Revolving Commitments held by such Lender not elected to be extended, if any, shall continue to be Revolving Commitments of the applicable Tranche.

(g) With respect to all Extensions consummated by the Borrower pursuant to this **Section 2.26**, (i) such Extensions shall not constitute optional or mandatory payments or prepayments for purposes of **Sections 2.11** and **2.12** and (ii) no Extension Request is required to be in any minimum amount or any minimum increment, ***provided***, that the Borrower may at its election specify as a condition (a "***Minimum Extension Condition***") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Request in the Borrower's sole discretion and which may be waived by the Borrower) of Extended Revolving Tranches or Existing Revolving Loans of any or all applicable Tranches be extended. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this **Section 2.26** (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Revolving Commitments on such terms as may be set forth in the relevant Extension Request) and hereby waive the requirements of any provision of this Agreement (including **Sections 2.8**, **2.11** and **2.12**) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this **Section 2.26**.

**2.27 Designation of Additional Permitted Foreign Currencies.**

(a) The Company may from time to time request that any one or more additional freely available currencies which are freely transferable and freely convertible into Dollars be designated as "*Permitted Foreign Currencies*" hereunder by providing written notice to the Administrative Agent specifying (i) the relevant Local Borrowing Subsidiary for such currency (which need not be an existing Local Borrowing Subsidiary), (ii) the requested amount of the Currency Sublimit for such Permitted Foreign Currency and (iii) specifying the Local Fronting Lender with respect thereto and the Maximum Sublimit to be inserted in **Schedule 2.4(b)** for such Local Fronting Lender; ***provided***, ***however***, that in no event shall the sum of all Currency

Sublimits (after giving effect to the requested designation of an additional Permitted Foreign Currency and any concurrent re-allocation of the Currency Sublimits pursuant to **Section 2.28**) exceed 20% of the aggregate Tranche A Revolving Commitments then in effect. The Administrative Agent shall promptly forward to each Tranche A Revolving Lender a copy of any such notice. Within ten Business Days following the receipt of such notice, the applicable Tranche A Revolving Lender or Local Fronting Lender shall notify the Administrative Agent in writing whether such designation is acceptable to such Tranche A Revolving Lender or Local Fronting Lender (in its sole discretion) and the Administrative Agent promptly shall notify the Company thereof.

(b) In the event that such designation is acceptable to the applicable Tranche A Revolving Lender or Local Fronting Lender, the Company shall cause the requested Local Borrowing Subsidiary to deliver, as applicable, to the Administrative Agent (i) if the applicable Local Borrowing Subsidiary is not an existing party to this Agreement, a Local Borrowing Subsidiary Joinder Agreement, (ii) such other documents, instruments, agreements and legal opinions as the Administrative Agent reasonably may request (including, in any event, an opinion of local counsel in the relevant jurisdiction to the effect that no Lender, other than the relevant Local Fronting Lender, shall be deemed to be doing business in the relevant jurisdiction, or otherwise shall be subject to regulation or taxation therein, solely as a result of the agreements set forth herein, with such legal opinions to be in form and substance reasonably acceptable to the Administrative Agent) and (iii) if the Local Fronting Lender for such Permitted Foreign Currency is not an existing Local Fronting Lender, a Local Fronting Lender Joinder Agreement from such Local Fronting Lender.

(c) From and after the date upon which the Administrative Agent has received the documents (all of which shall be in form and substance reasonably satisfactory to the Administrative Agent) described in **Section 2.27(b)**, **Schedule 2.4(b)** hereto shall be deemed to be amended to reflect (i) the designation of such currency as a Permitted Foreign Currency, (ii) the aggregate amount of the Currency Sublimit and Maximum Sublimit with respect thereto, (iii) the name and applicable local lending office of the relevant Local Fronting Lender with respect thereto and (iv) the name of the relevant Local Borrowing Subsidiary.

(d) With respect to any Permitted Foreign Currency set forth on **Schedule 2.4(b)**, the Company may designate an additional or different Local Borrowing Subsidiary with respect thereto with the approval of the applicable Tranche A Revolving Lender and the relevant Local Fronting Lender, which designation shall take effect from and after the date upon which the Administrative Agent has received the documents described in **Section 2.27(b)(i)** and **(ii)** with respect to such designated Local Borrowing Subsidiary and from and after such date **Schedule 2.4(b)** shall be deemed to be amended to reflect the name of the Local Borrowing Subsidiary so designated.

(e) The Administrative Agent shall give prompt notice to the Revolving Lenders of the effectiveness of any such designation and shall deliver to each Revolving Lender and the Company a revised version of **Schedule 2.4(b)** which reflects any such amendment.

**2.28 Re-Allocation of Currency Sublimits.**

(a) The Company (on its own behalf and as agent of the Local Borrowing Subsidiaries) may from time to time (but, unless the Administrative Agent shall otherwise agree, not more frequently than two times per calendar month) request that the amount of any one or more Currency Sublimits be increased and/or the amount of any one or more Currency Sublimits be decreased by delivering a written request for such re-allocation to the Administrative Agent. Each such request shall specify the amount (in Dollars) of the increase or decrease, as the case may be, applicable to each affected Currency Sublimit. The Administrative Agent shall deliver to each affected Local Fronting Lender a copy of such request promptly following receipt thereof.

(b) Unless the revised Currency Sublimit of any Local Fronting Lender will, after giving effect to the requested re-allocation of Currency Sublimits, be in excess of the Maximum Sublimit then in effect for such Local Fronting Lender, then the Currency Sublimits shall be deemed to be so re-allocated and **Schedule 2.4(b)** shall be deemed to be amended to reflect such reallocation; ***provided***, ***however***, that (i) no Local Fronting Lender shall be required to lend more than its Currency Sublimit (as in effect prior to the effectiveness of such re-allocation) until such Local Fronting Lender has received notice from the Administrative Agent of the effectiveness of such re-allocation (which notice the Administrative Agent agrees to deliver promptly upon such effectiveness) and (ii) after giving effect to such re-allocation, the aggregate Tranche A Revolving Extensions of Credit shall not exceed the Tranche A Availability then in effect. Promptly following the effectiveness of such re-allocation, the Administrative Agent shall deliver to each Revolving Lender and the Company a revised **Schedule 2.4(b)** which reflects such amendment.

