- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 8.01. Other Events.

On March 11, 2005, Revlon, Inc. issued a press release announcing that its wholly-owned subsidiary, Revlon Consumer Products Corporation ("RCPC"), has priced its previously-announced offering of Senior Notes due 2011 (the "Notes"). The interest rate on the Notes has been set at 9½% and the transaction has been increased to \$310 million, from the initially-announced \$205 million, in response to investor demand. The transaction is expected to close on March 16, 2005. The closing of the offering is subject to customary closing conditions and there can be no assurances that the transaction will be consummated.

The net proceeds from the offering are expected to be used by RCPC (i) to retire all of the \$116.2 million aggregate principal amount outstanding of its 8 1/8% Senior Notes due 2006 and all of the \$75.5 million aggregate principal amount outstanding of its 9% Senior Notes due 2006, (ii) to pay related fees and expenses, including accrued interest and, with respect to the 9% Senior Notes, the applicable premium, and (iii) due to the increased size of the transaction, RCPC expects to use a portion of the net proceeds to prepay, and permanently reduce, a portion of the term loan facility of RCPC's credit agreement, together with the applicable prepayment fee associated with such prepayment. Any remaining balance will be available for general corporate purposes.

A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.