(c) In the event that the revised Currency Sublimit of any Local Fronting Lender will (after giving effect to the requested re-allocation of Currency Sublimits) be in excess of the Maximum Sublimit specified for such Local Fronting Lender on **Schedule 2.4(b)**, then such Local Fronting Lender and the Administrative Agent shall have ten Business Days to determine whether (in their sole discretion) to approve such increase. In the event that such Local Fronting Lender and the Administrative Agent approve such increase (which approval shall be delivered in writing to the Company and, in the case of the approval of such Local Fronting Lender, to the Administrative Agent) then the Currency Sublimit and the Maximum Sublimit of such Local Fronting Lender shall be re-allocated to such higher amounts requested for such Local Fronting Lender in the request delivered to the Administrative Agent pursuant to **Section 2.28(a)**. In the event that such Local Fronting Lender and the Administrative Agent do not approve such increase in accordance with the foregoing terms of this **Section 2.28(c)**, then the Currency Sublimit of such Local Fronting Lender shall be increased only to its existing Maximum Sublimit on the date upon which either such Local Fronting Lender or the Administrative Agent notifies the Company that such increase has not been approved (or, if no such notice is given, at the end of such ten day approval period). Promptly following the effectiveness of any such reallocation, the Administrative Agent shall deliver to each Revolving Lender and the Company a revised **Schedule 2.4(b)** which reflects such amendment. The Company or the relevant Local Borrowing Subsidiary shall pay any stamp, recording or other similar tax payable under the laws of the local jurisdiction which is required as a result of any such increase in the Maximum Sublimit of its relevant Local Fronting Lender.

(d) In connection with any re-allocation made in accordance with this **Section 2.28**, the Company may designate that the Currency Sublimit applicable to any Local Fronting Lender is to be reduced to zero and that the relevant Local Borrowing Subsidiary is to cease to be a "*Local Borrowing Subsidiary*" hereunder. From and after any such designation and repayment of all relevant Local Loans or Acceptances then outstanding, such Local Borrowing Subsidiary shall cease to be a Borrower hereunder, such Local Fronting Lender shall cease to be the "*Local Fronting Lender*" for the relevant Permitted Foreign Currency and (except to the extent that the provisions of **Section 2.27** subsequently are complied with) no further Local Loans or Acceptances shall be made to any Borrower by such Local Fronting Lender in such Permitted Foreign Currency.

(e) Notwithstanding anything to the contrary contained herein, no such reallocation shall be permitted if, after giving effect thereto, the aggregate Tranche A Revolving Extensions of Credit shall exceed the Tranche A Availability then in effect or the aggregate Revolving Extensions of Credit shall exceed the Availability then in effect.

(f) Promptly following any change in the Currency Sublimit in effect for any Local Fronting Lender, the Administrative Agent shall deliver to such Local Fronting Lender a statement indicating the new Currency Sublimit in effect for such Local Fronting Lender.

**2.29 Resignation or Removal of a Local Fronting Lender.**

(a) In the event that a Local Fronting Lender shall so elect, such Local Fronting Lender shall resign as Local Fronting Lender by giving written notice of its resignation to the Company, the relevant Local Borrowing Subsidiary and the Administrative Agent, with such resignation becoming effective on the date which is the earlier of (i) the date upon which a Local Fronting Lender reasonably acceptable to the Administrative Agent and the Company (on its own behalf and as agent for the relevant Local Borrowing Subsidiary) is designated as a substitute Local Fronting Lender in accordance with the provisions of **Section 2.29(c)** and (ii) such other date upon which such Local Fronting Lender, the Company and the relevant Local Borrowing Subsidiary otherwise agree; ***provided***, ***however***, that such effective date shall in no event be later than the date which is 30 days following the date upon which such written notice is delivered to the Company. Any Local Loans and Acceptances made by such Local Fronting Lender which are outstanding on such termination date shall be due and payable on such termination date.

(b) The Company (on its own behalf and as agent for the relevant Local Borrowing Subsidiary) at any time may, using its commercially reasonable judgment, request that any Local Fronting Lender cease to be designated as such by giving written notice of such request to the Administrative Agent (which notice the Administrative Agent promptly shall deliver to such Local Fronting Lender and to each Revolving Lender). Immediately upon receipt of such request, such Local Fronting Lender shall cease to make any additional Local Loans and cease to create any additional Acceptances, and all Local Loans and Acceptances then maintained by such Local Fronting Lender shall be due and payable on the date requested by the Company (which date shall be not earlier than (i) the earlier of (A) 30 days following delivery of such notice, in the case of ABR Loans, Local Rate Loans and Acceptances and (B) the last day of the

Interest Period then in effect with respect thereto, in the case of Eurocurrency Loans, and (ii) such other date upon which such Local Fronting Lender, the Company and the relevant Local Borrowing Subsidiary otherwise agree). From and after the date upon which all such Local Loans and Acceptances are repaid (together with accrued interest and other amounts owing to such Local Fronting Lender on account thereof), such Local Fronting Lender shall cease to be a "*Local Fronting Lender*" with respect to such Permitted Foreign Currency.

(c) In the event that the Local Fronting Lender with respect to any Permitted Foreign Currency shall cease to serve as such pursuant to **Section 2.29(a)** or **(b)**, the Company (on its own behalf and as agent of the relevant Local Borrowing Subsidiary) may designate another Local Fronting Lender reasonably acceptable to the Administrative Agent to serve as "*Local Fronting Lender*" with respect to such Permitted Foreign Currency; ***provided***, ***however***, that no Revolving Lender or affiliate thereof shall be so designated without its agreement (in its sole discretion) to serve as the "*Local Fronting Lender*" with respect to such Permitted Foreign Currency hereunder. Upon any such designation and, in the case that the newly-designated Local Fronting Lender is not already a Local Fronting Lender hereunder, the receipt by the Administrative Agent of a Local Fronting Lender Joinder Agreement, duly executed and delivered by such designated Local Fronting Lender, such Revolving Lender or its affiliate, as the case may be, shall be deemed to be the "*Local Fronting Lender*" with respect to such Permitted Foreign Currency for all purposes under this Agreement and the other Loan Documents.

(d) During any period when no substitute Local Fronting Lender has been duly appointed in accordance with the terms of this **Section 2.29**, the right of the Borrowers to borrower in such Permitted Foreign Currency shall be suspended in the applicable jurisdiction.

**2.30 Local Fronting Lender Reports**

. Each Local Fronting Lender shall deliver to the Administrative Agent on the first Business Day of each calendar week and on the first Business Day of each calendar month (and at any time and from time to time when the Administrative Agent may so request) a statement, substantially in the form of **Exhibit O-1**, showing (i) the aggregate principal amount of Local Loans in the relevant Permitted Foreign Currency outstanding from such Local Fronting Lender as of the close of business on each Business Day during the prior week (or portion thereof), (ii) the aggregate principal amount of Local Loans in Dollars outstanding from such Local Fronting Lender as of the close of business on each Business Day during the prior week (or portion thereof), (iii) the aggregate undiscounted face amount of Acceptances outstanding from such Local Fronting Lender as of the close of business on each Business Day during the prior week (or portion thereof) and (iv) such other matters as are contained therein. The Administrative Agent hereby agrees to deliver a copy of each such statement to the Company promptly following its receipt thereof and of any such statement to any Revolving Lender promptly upon its request therefor.

**2.31 Bankers' Acceptances.**

(a) Notwithstanding anything to the contrary contained herein, any Local Fronting Lender may agree (in its sole discretion from time to time) to create bankers' acceptances under its Currency Sublimit by way of the acceptance and discount of Drafts (the "***Acceptances***") pursuant to this **Section 2.31**; ***provided***, ***however***, that no Local Fronting Lender shall have any obligation to create and/or discount Acceptances, regardless of any prior practice of doing so for the account of such Local Borrowing Subsidiary. Any Acceptances created pursuant to this **Section 2.31** shall be denominated in the Permitted Foreign Currency for the relevant Local Fronting Lender (and not in Dollars), and shall be for such tenor and in such amount as may be mutually agreed upon by the relevant Local Fronting Lender and Local Borrowing Subsidiary; ***provided***, ***however***, that in no event shall any Acceptance mature after the date which is 30 days prior to the Revolving Termination Date with respect to the Tranche A Revolving Facility (or such later date as the applicable Local Fronting Lender may agree in its sole discretion).

(b) Unless the relevant Local Borrowing Subsidiary and Local Fronting Lender otherwise agree, the relevant Local Borrowing Subsidiary shall give to the relevant Local Fronting Lender not less than two Business Days' prior written notice of its intent to borrow by way of Acceptances from any Local Fronting Lender which has agreed to accept and discount Drafts for the account of such Local Borrowing Subsidiary, which notice shall be accompanied by (i) a Draft which has been completed, executed and delivered by a duly authorized officer of such Local Borrowing Subsidiary and (ii) such other documents, instruments and certificates as such Local Fronting Lender reasonably may request; ***provided***, ***however***, that, after giving effect to the creation of such Acceptance, the Local Outstandings owing to such Local Fronting Lender shall not exceed the amount equal to its Currency Sublimit then in effect. On the requested borrowing date, the relevant Local Fronting Lender will accept such Draft and discount such accepted Draft in accordance with the provisions of **Section 2.31(c)**.

(c) Any Local Fronting Lender may, in its sole discretion, elect to discount Drafts of the relevant Local Borrowing Subsidiary on the date upon which such Local Fronting Lender accepts such Drafts by discounting such Draft at the rate per annum equal to the Local Rate (which may be a different rate than the Local Rate then payable on account of Local Loans in such Permitted Foreign Currency) then in effect ***plus*** the Applicable Margin then in effect for Local Rate Loans; ***provided***, ***however***, that, unless the relevant Local Fronting Lender and Local Borrowing Subsidiary otherwise agree, such discount shall be calculated by, ***first***, discounting the aggregate face amount of such Draft at the rate per annum equal to the Local Rate then in effect and, ***second***, discounting the result thereof at the rate per annum equal to the Applicable Margin then in effect for Local Rate Loans. Promptly following such discounting (and, in any event, on the date thereof), such Local Fronting Lender shall make available to such Local Borrowing Subsidiary the amount equal to the discounted face amount of such Draft in the manner in which such Local Fronting Lender makes available Local Loans pursuant to **Section 2.5(b)**.

(d) Each Local Borrowing Subsidiary hereby unconditionally agrees to pay to the relevant Local Fronting Lender the aggregate, undiscounted face amount of each Draft accepted by such Local Fronting Lender hereunder on the maturity date thereof (or on such earlier date upon which the obligations of such Local Borrowing Subsidiary under this Agreement shall

become or shall have been declared due and payable pursuant to the terms and conditions of this Agreement). Interest shall accrue on any amount owing pursuant to this **Section 2.31(d)** which is not paid when due (whether by scheduled maturity, mandatory prepayment, acceleration or otherwise) from the date such amount becomes due until paid in full at a fluctuating rate per annum equal to the rate which would then be payable on any overdue Local Rate Loans and shall be payable by such Local Borrowing Subsidiary upon demand by such Local Fronting Lender.

(e) Each Tranche A Revolving Lender hereby unconditionally and irrevocably agrees to purchase undivided participating interests in the Acceptances created by each Local Fronting Lender in accordance with the provisions of **Section 2.32**.

(f) Notwithstanding anything to the contrary contained herein, the indefeasible prepayment by the relevant Local Borrowing Subsidiary to the relevant Local Fronting Lender of all or a portion of any outstanding Acceptance shall be deemed to constitute a prepayment of such portion of such Acceptance for all purposes hereunder, regardless of whether the relevant Local Fronting Lender has distributed such amount to the holder of the underlying Draft.

**2.32 Currency Conversion and Contingent Funding Agreement.**

(a) Each Tranche A Revolving Lender hereby unconditionally and irrevocably agrees to purchase (in Dollars) an undivided participating interest in its ratable share of such Local Loans and Acceptances made by such Local Fronting Lenders as the Administrative Agent may at any time request; ***provided***, ***however***, that:

(i) the Administrative Agent hereby agrees that, it will not request any such purchase of participating interests unless a Liquidity Event Period has commenced and is continuing or a Default or an Event of Default has occurred and is continuing;

(ii) the Administrative Agent hereby agrees that it promptly will request that the Tranche A Revolving Lenders purchase such participating interest in all Local Loans and Acceptances made by any Local Fronting Lender which provides to the Administrative Agent a written certification that an Event of Default described in **Section 8.1(a)** is continuing with respect to the Local Loans or Acceptances made by such Local Fronting Lender and requesting that such request be made by the Administrative Agent; and

(iii) in the event that any of the events specified in **clauses (i)**, **(ii)** or **(iii)** of **Section 8.1(f)** shall have occurred with respect to any Local Borrower, each Tranche A Revolving Lender shall be deemed to have purchased, automatically and without request, such participating interest in the Local Loans and Acceptances made to such Local Borrower.

Any such request by the Administrative Agent shall be made in writing to each Tranche A Revolving Lender and shall specify the amount of Dollars (based upon the actual exchange rate at which the Administrative Agent anticipates being able to obtain the relevant Permitted Foreign Currency, with any excess payment being refunded to the Tranche A Revolving Lenders and any

deficiency remaining payable by the Tranche A Revolving Lenders) required from such Tranche A Revolving Lender in order to effect the purchase by such Tranche A Revolving Lender of a participating interest in the amount equal to its Tranche A Revolving Percentage multiplied by the aggregate then outstanding principal amount (in the Permitted Foreign Currency) of the relevant Local Loans and Acceptances (together with accrued interest thereon and other amounts owing in connection therewith) in such Permitted Foreign Currency. Promptly upon receipt of such request, each Tranche A Revolving Lender shall deliver to the Administrative Agent (in immediately available funds) the amount so specified by the Administrative Agent. The Administrative Agent shall convert such amounts into the relevant Permitted Foreign Currency and shall promptly deliver the proceeds of such conversion to the relevant Local Fronting Lender in immediately available funds. From and after such purchase, (i) the outstanding Local Loans and Acceptances in which the Tranche A Revolving Lenders have purchased such participations shall be deemed to have been converted into Tranche A Revolving Loans that are ABR Loans denominated in Dollars (with such conversion constituting, for purposes of **Section 2.21**, a prepayment of such Local Loans and Acceptances before the last day of the Interest Period with respect thereto), (ii) any further Local Loans to be made to such Borrower shall be made in Dollars, with each Tranche A Revolving Lender purchasing a participating interest therein in the manner described in the foregoing provisions of this **Section 2.32(a)** immediately upon the making thereof in the amount equal to such Tranche A Revolving Lender's Tranche A Revolving Percentage thereof (with the Administrative Agent hereby agreeing to provide prompt notice to each such Tranche A Revolving Lender of its receipt from the relevant Local Fronting Lender of a notice of borrowing and of making the relevant Local Loan), (iii) no further Acceptances shall be created for the account of such Local Borrowing Subsidiary, (iv) all amounts from time to time accruing, and all amounts from time to time payable, on account of such Local Loans and Acceptances (including, without limitation, any interest and other amounts which were accrued but unpaid on the date of such purchase) shall be payable in Dollars as if such Local Loan or Acceptance, as the case may be, had originally been made in Dollars and shall (other than with respect to the portion of the Applicable Margin which, pursuant to **Section 2.15**, is expressly stated to be paid for the account of the Local Fronting Lender) be distributed by the relevant Local Fronting Lender to the Administrative Agent, for the accounts of the Tranche A Revolving Lenders, on account of such participating interests. Notwithstanding anything to the contrary contained in this **Section 2.32**, the failure of any Tranche A Revolving Lender to purchase its participating interest in any Local Loan or Acceptance shall not relieve any other Tranche A Revolving Lender of its obligation hereunder to purchase its participating interest in a timely manner, but no Tranche A Revolving Lender shall be responsible for the failure of any other Tranche A Revolving Lender to purchase the participating interest to be purchased by such other Tranche A Revolving Lender on any date.

(b) If any amount required to be paid by any Tranche A Revolving Lender pursuant to **Section 2.32(a)** is paid to the Administrative Agent within three Business Days following the date upon which such Tranche A Revolving Lender receives notice from the Administrative Agent that the Local Loan or Acceptance in which such Tranche A Revolving Lender has purchased a participating interest has been made or created (as the case may be), such Tranche A Revolving Lender shall pay to the Administrative Agent on demand an amount equal to the product of such amount, times the daily average Federal Funds Effective Rate during the period

from and including the date such payment is required to the date on which such payment is immediately available to the Administrative Agent, times a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any Tranche A Revolving Lender pursuant to **Section 2.32(a)** is not in fact made available to the Administrative Agent within three Business Days following the date upon which such Tranche A Revolving Lender receives notice from the Administrative Agent that the Local Loan or Acceptance in which such Tranche A Revolving Lender has purchased a participating interest has been made or created (as the case may be), the Administrative Agent shall be entitled to recover from such Tranche A Revolving Lender, on demand, such amount with interest thereon calculated from such due date at the rate per annum applicable to Tranche A Revolving Loans that are ABR Loans hereunder. A certificate of the Administrative Agent submitted to any Tranche A Revolving Lender with respect to any amounts owing under this **Section 2.32(b)** shall be conclusive in the absence of manifest error. Amounts payable by any Tranche A Revolving Lender pursuant to this **Section 2.32(b)** shall be paid to the Administrative Agent, for the account of the relevant Local Fronting Lender; ***provided***, ***however***, that, if the Administrative Agent (in its sole discretion) has elected to fund on behalf of such Tranche A Revolving Lender the amounts owing to such Local Fronting Lender, then the amounts shall be paid to the Administrative Agent, for its own account.

(c) Whenever, at any time after the relevant Local Fronting Lender has received from any Tranche A Revolving Lender such Tranche A Revolving Lender's participating interest in a Local Loan or Acceptance pursuant to **clause(a)** above, the Local Fronting Lender receives any payment on account thereof, such Local Fronting Lender will distribute to the Administrative Agent, for the account of such Tranche A Revolving Lender, such Tranche A Revolving Lender's participating interest in such amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Tranche A Revolving Lender's participating interest was outstanding) in like funds as received; ***provided***, ***however***, that in the event that such payment received by such Local Fronting Lender is required to be returned, such Tranche A Revolving Lender will return to such Local Fronting Lender any portion thereof previously distributed by such Local Fronting Lender to such Tranche A Revolving Lender in like funds as such payment is required to be returned by such Local Fronting Lender.

Each Tranche A Revolving Lender's obligation to purchase participating interests pursuant to **clause (a)** above shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation, (a) any set-off, counterclaim, recoupment, defense or other right which such Tranche A Revolving Lender may have against the relevant Local Fronting Lender, the relevant Local Borrower or any other Person for any reason whatsoever; (b) the occurrence or continuance of a Default or an Event of Default; (c) any adverse change in the condition (financial or otherwise) of the relevant Local Borrower or any other Person; (d) any breach of this Agreement by the relevant Local Borrower, any other Local Borrower or any other Lender; or (e) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing; ***provided***, ***however***, that no Tranche A Revolving Lender shall be obligated to purchase participating interests in any Local Loans made by a Local Fronting Lender to the extent that such Local Loans (at the time when made) caused the amount of Local Loans

outstanding from such Local Fronting Lender to be in excess of the Currency Sublimit then in effect with respect to such Local Fronting Lender.

**2.33 Protective Advances.**

(a) Subject to the limitations set forth in the definition of Protective Advances, the Administrative Agent may make Protective Advances. The Protective Advances shall constitute Obligations for all purposes hereof and the other Loan Documents. All Protective Advances shall be ABR Loans subject to the Applicable Margin applicable to the Tranche A Revolving Loans. At any time that Availability exceeds Revolving Extensions of Credit then outstanding, the Administrative Agent may request the Tranche A Revolving Lenders to make a Tranche A Revolving Loan, in Dollars, to repay such Protective Advance. At any other time the applicable Agent may require the Tranche A Lenders to fund, in Dollars, their risk participations described in **Section 2.33(b)**. The Administrative Agent shall endeavor to notify the Borrower promptly after the making of any Protective Advance.

(b) Upon the making of a Protective Advance by the Administrative Agent in accordance with the terms hereof, each Tranche A Revolving Lender shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from the Administrative Agent, without recourse or warranty, an undivided interest and participation in the applicable Protective Advance, in proportion to its Protective Advances Percentage of such Protective Advance. From and after the date, if any, on which any Tranche A Revolving Lender is required to fund its participation in any Protective Advance purchased hereunder, the Administrative Agent shall promptly distribute to such Tranche A Revolving Lender such Tranche A Revolving Lender's Protective Advances Percentage of all payments of principal and interest and all proceeds of Collateral received by the Administrative Agent in respect of such Protective Advance.

**2.34 MIRE Events.**

Each of the parties hereto acknowledges and agrees that each MIRE Event after the Amendment No. 1 Effective Date shall be subject to (and conditioned upon): (1) the delivery to the Collateral Agent of all flood hazard determination certifications, acknowledgements and evidence of flood insurance and other flood-related documentation with respect to Mortgaged Properties or any Real Property that will become Mortgaged Property at such time as required by Flood Insurance Laws and as otherwise reasonably required by the Collateral Agent and (2) the Collateral Agent shall have confirmed that all reasonable flood insurance due diligence with respect to the information delivered pursuant to **clause (1)** has been completed to the reasonable satisfaction of the Collateral Agent and the Lenders (such confirmation not to be unreasonably withheld, conditioned or delayed); ***provided***, that the condition in this **clause (2)** shall be deemed satisfied unless the Collateral Agent provides the Borrower with written notice to the contrary within 20 Business Days (or such shorter period agreed to by the Collateral Agent in its reasonable discretion) after the Borrower or the applicable Loan Party has complied with **clause (1)** above.

Promptly upon a Responsible Officer of the Borrower obtaining knowledge thereof, the Borrower shall give notice to the Administrative Agent of any special flood hazard area status and flood disaster assistance executed by Holdings, the Borrower and any applicable Loan Party.

## Section III.LETTERS OF CREDIT

### 3.1 L/C Commitment.

(a) Subject to the terms and conditions hereof, each Issuing Lender, in reliance on the agreements of the other Tranche A Revolving Lenders set forth in **Section 3.4(a)**, agrees, in the case of each Issuing Lender on the Closing Date in its capacity as the issuer of Existing Letters of Credit, to continue under this Agreement for the account of the Borrower or a Restricted Subsidiary, as applicable, such Existing Letters of Credit until the expiration or earlier termination thereof, and, in the case of each other Issuing Lender, to issue Letters of Credit under the Revolving Commitments for the account of the Borrower or any of its Restricted Subsidiaries on any Business Day during the Revolving Commitment Period with respect to the Tranche A Revolving Facility in such form as may be approved from time to time by such Issuing Lender; ***provided***, that no Issuing Lender shall have any obligation to issue any Letter of Credit if, after giving effect to such issuance, (i) (A) the L/C Obligations would exceed the aggregate L/C Commitment set forth in **clause (a)** of the definition of "L/C Commitment" and (B) the L/C Obligations with respect to each Issuing Lender would exceed the L/C Commitment of such Issuing Lender as set forth in **clause (b)** of the definition of "L/C Commitments" and on **Schedule 2.1**, or (ii) after giving effect to the issuance thereof, the aggregate Tranche A Revolving Extensions of Credit shall exceed the Tranche A Availability then in effect. Each Letter of Credit shall (i) be denominated in Dollars or any Permitted Foreign Currency and (ii) expire no later than the earlier of (x) the first anniversary of its date of issuance and (y) the date that is three Business Days prior to the Revolving Termination Date with respect to the Tranche A Revolving Facility (unless Cash Collateralized or the applicable Issuing Lender so agrees); ***provided***, that any Letter of Credit with a one-year term may provide for the renewal thereof for additional one-year periods (which shall in no event extend beyond the date referred to in **clause (y)** above).

(b) No Issuing Lender shall at any time be obligated to issue any Letter of Credit if such issuance would (i) conflict with, or cause such Issuing Lender to exceed any limits imposed by, any applicable Requirement of Law, or if such Requirement of Law would impose upon such Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Closing Date and is not otherwise reimbursable to it by the Borrower hereunder and which such Issuing Lender in good faith deems material to it or (ii) violate one or more policies of such Issuing Lender applicable generally to the issuance of letters of credit for the account of similarly situated borrowers.

### 3.2 Procedure for Issuance of Letter of Credit

. The Borrower may from time to time request that the relevant Issuing Lender issue a Letter of Credit (or amend, renew or extend an outstanding Letter of Credit) by delivering to such Issuing Lender at its address for notices specified to the Borrower by such Issuing Lender an Application

therefor, with a copy to the Administrative Agent, completed to the reasonable satisfaction of such Issuing Lender, and such other certificates, documents and other papers and information as such Issuing Lender may reasonably request. Such Application may be sent by facsimile, by United States mail, by overnight courier, by electronic transmission using the system provided by the relevant Issuing Lender, by personal delivery or by any other means acceptable to the relevant Issuing Lender. Upon receipt of any Application, the relevant Issuing Lender will process such Application and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and shall promptly issue (or amend, renew or extend, as the case may be) the Letter of Credit requested thereby (but in no event without the consent of the applicable Issuing Lender shall any Issuing Lender be required to issue (or amend, renew or extend, as the case may be) any Letter of Credit earlier than three Business Days after its receipt of the Application therefor and all such other certificates, documents and other papers and information relating thereto) by issuing the original of such Letter of Credit (or such amendment, renewal or extension, as the case may be) to the beneficiary thereof or as otherwise may be agreed to by such Issuing Lender and the Borrower. Such Issuing Lender shall furnish a copy of such Letter of Credit to the Borrower promptly following the issuance (or such amendment, renewal or extension, as the case may be) thereof. Each Issuing Lender shall promptly furnish to the Administrative Agent, which shall in turn promptly furnish to the relevant Tranche A Revolving Lenders, notice of the issuance (or such amendment, renewal or extension, as the case may be) of each Letter of Credit issued by it (including the amount thereof).

**3.3 Fees and Other Charges.**

(a) The Borrower will pay a fee, in Dollars, on each outstanding Letter of Credit requested by it, at a per annum rate equal to the Applicable Margin then in effect with respect to Eurocurrency Loans under the applicable Facilities, on the Dollar Equivalent of the face amount of such Letter of Credit, which fee shall be shared ratably among the applicable Tranche A Revolving Lenders and payable quarterly in arrears on each Fee Payment Date after the issuance date; ***provided***, that, with respect to any Defaulting Lender, such Lender's ratable share of any letter of credit fee accrued on the aggregate amount available to be drawn on any outstanding Letters of Credit during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such Lender's ratable share of any letter of credit fee shall otherwise have been due and payable by the Borrower prior to such time; ***provided*, *further***, that any Defaulting Lender's ratable share of any letter of credit fee accrued on the aggregate amount available to be drawn on any outstanding Letters of Credit shall accrue (x) for the account of each Non-Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit which has been reallocated to such Non-Defaulting Lender pursuant to **Section 3.4(d)**, (y) for the account of the Borrower with respect to any L/C Shortfall if the Borrower has paid to the Administrative Agent an amount of cash and/or Cash Equivalents equal to the amount of the L/C Shortfall to be held as security for all obligations of the Borrower to the applicable Issuing Lenders hereunder in a Cash Collateral Account, or (z) for the account of the applicable Issuing Lenders, in any other instance, in each case so long as such Lender shall be a Defaulting Lender. In addition, the Borrower shall pay to each Issuing Lender for its own account a fronting

fee, in Dollars, on the Dollar Equivalent of the aggregate face amount of all outstanding Letters of Credit issued by it to the Borrower, equal to the L/C Fronting Fee Rate, payable quarterly in arrears on each Fee Payment Date after the issuance date (the "***L/C Fronting Fee***").

(b) In addition to the foregoing fees, the Borrower shall pay or reimburse each Issuing Lender for standard costs and expenses agreed by the Borrower and such Issuing Lender in issuing, negotiating, effecting payment under, amending or otherwise administering any Letter of Credit requested by the Borrower.

**3.4 L/C Participations.**

(a) Each Issuing Lender irrevocably agrees to grant and hereby grants to each L/C Participant, and, to induce such Issuing Lender to issue Letters of Credit, each L/C Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from such Issuing Lender, on the terms and conditions set forth below, for such L/C Participant's own account and risk an undivided interest equal to such L/C Participant's Tranche A Revolving Percentage in such Issuing Lender's obligations and rights under and in respect of each Letter of Credit issued by it (including each Existing Letter of Credit) and the amount of each draft paid by such Issuing Lender thereunder. Each L/C Participant agrees with each Issuing Lender that, if a draft is paid under any Letter of Credit issued by it for which such Issuing Lender is not reimbursed in full by the Borrower in accordance with the terms of this Agreement, such L/C Participant shall pay, in Dollars, to the Administrative Agent for the account of such Issuing Lender upon demand an amount equal to such L/C Participant's Tranche A Revolving Percentage of the Dollar Equivalent of the amount of such draft, or any part thereof, that is not so reimbursed ("***L/C Disbursements***"); ***provided***, that nothing in this paragraph shall relieve the Issuing Lender of any liability resulting from the gross negligence or willful misconduct of the Issuing Lender (as determined by a final non-appealable judgment of a court of competent jurisdiction). Each L/C Participant's obligation to pay such amount shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such L/C Participant may have against any Issuing Lender, the Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in **Section 5**, (iii) any adverse change in the financial condition of the Borrower, (iv) any breach of this Agreement or any other Loan Document by the Borrower, any other Loan Party or any other L/C Participant or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

(b) If any amount required to be paid by any L/C Participant to the Administrative Agent for the account of any Issuing Lender pursuant to **Section 3.4(a)** in respect of any unreimbursed portion of any payment made by such Issuing Lender under any Letter of Credit is paid to the Administrative Agent for the account of such Issuing Lender within three Business Days after the date such payment is due, such L/C Participant shall pay to the Administrative Agent for the account of such Issuing Lender on demand an amount equal to the product of (i) such amount, ***times*** (ii) the daily average Federal Funds Effective Rate during the period from and including the date such payment is required to the date on which such payment is

immediately available to such Issuing Lender, ***times*** (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any L/C Participant pursuant to **Section 3.4(a)** is not made available to the Administrative Agent for the account of the relevant Issuing Lender by such L/C Participant within three Business Days after the date such payment is due, such Issuing Lender shall be entitled to recover from such L/C Participant, on demand, such amount with interest thereon calculated from such due date at the rate per annum applicable to ABR Loans under the applicable Facilities. A certificate of the relevant Issuing Lender submitted to any relevant L/C Participant with respect to any amounts owing under this **Section 3.4** shall be presumptively correct in the absence of demonstrable error.

(c) Whenever, at any time after any Issuing Lender has made payment under any Letter of Credit and has received from any L/C Participant its **pro rata** share of such payment in accordance with **Section 3.4(a)**, if the Administrative Agent receives for the account of the Issuing Lender any payment related to such Letter of Credit (whether directly from the Borrower or otherwise, including proceeds of collateral applied thereto by the Administrative Agent), or any payment of interest on account thereof, the Administrative Agent will distribute to such L/C Participant its **pro rata** share thereof; ***provided***, ***however***, that in the event that any such payment shall be required to be returned by such Issuing Lender, such L/C Participant shall return to the Administrative Agent for the account of such Issuing Lender the portion thereof previously distributed by such Issuing Lender to it.

(d) Notwithstanding anything to the contrary contained in this Agreement, in the event an L/C Participant becomes a Defaulting Lender, then such Defaulting Lender's applicable Tranche A Revolving Percentage in all outstanding Letters of Credit will automatically be reallocated among the applicable L/C Participants that are Non-Defaulting Lenders **pro rata** in accordance with each Non-Defaulting Lender's applicable Tranche A Revolving Percentage (calculated without regard to the Tranche A Revolving Commitments of the Defaulting Lender), but only to the extent that such reallocation does not cause the Tranche A Revolving Extensions of Credit of any Non-Defaulting Lender to exceed the Tranche A Revolving Commitments of such Non-Defaulting Lender. If such reallocation cannot, or can only partially, be effected the Borrower shall, within five Business Days after written notice from the Administrative Agent, pay to the Administrative Agent an amount of cash and/or Cash Equivalents equal to such Defaulting Lender's applicable Tranche A Revolving Percentage (calculated as in effect immediately prior to it becoming a Defaulting Lender) of the L/C Obligations (after giving effect to any partial reallocation pursuant to the first sentence of this **Section 3.4(d)**) to be held as security for all obligations of the Borrower to the Issuing Lenders hereunder in a Cash Collateral Account. So long as there is a Defaulting Lender, an Issuing Lender shall not be required to issue any Letter of Credit where the sum of the Non-Defaulting Lenders' applicable Tranche A Revolving Percentages of the outstanding Tranche A Revolving Loans and their participations in Letters of Credit, after giving effect to any such requested Letter of Credit would exceed (each such excess, the "***L/C Shortfall***") the aggregate applicable Tranche A Revolving Commitments of the Non-Defaulting Lenders, unless the Borrower shall pay to the Administrative Agent an amount of cash and/or Cash Equivalents equal to the amount of the L/C Shortfall, such cash and/

or Cash Equivalents to be held as security for all obligations of the Borrower to the Issuing Lenders hereunder in a Cash Collateral Account.

**3.5 Reimbursement Obligation of the Borrower**

. The Borrower agrees to reimburse each Issuing Lender on the Business Day following the date on which such Issuing Lender notifies the Borrower of the date and amount of a draft presented under any Letter of Credit issued or continued by such Issuing Lender at the Borrower's request (including any Letters of Credit issued for the account of a Restricted Subsidiary and the Existing Letters of Credit) and paid by such Issuing Lender for the amount of such draft so paid. Each such payment shall be made to such Issuing Lender at its address for notices specified to the Borrower in Dollars and in immediately available funds. Interest shall be payable on any such amounts from the date on which the relevant draft is paid until payment in full at a rate equal to (i) until the second Business Day next succeeding the date of the relevant notice (which notice shall be provided on the date the relevant draft is paid), the rate applicable to ABR Loans that are Tranche A Revolving Loans and (ii) thereafter, the rate set forth in **Section 2.15(c)**. In the case of any such reimbursement in Dollars with respect to a Letter of Credit denominated in a Permitted Foreign Currency, the applicable Issuing Lender shall notify the Borrower of the Dollar Equivalent of the amount of the draft so paid promptly following the determination thereof.

**3.6 Obligations Absolute**

. The Borrower's obligations under this **Section 3** shall be absolute, unconditional and irrevocable under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment that the Borrower may have or have had against any Issuing Lender, any beneficiary of a Letter of Credit or any other Person. The Borrower also agrees with each Issuing Lender that such Issuing Lender shall not be responsible for, and the Borrower's Reimbursement Obligations under **Section 3.5** shall not be affected by, among other things,

(i) the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact later prove to be invalid, fraudulent or forged;

(ii) any dispute between or among the Borrower and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred;

(iii) any claims whatsoever of the Borrower against any beneficiary of such Letter of Credit or any such transferee;

(iv) any other events or circumstances that, pursuant to applicable law or the applicable customs and practices promulgated by the ICC, are not within the responsibility of such Issuing Lender;

(v) waiver by such Issuing Lender of any requirement that exists for such Issuing Lender's protection and not the protection of the Borrower or any waiver by such Issuing Lender which does not in fact materially prejudice the Borrower;

(vi) honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;

(vii) any payment made by such Issuing Lender in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under, such Letter of Credit if presentation after such date is authorized by the Uniform Commercial Code, the ISP or the UCP, as applicable;

(viii) any payment by such Issuing Lender under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by such Issuing Lender under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(ix) any adverse change in the relevant exchange rates or in the availability of the relevant Permitted Foreign Currency to the Borrower or any Subsidiary or in the relevant currency markets generally; or

(x) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower or any Subsidiary, except, in each case, for errors, omissions, interruptions or delays resulting from the gross negligence or willful misconduct of such Issuing Lender or its employees or agents.

No Issuing Lender shall be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Letter of Credit, except for errors, omissions, interruptions or delays resulting from the gross negligence or willful misconduct of such Issuing Lender or its employees or agents (such gross negligence or willful misconduct, as determined by a final and non-appealable judgment of a court of competent jurisdiction). The Borrower agrees that any action taken or omitted by any Issuing Lender under or in connection with any Letter of Credit or the related drafts or documents, if done in the absence of gross negligence or willful misconduct (such gross negligence or willful misconduct, as determined by a final and non-appealable judgment of a court of competent jurisdiction) and in accordance with the standards of care specified in the Uniform Commercial Code of the State of New York, shall be binding on the Borrower and shall not result in any liability of such Issuing Lender to the Borrower.

**3.7 Role of the Issuing Lender**

. Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the Issuing Lenders shall not have any responsibility to obtain any document (other than any sight

draft, certificates and documents expressly required by a Letter of Credit) or to ascertain or inquire as to the validity, authenticity or accuracy of any such document (***provided***, that the Issuing Lenders will determine whether such documents appear on their face to be in order) or the authority of the Person executing or delivering any such document. None of the Issuing Lenders, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the Issuing Lenders shall be liable to any Lender for:

(i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Majority Facility Lenders or the Borrower, as applicable;

(ii) any action taken or omitted in the absence of gross negligence or willful misconduct (such gross negligence or willful misconduct, as determined by a final and non-appealable judgment of a court of competent jurisdiction);

(iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or related Application, or any other document, agreement and instrument entered into by such Issuing Lender and the Borrower (or any Restricted Subsidiary) or in favor of such Issuing Lender and relating to such Letter of Credit; or

(iv) any special, indirect, punitive or consequential damages.

The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; ***provided***, ***however***, that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Issuing Lenders, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the Issuing Lenders shall be liable or responsible for any of the matters described in **clauses (i)** through **(x)** of **Section 3.6**; ***provided***, ***however***, that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against the relevant Issuing Lender, and such Issuing Lender may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which the Borrower proves were caused by such Issuing Lender's willful misconduct or gross negligence or such Issuing Lender's willful failure to pay under any Letter of Credit (such gross negligence, willful misconduct or willful failure to pay, as determined by a final and non-appealable judgment of a court of competent jurisdiction) after the presentation to it by the beneficiary of a sight draft and certificate(s) and documents expressly required by and strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the Issuing Lenders may accept documents that appear on their face to be in order, without responsibility for further investigation, and ***provided*** that a Letter of Credit is issued permitting transfer then the Issuing Lenders shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason. The Issuing Lenders may send a Letter of Credit or conduct any communication to or from the

beneficiary via the Society for Worldwide Interbank Financial Telecommunication ("***SWIFT***") message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary, as agreed to with the Borrower.

**3.8 Letter of Credit Payments**

. If any draft shall be presented for payment under any Letter of Credit, the relevant Issuing Lender shall promptly notify the Borrower of the date and amount thereof. The responsibility of such Issuing Lender to the Borrower in connection with any draft presented for payment under any Letter of Credit issued by such Issuing Lender shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment are substantially in conformity with such Letter of Credit.

**3.9 Applications**

. To the extent that any provision of any Application related to any Letter of Credit is inconsistent with the provisions of this Agreement or any other Loan Document, the provisions of this Agreement or such other Loan Document shall apply.

**3.10 Applicability of ISP and UCP**

. Unless otherwise expressly agreed by the applicable Issuing Lender and the Borrower when a Letter of Credit is issued (including any such agreement applicable to an Existing Letter of Credit), (a) the rules of the ISP shall apply to each standby Letter of Credit, and (b) the rules of the UCP shall apply to each commercial Letter of Credit. Notwithstanding the foregoing, the Issuing Lender shall not be responsible to the Borrower for, and the Issuing Lender's rights and remedies against the Borrower shall not be impaired by, any action or inaction of the Issuing Lender required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the applicable law or any order of a jurisdiction where the Issuing Lender or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

**3.11 Designation of Issuing Lender**

. The Borrower may, at any time and from time to time, designate as Issuing Lender one or more Tranche A Revolving Lenders that agree to serve in such capacity as provided herein. The acceptance by a Tranche A Revolving Lender of an appointment as an Issuing Lender hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Issuing Lender, and, from and after the effective date of such agreement, (i) such Tranche A Revolving Lender shall have all the rights and obligations of an Issuing Lender under this Agreement and (ii) references herein to the term "Issuing Lender" shall

be deemed to include such Tranche A Revolving Lender in its capacity as an Issuing Lender of Letters of Credit hereunder.

## Section IV.REPRESENTATIONS AND WARRANTIES

To induce the Agents and the Lenders to enter into this Agreement and to make the Loans and issue or participate in the Letters of Credit, the Borrower hereby represents and warrants (as to itself and each of its Restricted Subsidiaries) to the Agents and each Lender, which representations and warranties shall be deemed made on the Closing Date (after giving effect to the Transactions) and (subject to, in the case of any incurrence of any Supplemental Revolving Commitment, if the proceeds of such Supplemental Revolving Commitment are, substantially concurrently with the receipt thereof, to be used, in whole or in part, by the Borrower or any other Subsidiary to finance, in whole or in part, a Permitted Acquisition, the Permitted Acquisition Provisions) on the date of each borrowing of Loans or issuance, extension or renewal of a Letter of Credit hereunder that:

Each Loan Party and Local Borrowing Subsidiary has taken all necessary corporate or other action to authorize the execution and delivery of, and the performance of its obligations under, the Loan Documents to which it is a party and, in the case of each Borrower, to authorize the extensions of credit on the terms and conditions of this Agreement, except in each case (other than with respect to the Borrower) to the extent such failure to do so would not reasonably be expected to have a Material Adverse Effect.

**4.5 No Legal Bar**

. (f) Notwithstanding the foregoing, to the extent any new Restricted Subsidiary is created solely for the purpose of consummating a merger transaction pursuant to an acquisition permitted by **Section 7.7**, and such new Subsidiary at no time holds any assets or liabilities other than any merger consideration contributed to it substantially contemporaneously with the closing of such merger transaction, such new Subsidiary shall not be required to take the actions set forth in **Section 6.8(c)** or **6.8(d)**, as applicable, until the respective acquisition is consummated (at which time the surviving entity of the respective merger transaction shall be required to so comply within ten Business Days (or such longer period as the Administrative Agent shall agree in its sole discretion)).

(g) From time to time the Loan Parties shall execute and deliver, or cause to be executed and delivered, such additional instruments, certificates or documents, and take all such actions, as the Collateral Agent may reasonably request for the purposes implementing or effectuating the provisions of this Agreement and the other Loan Documents, or of renewing the rights of the Secured Parties with respect to the Collateral as to which the Collateral Agent, for the benefit of the Secured Parties, has a perfected Lien pursuant hereto or thereto, including, without limitation, filing any financing or continuation statements or financing statement

amendments under the Uniform Commercial Code (or other similar laws, including the PPSA) in effect in any jurisdiction with respect to the security interests created thereby and providing an updated perfection certificate (or schedule thereof); ***provided***, that (i) the scope and substance of such updated perfection certificate (or schedule thereof) shall not be broader than that of the perfection certificate (or applicable schedule thereof) delivered by the Borrower on the Closing Date (after giving pro forma effect to the joinder or Disposition of any Guarantors after the Closing Date), (ii) in lieu of providing such updated perfection certificate (or schedule thereof), the Borrower may provide a certification that no changes have occurred since the most recent date on which a perfection certificate (or applicable schedule thereof) was delivered by the Borrower and (iii) no more than one such perfection certificate (or schedule thereof) shall be required during any 12-month period beginning on the Amendment No. 1 Effective Date or any anniversary thereof; ***provided***, that the Administrative Agent may request additional information, including, an updated perfection certificate (or schedules thereof) if the Borrower or its subsidiaries consummate a material transaction permitted pursuant to **Section 7.4** or Dispose of or acquire material assets of the type identified on the perfection certificate; ***provided***, ***further***, that in no event shall the Loan Parties be required to deliver landlord lien waivers, estoppels or collateral access letters except as set forth in **Section 6.16**. Notwithstanding the foregoing, the provisions of this **Section 6.8** shall not apply to assets as to which the Administrative Agent and the Borrower shall reasonably determine that the costs and burdens of obtaining a security interest therein or perfection thereof outweigh the value of the security afforded thereby. The Administrative Agent may grant extensions of time or waivers of requirement for the creation or perfection of security interests in or the obtaining of insurance (including title insurance) or surveys with respect to particular assets (including extensions beyond the Closing Date for the perfection of security interests in the assets of the Loan Parties on such date) where it reasonably determines, in consultation with the Borrower, that perfection or obtaining of such items cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required by this Agreement or the other Loan Documents.

Without limiting the generality of the foregoing, if the Administrative Agent reasonably determines at any time that a material risk exists that any such

report will not be provided within the time referred to above, the Administrative Agent may retain an environmental consulting firm to prepare such report at the expense of the Borrower (which report would be addressed to the Borrower), and the Borrower hereby grants and agrees to cause any Subsidiary that owns or leases any property described in such request to grant the Administrative Agent, such firm and any agents or representatives thereof an irrevocable non-exclusive license, subject to the rights of tenants or necessary consent of landlords, to enter onto their respective properties to undertake such an assessment on behalf of the Borrower. By virtue of the foregoing, the Borrower does not intend to waive the attorney-client privilege with respect to any information or advice provided by the environmental consulting firm.
